Independent Auditor's Report

Members of Council and Mayor
Village of New Concord
2 West Main Street
P.O. Box 10
New Concord, Ohio 43762

We have audited the accompanying financial statements of the Village of New Concord, Muskingum County, Ohio, as of and for the year ended December 31, 2002. These financial statements are the responsibility of the Village of New Concord's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 2, the Village of New Concord prepares its financial statements on the basis of accounting prescribed or permitted by Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances and fund balances of the Village of New Concord, Muskingum County, as of December 31, 2002, and its combined cash receipts and disbursements and its combined budgeted and actual receipts and budgeted and actual disbursements and encumbrances for the year then ended on the basis of accounting described in Note 2.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 11, 2003, on our consideration of the Village of New Concord's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE 1 - DESCRIPTION OF THE ENTITY

The Village of New Concord, Muskingum County, Ohio (the "Village"), is a body politic and corporate established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio.

The Village operates under a council-mayor form of government and provides the following services: police protection, fire protection, water, sewer, street maintenance and repair, mayor's court, as well as other general government services.

Management believes the financial statements included in this report represent all of the funds of the Village over which the Village officials have direct operating control.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The most significant of the Village's accounting policies are described below.

A. BASIS OF PRESENTATION - FUND ACCOUNTING

The accounts of the Village are maintained on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts. The following fund types are used by the Village.

GOVERNMENTAL FUNDS

General Fund

The general fund is used to account for all activities of the Village not required to be included in another fund. The general fund balance is available to the Village for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specific purposes.

Rix Mills Sewer Upgrade - This fund accumulates resources via special assessments and transfers in for the payment of the Rix Mills Sewer Upgrade project debt.

Capital Projects Funds

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

PROPRIETARY FUND TYPE

Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village had the following significant Enterprise Funds:

Water Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

Sewer Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

FIDUCIARY FUND (AGENCY FUND)

Funds for which the Village is acting in an agency capacity are classified as agency funds. The Village had the following significant Fiduciary Fund:

New Concord Area Heritage Fund (Agency) - This fund receives donations from residents for the beautification of the Village.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. BUDGETARY PROCESS

The budgetary process is prescribed by provisions of the Ohio Revised Code and entails the preparation of budgetary documents within an established timetable. The major documents prepared are the tax budget, the certificate of estimated resources, and the appropriation resolution, all of which are prepared on the budgetary basis of accounting. The certificate of estimated resources and the appropriation resolution are subject to amendment throughout the year with the legal restriction that appropriations cannot exceed estimated resources, as certified. All funds (except Agency funds) are legally required to be budgeted and appropriated. The primary level of budgetary control is at the fund level within each fund. Any budgetary modifications at this level may only be made by resolution of the Village's Council.

Tax Budget:

A budget of estimated cash receipts and disbursements is submitted to the County Auditor, as secretary of the County Budget Commission, by July 20 of each year, for the period January 1 to December 31 of the following year. The expressed purpose of the tax budget is to reflect the need for existing (or increased) tax rates.

Estimated Resources:

The County Budget Commission determines if the budget substantiates a need to levy the full amount of authorized property tax rates and reviews receipt estimates. The County Budget Commission certifies its actions to the Village by September 1. As part of this certification, the Village receives the official certificate of estimated resources, which states the projected receipts of each fund. On or about January 1, the certificate is amended to include unencumbered fund balances at December 31 of the preceding year. Further amendments may be made during the year if the Village determined that receipts collected will be greater than or less than the prior estimate, and the Budget Commission finds the revised estimate to be reasonable. Prior to December 31, the Village must revise its budget so that the total contemplated expenditures from a fund during the ensuing fiscal year will not exceed the amount stated in the certificate of estimated resources. The revised budget then serves as the basis for the annual appropriation measure. The Village had several amendments to the original estimated certificate during the year ended December 31, 2002.

**VILLAGE OF NEW CONCORD
MUSKINGUM COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Appropriations:

A temporary appropriation measure to control cash disbursements may be passed on or about January 1 of each year for the period January to March 31. An annual appropriation measure must be passed by April 1 of each year for the period January 1 to December 31. The appropriations measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources. The Village adopted several appropriation modifications during the year ended December 31, 2002.

Encumbrances:

As part of the formal budgetary control, purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve the portion of the applicable appropriation.

At the close of each fiscal year, the unencumbered balance of each appropriation reverts to the respective fund from which it was appropriated and becomes subject to future appropriations. The encumbered appropriation balance is carried forward to the succeeding fiscal year and need not be reappropriated. The Village had outstanding encumbrances at December 31, 2002.

D. CASH AND CASH EQUIVALENTS

For reporting purposes, the Village considers "Cash and Cash Equivalents" to be cash on hand, demand deposits, and all investments held by the Village with a maturity date less than or equal to three months from the date of purchase. Interest income earned and received by the Village totaled \$20,486 for the year ended December 31, 2002.

E. PROPERTY, PLANT AND EQUIPMENT

Fixed assets are not capitalized in any of the Village's funds. Instead, capital acquisition and construction costs are recorded as expenditures in the fund in the year expended. The costs of normal maintenance and repairs, along with improvements, are also expended. Depreciation is not recorded by the Village.

**VILLAGE OF NEW CONCORD
MUSKINGUM COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

F. UNPAID VACATION AND SICK LEAVE

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Village.

G. INTERFUND TRANSACTIONS

During the course of normal operations, the Village had transactions between funds. The most significant include transfers of resources from one fund to another fund. The resources transferred are to be expended for operations by the necessary fund and are recorded as operating transfers. Residual equity transfers are nonrecurring or nonroutine transfers of equity between funds. Advances are temporary loans to other funds which are ultimately going to be repaid.

H. INTERGOVERNMENTAL REVENUES

Intergovernmental revenues, such as entitlements and grants awarded on a non-reimbursable basis are recorded when received in accordance with the Village's cash basis method of accounting.

I. TOTAL COLUMNS ON FINANCIAL STATEMENTS

Total columns on the financial statements are captioned "Total (Memorandum Only)" to indicate that they are presented only to facilitate financial analysis. Interfund-type eliminations have not been made in the aggregation of this data.

NOTE 3 - CHANGE IN ACCOUNTING PRINCIPLE

The Village elected to record Mayor's Court receipts and disbursements within the General Fund during 2002, the accounting method in 2001 was recorded as an Agency Fund. This change had no effect on fund balance from 2001 to 2002.

**VILLAGE OF NEW CONCORD
MUSKINGUM COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2002

NOTE 4 - EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	<u>2002</u>
Deposits:	
Demand Deposits	\$ 30,120
Investments:	
Repurchase Agreement	<u>562,732</u>
Total Cash and Investments	<u><u>\$ 592,852</u></u>

Deposits: Deposits are insured by the Federal Depository Insurance Corporation.

Investments: The Village's financial institution has pledged securities to the Village's agent to collateralize repurchase agreements. The securities are not in the Village's name. The repurchase agreement is valued at cost.

NOTE 5 - PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the County. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State and are reflected in the accompanying financial statements as Intergovernmental Receipts. Real property taxes are payable annually or semiannually to the County. If paid annually, payment is due December 31; if paid semiannually, the first payment is due December 31 with the remainder payable by June 20 of the following year. Under certain circumstances, state statute permits later payment dates to be established.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Members of Council and Mayor
Village of New Concord
2 West Main Street
P.O. Box 10
New Concord, Ohio 4376

We have audited the financial statements of the Village of New Concord, Muskingum County, Ohio, as of and for the year ended December 31, 2002, and have issued our report thereon dated July 11, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Village of New Concord’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted a certain immaterial instance of noncompliance that we have reported to the management of the Village of New Concord in a separate letter dated July 11, 2003.

Members of Council and Mayor
Village of New Concord, Muskingum County

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Village of New Concord's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted matters involving the internal control over financial reporting that do not require inclusion in this report that we have reported to the management of the Village of New Concord in a separate letter dated July 11, 2003.

This report is intended for the information of the Council and management of the Village of New Concord and is not intended to be and should not be used by anyone other than these specified parties.
