#### INDEPENDENT AUDITOR'S REPORT

Board of Directors
Zanesville-Muskingum County
Convention & Visitor's Bureau
205 North Fifth Street
Zanesville, OH 43701

We have audited the accompanying statements of financial position of Zanesvile-Muskingum County Convention & Visitor's Bureau (a not-for-profit organization) as of December 31, 2003 and 2002, and the related statements of activities, net assets and cash flows for the years then ended. These financial statements are the responsibility of the Convention and Visitor's Bureau management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Zanesville-Muskingum County Convention & Visitor's Bureau as of December 31, 2003 and 2002 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated February 23, 2004, on our consideration of Zanesville-Muskingum County Convention and Visitor's Bureau internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts and grants.

## REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Zanesville-Muskingum County Convention & Visitor's Bureau Zanesville, Ohio

We have audited the financial statements of Zanesville-Muskingum County Convention & Visitor's Bureau, a not-for-profit organization, as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated February 23, 2004. We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether Zanesville-Muskingum County Convention & Visitor's Bureau financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

#### **Internal Control Over Financial Reporting**

In planning and performing our audits, we considered Zanesville-Muskingum County Convention & Visitor's Bureau internal control over financial reporting in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the board of directors, management, and the Auditor of State and is not intended to be and should not be used by anyone other than these specified parties.
