Village of Saint Paris Financial Statements December 31, 2003 and 2002

Village Council Village of St. Paris P.O. Box 572 Saint Paris, Ohio 43072

We have reviewed the Independent Auditor's Report of the Village of St. Paris, Champaign County, prepared by Taylor, Applegate, Hughes and Associates, LTD, for the audit period January 1, 2002 through December 31, 2003. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Village of St. Paris is responsible for compliance with these laws and regulations.

Betty Montgomery

BETTY MONTGOMERY Auditor of State

Honorable Mayor and Village Council Village of Saint Paris 135 West Main Street Saint Paris, Ohio 43072

Sara M. Bratka, CPA

We have audited the accompanying financial statements of the Village of Saint Paris, Champaign County, (the Village), as of and for the years ended December 31, 2003 and December 31, 2002. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village, as of December 31, 2003 and December 31, 2002, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 27, 2004 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the result of our audit.

This report is intended solely for the information and use of the management, Village Council and other officials authorized to receive this report under Section 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

Taylor, Applegate, Hughes and Associates, Ltd. May 27, 2004

Champaign County

1. Summary of Significant Accounting Policies

A. Description of the Entity

The Village of Saint Paris, Champaign County, (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly elected six-member Council directs the Village. The Village provides general governmental services, including water and sewer utilities, police services, and emergency medical services.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. The village does not utilize the encumbrance method of accounting, as prescribed by law. Therefore, budgetary presentations report budgetary expenditures when an expenditure is made rather than when an encumbrance is approved.

These statements include adequate disclosures of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The Village of Saint Paris maintains its cash deposits in an interest-bearing checking account and Certificates of Deposit.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

General Fund

The general Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

1. Summary of Significant Accounting Policies (Continued)

D. Fund Accounting (Continued)

Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

Storm Drain Fund – This fund receives tax levy money to provide maintenance and replacement of storm sewer lines within the Village.

Capital Project Funds:

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village had the following significant capital project fund:

Ohio Public Works Commission Grant Fund – This fund receives grant money from the State of Ohio for a storm sewer/drainage project. The Village will be responsible for 10% funding of the project.

Fiduciary Funds (Trust and Agency Funds)

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Village to maintain the corpus of the trust, the fund is classified as a non-expendable trust fund. Other trust funds are classified as expendable. Funds for which the Village is acting in an agency capacity are classified as agency funds.

Expendable Trust Fund:

Shank Trust Fund – This fund receives proceeds from the Harold and Josephine Shank Trust Fund. Expenditures are based on the criteria established by the Will of Harold and Josephine Shank. Two-thirds of the funds are to be used for the maintenance of Village emergency services (Johnson Township St. Paris EMS). One-third of the funds are to be used for the maintenance and purchase of trees for Harmon Park and the streets of the Village.

1. Summary of Significant Accounting Policies (Continued)

D. Fund Accounting (continued)

Fiduciary Funds (Trust and Agency Funds) (continued)

Agency Fund:

Mayor's Court Fund - This fund receives monies for court fees, fines, and forfeitures. These collections are remitted to the Village and the State of Ohio on a monthly basis.

Income Tax Fund – This fund receives tax collections from village residents who work or reside in the village, or people who work in the village based on one percent of their gross wages.

Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village had the following significant enterprise funds:

Water and Sewer Funds – These funds are used to account for proceeds from water and sewer operations. The revenue is to be used to maintain plant operations and for water and sewer improvements.

Sewer Assessment Fund – This fund's revenue is derived from a monthly assessment on customers. The revenue is used for payment of debt and for maintenance of the sewer plant.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year-end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

1. Summary of Significant Accounting Policies (Continued)

E. Budgetary Process (continued)

Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Village.

2. Equity in Pooled Cash and Investments

The Village maintains a cash and investments pool used by all funds. The Ohio Revised code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2003		2002
Demand Deposits	\$ 997,955	\$	951,300
Certificates of Deposit	 70,000		85,000
Total deposits and investments	\$ 1,067,955	<u>\$</u>	1,036,300

Deposits:

Deposits are either (1) insured by the Federal Depository Insurance Corporation or (2) covered by specific collateral held by third party trustees.

3. Budgetary Activity

Budgetary activity for the year ending December 31, 2003, was as follows:

2003 Budgeted vs. Actual Receipts

Fund Type	<u>E</u> :	stimated Revenues	Actual Receipts			<u>Variance</u>
		Plus Carryover				
		<u>Balance</u>				
General	\$	551,746	\$ 386,359	\$	5	165,387
Special Revenue		595,529	243,441			352,088
Capital Project		0	0			0
Enterprise		855,359	557,207			298,152
Fiduciary		696,242	 31,518			664,724
Total	\$	2,698,876	\$ 1,218,525	<u>\$</u>	1	1,480,351

2003 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	<u>Appropriation</u>	Budgetary	
	<u>Authority</u>	<u>Expenditures</u>	<u>Variance</u>
General	\$ 551,746	\$ 416,442	\$ 135,304
Special Revenue	595,529	174,593	420,936
Capital Project	0	0	0
Enterprise	855,359	588,145	267,214
Fiduciary	696,242	<u>15,818</u>	680,424
Total	<u>\$2,698,876</u>	<u>\$1,194,998</u>	<u>\$1,503,878</u>

Budgetary activity for the year ending December 31, 2002, was as follows:

2002 Budgeted vs. Actual Receipts

Fund Type	Estimated Revenues Plus Carryover Balance	Actual Receipts	<u>Variance</u>
General Special Revenue Capital Project	\$ 672,027 496,139 133,000	\$ 412,485 235,962 75,334	\$ 259,542 260,177 57,666
Enterprise Fiduciary Total	$ \begin{array}{r} 701,703 \\ \underline{692,363} \\ \hline $2,695,232 \end{array} $		194,843 668,222 \$ 1,440,450

3. Budgetary Activity (Continued)

2002 Budgetary vs. Actual Budgetary Basis Expenditures

Fund Type	Appropriation	Budgetary	
	<u>Authority</u>	Expenditures	<u>Variance</u>
G 1	ф. сто 00 7	4.2.1 0.7.4	4.25 0.0 5 2
General	\$ 672,027	\$ 421,954	\$ 250,073
Special Revenue	496,139	198,085	298,054
Capital Project	133,000	75,334	57,666
Enterprise	701,703	452,604	249,099
Fiduciary	692,363	14,692	677,671
Total	\$ 2,695,232	<u>\$ 1,162,669</u>	\$1,532,563

4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the county by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

5. Debt

Debt outstanding at December 31, 2003 was as follows:

	Principal	Interest Rate
OWDA Water Pollution Control Loan	\$ 376,763	2.00%
OPWC Huffman Drive Storm Sewer Loan	\$ 72,485	0.00%
First Central National Bank	\$ 119,347	5.25%
First Central National Bank	\$ 35,000	4.25%

5. Debt (continued)

Debt outstanding at December 31, 2002 was as follows:

	Principal	Interest Rate
OWDA Water Pollution Control Loan	\$ 443,179	2.00%
OPWC Huffman Drive Storm Sewer Loan	\$ 80,115	0.00%
First Central National Bank	\$ 139,510	5.25%

The Ohio Water Development Authority (OWDA) Loan was for the Sewer Plant Project and the Ohio Public Works commission (OPWC) was for the Huffman Ditch Project. Installments are paid semiannually with principal and interest to OWDA and principal only to OPWC.

The loan with First Central National Bank was for digester equipment for the water plant. Interest is paid semi-annually with one principal payment per year. The second loan with First Central National Bank was to run water and sewer lines to the Core/Hepp Annexation. The original loan was for \$50,000, but the project cost less that estimated. The Village made a \$15,000 principal payment in December, 2003.

Amortization of the above debts, including interest, is scheduled as follows:

Year Ending December 31	OWDA Sewer Plant Loan		OPWC Huffman Drive Storm Sewer Loan		First Central National Bank Digester Loan		First Central National Water/Sewer Lines	
2004	\$	77,492	\$	7,630	\$	26,446	\$	4,255
2005		77,492		7,630		25,370		4,255
2006		77,492		7,630		24,312		4,255
2007-2011		180,610		38,150		64,956		21,277
2012-2016		0		11,445		0		8,511
Total	\$	413,086	\$	72,485	\$	141,084	\$	42,553

6. Retirement Systems

The Village's law enforcement officers belong to either the Police & Firemen's Disability & Pension Funds (PFDPF) or the Public Employees Retirement System (PERS). Other full-time employees belong to the Public Employees Retirement System (PERS) of Ohio. PFDPF and PERS are cost sharing, multiple-employer plans. These plans provide retirement benefits, including post retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

6. Retirement Systems (continued)

Contribution rates are also prescribed by the Ohio Revised Code. For 2003 and 2002, members of PFDPF contributed 10% of their wages to the PFDPF. The Village contributed an amount equal to 19.5% of their wages. PERS members contributed 8.5% of their gross salaries. The Village contributed an amount equal to 13.55% of participants' gross salaries. The Village has paid all contributions required through December 31, 2003.

7. Risk Management

Property and Liability

The Village has obtained insurance from the Ohio Municipal League Risk Management Plan for the following risks:

- General liability
- Auto liability & Auto Physical Damage
- Law Enforcement
- Property Coverage
- Public Officials Liability

Workers' Compensation

For fiscal year 2003 and 2002, the Village participated in the Ohio Municipal League Workers' Compensation Group Rating Program (GRP), and insurance purchasing pool. The intent of the GRP is to achieve the benefit of a reduced premium for the Village by virtue of its grouping and representation with other participants in the GRP. The workers' compensation experience of the participating municipalities is calculated as one experience and a common premium rate is applied to all municipalities in the GRP. Each participant pays its workers' compensation premium to the State based on the rate for the GRP rather than its individual rate. Total savings are then calculated and each participant's individual performance is compared to the overall savings of the GRP. A participant will then either receive money from or be required to contribute to the "Equity Pooling Fund."

This "equity pooling" arrangement insures that each participant shares equally in the overall performance of the GRP. Participation in the GRP is limited to municipalities that can meet the GRP's selection criteria. The firm of Gates McDonald & Co. provides administrative, cost control and actuarial services to the GRP.

Health Insurance

The Village also provides health insurance coverage to full-time employees through a private carrier.

8. Fund Cash Balances

The General Fund Cash Balance at January 1, 2002 reflects a decrease of \$397 from the General Fund Cash Balance at December 31, 2001 on the December 31, 2001 and 2000 financial statements. The December 31, 2001 balance reflected a reconciling item of \$397. After the financial statements were issued the clerk resolved the \$397 item and recorded a correcting entry. The entry was posted to 2001, thus reducing the 2002 opening balance by \$397.

Report on compliance and on internal control required by Government auditing standards

Valerie Friley Walker, CPA

Sara M. Bratka, CPA

Honorable Mayor and Village Council Village of Saint Paris 135 West Main Street Saint Paris, Ohio 43072

We have audited the financial statements of the Village of Saint Paris, Champaign County, (the Village) as of and for the years ended December 31, 2003, and December 31, 2002, and have issued our report thereon dated May 27, 2004. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. We noted certain immaterial instances of noncompliance that we have reported to the management of the Village in a separate letter dated May 27, 2004.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses.

Village of Saint Paris Report of Compliance and on Internal Control Required by Government Auditing Standards Page 2

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting, which we have reported to management of the Village in a separate letter dated May 27, 2004.

This report is intended for the information and use of the Village council and management, and is not intended to be and should not be used by anyone other than these specified parties.
