Independent Auditor's Report

We have audited the accompanying statement of financial position of the Community Improvement Corporation of Defiance County (a Nonprofit Organization) as of December 31, 2007 and 2006, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Improvement Corporation of Defiance County as of December 31, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated April 25, 2008, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

COMMUNITY IMPROVEMENT CORPORATION OF DEFIANCE COUNTY NOTES TO FINANCIAL STATEMENTS December 31, 2007 and 2006

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Nature Of Activities</u> – Community Improvement Corporation of Defiance County is incorporated as a corporation, not for profit, under section 1724.01 of the revised code of the State of Ohio, to advance, encourage and promote the industrial, economic, commercial and civic development of Defiance County.

Basis Of Accounting – The financial statements of Community Improvement Corporation of Defiance County have been prepared on the accrual basis and accordingly reflect all significant receivables, payables and other liabilities.

<u>Basis Of Presentation</u> – Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization does not have any temporarily restricted or permanently restricted net assets.

<u>Property And Equipment</u> – Property and equipment are stated at cost. Depreciation for financial reporting is computed using accelerated methods and for federal tax reporting is computed using the modified accelerated cost recovery method. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Maintenance and repairs are charged to expense as incurred.

<u>Cash And Cash Equivalents</u> – For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude donor restricted cash and cash equivalents.

<u>Management Estimates</u> — The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

<u>Income Tax Status</u> – The Organization is a not-for-profit Organization that the Internal Revenue Service has determined to be exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code.

<u>Expense Allocation</u> — Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of management estimates.

Administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

COMMUNITY IMPROVEMENT CORPORATION OF DEFIANCE COUNTY NOTES TO FINANCIAL STATEMENTS December 31, 2007 and 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Restricted And Unrestricted Revenue</u> – Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

Unless specifically restricted by the donor, all contributions and grants are considered to be available for unrestricted use in the activities of the Organization.

The Board of Trustees has discretionary control of the unrestricted net assets to use in the activities of the Organization.

<u>Advertising</u> – Advertising costs are charged to expense as incurred. The Organization's advertising costs totaled \$ 25,904 and \$ 19,698 for the years ended December 31, 2007 and 2006, respectively.

NOTE 2 – NOTE RECEIVABLE Notes Receivable consists of the following: 12-31-07 12-31-06 Notes receivable from Northwest Ethanol, LLC (a limited liability company), dated October 19, 2001, maturing June 30, 2005, due in 3 annual payments of \$ 10,000 beginning June 30, 2003, including interest at a fixed rate of 2.0%. Unsecured. Northwest Ethanol is delinquent in all of the principal payments and \$ 1503 of interest payments. \$ 30,000 30,000 30,000 30,000 Amount due within one year Amount due after one year

Although Northwest Ethanol still exists, the building of the ethanol plant in Hicksville, Ohio has been taken over by New Energy Corporation. The outcome of Northwest Ethanol's negotiations with New Energy Corporation will determine whether or not Northwest Ethanol will have funds to repay the loan. Because of the uncertainty of the negotiations, the fact the loan is unsecured, and none of the scheduled principal payments have been made, management feels the loan is impaired and that an allowance equal to the loan should be made. Any future interest payments received on this loan will be recognized when received.

NOTE 3 – RETIREMENT PLAN

The Organization maintains a 403(b) retirement plan for qualified employees. The Organization contributes 4%-5% of the employees' compensation to the plan. Contributions for 2007 and 2006 were \$ 3.798 and \$ 4,570, respectively.

The goal of the campaign was to raise \$ 1,500,000 over the next 5 years. To date approximately \$ 1,238,300 has been pledged and the Organization feels that they will meet the goal. These pledges represent intentions to give because the donor has the option to modify or cancel the pledge. For the year ended December 31, 2007 \$ 242,200 (\$ 241,150 at December 31, 2006) of pledges were collected. The balance of uncollected pledges at December 31, 2007 is approximately \$ 485,000.

Beginning January 1, 2006 the Organization began leasing space in Hicksville from the Hicksville Building and Loan (now First Place Bank) for 1 year at a rate of \$ 1,500 per year. This lease was renewed for 2008.

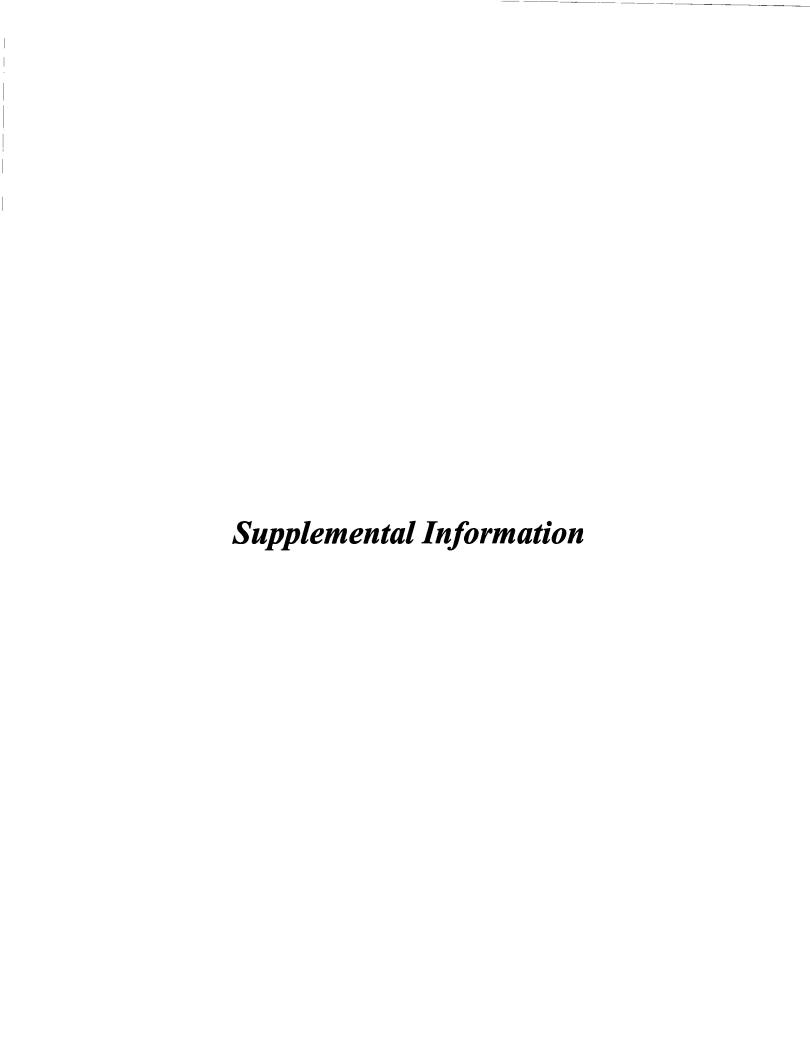

NOTE 7 – ADVANCES

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH 'GOVERNMENT AUDITING STANDARDS' May 12, 2008

Board of Trustees
Community Improvement Corporation of Defiance County

We have audited the financial statements of the Community Improvement Corporation of Defiance County (a Nonprofit Organization) as of and for the year ended December 31, 2007, and have issued our report thereon dated May 12, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing on opinion on the effectiveness of the organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material misstatements of the financial statements will not be prevented or detected by the entity's internal control.

Board of Trustees Community Improvement Corporation of Defiance County Page 2

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of Community Improvement Corporation of Defiance County in a separate letter dated April 25, 2008.

This report is intended solely for the information and use of the Board of Trustees, management, and others within the Organization and is not intended to be used and should not be used by anyone other than these specified parties.
