LUCAS COUNTY**

AUDIT REPORT

For the year ended December 31, 2007

Charles E. Harris & Associates, Inc.
Certified Public Accountants and Government Consultants

Mary Taylor, CPA
Auditor of State

Criminal Justice Coordinating Council
One Government Center, Suite 1720
Toledo, Ohio 43604

We have reviewed the *Report of Independent Accountants* of the Criminal Justice Coordinating Council, Lucas County, prepared by Charles E. Harris & Associates, Inc. for the audit period January 1, 2007 through December 31, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Criminal Justice Coordinating Council is responsible for compliance with these laws and regulations.

REPORT OF INDEPENDENT ACCOUNTANTS

**Criminal Justice Coordinating Council
Lucas County
One Government Center, Suite 1720
Toledo, Ohio 43604**

To Council:

We have audited the financial statements of the business-type activities and statement of net assets-agency fund of the Criminal Justice Coordinating Council (CJCC), Lucas County, Toledo, Ohio as of and for the year ended December 31, 2007 and 2006, as listed in the table of contents. These financial statements are the responsibility of the CJCC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Criminal Justice Coordinating Council, Toledo, Ohio, as of December 31, 2007 and 2006, and the results of its operations and cash flows of its proprietary fund type for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 6, 2008, on our consideration of the Criminal Justice Coordinating Council internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Management's Discussion and Analysis is not a required part of the basic financial statements, but is supplementary information the Governmental Accounting Standards Board requires. We have applied certain limited procedures, which consisted principally on inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was made for the purpose of forming an opinion on the financial statements of the Criminal Justice Coordinating Council taken as a whole. The accompanying schedule of federal awards expenditures is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. The supplemental data on page 20, as listed in the table of contents, is presented for additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Criminal Justice Coordinating Council
Lucas County
Management's Discussion and Analysis
For the Fiscal Year Ended December 31, 2007
Unaudited

The following Management's Discussion and Analysis (MD&A) section of the Criminal Justice Coordinating Council (CJCC's) financial report represents a discussion and analysis of the CJCC's financial performance during the fiscal year ended December 31, 2007. Please read it in conjunction with the CJCC's financial statements, which follow this section.

Financial Highlights

Key financial highlights for 2007 are as follows:

- In total, Net Assets decreased \$89,547 or a (7.08%) from 2006. Ending Net Assets amounted to \$1,175,422 at December 31, 2007.
- Total Assets decreased \$265,728 or (11.89%), including net capital asset additions of \$24,934 during 2007.
- Total Liabilities decreased by \$176,182 or (18.18%) from 2006. This includes an \$82,563 decrease or (16.52%) in deferred revenue that includes SAFETI, and Pawnshop projects.
- The CJCC had \$3,427,843 in operating expenses and \$3,505,838 in operating revenues. Non-operating revenues and expenses totaled \$44,056.
- Grants administered by CJCC decreased \$99,384 or (11.57%) from 2006.

Using this Annual Financial Report

This annual report consists of a series of financial statements and notes to those statements. These statements are prepared and organized so the reader can understand the CJCC as a financial whole or as an entire operating entity. The statements then proceed to provide and increasingly detailed look at our specific financial conditions.

The Statement of Net Assets, similar to a traditional balance sheet, presents information regarding assets and liabilities. The net assets of CJCC as of December 31, 2007 represent the difference between the total assets and total liabilities.

The Statement of Revenues, Expenses, and Changes in Net Assets, similar to a traditional Profit and Loss (P&L) Statement, reports the operating and non-operating revenues and expenses, which upon combining determine the total change in net assets for the current year.

Criminal Justice Coordinating Council
Lucas County
Management's Discussion and Analysis
For the Fiscal Year Ended December 31, 2007
Unaudited

The Statement of Cash Flows reports cash and cash equivalent activities for the fiscal year resulting from operating activities, capital and related financing, and investing activities. The net result of these activities added to the beginning of the year's cash and cash equivalents balance reconciles to the cash and cash equivalents balance at the end of the current fiscal year.

The Statement of Net Assets – Agency Fund is used to account for resources held for the benefit of parties outside CJCC. This statement is not reflected in the Statement of Net Assets, the Statement of Revenues, Expenses and Changes in Net Assets or the Statement of Cash Flows as the resources of the fund are not available to support the CJCC's own programs.

Reporting CJCC as a Whole

Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets

While this document contains the fund used by CJCC to provide its program, the view of CJCC as a whole looks at all financial transactions and asks the question, "How did we do financially during 2007?" The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Asset answers this question. These statements include *all assets* and *liabilities* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting takes into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report CJCC's *net assets* and changes in those assets. This change in net assets is important because it tells the reader that, for CJCC as a whole, the *financial position* of CJCC has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Non-financial factors include the continued availability of grants, at the federal, state and local levels.

In the Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Fund Net Assets, CJCC is presented as one activity, business-type.

- Business-type activities – These services are provided on a charge for goods or services basis to recover all of the expenses of the goods or services provided.

Reporting CJCC's Fund

Fund Financial Statements

CJCC has only one fund, therefore, additional fund level statements are not presented.

CJCC as a Whole

Business-type activities

Table 1 shows net assets for fiscal years 2007 and 2006 for comparison purposes.

Table 1
6/30/2007

	Business-Type Activities	
	2007	2006
Assets		
Current	\$ 1,573,926	\$ 1,652,535
Capital Assets	394,477	581,596
Total Assets	\$ 1,968,403	\$ 2,234,131
 Liabilities		
Current Liabilities	\$ 792,980	\$ 969,162
 Net Assets		
Invested in Property and Equipment	\$ 394,477	\$ 581,596
Restricted for Carryover Grant Allocations	317,434	354,918
Unrestricted Net Assets	463,511	328,455
Total Net Assets	\$ 1,175,422	\$ 1,264,969

Total assets decreased 11.89% in fiscal year 2007, which is a slight decrease from the previous year.

Current liabilities decreased 18.18% in fiscal year 2007, due mainly to a decrease in accounts payable and in deferred revenue that includes SAFETI, and Pawnshop projects.

What are CJCC's Revenue Sources? CJCC receives much of its revenue from contract services to the City of Toledo and Lucas County and operating grants. Sources of these grants are federal, state and local. CJCC has multiple functions, with the major being improving the justice system in the Toledo/Lucas County area, all revenue is used to support its mission.

Enterprise Fund Budgeting Highlights

CJCC is not required to establish a budget per Ohio Revised Code.

Capital Assets and Debt Administration

At the end of fiscal year 2007, CJCC had \$394,477 (net) invested in property and equipment as compared to \$581,596 at December 31, 2006. The significant change in 2007 is due to depreciation expense for the year. CJCC had no debt during 2007.

Contacting the Criminal Justice Coordinating Council's Financial Management

This financial report is designed to provide our citizens, taxpayers, patrons and creditors with a general overview of the CJCC's finances and to show the CJCC's accountability for the funds it receives or spends. If you have any questions about this report or need financial information, contact the Director of Administrative Services, Criminal Justice Coordinating Council, One Government Center, Suite 1720, Toledo, OH 43604 or call (419) 213-3800.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 1—Reporting entity

Description of the entity

The Criminal Justice Coordinating Council (the Council) is an entity organized to promote cooperation and coordination between and among separate governmental units and agencies for improving the criminal justice system in the Toledo/Lucas County area through planning, analysis, technical assistance, training, and information management. The Council provides these services in three major areas. The first major area is the Northwest Ohio Regional Information System (NORIS) project which provides applications programming, computer training, computer hardware and network support services for an automated regional information system for local criminal justice agencies. Regional planning efforts is the second major area in which the Council provides services and includes providing planning, grants management, and coordination efforts for local criminal justice agencies and units of government. The third major area is an administrative services component that is responsible for coordinating activities between project areas.

The Agency fund type is used to account for and maintain assets held in a trustee capacity or as an agent for individuals, private organizations, other governmental units, or other funds. Activity of the Metro Drug Task Force and the Toledo Police Department (TPD) Vice Unit accounts is included in this fund. Agency funds are custodial in nature and do not involve measurement of results of operations.

Note 2—Summary of significant accounting policies

The basic financial statements of the Council have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates. The Council's significant accounting policies are described below:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, whereby revenues and expenses are recognized in the period earned or incurred. All transactions are accounted for in a single enterprise fund.

Revenue from charges for services is reported as operating revenues. Expenses from employee wages and benefits, purchases of services, materials and supplies and other miscellaneous expenses are reported as operating expenses.

Non-operating revenues and expenses are all revenues and expenses not meeting the definition of operating revenues and expenses. Non-operating revenues and expenses include revenues and expenses from grant management, capital and related financing activities, and investing activities. Expenses relating to disbursements of grant allocations to subrecipients are reported as non-operating expenses.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 2—Summary of significant accounting policies - continued

Pursuant to GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*, the Council follows GASB guidance as applicable to proprietary funds and FASB Statements and Interpretations, Accounting Principles, Board Opinions and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict or contradict GASB pronouncements. It is the Council's policy not to apply FASB pronouncements issued after November 30, 1989.

Cash and cash equivalents

For purposes of the statements of cash flows, the Council considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Accounts receivable

Accounts receivable are comprised of contracts, and other receivables primarily from governmental entities. Receivables are considered fully collectible at December 31, 2007 and 2006, and reflect market value. Accordingly, no allowance for doubtful accounts is deemed necessary. When amounts are deemed to be uncollectible, they are expensed in the year in which that determination is made.

Prepaid expenses

Prepaid expenses represent computer maintenance and other agreements paid in or prior to December 31, 2007 and 2006 and expire in subsequent years.

Property and equipment

Property and equipment are stated at cost (or estimated historical cost) and updated for the costs of additions and retirements during the year. The Council capitalizes assets with a cost over \$1,000. Depreciation of property and equipment is based upon the estimated useful lives, ranging from three to forty years, of the various assets and is computed using the straight-line method.

Compensated absences

The Council follows GASB No. 16, *Accounting for Compensated Absences*, which requires that a liability be accrued for sick leave and vacation if it is probable that the employee will be compensated through a cash payment. The Council employees accumulate sick leave at a rate of 15 days per year. Upon retirement, if the employee has completed twenty or more years of service with the Council, reimbursement for sick leave shall be at the employee's final rate of pay up for no more than one-third (1/3) of their accrued but unused sick leave credit, not to exceed three hundred and twenty (320) hours. Payments at retirement for accumulated sick leave are calculated using the rate of compensation at the date of retirement.

The Council employees accumulate vacation leave at a rate of between two and five weeks per year, depending on their length of service. The Council policy restricts employees from carrying forward more than three (3) years of accrual per calendar year. Any unused leave is paid out upon termination or retirement.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 2—Summary of significant accounting policies - continued

Economic dependency

The Council provides services to the City of Toledo and Lucas County. For the years ended December 31, 2007 and 2006, 45% and 42% of total operating revenues were received from City of Toledo and 17% and 17% of total operating revenues were received from Lucas County, respectively. At December 31, 2007 and 2006, accounts receivable from the City of Toledo totaled \$0 and \$339,407, respectively.

Net assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets represent capital assets, reduced by accumulated depreciation. Restricted net assets consist of monies and other resources which are restricted by specific agreements. At December 31, 2007 and 2006, restricted net assets for grant allocations represent net assets restricted for payment of future grant funding requests by sub recipients.

Note 3—Cash and investments

The Council has designated Fifth Third Bank for the deposit of funds. The Council’s cash and cash equivalents are primarily subject to custodial credit risk, as further explained below.

Custodial credit risk is the risk that, in the event of bank failure, the Council’s deposits may not be returned to it. Protection of the Council’s deposits is provided by the Federal Deposit Insurance Corporation (FDIC), by eligible securities pledged by the financial institution, or by a single collateral pool established by the financial institution. In accordance with Chapter 135 of the Ohio Revised Code, any public depository receiving deposits pursuant to an award of Council funds shall be required to pledge as security for repayment of all public moneys.

At December 31, 2007, the carrying value of the Council’s deposits is as follows:

	Carrying Amount	Bank Balance
Demand Deposits	<u>\$ 1,345,346</u>	<u>\$ 1,360,399</u>
	<u>\$ 1,345,346</u>	<u>\$ 1,360,399</u>

Of the bank balance, \$100,000 was covered by the Federal Depository Insurance Corporation and \$1,260,399 was uninsured and collateralized by securities held by the pledging institution’s trust department, not in the Council’s name.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 4—Property and equipment

A summary of the changes in property and equipment, by asset type, is as follows:

	<u>Balance 1/1/2007</u>	<u>Additions</u>	<u>Disposals</u>	<u>Balance 12/31/2007</u>
Property and equipment:				
Leasehold improvements	\$ 161,047	-	-	\$ 161,047
Furniture and fixtures	41,124	-	-	41,124

Note 5—Lease commitments

Operating leases

In April, 2003, the Council entered into an operating lease for a new office facility under a subleasing agreement with the City of Toledo. This lease has a five-year term with monthly rent payments of \$11,250. This amount includes operating expenses such as electricity and maintenance. Total rent expense under this building lease for the years ended December 31, 2007 and 2006 was \$135,000.

The Council entered into a sixty month operating lease for a copier in November 2004. Total payments which include copier supplies and the lease expense amounted to \$4,509 and \$4,509, respectively, for the years ended December 31, 2007 and 2006.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 5—Lease commitments - continued

The minimum future annual rental commitment under all the Council leases at December 31, 2007 is as follows:

<u>Year</u>	
2008	\$ 38,259
2009	<u>4,509</u>
	<u>\$ 42,769</u>

Note 6—Pension and other post-employment benefits

OHIO PUBLIC EMPLOYEES RETIREMENT SYSTEM

The employees of the Council are covered by the Ohio Public Employees Retirement System (OPERS), a cost-sharing multiple-employer defined benefit pension plan. OPERS provides retirement and disability benefits, annual cost of living adjustments and death benefits to plan members and beneficiaries. Chapter 145 of the Ohio Revised Code (ORC) provides statutory authority to establish and amend benefits. The Ohio Public Employees Retirement System of Ohio issues a stand-alone financial report that includes financial statements and required supplementary information for OPERS. Interested parties may obtain a copy by making a written request to 277 East Town Street, Columbus, Ohio 43215-4262, calling (614) 222-6701 or 800-222-7377 or accessing the OPERS web site at www.opers.org.

The Ohio Revised Code provides statutory authority for employee and employer contributions. The employee contribution rate is 9.5% for 2007 and 9.0% for 2006. During 2007 and 2006, the employer contribution rate was 13.85% and 13.70% of covered payroll. The Council's contributions to OPERS for the years ending December 31, 2007, 2006 and 2005 were \$220,927, \$210,940 and \$219,810, respectively, and were equal to the required contribution for those years. The accrued portion related to OPERS expense as of December 31, 2007 and 2006 is \$25,920 and \$42,252, respectively.

All benefits are established by legislature pursuant to Ohio Revised Code Chapter 145. Members are eligible for retirement benefits at age 60 with 5 years or 60 contributing months of service credit, at age 55 with 25 or more years of service credit, or at any age with 30 or more years of service credit. The annual benefit is based on 2.2 percent of final average salary multiplied by the actual years of service for the first 30 years of service credit and 2.5 percent for years of service in excess of 30 years. Persons retiring before age 65 with less than 30 years of service credit receive a percentage reduction in benefit amounts. Upon reaching minimum retirement age, benefits are vested at the time of eligibility for monthly benefits.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 6—Pension and other post-employment benefits-continued

Other post-employment benefits

Ohio Public Employees Retirement System (OPERS) administers three separate pension plans: the Traditional Pension Plan – a cost sharing, multiple-employer defined benefit pensions plan; the Member Directed Plan – a defined contribution plan; and the Combined Plan – a cost sharing, multiple employer defined benefit pension plan.

OPERS provides retirement, disability, survivor and survivor benefits as well as postretirement health care coverage to qualifying members of both the Traditional Pension and Combined Plans. Members of the Member-Directed Plan do not qualify for ancillary benefits, including postemployment health care coverage. In order to qualify for postemployment health care coverage, age-and-service retirees under the Traditional Pension and Combined Plan must have 10 or more years of qualifying Ohio service credit. Health care coverage for disability benefit recipients and qualified survivor benefit recipients is available. The health care coverage provided by OPERS is considered an Other Post-Employment Benefit (OPEB) as described in GASB Statement No. 12.

A portion of each employer's contribution to OPERS is set aside for the funding of post retirement health care. The Ohio Revised Code provides statutory authority for employer contributions. The OPERS law enforcement program is separated into two divisions, law enforcement and public safety with separate employee contribution rates and benefits. For local government employer units, the Council's contribution rate was 13.85% of covered payroll for 2007. The employer contribution included 5.00% from January 1 through June 30, 2007 and 6.00% from July 1 through December 31, 2007 to fund health care for the year. The Ohio Revised Code provides the statutory authority to require public employers to fund post retirement health care through their contributions to OPERS.

OPEB's are advance-funded on an actuarially determined basis. An entry-age normal actuarial cost method of valuation is used in determining the present value of OPEB. The difference between assumed and actual experience (actuarial gains and losses) becomes part of the unfunded actuarial accrued liability. All investments are carried at market value. For actuarial valuation purposes, a smoothed market approach is used. Under this approach assets are adjusted to reflect 25 percent of unrealized market appreciation or depreciation on investment assets annually. The investment assumption rate for 2006 (the latest information available) was 6.5 percent. An annual increase of 4 percent, compounded annually, is the base portion of the individual pay increase assumption. This assumes no change in the number of active employees. Additionally, annual pay increases, over and above the 4 percent base increase, were assumed to range from 0.5 to 6.3 percent. Health care costs were assumed to increase at the projected wages inflation rate plus an additional factor ranging from 0.5 to 5.0 percent for the next eight years. In subsequent years (nine and beyond) health care costs were assumed to increase at 4 percent (the projected wage inflation).

At year end 2007, the number of active contributing participants in the Traditional and Combined Plans totaled 374,979. The rates stated above are the actuarially determined contribution requirements for OPERS. The portion of employer contributions that were used to fund post employment benefits was \$87,938. \$12.0 billion represents the actuarial value of the Retirement System's net assets available for OPEB at December 31, 2006 (the latest information available). The actuarially accrued liability and the unfunded actuarially accrued liability, based on the actuarial cost method used, were approximately \$30.7 billion and \$18.7 billion, respectively.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 6—Pension and other post-employment benefits-continued

On September 9, 2004 the OPERS Retirement board adopted a Health Care Preservation Plan (HCPP) with an effective date of January 1, 2007. The HCPP restructures the OPEBS's health care coverage to improve the financial solvency of the fund in response to increasing health care costs.

Under the HCPP, retirees for health care coverage will receive a graded monthly allocation based on their years of service at retirement. The Plan incorporates a cafeteria approach, offering a broad range of health care option that allow benefit recipients to use their monthly allocation to purchase health care coverage customized to meet their individual needs. If the monthly allocation exceeds the cost of the options selected, the excess is deposited into a Retiree Medical Account that can be used to fund future health care expenses.

Note 7—Ohio public employees deferred compensation program

The Council employees participate in a statewide deferred compensation plan created in accordance with Internal Revenue Code section 457. Participation is on a voluntary payroll deduction basis. The plan permits deferral of compensation until future years. According to the plan, the deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. The deferred wages and any earned income are not subject to taxes until actually received by the employee.

Note 8—Risk management

The Council maintains comprehensive insurance coverage with private carriers for real property, building contents, and vehicles. Vehicle policies include liability coverage for bodily injury and property damage. Property and equipment are 90% coinsured. A liability policy covers all employees, elected and appointed officials, board members, and volunteers. None of the Council's settlements have exceeded the insurance coverage for any of the past three fiscal years.

The Council provides health insurance to its employees in conjunction with Lucas County. The County is self-insured for health and dental benefits. The Council is charged for its participant's share of the cost for its covered employees. The unpaid claim liability, if any, has not been determined.

Note 9—Settlement

On October 17, 1997, the Council entered into a settlement agreement with a computer consultant it sued for breach of contract. Under the terms of the agreement, the Council received a settlement of \$800,000. The settlement is to be received in quarterly installments of \$7,500 plus the proceeds from an escrow account and any proceeds received from the settling defendant's bankruptcy trustee. Amounts related to the settlement are recorded as revenue when they are received. In 2007 and 2006, the Council received four quarterly payments of \$7,500, totaling \$30,000, respectively, which were paid to the County of Lucas and the City of Toledo to reimburse the County and the City for funds they paid to the Council for the consultant. The amount of proceeds, if any that will be received when the bankruptcy is settled is undeterminable.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Financial Statements
For the Year Ended December 31, 2007

Note 10—Commitments and contingencies

Grants

The Council received financial assistance from federal agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the Council. However, in the opinion of the Council management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Council at December 31, 2007 and 2006.

CRIMINAL JUSTICE COORDINATING COUNCIL, LUCAS COUNTY
Notes to the Schedule of Expenditures of Federal Awards
For the Year Ended December 31, 2007

Note 1–Basis of presentation

The federal grant operations are included in the scope of the Office of Management and Budget’s (OMB) Circular A-133 audit (Single Audit). The Single Audit was performed in accordance with the provisions of the OMB *Compliance Supplement for Single Audits of States, Local Government, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the financial statements.

The accompanying schedule of expenditures of federal awards includes all federal grants to the Council which had activity during the year ended December 31, 2007. This schedule has been prepared on the cash basis of accounting. Grant revenues are recorded for financial reporting purposes when the Council has met the qualifications for the respective grants. Certain funds are passed on to subrecipients upon receipt.

Note 2–Subrecipient grants

The Council provided cash basis disbursements under federal awards to subrecipients as follows:

<u>Program Title</u>	<u>Federal CFDA Number</u>	<u>Amount Provided To Subrecipients</u>
Juvenile Accountability Incentive Block	16.523	\$ 51,277
Juvenile Justice Delinquency Prevention Block (Title II)	16.540	109,449
Violence Against Women Block Grant	16.588	219,563
Justice Assistance Block Grant	16.738	<u>350,350</u>
		<u>\$ 730,639</u>

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Criminal Justice Coordinating Council
Lucas County
One Government Center, Suite 1720
Toledo, Ohio 43604

To Council:

We have audited the financial statements of the Criminal Justice Coordinating Council, Lucas County, Toledo, Ohio (CJCC) as of and for the year ended December 31, 2007, and have issued our report thereon dated March 6, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the CJCC's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CJCC's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the CJCC's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the CJCC's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the CJCC's financial statements that is more than inconsequential will not be prevented or detected by the CJCC's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the CJCC's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CJCC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grants agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of the audit committee, management, Council and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO
EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH OMB CIRCULAR A-133**

**Criminal Justice Coordinating Council
Lucas County
One Government Center, Suite 1720
Ohio, Ohio 43604**

To Council:

Compliance

We have audited the compliance of the Criminal Justice Coordinating Council (CJCC), Lucas County, Toledo, Ohio with the types of compliance requirements described in *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 2007. CJCC's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of CJCC's management. Our responsibility is to express an opinion on CJCC's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the CJCC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on CJCC's compliance with those requirements.

In our opinion, CJCC complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2007.

Internal Control Over Compliance

The management of the CJCC is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the CJCC's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of the CJCC's internal control over compliance.

A control deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent or detect noncompliance with a federal program compliance requirement on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the CJCC's ability to administer a federal program such that there is more than a remote likelihood that the CJCC's internal control will not prevent or detect more-than-inconsequential noncompliance with a federal program compliance requirement.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that the CJCC's internal control will not prevent or detect material noncompliance with a federal program's compliance requirements.

Our consideration of the internal control over compliance was for limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information and use of the audit committee, management, Council and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
