To the Board of Directors Belmont County Tourism Council, Inc.

We have audited the accompanying statements of financial position of Belmont County Tourism Council, Inc., (a non-profit organization) as of December 31, 2005 and 2004 and related statements of activities. net assets, and cash flows for the years then ended. These financial statements are the responsibility of Belmont County Tourism Council, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Belmont County Tourism Council, Inc., as of December 31, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

BELMONT COUNTY TOURISM COUNCIL, INC. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2005

Note 1: Accounting Policies

Nature of Business – Belmont County Tourism Council, Inc. is a non-profit organization formed to promote the Ohio Valley tourism area.

Accounting Method and Financial Statement Presentation — The Council prepares its financial statements on the accrual basis of accounting. The financial statements are also prepared in compliance with Statement of Financial Accounting Standards (SFAS) No. 117 "Financial Statements of Not-for-Profit Organizations." Under SFAS 117 the Council is required to present information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, permanently restricted. All of the Council's assets are unrestricted.

Property and Equipment – Property and equipment are capitalized at cost. Depreciation is calculated on the straight-line method over the assets' estimated useful lives.

Income Taxes - The Tourism Council is exempt from Federal income taxes under section 501 (c)(4) of the Internal Revenue Code, except for taxes on unrelated business income.

Statement of Cash Flows – For the purposes of the Statement of Cash Flows, cash and cash equivalents include time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months of less.

Deposit Funds – Funds of the Council, on deposit in banks, are maintained in accounts insured by F.D.I.C. up to \$100,000. There were no uninsured funds at December 31, 2005. Funds in the Lodging Excise Tax Fund are maintained by the county and in their accounts, all of which are F.D.I.C. insured or collateralized. The county has been audited by the State of Ohio Auditor's office.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

BELMONT COUNTY TOURISM COUNCIL, INC. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2005

Note 2: Contract

Renewal Agreement – The contract between the County of Belmont, State of Ohio and the Belmont County Tourism Council, Inc., (a non-profit organization) of St. Clairsville, Ohio is in effect and shall continue until terminated by either of the above stated parties. A lease contract with the Ohio Valley Mall is valid through January 31, 2006. Payments are \$1,316.67 per month or \$15,800.00 per year.

Note 3: Contingencies

Belmont County Tourism Council receives all of its funding from the Belmont County 3% motel bed tax. The tax is collected by the county and the funds are held in the Lodging Excise Tax Fund maintained by the county as described in Note 1. The Belmont County Tourism Council receives a monthly distribution from the county based on the Belmont County Tourism Council's budget. These distributions are used to assist the Council for budgeting purposes. A significant reduction in the collection of the motel bed tax would have a major effect on the operations of the council.
