# HANCOCK METROPOLITAN HOUSING AUTHORITY

# **AUDIT REPORT**

FOR THE YEAR ENDED DECEMBER 31, 2007

# Mary Taylor, CPA Auditor of State

Board of Directors Hancock Metropolitan Housing Authority 1800 N. Blanchard Street, Suite 114 Findlay, Ohio 45840

We have reviewed the *Independent Auditor's Report* of the Hancock Metropolitan Housing Authority, Hancock County, prepared by James G. Zupka, CPA, Inc., for the audit period January 1, 2007 through December 31, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Hancock Metropolitan Housing Authority is responsible for compliance with these laws and regulations.

Mary Taylor, CPA Auditor of State

Board of Directors Hancock Metropolitan Housing Authority Findlay, Ohio Regional Inspector General for Audit U.S. Department of Housing and Urban Development

We have audited the accompanying basic financial statements of the Hancock Metropolitan Housing Authority, Ohio (the Authority), as of and for the year ended December 31, 2007, as listed in the Table of Contents. These basic financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Hancock Metropolitan Housing Authority, Ohio, as of December 31, 2007, and the respective changes in its financial position and its cash flows, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 11, 2008 on our consideration of the Hancock Metropolitan Housing Authority, Ohio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

The Management's Discussion and Analysis on pages 3 through 8 is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion thereon.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The supplementary Financial Data Schedule is presented for purposes of additional analysis and is not a required part of the financial statements of the Hancock Metropolitan Housing Authority. The accompanying Schedule of Federal Awards Expenditures is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Government and Non-Profit Organizations and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007 Unaudited

The Hancock Metropolitan Housing Authority's (the "Authority") management's discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position (it's ability to address the next and subsequent fiscal year challenges), and (d) identify individual fund issues or concerns.

This Management's Discussion and Analysis is new, and will now be presented at the front of each year's financial statements.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Authority's financial statements, which begin on page 9.

#### FINANCIAL HIGHLIGHTS

- During 2007, the Authority's net assets decreased by \$714,514 (or 41.5 percent). Since the Authority engages only in business-type activities, the increase is all in the category of business-type net assets. Net assets were \$1,006,540 and \$1,721,054 for fiscal years 2007 and 2006, respectively.
- The revenue decreased by \$1,084,096 (or 32.8 percent) during 2007, and was \$2,223,696 and \$3,307,792 for 2007 and 2006, respectively.
- The total expenses of the Authority increased by \$901,816 (or 44.3 percent) during 2007. Expenses were \$2,938,210 and \$2,036,394 for 2007 and 2006, respectively.

The primary focus of the Authority's financial statements (summarized fund-type information) has been discarded. The new and clearly preferable focus is on both the Authority - as a whole (Authority-wide) and the major individual funds. Both perspectives (authority-wide and major fund) allow the user to address relevant questions, broaden a basis for comparison (year to year or Authority to Authority) and enhance the Authority's accountability.

#### **AUTHORITY-WIDE FINANCIAL STATEMENTS**

The Authority-wide financial statements (see pages 9-11) are designed to be corporate-like in that all business type activities are consolidated into columns, which add to a total for the entire Authority.

These statements include a Statement of Net Assets, which is similar to a balance sheet. The Statement of Net Assets reports all financial and capital resources for the Authority. The statement is presented in the format where an asset, minus liabilities, equals "Net Assets", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-Current".

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007 Unaudited

The focus of the Statement of Net Assets (the "Unrestricted Net Assets") is designed to represent the net of all available liquid (non-capital) assets, net liabilities, for the entire Authority. Net assets (formerly equity) are reported in three broad categories:

#### Net Assets, Invested in Capital Assets, Net of Related Debt

This component of net assets consists of all capital assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

#### Restricted Net Assets

This component of net assets consists of restricted assets, when constraints are placed on the assets by creditors ( such as debt covenants), grantors, contributors, laws, regulations, contracts, and grant agreements.

#### **Unrestricted Net Assets**

Consists of net assets that do not meet the definition of "Net Assets Invested in Capital Assets, Net of Related Debt", or "Restricted Net Assets".

The Authority-wide financial statements also include a Statement of Revenues, Expenses and Changes in Fund Net Assets (similar to an income Statement). This statement includes operating revenues, such as rental income, operating expenses, such as administrative, utilities, and maintenance, and depreciation, and non-operating revenue and expenses, such as grant revenue, investment income and interest expense.

The focus of the Statement of Revenues, Expenses and Changes in Fund Net Assets is the "Change of Net Assets", which is similar to net income or loss.

Finally, the Statement of Cash Flows (see page 11) is included which discloses net cash provided by or used for operating activities, non-capital financing activities and from capital and related financing activities.

#### FUND FINANCIAL STATEMENTS

Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. The focus is now on major funds. Enterprise funds utilize the full accrual basis of accounting. The enterprise method of accounting is similar to accounting utilized by the private sector accounting.

Many of the funds maintained by the Authority are required by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control.

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007

#### Unaudited

#### THE AUTHORITY'S FUNDS

#### **Business Type Funds**

#### The Housing Choice Voucher Program

Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that sets the participants' rent at 30 percent of adjusted household income.

#### Other Non-Major Programs

In addition to the program above, the Authority also operates the following programs. The Authority received funding from Hancock County's HOME program during the fiscal year. In addition this activity includes operating a revolving loan program.

State/Local activities represent non-HUD resources developed from a variety of activities.

#### AUTHORITY-WIDE STATEMENT

#### **Statement of Net Assets**

The following table reflects the condensed Statement of Net Assets compared to prior year. The Authority in engaged only in business-type activities.

**Table 1 - Statement of Net Assets** 

	2007	2006
Current and Other Assets	\$ 981,499	\$1,764,297
Capital Assets	45,345	29,838
Total Assets	1,026,844	1,794,135
Current Liabilities	15,938	26,250
Non-Current Liabilities	4,366	46,831
<b>Total Liabilities</b>	20,304	73,081
Net Assets:		
Invested in Capital Assets, Net of Related Debt	45,345	29,838
Restricted	389,753	0
Unrestricted	571,442	1,691,216
Total Net Assets	<u>\$ 1,006,540</u>	<u>\$1,721,054</u>

For more detailed information see page 9 for Statement of Net Assets

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007 Unaudited

Major Factors Affecting the Statement of Net Assets

Current assets (primarily cash) decreased by \$782,798 in fiscal year 2007 and current liabilities decreased by \$10,312. The decrease in current assets was primarily due to aggressive leasing up more vouchers in 2007.

**Table 2 - Changes of Unrestrictive Net Assets** 

Unrestricted Net Assets December 31, 2006		\$1,691,216
Results of Operations	\$ (714,514)	
Adjustments: Depreciation (1)	8,047	
Adjusted Results from Operations		(706,467)
Capital Expenditures		(23,554)
Classed as Restricted Net Assets (2)		(389,753)
Unrestricted Net Assets December 31, 2007		\$ 571,442

- (1) Depreciation is treated as an expense and reduces the results of operations but does not have an impact an impact on unrestricted net assets.
- (2) HUD now requires unspent HAP funding for the Housing Choice Voucher Program be classed as Restricted Net Assets.

While the result of operations is a significant measure of the Authority's activities, the analysis of the changes in unrestricted net assets provides a clearer change in financial well-being.

The following schedule compares the revenues and expenses for the current and previous fiscal year. The Authority is engaged only in business-type activities.

Table 3 - Statement of Revenues, Expenses and Changes in Net Assets

	2007	2006
Revenues:		<u> </u>
HUD PHA Operating Grants	\$2,105,030	\$3,105,266

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007

Unaudited

Major Factors Affecting the Statement of Revenue, Expenses and Changes in Net Assets

HUD PHA Grants decreased significantly from the prior fiscal year. As instructed by HUD, the Authority took what measures it could to stabilize rents to decrease average HAP payments to address the reduction in funding provided.

Staffing changes during the fiscal year 2007 contributed to the increase of \$99,061 in the Administrative Expense category.

Most other expenses increased moderately due to inflation. Depreciation increased due to assets additions during the fiscal year 2007.

#### CAPITAL ASSETS AND DEBT ADMINISTRATION

#### Capital Assets

As of December 31, 2007, the Authority had \$45,345 invested in capital assets as reflected in the following schedule, which represents a net increase (additions, deductions, and depreciation).

**Table 4 - Capital Assets at Year-End (Net of Depreciation)** 

	Business-Type Activities		
	2007	2006	
Equipment - Administrative	\$ 70,501	\$ 46,947	
Accumulated Depreciation	(25,156)	(17,109)	
Total	<u>\$ 45,345</u>	\$ 29,838	

The following reconciliation summarizes the change in capital assets.

**Table 5 - Change in Capital Assets** 

Beginning Balance	\$ 29,838
Additions	23,554
Dispositions	0
Depreciation	(8,047)
Ending Balance	<u>\$ 45,345</u>

The Authority did not have any outstanding debt at December 31, 2007 and 2006.

# HANCOCK METROPOLITAN HOUSING AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2007 Unaudited

#### **ECONOMIC FACTORS**

Significant economic factors affecting the Authority are as follows:

- Federal funding of the Department of Housing and Urban Development.
- Local labor supply and demand, which can affect salary and wage rates.
- Local inflationary, recession and employment trends, which affect resident incomes and therefore the amount of housing assistance
- Inflationary pressure on utility rates, supplies, and other costs.

#### FINANCIAL CONTACT

The individual to be contacted regarding this report is Dianne J. Osborn, Executive Director, the Hancock Metropolitan Housing Authority, at 419-424-7848. Specific requests may be submitted to the Authority at Suite 114, The Family Center, 1800 North Blanchard Street, Findlay, Ohio 45840.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

#### **Organization**

The Hancock Metropolitan Housing Authority (HMHA) is a political subdivision of the State of Ohio, located in Findlay, Ohio, created under Section 3735.27 of the Ohio Revised Code, to engage in the acquisition, development, leasing and administration of low-rent housing program. An Annual Contributions Contract was signed by the HMHA and the United States Department of Housing and Urban Development (HUD), to provide low and moderate income persons with safe and sanitary housing through rent subsidies, via the Section 8 Housing Choice Voucher Program. Based on the criteria established by Governmental Accounting Standards Board (GASB) codification 2100, there are no component units to be included with the reporting entity.

### **Basis of Accounting**

The financial statements of the Authority have been prepared in conformity with generally accepted accounting principles, as applied to governmental units. The GASB is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Pursuant to GASB Statement No, 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting*, the Authority follows GASB guidance as applicable to proprietary funds and FASB Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict with or contradict GASB pronouncements. The Authority has elected not to apply FASB statements and interpretations issued after November 30, 1989 to its business-type activities and enterprise funds.

#### Machinery, Furnishings, and Equipment

Machinery, furnishings, and equipment are recorded at cost, over the useful life using the straight-line method. Total depreciation expense for the 2007 calendar year was \$8,047.

#### **Cash and Cash Equivalents**

For purposes of the statement of cash flows and for presentation of the balance sheet, cash and cash equivalents consist principally of checking and savings accounts.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Prepaid Items**

Payments made to vendors for services that will benefit periods beyond December 31, 2007, are recorded as prepaid items using the consumption method. A current asset for the prepaid amount is recorded at the time of the purchase and an expenditure/expense is reported in the year in which services are consumed.

#### **Compensated Absences**

Vacation benefits are accrued as a liability as the benefits are earned if the employee's right to receive compensation are attributable to services already rendered and its probable that the employer will compensate the employees for the benefits through paid time off or some other means. Sick leave benefits are accrued as a liability using the termination method. The liability is based on an estimate of the amount of accumulated sick leave that will probably be paid as termination benefits.

The current portion of unpaid compensated absences is the amount expected to be paid using expendable available resources. These amounts are recorded in the account "compensated absences payable" in the fund from which the employees who have accumulated unpaid leave are paid.

#### **Financial Statement Format and Content**

The format and content of the financial statements included in this report conforms to the format and content submitted to the U.S. Department of Housing and Urban Development, via the Real Estate Assessment Center.

#### **Capital Contributions**

This represents contributions made available by HUD with respect to all federally aided projects under an annual contributions contract.

#### **Budgetary Accounting**

The Authority annually prepares its budget consistent with regulations of the Department of Housing and Urban Development. This budget is adopted by the Board of the Housing Authority.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Change in Accounting Principles**

For fiscal year 2007, the Authority implemented GASB Statement No. 43, *Financial Reporting for Postemployment Benefit Plans Other than Pension Plans* and GASB Statement No. 48, *Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues*. GASB Statement No. 43 applies for Other Postemployment Benefit (OPEB) trust funds included in the financial reports of plan sponsors or employers and provides requirements for reporting OPEB funds by administrators of multiple-employer OPEB plans, when the fund used to accumulate assets and pay benefits or premiums when due is not a trust fund. GASB Statement No. 48 establishes criteria that governments will use to ascertain whether certain transactions should be regarded as sales or a collateralized borrowings. The statement also included disclosure requirements for future revenues that are pledged and sold.

The implementation of GASB Statements No. 43 and No. 48 did not affect the presentation of the financial statements of the Authority.

#### NOTE 2: **DEPOSITS AND INVESTMENTS**

#### **Deposits**

At fiscal year end, the carrying amount of the Authority's deposits were \$968,060 and the bank balance was \$1,006,912. Based on criteria described in GASB Statement No. 40, *Deposits and Investments Risk Disclosures*, as of December 31, 2007, \$100,000 of the Authority's bank balance was covered by Federal Depository Insurance and deposits totaling \$906,912 were uninsured and collateralized with securities held by the pledging financial institution's trust department or agent. Included in the carrying value of the Authority's deposits is \$100 in petty cash.

Custodial credit risk is the risk that, in the event of a bank failure, the Authority's deposits may not be returned. The Authority's policy is to place deposits with major local banks approved by the Authority's Board. All deposits are collateralized with eligible securities in amounts equal to 105 percent of the carrying value of deposits. Such collateral, as permitted by Chapter 135 of the Ohio Revised Code, is held in financial institution pools at Federal Reserve banks, or at member banks of the Federal Reserve System, in the name of the respective depository bank, and pledged as a pool of collateral against the public deposits it holds.

#### NOTE 2: **DEPOSITS AND INVESTMENTS** (Continued)

#### **Investments**

The Authority has no formal investment policy, but rather the Authority relies on HUD regulations to serve as the Authority's investment policy. HUD regulations related to allowable deposits and investments are more restrictive than what is set forth in the Ohio Revised Code. The Authority had no investments at December 31, 2007.

#### **Interest Rate Risk**

As a means of limiting its exposure to fair value losses caused by rising interest rates, the Authority's invests primarily in short-term investments maturing within two years of their date of purchase and this investment portfolio is structured so that investments mature to meet cash requirements for ongoing operations. The intent is to be in compliance with HUD regulations and avoid the need to sell securities prior to maturity.

#### **Credit Risk**

The credit risk of the Authority's investments are in the table below. The Authority complies with HUD regulations which limit its investment choices.

#### **Custodial Credit Risk**

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Authority has no investment policy dealing with investment custodial risk beyond the requirements in HUD regulations and State statute that prohibit payment for investments prior to the delivery of the securities representing such investments to the controller or qualified trustee.

#### **Concentration of Credit Risk**

The Authority places no limit on the amount it may invest in any one institution. The Authority's deposits in financial institutions represents 100 percent of its deposits.

Investments

Cash and investments at year-end were as follows:

				laturities
			(i	n Years)
Cash and Investment Type	F	air Value		<1
Carrying Amount of Deposits - Unrestricted	\$	578,307	\$	578,307
Carrying Amount of Deposits - Restricted		389,753		389,753
Totals	\$	968,060	\$	968,060

Cash Restricted represents the Housing Assistance Payments in excess of the amount used which is also the restricted net asset amount.

#### NOTE 3: CAPITAL ASSETS

A summary of capital assets at December 31, 2007 by class is as follows:

	E	Balance				Balance
	01/01/07		Additions		<u>Deletions</u>	 12/31/07
Furniture and Equipment	\$	46,947	\$	23,554	0	\$ 70,501
Total		46,947		23,554	0	70,501
Accumulated Depreciation -						
Furniture and Equipment		(17,109)		(8,047)	0	(25,156)
Capital Assets, Net	\$	29,838	\$	15,507	\$ 0	\$ 45,345

#### NOTE 4: INSURANCE COVERAGE

The Authority maintains comprehensive insurance coverage with private carriers for general liability, health, and building contents. Limits of coverage provided are as follows:

		Limit of
	<u>Deductible</u>	Coverage
General Liability	\$ 0	\$ 2,000,000
Directors and Officers' Liability	1,000	\$ 2,000,000
Auto	500/0	ACV/1,000,000
Building Contents	500	\$ 30,000
Crime	250	\$ 25,000

There were no significant changes in commercial coverage in 2007. Settled claims have not exceeded insurance coverage during the past 3 years.

#### NOTE 5: **DEFINED BENEFIT PENSION PLAN**

#### **Ohio Public Employees Retirement System**

All full-time Authority employees participate in the Ohio Public Employees Retirement System (OPERS). OPERS administers three separate pension plans, as described below:

- The Traditional Pension Plan (TP) a cost-sharing, multiple-employer defined benefit pension plan;
- The Member-Directed Plan (MD) a benefit contribution plan in which the member invests both member and employer contributions (employer contributions vest over five years at 20 percent per year). Under the Member-Directed plan, members accumulate retirement assets equal to the value of the member and (vested) employer contributions plus any investment earnings.

#### NOTE 5: **DEFINED BENEFIT PENSION PLAN** (Continued)

#### Ohio Public Employees Retirement System (Continued)

• The Combined Plan (CO) - a cost-sharing, multiple-employer defined benefit pension plan. Under the Combined plan, employer contributions are invested by the retirement system to provide a formula retirement benefit similar in nature to the Traditional Pension plan benefit. Member contributions, the investment of which is self-directed by the members, accumulate retirement assets in a manner similar to the member-directed plan.

OPERS provides retirement, disability, survivor, death benefits, and annual cost of living adjustments to members of both the Traditional Pension and the Combined plans. Members of the Member-Directed plan do not qualify for ancillary benefits. Authority to establish and amend benefits is provided by State statute per Chapter 145 of the Ohio Revised Code. OPERS issues a stand-alone financial report. Interested parties may obtain a copy by making a written request to 277 East Town Street, Columbus, Ohio 43215-4642 or by calling (614) 222-5601 or 1-800-222-7377 or by using the OPERS website at <a href="https://www.opers.org">www.opers.org</a>.

The Ohio Revised Code provides statutory authority for member and employer contributions. For 2007, member and employer contribution rates were consistent across all three plans (TP,MD, and CO). Plan members are required to contribute 9.5 percent of their annual covered salary to fund pension obligations. The employer pension contribution rate for the Authority was 13.85 percent of covered payroll. The Authority's required contributions to the Traditional and Combined Plans for the years ended December 31, 2007, 2006, and 2005, were \$33,080, \$24,821, and \$22,867 respectively. The Authority's required contribution to member-directed plans for the years ended December 31, 2007, 2006, and 2005 were \$1,259, \$1,063 and \$2,322 respectively. The full amount has been contributed for 2007, 2006, and 2005.

#### NOTE 6: **POST-EMPLOYMENT BENEFITS**

#### **Ohio Public Employees Retirement System**

The Ohio Public Employees Retirement System (OPERS) provides post-retirement health care coverage to age and service retirees with ten or more years of qualifying Ohio service credit. Health care coverage for disability benefit recipients and primary survivor recipients is available with both the Traditional and the Combined Plan; however, health care benefits are not statutorily guaranteed. Members of the Member-Directed Plan do not qualify for ancillary benefits, including post-employment health care coverage. The health care coverage provided by the retirement system is considered an Other Post-Employment Benefit (OPEB) as described in GASB Statement No. 45. A portion of each employer's contribution to OPERS is set aside for the funding of post-retirement health care. The Ohio Revised Code provides statutory authority for employer contributions. The 2007 employer rate was 13.85 percent of covered payroll. The Ohio Revised Code currently limits the employer contribution to a rate not to exceed 14.00

percent of covered payroll for State and local employer units. Active members do not make contributions to the OPEB Plan.

OPERS Post-Employment Health Care Plan was established under, and is administered in accordance with, Internal Revenue Code 401 (h). Each year, the OPERS Retirement Board determines the portion of the employer contribution rate that will be set aside for funding of post-employment health care benefits. The portion of employer contributions allocated to health care was 5.00 percent from January 1 through June 30, 2007, and 6.00 percent from July 1 through December 31, 2007. The OPERS Retirement Board is also authorized to establish rules for the payment of a portion of the health care benefits provided by the retiree or their surviving beneficiaries. Payment amounts vary depending on the number of covered dependents and the coverage selected.

Benefits are advance-funded using the entry age normal actuarial cost method. Significant actuarial assumptions, based on OPERS' latest actuarial review performed as of December 31, 2006, include a rate of return on investments of 6.50 percent, an annual increase in active employee total payroll of 4 percent compounded annually (assuming no change in the number of active employees), and an additional increase in total payroll of between .50 percent and 6.30 percent based on additional annual pay increases. Health care premiums were assumed to increase at the projected wage inflation rate plus an additional factor ranging from .50 percent to 5 percent annually for the next 8 years. In subsequent years (9 and beyond), health care costs were assumed to increase at 4 percent (the projected wage inflation rate).

#### NOTE 6: **DEFINED BENEFIT PENSION** (Continued)

#### **Ohio Public Employees Retirement System (Continued)**

All investments are carried at market. For actuarial valuation purposes, a smoothed market approach is used. Assets are adjusted to reflect 25 percent of unrealized market appreciation or depreciation on investment assets annually, not to exceed a 12 percent corridor.

As of December 31, 2007, the number of active contributing participants in the Traditional Pension and Combined plans totaled 374,979. The number of active contributing participants for both plans used in the December 31, 2006, actuarial valuation was 362,130. Actual Authority contributions for 2007 which were used to fund post-employment benefits were \$13,692. The actual contribution and the actuarially required contribution amounts are the same. The actuarial value of OPERS' net assets available for payment of benefits at December 31, 2006 (the latest information available) was \$12.0 billion. The actuarially accrued liability and the unfunded actuarial accrued liability were \$30.7 billion and \$18.7 billion, respectively.

On September 9, 2004, the OPERS Retirement Board adopted a Health Care Preservation Plan (HCPP) with an effective date of January 1, 2007. The HCPP restructures OPERS' health care coverage to improve the financial solvency of the fund in response to increasing health care costs. Member and employer contribution rates increased as of January 1, 2006, January 1, 2007, and January 1, 2008, which allowed additional funds to be allocated to the health care plan.

Under HCPP, retirees eligible for health care coverage will receive a graded monthly allocation based on their years of service at retirement. The Plan incorporates a cafeteria approach, offering a broad range of health care options that allow the benefit recipients to use their monthly allocation to purchase health care coverage customized to meet their individual needs. If the monthly allocation exceeds the cost of the options selected, the excess is deposited into a Retiree Medical Account that can be used to fund future health care expenses.

### NOTE 7: **COMPENSATED ABSENCES**

Vacation and sick leave policies are established by the Board of Commissioners based on local and state laws.

All employees earn .0575 hours of sick leave for every hour of service, subject to a maximum of 15 days of sick leave per year. Unused sick leave may accumulate without limit. An employee with at least 10 years of service to the Authority who dies or retires under the provisions of OPERS shall be paid for one-fourth (1/4) of accumulated sick leave to their credit, not to exceed 30 days, as of the date of their separation. All full-time and permanent part-time employees earn vacation leave based on length of service. Vacation leave earned as of the employee's anniversary date must be used within 12 months of that date, subject to exceptions outlined in the policy.

At December 31, 2007, based on the vesting method, \$4,366 was accrued by the Authority for unused vacation and sick leave. All unused leave is considered non-current.

В	Balance					Ba	lance
0.	1/01/07	Add	ditions_	<u>I</u>	<u>Deletions</u>	12/	/31/07
\$	27,217	\$	7,424	\$	(30,275)	\$	4,366

#### NOTE 8: CONSTRUCTION AND OTHER COMMITMENTS

The Authority had no material operating lease commitments or material capital or construction commitments at December 31, 2007.

#### NOTE 9: LITIGATION

The Authority is party to various legal proceedings. In the opinion of the Authority, the ultimate disposition of these proceedings will not have a material effect on the Authority's financial position. No provision has been made to the financial statements for the effect, if any, of such contingencies.

# NOTE 10: SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Hancock Metropolitan Housing Authority and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Hancock Metropolitan Housing Authority Findlay, Ohio Regional Inspector General for Audit Department of Housing and Urban Development

We have audited the basic financial statements of the Hancock Metropolitan Housing Authority, Ohio, as of and for the year ended December 31, 2007, and have issued our report thereon dated September 11, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Authority's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Authority's financial statements that is more than inconsequential will not be prevented or detected by the Authority's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Authority's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material affect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain additional matters that we reported to the management of the Hancock Metropolitan Housing Authority in separate letter dated September 11, 2008.

This report is intended solely for the information and use of management, the Board of Directors, others within the entity, federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specific parties.

# REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors Hancock Metropolitan Housing Authority Findlay, Ohio Regional Inspector General of Audit Department of Housing and Urban Development

#### **Compliance**

We have audited the compliance of the Hancock Metropolitan Housing Authority (the Authority) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major Federal programs for the year ended December 31, 2007. The Authority's major Federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grant agreements applicable to each of its major Federal programs is the responsibility of the Authority's management. Our responsibility is to express an opinion on the Authority's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Authority's compliance with those requirements.

In our opinion, the Authority complied, in all material respects, with the requirements referred to above that are applicable to each of its major Federal programs for the year ended December 31, 2007.

#### **Internal Control Over Compliance**

The management of the Authority is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grant agreements applicable to Federal programs. In planning and performing our audit, we considered the Authority's internal control over compliance with the requirements that could have a direct and material effect on a major Federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion of the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, the Board of Directors, others within the entity, federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties.

None

#### 3. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

None

# HANCOCK METROPOLITAN HOUSING AUTHORITY STATUS OF PRIOR YEAR FINDINGS

OMB CIRCULAR A-133 & .505 DECEMBER 31, 2007 (CONTINUED)

#### 2006-1 - Reasonable Rent

#### **Current Status**

The Authority has implemented a system to determine that the rent to owner is reasonable. This finding is now resolved.

#### **2006-2 Utility Allowance Schedule**

#### **Current Status**

The Authority provided documentation that they are now maintaining an up-to-date allowance schedule. This finding is now resolved.

#### 2005 - 2 Annual Unaudited Financial Reporting to the Real Estate Assessment Center (REAC)

#### **Current Status**

The Authority did complete the required submission of its unaudited financial statements to REAC for 2007 within the required time frame. This finding is now resolved.
