INDEPENDENT ACCOUNTANT'S REPORT

Girard Free Library Trumbull County 105 East Prospect Street Girard. Ohio 44420

To the Board of Trustees:

We have audited the accompanying financial statements of the Girard Free Library (the Library) as of and for the years ended December 31, 2003 and 2002. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The Library's financial transactions were processed using the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to conduct the audit of the Library because the Auditor of State designed, developed, implemented, and, as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN service, and Ohio Revised Code § 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments.

We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Library prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of the Library as of December 31, 2003 and 2002 and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2004 on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the management, Board of Trustees and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Girard Free Library, Trumbull County, (the Library) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of Ohio. The Library is directed by a nine-member Board of Trustees. Three trustees are appointed by the Board in November of each year. The trustees serve for a period of three years or until their successors are chosen. The Library provides the community with various educational and literary resources.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Repurchase agreements and certificates of deposit are valued at cost.

D. Fund Accounting

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its only fund into the following type:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

E. Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances), may not exceed appropriations at the fund, function, and object level of control.

A summary of 2003 and 2002 budgetary activity appears in Note 3.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the basis of accounting the Library uses.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Library maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 follows:

	2003	2002
Demand deposits	\$20,001	\$20,000
Certificates of deposit	82,532	80,230
Cash on Hand	200	200
Total deposits	102,733	100,430
Repurchase agreement	407,944	404,980
Total investments	407,944	404,980
Total deposits and investments	\$510,677	\$505,410

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by securities specifically pledged by the financial institution's public entity deposit pool.

Investments: The Library's financial institution transfers securities to the Library's agent to collateralize repurchase agreements. The securities are not in the Library's name.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2003 and December 31, 2002 follows:

2003 Budgeted vs. Actual Budgetary Basis Expenditures				
	Appropriation	Budgetary		
Fund Type	Authority	Expenditures	Variance	
General	\$1,010,612	\$939,977	\$70,635	
2002 Budgeted vs. Actual Budgetary Basis Expenditures				
	Appropriation	Budgetary		
Fund / Fund Type	Authority	Expenditures	Variance	
General	\$1,097,428	\$1,039,679	\$57,749	

4. GRANTS-IN-AID AND TAX RECEIPTS

The primary source of revenue for Ohio public libraries is the State Library and Local Government Support Fund (LLGSF). The LLGSF is allocated to each county based on the county's prior intangibles tax of LLGSF revenues, and its population. The County Budget Commission allocates these funds to the Library based on its needs such as for the construction of new library buildings, improvements, operation, maintenance, or other expenses. The Budget Commission cannot reduce its allocation of these funds to the Library based on of any additional revenues the Library receives.

5. RETIREMENT SYSTEM

The Public Employees Retirement System of Ohio (PERS) is a state operated, cost-sharing, multiple employer public employee retirement system. PERS provides retirement benefits to vested employees who are eligible to retire based upon years of service. PERS also provides survivor and disability benefits to vested employees.

Contribution rates are prescribed by the Ohio Revised Code. The Library's PERS members contributed 8.5% of their gross salaries. The Library contributed an amount equal to 13.55% of participants' gross salaries for 2003 and 2002. The Library has paid all contributions required through December 31, 2003.

NOTES TO THE FINANCIAL STATEMENTS **DECEMBER 31, 2003 AND 2002** (Continued)

6. **RISK MANAGEMENT**

Commercial Insurance

The Girard Free Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and Errors and omissions.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Girard Free Library Trumbull County 105 East Prospect Street Girard. Ohio 44420

To the Board of Trustees:

We have audited the accompanying financial statements of the Girard Free Library (the Library) as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated November 5, 2004 wherein we noted that the Library's financial transactions were processed using the Auditor of State's Uniform Accounting Network (UAN). We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Library's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Library's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the Library in a separate letter dated November 5, 2004.
