INDEPENDENT ACCOUNTANTS' REPORT

McArthur Township Logan County 6350 Myers Street Huntsville, OH 43324

To the Board of Trustees:

We have audited the accompanying financial statements of McArthur Township, Logan County (the "Township"), as of and for the years ended December 31, 2002 and 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Township as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 10, 2003, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

McArthur Township, Logan County, (the "Township"), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides general governmental services, including road and bridge maintenance, cemetery maintenance, emergency medical services, and fire protection.

The Township contracts with the Village of Huntsville to provide fire services and ambulance services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The certificate of deposit, savings account, and checking account are valued at cost.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund - This fund receives tax money to pay for constructing, maintaining and repairing Township roads and bridges.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001 (Continued

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Gasoline Tax Fund – This fund receives gasoline tax money for constructing, maintaining and repairing Township roads.

3. Capital Projects Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Township had the following significant capital project funds:

Public Works Projects Fund - The Township accounts for the memo receipts and expenditures for Issue II and Logan County sales tax money received for constructing, maintaining and repairing Township roads. As of December 31, 2002, Logan County held a sales tax revenue balance of \$11,058 for Township road projects.

4. Fiduciary Fund (Trust Fund)

These funds are used to account for resources restricted by legally binding trust agreements. The Township had the following significant fiduciary fund:

Non-Expendable Cemetery Bequest Fund – Amounts donated are maintained in perpetuity. Investment earnings are used for maintaining of the designees' grave.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are cancelled and reappropriated in the subsequent year.

A summary of 2002 and 2001 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

Demand deposits	\$220,091	\$22,861
Government Sweep Tiered		158,072
Certificates of Deposit	75,000	124,000
Total Deposits	\$ 295,091	\$ 304,933

Deposits: Deposits are insured by the Federal Depository Insurance Corporation, or collateralized by the financial institution's public entity deposit pool..

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2002 and December 31, 2001 follows:

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due January 20. The second half payment is due July 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

McArthur Township Logan County 6350 Myers Street Huntsville, OH 43324

To the Board of Trustees:

We have audited the financial statements of McArthur Township, Logan County (the "Township"), as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated June 10, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described in the accompanying schedule of findings as items 2002-001 and 2002-002. We also noted a certain immaterial instance of noncompliance that we have reported to management of the Township in a separate letter dated June 10, 2003.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting that weaknesses. However, we noted matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated June 10. 2003.

SCHEDULE OF FINDINGS DECEMBER 31, 2002 AND 2001

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2002-001

Ohio Rev. Code Section 5575.01 required contracts in excess of \$15,000 to be bid and awarded to the lowest and best bidder. During 2001, the Township did not bid the TR 238 culvert and dirt work project in the amount of \$20,192.

Failure to follow required bid procedures could result in legal action being taken against the Township and/or the Township paying an excessive amount for a project.

Procedures should be implemented by the Township to help identify expenditures that meet the criteria for bidding. To help assure that they are familiar with all requirements, the Township should review recent changes to Ohio Rev. Code Section 5575.01.

FINDING NUMBER 2002-002

Ohio Rev. Code Section 5705.10 states that all revenue derived from a special levy is to be credited to a special fund for the purpose for which the levy was made.

During 2001, mobile home tax revenue generated from the Special Revenue Road and Bridge Fund tax levy and from the Special Revenue Fire Fund tax levy was not allocated to the respective funds.

The Township has made the necessary adjustments to increase/decrease fund balances to properly reflect these amounts. The financial statements in this report reflect these adjustments. These adjustments had the following effect upon the respective fund balances:

Year	General Fund	Special Revenue – Road and Bridge Fund	Special Revenue – Fire Fund
2001	(\$2,133)	\$ 1,558	\$575

The Township should implement monitoring procedures to help assure compliance with this requirement to improve accountability over financial activity.
