Auditor of State Betty Montgomery

Village of Monroeville Huron County 2 South Main Street, P. O. Box 156 Monroeville, Ohio 44847-0156

To the Village Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to a February 2, 2005, interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Village of Monroeville Huron County 2 South Main Street, P. O. Box 156 Monroeville, Ohio 44847-0156

To the Village Council:

We have audited the accompanying financial statements of the Village of Monroeville, Huron County, (the Village) as of and for the years ended December 31, 2005 and 2004. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Village has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Village to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2005 and 2004. Instead of the combined funds the accompanying financial statements present for 2005 and 2004, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2005 and 2004. While the Village does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Village has elected not to reformat its statements. Since this Village does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

One Government Center / Room 1420 / Toledo, OH 43604-2246 Telephone: (419) 245-2811 (800) 443-9276 Fax: (419) 245-2484 www.auditor.state.oh.us Village of Monroeville Huron County Independent Accountants' Report Page 2

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2005 and 2004, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Village as of December 31, 2005 and 2004, or its changes in financial position or cash flows of its proprietary funds for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village of Monroeville, Huron County, as of December 31, 2005 and 2004, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The aforementioned revision to generally accepted accounting principles also requires the Village to include Management's Discussion and Analysis for the years ended December 31, 2005 and 2004. The Village has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 28, 2006, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005 AND 2004

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Monroeville, Huron County, (the Village) as a body corporate and politic. A publicly-elected six-member Council governs the Village. The Village provides water, sewer, and electric utilities, park operations, and police services.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

Ohio Municipal Electric Generation Agency Joint Venture 1 (JV1)

The Village is a participant with twenty-one subdivisions within the State of Ohio in a joint venture to provide a source of supplemental capacity to the participant. On dissolution of the joint venture, the net assets of the JV1 will be shared by the participants on a percentage basis. The JV1 is managed by AMP-Ohio who acts as the joint venture's agent. The Village's net investment and its share of the operating results of JV1 ownership share of the project is 1.85 percent. Complete financial statements for JV1 can be obtained from AMP-Ohio at 2600 Airport Drive, Columbus, Ohio 43219, or from the State Auditor's website at www.auditor.state.oh.us.

Ohio Municipal Electric Generation Agency Joint Venture 2 (JV2)

The Village of Monroeville is a Non-Financing Participant and an Owner Participant with an ownership percentage of 0.57% and shares participation with thirty-five other subdivisions within the State of Ohio in the Ohio Municipal Electric Generation Agency (OMEGA JV2). Owner Participants own undivided interests, as tenants in common, in the OMEGA JV2 Project in the amount of their respective Project Shares. Purchaser Participants agree to purchase the output associated with their respective Project shares, ownership of which is held in trust for such Purchaser Participants.

Pursuant to the OMEGA JV2 Agreement, the participants jointly undertook as either Financing Participants or Non-Financing Participants and as either Owner Participants or Purchaser Participants, the acquisition, construction, and equipping of OMEGA JV2, including such portions of OMEGA JV2 as have been acquired, constructed or equipped by AMP-Ohio and to pay or incur the costs of the same in accordance with the JV2 Agreement.

OMEGA JV2 was created to provide additional sources of reliable, reasonably priced electric power and energy when prices are high or during times of generation shortages or transmission constraints, and to improve the reliability and economic status of the participants' respective municipal electric utility system. The Project consists of 138.65 MW of distributed generation of which 134.081MW is the participants' entitlement and 4.569MW are held in reserve. On dissolution of OMEGA JV2, the net assets will be shared by the participants on a percentage of ownership basis. OMEGA JV2 is managed by AMP-Ohio, which acts as the joint venture's agent. During 2001, AMP-Ohio issued \$50,260,000 of 20 year fixed rate bonds on behalf of the

Financing Participants of OMEGA JV2. The net proceeds of the bond issue of \$45,904,712 were contributed to OMEGA JV2. The Village's net investment in OMEGA JV2 was \$252,964 at December 31, 2005. Complete financial statements for OMEGA JV2 may be obtained from AMP-Ohio or from the State Auditor's website at <u>www.auditor.state.oh.us</u>.

Ohio Municipal Electric Generation Agency Joint Venture 5 (JV5)

The Village of Monroeville is a Financing Participant with an ownership percentage of 1.02%, and shares participation with forty-one other subdivisions within the State of Ohio in the Ohio Municipal Electric Generation Agency Joint Venture 5 (OMEGA JV5). Financing Participants own undivided interests, as tenants in common, without right of partition in the OMEGA JV5 Project.

Pursuant to the OMEGA JV5 Agreement, the participants jointly undertook as Financing Participants, the acquisition, construction, and equipping of OMEGA JV5, including such portions of OMEGA JV5 as have been acquired, constructed or equipped by AMP-Ohio and to pay or incur the costs of the same in accordance with the OMEGA JV5 Agreement.

OMEGA JV5 was created to construct a run-of-the-river hydroelectric plant and associated transmission facilities (on the Ohio River near the Bellville, West Virginia Locks and Dam) and receives electricity from its operations and to provide backup generation facilities for OMEGA JV5 Participants. The purpose of the OMEGA JV5 Project was to provide additional sources of reliable, reasonably priced electric power and energy when prices are high or during times of generation shortages or transmission constraints, and to improve the reliability and economic status of the participants' respective municipal electric utility system. The Project consists of 42 MW of distributed generation. On dissolution of OMEGA JV5, the net assets will be shared by the financing participants on a percentage of ownership basis. OMEGA JV5 is managed by AMP-Ohio, which acts as the joint venture's agent. During 1993 and 2001 AMP-Ohio issued \$153,415,000 and \$13,899,981 respectively of 30 year fixed rate bonds on behalf of the Financing Participants of OMEGA JV5. The net proceeds of the bond issues of \$134,302,799 from the 1993 issue and \$12,800,000 from the 2001 issue were contributed to OMEGA JV5. Ohio Municipal Electric Generation Agency Joint Venture 6 (JV6)

The Village of Monroeville is a Financing Participant with an ownership percentage of 1.39%, and shares participation with nine other subdivisions within the State of Ohio in the Ohio Municipal Electric Generation Agency Joint Venture 6 (OMEGA JV6). Financing Participants, after consideration of the potential risks and benefits can choose to be Owner Participants or Purchaser Participants. Owner Participants own undivided interests, as tenants in common in the Project in the amount of its Project Share. Purchase Participants purchase the Project Power associated with its Project Share.

Pursuant to the OMEGA Joint Venture JV6 Agreement (Agreement), the participants agree jointly to plan, acquire, construct, operate and maintain the Project, and hereby agree, to pay jointly for the electric power, energy and other services associated with the Project.

OMEGA JV6 was created to construct four (4) wind turbines near Bowling Green Ohio. Each turbine has a nominal capacity of 1.8MW and sells electricity from its operations to OMEGA JV6 Participants.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Pursuant to the Agreement each participant has an obligation to pay its share of debt service on the Adjustable Rate Revenue Bonds (Bonds) from the revenues of its electric system, subject only to the prior payment of Operating & Maintenance Expenses (O&M) of each participant's System, and shall be on a parity with any outstanding and future senior electric system revenue bonds, notes or other indebtedness payable from any revenues of the System. On dissolution of OMEGA JV6, any excess funds shall be refunded to the Non-Financing Participants in proportion to each Participant's Project Share and to Financing Participant's respective obligations first by credit against the Financing Participant's respective obligations. Any other excess funds shall be paid to the Participants in proportion to their respective Project Shares. Under terms of the Agreement each financing participant is to fix, charge and collect rates, fees, charges, including other available funds, at least sufficient in order to maintain a debt coverage ratio equal to 110% of the sum of OMEGA JV6 debt service and any other outstanding senior lien electric system revenue obligations. As of December 31, 2005, Monroeville has met their debt coverage obligation.

The Agreement provides that the failure of any JV6 participant to make any payment due by the due date constitutes a default. In the event of a default and one in which the defaulting Participant failed to cure its default as provided for in the Agreement, the remaining participants would acquire the defaulting Participant's interest in the project and assume responsibility for the associated payments on a pro rata basis up to a maximum amount equal to 25% of such non-defaulting Participant's Project share ("Step Up Power").

OMEGA JV6 is managed by American Municipal Power-Ohio, Inc. which acts as the joint venture's agent. On July 30, 2004, AMP-Ohio issued \$9,861,000 adjustable rate bonds that mature on August 15, 2019. The net proceeds of the bond issues were used to construct the OMEGA JV6 Project. The Village's net obligation for these bonds at December 31, 2005, was \$110,877.

The Village's net investment to date in OMEGA JV6 was \$122,501 at December 31, 2005. Complete financial statements for OMEGA JV6 may be obtained from AMP-Ohio or from the State Auditor's website at <u>www.auditor.state.oh.us</u>.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

B. Basis of Accounting

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. This basis recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements adequately disclose material matters the Auditor of State prescribes.

C. Cash and Investments

The Village's accounting basis includes investments as assets. This basis does not report disbursements for investment purchases or receipts for investment sales. The Village reports gains or losses at the time of sale as receipts or disbursements, respectively.

The Village values certificates of deposit at cost. Money market mutual funds (including STAR Ohio) are recorded at share values the mutual fund reports.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Funds:

<u>Street Construction, Maintenance, and Repair Fund</u> - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining, and repairing Village streets.

<u>Urban Development Agency Grant (UDAG) Revolving Loan Fund</u> -This fund receives payments for low cost loans provided to businesses through federal grants.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005 AND 2004 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

3. Capital Project Funds

These funds account for receipts restricted to acquiring or constructing major capital projects (except those financed through enterprise). The Village had the following significant capital project fund:

<u>Municipal Building Construction Fund</u> - This fund receives proceeds of sale of property. The proceeds are being used to construct a new municipal building.

4. Enterprise Funds

These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Funds:

<u>Water Fund</u> - This fund receives charges for services from residents to cover water service costs.

<u>Sewer Fund</u> - This fund receives charges for services from residents to cover sewer service costs.

<u>Electric Fund</u> - This fund receives charges for services from residents to cover the cost of providing this utility.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control, and appropriations may not exceed estimated resources. Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005 AND 2004 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2005 and 2004 budgetary activity appears in Note 3.

F. Property, Plant, and Equipment

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2005	2004
Cash on Hand	\$200	\$200

4. **PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Village Council adopts tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The State pays the Village amounts equaling these deductions. The Village includes these with Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half payment is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Property owners assess tangible personal property tax. They must file a list of tangible property to the County by each April 30. The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on the Village's behalf.

5. LOCAL INCOME TAX

The Village levies a municipal income tax of 1percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

The Ohio Public Works Commission (OPWC) zero interest loan relates to a water line replacement project. The loan is collateralized by the Village's local government fund revenues.

The American Municipal Power – Ohio (AMP-Ohio) loan relates to the purchase of Ohio Municipal Electric Generation Agency Joint Venture 2 (OMEGA-JV2). OMEGA-JV2 is a distributive generation project.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Village of Monroeville Huron County 2 South Main Street, P. O. Box 156 Monroeville, Ohio 44847-0156

To the Village Council:

We have audited the financial statements of the Village of Monroeville, Huron County, (the Village) as of and for the years ended December 31, 2005 and 2004, and have issued our report thereon dated November 28, 2006, wherein we noted the Village followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Village's internal control over financial reporting to determine our auditing procedures to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Village's management dated November 28, 2006, we reported a matter involving internal control over financial reporting we did not deem a reportable condition.

Compliance and Other Matters

As part of reasonably assuring whether the Village's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.
