## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
OIH, Inc.  
4795 Evanswood Drive, Suite 102  
Columbus, OH 43229-6281

We have audited the accompanying statements of financial position of OIH, Inc. (a not-for-profit corporation), as of June 30, 2006 and 2005 and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OIH, Inc. as of June 30, 2006 and 2005, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 28, 2006 on our consideration of OIH Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audits.

**OIH, INC.**  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2006 AND 2005

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:-**

**Organization and Nature of Activities** - OIH, Inc. (OIH) is a not-for-profit corporation formed in 1976 for the purposes of improving employment opportunities for individuals with severe disabilities in the State of Ohio. OIH accomplishes its mission by marketing products and services manufactured and/or provided by Ohio's community rehabilitation programs.

Nearly all of OIH's activities are conducted in conjunction with the Ohio State Use Program as governed by the State Use Law (Ohio Revised Code (ORC) Sections 4115.31 to 4115.35). As a result, OIH's primary marketing targets are state agencies, political subdivisions, and instrumentalities of the state.

OIH entered into an operating agreement dated January 13, 2000 with the State Committee for the Purchase of Products and Services Provided by Persons with Severe Disabilities (the Committee). The Committee, which was created under ORC Section 4115.32, is responsible for the operation of the State Use Program within Ohio. In accordance with the agreement, OIH has been certified as an approved central nonprofit agency responsible for carrying out the intent of the State Use Program within Ohio and was issued a certificate effective for the period February 1, 2000 through January 31, 2005. This certificate was extended for the period February 1, 2005 for an indefinite period not to exceed June 30, 2007. The terms and conditions of the agreement include, among other things, compliance with specific objectives of the State Use Program. In addition, the agreement establishes a commission fee that constitutes the sole source of revenue that OIH may collect for its services as a certified nonprofit agency under the Ohio State Use Program. This commission fee is subject to change annually upon review by the Committee.

**Basis of Presentation** - OIH's financial statements are presented in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, "*Financial Statements of Not-for-Profit Organizations*." Under SFAS No. 117, OIH is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, OIH is required to present a statement of cash flows.

**Cash Management** - OIH has instituted a cash management program under which OIH may enter into repurchase agreements with a financial institution by purchasing negotiable securities of the United States Treasury and United States government from the financial institution with a simultaneous agreement by OIH to transfer the securities to the financial institution the next business day following the purchase.

**Property and Equipment** - Property and equipment is recorded at original cost. Depreciation of furniture and equipment is provided using the straight-line method over the estimated lives of the assets ranging from 3 to 7 years. Leasehold improvements are being amortized over the terms of the leases. Expenditures for additions, major renewals and improvements are capitalized and expenditures for maintenance and repairs are charged to expense as incurred. The cost of assets retired or otherwise disposed of and the related accumulated depreciation is recorded in the year of disposal.

**Sources of Revenue** - OIH, Inc. promotes the sale of products manufactured and services performed by various community rehabilitation programs throughout the state. In order to cover OIH expenses, a commission is added to the cost of the products and services sold. OIH pays the cost of the products and services sold by the community rehabilitation programs within thirty days of receipt of an invoice. OIH invoices and collects payments for the goods and services sold to the customers. OIH invoiced customers approximately \$34.5 million during the year ended June 30, 2006 and \$33.1 million during the year ended June 30, 2005 in conjunction with community rehabilitation program sales. Another source of revenue is the investment income on available cash balances, which is subject to fluctuation based on current market rates.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2006 AND 2005

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:-** (continued)

***Federal Income Taxes*** - OIH is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. OIH is not classified as a private foundation.

***Cash and Cash Equivalents*** - For purposes of the statements of cash flows, OIH considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

***Accounts Receivable*** - Accounts receivable are presented at net realizable value. The allowance for doubtful accounts was \$36,176 and \$35,576 at June 30, 2006 and 2005, respectively. OIH establishes an estimate of allowance for doubtful accounts based on collection history and management's evaluation of outstanding accounts receivable. Once management establishes that an account is uncollectible, the account is written off as a bad debt.

***Use of Estimates*** - The financial statements of OIH are prepared in conformity with accounting principles generally accepted in the United States of America. This presentation requires the use of estimates and assumptions made by management that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE 2 - CONCENTRATION OF RISK:-**

During the years ended June 30, 2006 and 2005, OIH maintained cash balances at one financial institution consisting of demand deposits and money market accounts in excess of the \$100,000 coverage provided by the Federal Deposit Insurance Corporation (FDIC).

Approximately 71% of all sales pertained to custodial services for the years ended June 30, 2006 and 2005. For these same periods, approximately 41% of all revenues were generated from sales to one customer, the Ohio Department of Transportation.

**NOTE 3 - NOTES RECEIVABLE:-**

During March 2005, OIH loaned a total of \$90,339 to three community rehabilitation programs. The promissory notes call for 60 monthly principal and interest payments of between \$441 and \$695 to be made with final payments due by May 2010. The notes provide for interest at a fixed rate of 5.5% per annum. The notes are collateralized by equipment, inventory, and other real and personal property of the community rehabilitation programs.

The original loan maturity date was July 28, 2010, contingent upon OIH borrowing the maximum amount on this loan. The note required 6 monthly interest payments beginning February 28, 2005, followed by monthly consecutive principal and interest payments of \$2,870 beginning August 28, 2005. The note requires interest at a fixed rate of 5.5% per annum and is collateralized by equipment, accounts receivable, and other real and personal property of OIH.

**NOTE 8 - RELATED PARTY TRANSACTIONS:-**

OIH's Board of Directors includes representatives associated with community rehabilitation programs that utilize the services of OIH. The participation of the community rehabilitation programs on OIH's Board is considered important to OIH's ability to fulfill its defined purpose. All community rehabilitation programs are subject to the same criteria when transacting with OIH. Total purchases of goods and services by OIH from related community rehabilitation programs for the years ended June 30, 2006 and 2005 amounted to \$38,814 and \$72,082, respectively. OIH also has a note receivable balance of \$23,933 due from a related community rehabilitation program at June 30, 2006.

**NOTE 9 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS:-**

Nearly all of OIH's business activities are conducted in conjunction with the State Use Program as a certified central nonprofit agency. As a result, the operations of OIH are dependent on the economy within the State of Ohio and are subject to the administrative directives, rules, and regulations of the State of Ohio, specifically as they pertain to the State Use Law. Such administrative directives, rules, and regulations are subject to change by acts of state legislation. Such changes could occur with little notice and could significantly impact the operations of OIH. Furthermore, the terms and conditions of the operating agreement dated February 1, 2005 between OIH and the Committee authorizes the Committee to adjust the commission fee on an annual basis which could significantly impact the operations of OIH.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
OIH, Inc.  
4795 Evanswood Drive, Suite 102  
Columbus, OH 43229-6281

We have audited the financial statements of OIH, Inc. as of and for the year ended June 30, 2006, and have issued our report thereon dated July 28, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**INTERNAL CONTROL OVER FINANCIAL REPORTING**

In planning and performing our audit, we considered OIH, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

**COMPLIANCE AND OTHER MATTERS**

As part of obtaining reasonable assurance about whether OIH, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. We noted other matters, which we have reported to management of OIH, Inc. in a separate letter dated July 28, 2006.

This report is intended solely for the information and use of the Board of Directors and management, and is not intended to be and should not be used by anyone other than these specified parties.
