INDEPENDENT ACCOUNTANTS' REPORT

Community Improvement Corporation Meigs County 238 West Main Street Pomeroy, Ohio 45769

To the Board of Trustees:

We have audited the accompanying financial statements of the Community Improvement Corporation, Meigs County, Ohio (the Corporation), as of and for the years ended December 31, 2005, 2004 and 2003, as listed in the table of contents. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States Government Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Improvement Corporation, Meigs County, Ohio, as of December 31, 2005, 2004 and 2003, and the results of its operations and the cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated October 20, 2006, on our consideration of the Corporaton's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with Government Auditing Standards. You should read it in conjunction with this report in assessing the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005, 2004 AND 2003

1. Summary of Significant Accounting Policies

A. Description of the Entity

The Community Improvement Corporation, Meigs County (the Corporation), is a not-for-profit corporation and was incorporated on March 26, 1964, under authority of Ohio Rev. Code Section 1702.01. The Corporation is governed by an appointed Board of Trustees, comprised of business, professional, government and community leaders. The Corporation was formed to advance, encourage, and promote the industrial, economic, commercial and civic development of Meigs County, Ohio.

The Corporation's management believes the financial statements present all activities for which the Corporation is financially accountable.

B. Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis.

In 1994, the Corporation adopted Statement of Financial Accounting Standards No. 116, "Accounting for Contributions Received and Contributions Made" (SFAS No. 116) and Statement of Financial Accounting Standards No. 117, "Financial Statements for Not-For-Profit Organizations" (SFAS No. 117).

Under these provisions, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

- <u>Unrestricted net assets</u> Net assets that are not subject to donor-imposed stipulations.
- <u>Temporarily restricted net assets</u> Net assets subject to donor-imposed stipulations that may or will be met either by actions of the organization and/or the passage of time.
- <u>Permanently restricted net assets</u> Net assets subject to donor-imposed stipulations that they be maintained permanently or until all donor imposed restrictions are met by the organization. Generally, the donors of these assets permitted organization to use all or part of the income earned on related investments for general or specific purposes.

For the years ended December 31, 2005, 2004 and 2003, all net assets were considered unrestricted.

C. Tax Status

The Corporation has been recognized by the State of Ohio as a tax exempt organization and by the Internal Revenue Service as a Section 501(C)(3) nonprofit organization. Accordingly, the federal tax status would reflect the Corporation's tax exempt status. By virtue of Ohio law, the Corporation is not subject to Ohio income taxes.

D. Depreciation

The organization provides for depreciation in amounts adequate to amortize costs over the estimated useful lives of the assets. Certain assets are being depreciated under the straight line method for both financial book and tax purposes. The lives of the assets and depreciation expenses under this method are in accordance with generally accepted accounting principles. Depreciation charged to operations was \$113,794, \$83,114 and \$76,446 for the years ended December, 31, 2005, 2004 and 2003, respectively.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005, 2004 AND 2003 (Continued)

1. Summary of Significant Accounting Policies (Continued)

E. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Fixed Assets

Although fixed assets were formerly capitalized at cost (or estimated historical cost), during 2002 fixed assets values were adjusted to reflect fair market value, due to a lack of supporting documentation for actual cost. Fixed asset information is updated for additions and retirements during the year. Donated fixed assets are recorded at their fair market values as of the date received. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. Interest incurred during the construction of general fixed assets is also not capitalized.

Depreciation of buildings is computed using the straight-line method over an estimated useful life of thirty years.

3. Industrial Park

This property consists of raw land and development costs expended to date on the industrial park and sewer project on State Route 7 in Tuppers Plains, Ohio.

4. Cash

The Corporation maintains a checking account and a savings account. The carrying amount of cash at December 31 was as follows:

	2005	2004	2003		
Demand deposits	\$63,644	\$62,373	\$ 56,888		

Deposits: Deposits are insured by the Federal Deposit Insurance Corporation up to \$100,000. Deposits in excess of \$100,000 are uninsured.

Concentration of Credit Risk: The Corporation's cash is placed with institutions with high credit ratings. This policy limits the Corporation's exposure to credit risk. However, at various times throughout the year, the Corporation carried amounts in excess of federally insured limits with a local bank.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005, 2004 AND 2003 (Continued)

5. Debt

The Corporation's debt outstanding at December 31, 2005, 2004 and 2003 was as follows:

	12/31/2005 Principal		2/31/2004 Principal	12/31/2003 Principal		
Industrial Park Note	\$ 63,371		\$ 133,371	\$	100,056

Total	\$ 1,729,297		\$ 1,388,033	\$	980,731	

The Industrial Park note, issued by Farmers Bank & Savings, was approved to finance improvements at the Meigs County Industrial Park.

The Tuppers Plains note, issued by Farmers Bank & Savings, was approved to finance the construction of a specific building on a site in the Meigs County Industrial Park, which was leased to WeCan Fabricators, Inc.

The Millenium Building note, issued by the Ohio Department of Development, for the purpose of constructing a specific building on a site located on East Main Street, Pomeroy, Ohio, was to Millenium TeleCommunications, Inc. The note is interest-free for years one through four.

The Pamida Building Note note, issued by Farmers Bank & Savings, was approved to finance the purchase of Property at 41300 Laurel Cliff Road, Pomeroy Ohio, which was leased to Buckley Brothers, LLC.

The Spec Building note was issued by the Ohio Department of Development for the purpose of constructing a specific building on a site located on State Route 7, Pomeroy, Ohio, which remains unoccupied at December 31, 2005. The note is interest-free for years one through five.

The debt noted above will be paid from operating lease income received from various entities (see Note 6).

The annual requirements to amortize debt outstanding as of December 31, 2005, including interest, are as follows:

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Community Improvement Corporation Meigs County 238 West Main Street Pomeroy, Ohio 45769

To the Board of Trustees:

We have audited the financial statements of the Community Improvement Corporation, Meigs County, Ohio (the Corporation), as of and for the years ended December 31, 2005, 2004 and 2003, and have issued our report thereon dated October 20, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Corporation's internal control over financial reporting to determine our auditing procedures to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Corporation's management dated October 20, 2006, we reported other matters involving internal control over financial reporting we did not deem reportable conditions.

Compliance and Other Matters

As part of reasonably assuring whether the Corporation's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*. In a separate letter to the Corporation's management dated October 20, 2006, we reported an other matter related to noncompliance we deemed immaterial.
