INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of financial position of Tuscarawas County Convention and Visitors Bureau (a nonprofit organization) as of December 31, 2005 and 2004, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tuscarawas County Convention and Visitors Bureau as of December 31, 2005 and 2004, and the changes in net assets, and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 8, 2006, on our consideration of the Tuscarawas County Convention and Visitors Bureau's internal control structure over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

TUSCARAWAS COUNTY CONVENTION
AND VISITORS BUREAU
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS

Tuscarawas County Convention and Visitors Bureau (the Organization) is a non-profit entity organized under the laws of the State of Ohio for the purpose of the promotion of Tuscarawas county, Ohio as a convention and tourist location.

METHOD OF ACCOUNTING

The Organization prepares its financial statements on the accrual basis of accounting.

FINANCIAL STATEMENT PRESENTATION

The Organization previously adopted Statement of Financial Accounting Standards (SFAS) No. 117 "Financial Statements of Not-for-Profit Organizations." Under SFAS No.117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the organization is required to present a statement of cash flows. As permitted by this statement, the Organization has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required. At December 31, 2005 and 2004, the Organization had only unrestricted net assets.

ACCOUNTS RECEIVABLE

The Organization uses the allowance method of accounting for doubtful accounts. All accounts were considered to be fully collectible at December 31, 2005 and 2004. Therefore, no allowance for doubtful accounts has been recorded in these financial statements.

PROPERTY AND EQUIPMENT

Property and equipment are carried at cost. Depreciation is provided over the estimated useful lives of the related assets. Maintenance and repairs are charged to operations when incurred. Renewals and betterments of a nature considered to materially extend the useful lives of the assets are capitalized. When assets are retired or otherwise disposed of, the assets and related allowances for depreciation are eliminated from the accounts, and any resulting gain or loss is reflected in income. Depreciation for financial reporting purposes is based on the following policies:

<u>DESCRIPTION</u>	<u>USEFUL LIVES</u>	<u>METHOD</u>
Building and improvements	15 - 39 years	Straight line
Construction loan interest	30 years	Straight line
Leasehold improvements	15 years	Straight line
Video and display equipment	5 years	Straight line
Office equipment	5 - 10 years	Straight line
Computer equipment	5 years	Straight line

DONATIONS

All donations received are considered to be available for unrestricted use unless specifically restricted by donor.

TUSCARAWAS COUNTY CONVENTION
AND VISITORS BUREAU
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

TAX STATUS

As a non-profit organization under Section 501(c)(6) of the Internal Revenue Code, the organization is exempt from Federal and Ohio income taxes. Therefore, no provision has been made for Federal or Ohio income taxes in the accompanying financial statements.

STATEMENTS OF CASH FLOWS

For the purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents. The Organization paid interest of \$20,007 and \$14,260 for the years ended December 31, 2005 and 2004, respectively.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ADVERTISING COSTS

The Organization expenses the production costs of advertising the first time the advertising takes place.

NOTE 2: DEPOSITS WITH BALANCE SHEET RISK

As of December 31, 2005 and 2004, the Organization had bank balances of \$44,336 and \$60,573, respectively. All of the bank balances were covered by federal depository insurance for both years.

NOTE 3: COMPENSATED ABSENCES

Employees of the Organization are entitled to paid vacation and paid sick days, depending on job classification, length of service, and other factors. An amount has been booked on the statements of financial position for the liability incurred by the Organization to its employees at December 31, 2005 and 2004.

NOTE 4: CONCENTRATION OF CREDIT RISK

The accounts receivable balance of the Organization consists of balances due from clients operating primarily in East Central Ohio.

The Organization receives a majority of its funding from a hotel and motel excise tax in Tuscarawas County located in East Central Ohio.

NOTE 5: OPERATING LEASES

For a portion of 2004, the Organization rented office space on a month-to-month basis. The Organization was responsible for its share of utilities.

The Organization leases a vehicle for use in its operations. The lease expense for both years ending December 31, 2005 and 2004 was \$5,128 and \$4,584, respectively.

TUSCARAWAS COUNTY CONVENTION
AND VISITORS BUREAU
NOTES TO THE FINANCIAL STATEMENTS

NOTE 6: PENSION PLAN

The Organization sponsors a Simple Retirement program for all eligible employees. The Organization matches employee deferrals up to 3% of employee earnings. The Organization incurred matching contributions of \$2,946 and \$3,210 for the years ended December 31, 2005 and 2004, respectively.

NOTE 7: BOARD DESIGNATED BUILDING FUND

It is the policy of the Board of Directors of the organization to review its plans for future property improvements and acquisitions from time to time and to designate appropriate sums to assure adequate financing of such improvements and acquisitions.

NOTE 8: LINE OF CREDIT

During 2004, the Organization entered into an agreement with a local financial institution for a line of credit. The line is unsecured and interest is being charged at prime (currently 8.00%) plus .75%. The maximum amount that can be borrowed against the line is \$50,000.

NOTE 9: NOTE PAYABLE

The Organization had the following note payable at December 31:

	<u>2005</u>	<u>2004</u>
Note payable - United States Department of Agriculture Rural Development (USDA), secured by real estate with monthly payments of \$2,155 which includes interest at 4.25%. Final payment is due December 2033.	\$ 418,168	\$ 426,074
Less: current portion	8,385	7,703
	\$ 409,783	\$ 418,371

Principal payments on the note payable are scheduled to be made as follows for the years ending December 31:

2006	\$	8,385
2007		8,748
2008		9,128
2009		9,523
2010		9,936
Thereafter		372,448
	\$	418,168

NOTE 10: DEFERRED REVENUE

During 2004, the Organization published an annual Visitors' Guide. Prior to its publication, the Organization received in advance a certain amount of related advertising revenue and also incurred related expenses. The amount of advertising revenue received in advance of the related year of publication, less associated expenses, amounted to \$15,700 as of 2004. The Organization has contracted out the publication to an outside party in 2005. Therefore, no accrual has been booked at December 31, 2005.

TUSCARAWAS COUNTY CONVENTION
AND VISITORS BUREAU
NOTES TO THE FINANCIAL STATEMENTS

NOTE 11: CONSTRUCTION IN PROGRESS

During January 2003, Organization entered into a contract to purchase a commercial real estate building located in downtown New Philadelphia. The Organization used the proceeds from a loan, with a local financial institution and an amount from a certificate of deposit to finance the transaction. As of December 31, 2003, the Organization was still in the process of renovating the building. Also, loan interest has been paid as part of financing the project. These amounts are to be considered as capitalized loan interest. Once the renovation project is complete, the building and the capitalized loan interest will be depreciated as part of a fixed asset cost for the building. During 2004, additional work was completed on the building and the Organization moved its operations into the renovated building. Additional monies were obtained from the USDA to pay the previous loan that existed with the local financial institution and to pay for the renovation costs, according to previously agreements (See Note 9 above).

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL
CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

We have audited the financial statements of Tuscarawas County Convention and Visitors Bureau as of and for the year ended December 31, 2005 and have issued our report thereon dated March 8, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

COMPLIANCE

As part of obtaining reasonable assurance about whether Tuscarawas County Convention and Visitors Bureau's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered Tuscarawas County Convention and Visitors Bureau's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the audit committee, management, others within the organization and is not intended to be and should not be used by anyone other than these specified parties.
