VIRGINIA TOWNSHIP AUDIT REPORT JANUARY 1, 2001 – DECEMBER 31, 2002

Board of Trustees Virginia Township

We have reviewed the Independent Auditor's Report of Virginia Township, Coshocton County, prepared by Wolfe, Wilson & Phillips, Inc. for the audit period January1, 2001 through December 31, 2002. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Virginia Township is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

Board of Trustees Virginia Township Conesville, Ohio

We have audited the accompanying financial statements of Virginia Township as of and for the years ended December 31, 2002 and 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the cash basis, which is a comprehensive basis of accounting prescribed or permitted by the Auditor of State, other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Virginia Township as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 21, 2003, on our consideration of Virginia Township's internal control structure over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of officials authorized to receive this report under Section 117.26, Ohio Revised Code and is not intended to be and should not be used by anyone other than these specified parties.

1. Summary of Significant Accounting Policies

A. Description of the Entity

The Township of Virginia, Coshocton County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the Sate of Ohio. The Township is directed by a publicly-elected four member Board. The Township provides general governmental services, including road, bridge and cemetery maintenance. Police Protection is provided by the Coshocton County Sheriff's Department. The Township contracts with Franklin Township to provide fire protection.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and cash disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report expenditures when a commitment is made (i.e., when an encumbrance is approved.) These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

All cash is maintained in a pooled checking account. The Township has no investments.

D. Fund Accounting

The Township uses fund accounting to segregate cash that is restricted as to use. The Township classifies its funds into the following types:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Fund:

D. Fund Accounting (Continued)

Special Revenue Funds (Continued)

Motor Vehicle License Tax Fund – This fund receives motor vehicle tax receipts for constructing, maintaining and repairing Township roads and bridges.

Gasoline Tax Fund – This fund receives gasoline tax receipts for constructing, maintaining and repairing Township roads and bridges.

Road and Bridges Fund – This fund receives real estate and personal property tax money for the construction, repair and maintenance of township roads and bridges.

Fire District Fund – This fund receives real estate tax for the cost associated with the fire protection contract with Franklin Township.

Permissive Motor Vehicle License Fund – This fund receives county motor vehicle license tax money for the construction, repair, and maintenance of township roads and bridges.

Fiduciary Fund (Trust and Agency Funds)

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Township to maintain the corpus of the trust, the fund is classified as a non-expendable trust fund. The Township had the following significant fiduciary funds:

Cemetery Bequest Fund – This fund is used to account for the maintenance and care of the cemetery. There was no activity during the audit period. As such, fund balance at December 31, 2002 and 2001 is \$68.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

E. Budgetary Process (Continued)

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget commission must also approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A Summary of 2002 and 2001 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets in the accompanying financial statements.

2. Equity in Pooled Cash

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

		2002		2001		
Demand deposits	\$	94 254	•	90.291		
Demand deposits	<u> </u>	94,234	<u>.p</u>	90,291		

Deposits:

Deposits are collateralized by securities specifically pledged by the financial institution to the Township and by the Federal Depository Insurance Corporation.

3. Budgetary Activity

Budgetary activity for the years ended December 31, 2002 and 2001 was as follows:

2002 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	<u>Variance</u>		
General Special Revenue	28,252 79,877	27,288 74,540	(964) (5,337)

Total	\$	187,928	\$	95,269	\$	92,659

4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduce for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payment are due to the county by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. Retirement Systems

The Township's Trustees, Clerk and other employees of the Township belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post-retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2002 and 2001, members of PERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 2002.

6. Risk Management

The Township maintains insurance coverage that provides the following coverages:

- Comprehensive property and general liability
- Vehicles
- Errors and omissions

The Township also provides health insurance to the Township Trustees, Township Clerk, and full time employees through a private carrier.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS.

Board of Trustees Virginia Township Conesville, Ohio

We have audited the financial statements of Virginia Township as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated February 21, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Virginia Township's combined financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we have noted certain immaterial instances of noncompliance that we have reported to the management of Virginia Township in a separate letter dated February 21, 2003.

Internal Control Over Financing Reporting

In planning and performing our audit, we considered Virginia Township internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the combined financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weakness. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts the would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the Board of Trustees and the Auditor of State and is not intended to be and should not be used by anyone other than these specified parties.
