Independent Auditors' Report

We have audited the accompanying statement of financial position of NEOUCOM Foundation ("Foundation") as of June 30, 2004, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior-year summarized comparative information has been derived from the Foundation's 2003 financial statements and, in our report dated August 25, 2003, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NEOUCOM Foundation as of June 30, 2004, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated August 31, 2004, on our consideration of NEOUCOM Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing on internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

NEOUCOM FOUNDATION NOTES TO FINANCIAL STATEMENTS For the Year Ended June 30, 2004

1. SIGNIFICANT ACCOUNTING POLICIES

THE ORGANIZATION

The NEOUCOM Foundation (hereinafter referred to as the "Foundation") was incorporated on April 14, 1978, as a nonprofit tax-exempt corporation. The purpose of the Foundation is to raise funds for and make distributions to the Northeastern Ohio Universities College of Medicine (hereinafter referred to as the "College"), and to assist in developing and increasing its resources to provide broader educational opportunities and services for charitable, educational, and scientific purposes.

The Foundation is governed by a volunteer Board of Trustees consisting of a maximum forty-two members.

The Foundation has adopted the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

BASIS OF PRESENTATION

The financial statements of the Foundation are presented in the following classifications:

Unrestricted Net Assets are the results of contributions, gains, and other support, the use of which is at the sole discretion of the Foundation's Board of Trustees. Temporarily Restricted Net Assets are the results of contributions, gains, and other support which are temporarily restricted to specific purposes by the donor or grantor. Permanently Restricted Net Assets are the results of contributions which are permanently restricted by the donor, the principal of which must remain unexpended in perpetuity.

CASH AND EQUIVALENTS

For financial statement purposes, cash, certificates of deposit and investments with maturities of less than twelve months at date of purchase are combined. The Foundation has cash equivalents at financial institutions, which may, at times, exceed federally insured amounts.

INVESTMENTS

Investments are carried at fair market value. Realized and unrealized gains and losses are reflected in the Statement of Activities

ANNUITY AND LIFE INCOME ACCOUNTS

The amount of the contribution recorded by the Foundation from annuity trust agreements is the fair value of the trust assets received less the present value of the estimated annuity payments. The liability is determined based on actuarial assumptions and is included in the liabilities section of the Statement of Financial Position.

REVENUE RECOGNITION

Unrestricted contributions of cash and other assets are recognized as revenue when they are received. All other material restricted contributions are recognized when pledged.

The Foundation receives donated services which are specialized skills that would need to be purchased if not provided by donation. Such in-kind donations are reported as contributions in the Statement of Activities.

FEDERAL INCOME TAXES

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, with the exception of taxable unrelated business income. The Foundation had no unrelated business income in fiscal 2004 and 2003.

USE OF ESTIMATES

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

COMPARATIVE FINANCIAL STATEMENTS

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2003 from which the summarized information was derived. Certain prior year amounts have been reclassified to conform with current year presentation.

2. PLEDGES RECEIVABLE

3. <u>INVESTMENTS</u>

Following is a summary of investments at June 30, 2004 and 2003:

		<u>2004</u>				2		
		Cost		Market		Cost		Market

The Foundation's investment policy specifies that 55%-65% of funds to be invested shall be held in equities while the remaining 35%-45% shall be placed in government or corporate investment grade instruments or cash equivalents. No investment will be made in tax exempt instruments with the exception of conditions placed upon the Foundation by a donor, making a charitable trust or annuity agreement with the Foundation.

No investments should be made in commodities, real estate, venture capital or similar options without the express approval of the NEOUCOM Foundation's Board of Trustees.

NEOUCOM Foundation is the owner and sole beneficiary of a life insurance policy in the amount of \$500,000, which insures the life of a Foundation contributor. The contributor has indicated his intention to make future contributions to the Foundation in the necessary amounts for payment of premiums for the policy. The agreement is not considered as a pledge, due to the fact that the contributor is under no obligation to make future contributions to the Foundation under the agreement. Upon death of the insured, the life insurance proceeds are to be used to further fund the endowed chair in anatomy or, if already fully funded, the proceeds may fund other Foundation projects at the Board of Trustees' discretion.

4. FUNDS HELD IN TRUST

During fiscal year 2004, the Foundation received the largest gift in its history. On March 5, 2004, the family of the late Chatrchai Watanakunakorn, M.D. notified the College and Foundation they were the sole beneficiary of an irrevocable grantor trust. The securities are held in trust by Sky Bank (formerly Second National Bank) which, according to the trust, is to distribute annually the sum of \$300,000 to the Foundation for its unrestricted use, until such time that the trust is fully liquidated. The gift will be used to advance medical education in northeast Ohio, create an endowed chair in microbiology and immunology in Dr. Watanakunakorn's name and provide a lectureship series for healthcare professionals throughout the region. The value of the Foundation's interest in the trust has been recorded at its fair market value at June 30, 2004 which totaled \$2,806,855.

5. STUDENT NOTES RECEIVABLE

The Foundation has established a revolving loan fund that disburses funds at a rate of 5%. The Foundation has experienced a zero default rate and, therefore, management has not recorded an allowance for doubtful loans.

6. GIFT ANNUITY OBLIGATIONS

The Foundation is obligated under various annuity contracts, whereby donors have contributed cash to the Foundation with agreement that the donor shall be sole recipient of annual annuity payments. These annual payments, currently totaling \$4,930 per year, shall terminate on the last payment date preceding the death of the donor. The discount rates used to estimate the net present value of the obligations on June 30, 2004 and 2003 ranged from 3.6 to 6.0%.

Board of Trustees NEOUCOM Foundation

> Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

We have audited the financial statements of NEOUCOM Foundation as of and for the year ended June 30, 2004, and have issued our report thereon dated August 31, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered NEOUCOM Foundation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether NEOUCOM Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the Board of Trustees, management of NEOUCOM Foundation and the State of Ohio and is not intended to be and should not be used by anyone other than these specified parties.
