MONTVILLE TOWNSHIP

MEDINA COUNTY, OHIO

AUDIT REPORT

For the Years Ended December 31, 2008 and 2007

Charles E. Harris and Associates, Inc.
Certified Public Accountants and Government Consultants

Mary Taylor, CPA Auditor of State

Board of Trustees Montville Township 6665 Wadsworth Road Medina, Ohio 44256

We have reviewed the *Report of Independent Accountants* of Montville Township, Medina County, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2007 through December 31, 2008. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Report of Independent Accountants* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Report of Independent Accountants* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Montville Township is responsible for compliance with these laws and regulations.

Mary Taylor, CPA Auditor of State

REPORT OF INDEPENDENT ACCOUNTANTS

Montville Township Medina County 6665 Wadsworth Road Medina, Ohio 44256

To the Board of Trustees:

We have audited the accompanying financial statements of Montville Township, Medina County, Ohio (Township) as and for the years ended December 31, 2008 and 2007. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although, we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Township to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2008 and 2007. Instead of the combined funds the accompanying financial statements present for 2008 and 2007, the revision requires presenting entity wide statements and also to present larger (i.e. major) funds separately for 2008 and 2007. While the Township does not follow GAAP, generally accepted auditing standards require us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Township has elected not to reformat its statements. Since the Township does not use GAAP to measure its financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2008 and 2007, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2008 and 2007, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of Montville Township, Medina County as of December 31, 2008 and 2007, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The aforementioned revision to generally accepted accounting principles also requires the Township to include Management's Discussion and Analysis for the years ended December 31, 2008 and 2007. The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 20, 2009 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

The notes to the financial statements are an integral part of this statement

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. <u>DESCRIPTION OF THE ENTITY</u>

Montville Township, Medina County (the Township) is a body corporate and politic established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three member Board of Trustees and a publicly-elected Fiscal Officer. The Township provides road and bridge maintenance, cemetery maintenance and police protection. The Township contracts with the City of Medina for fire protection. Also, the Township contracts with the Medina General Hospital Life Support Team for emergency medical services.

The Township's management believes these financial statements included in this report represent all of the funds of the Township over which the Township has the ability to exercise direct operating control.

B. BASIS OF ACCOUNTING

The Township prepares its financial statements following the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved.)

The statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. CASH

Investments are included in the fund cash balances. Accordingly, purchases of investments are not recorded as disbursements and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

D. FUND ACCOUNTING

The Township maintains its accounting records in accordance with the principles of "Fund" accounting. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The transactions of each fund are reflected in a self-balancing group of accounts, an accounting entity, which stands separate from the activities reported in other funds. The restrictions associated with each class of funds are as follows:

Governmental Fund Types:

<u>General Fund</u>: The general operating fund of the Township. It is used to account for all financial resources except those required by law or contract to be accounted for in another fund.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

D. <u>FUND ACCOUNTING</u> – (continued)

<u>Special Revenue Funds</u>: These funds are used to account for proceeds from special sources (other than from trusts or for capital projects) that are restricted to expenditures for specific purposes. The Township has the following significant Special Revenue funds:

- Road and Bridge Fund This fund receives property tax money for constructing, maintaining and repairing Township roads and bridges.
- Police Fund This fund receives property taxes, fines, intergovernmental receipts and tax revenue to provide police services to the Township residents.
- Fire Fund This fund receives property taxes and intergovernmental receipts to provide fire protection services.
- Ambulance Fund This fund receives property taxes and intergovernmental receipts to provide emergency rescue services.

E. BUDGETARY PROCESS

A budget of estimated cash receipts and disbursements is prepared by the Fiscal Officer, approved by the Township Board of Trustees, and submitted to the county auditor, as secretary of the County Budget Commission, by July 20 of each year, for the period January 1 to December 31 of the following year.

1. Estimated Resources

The county auditor calculates the estimated revenues available to the Township. He prepares a certificate of estimated resources based upon this calculation and upon the other financial information supplied in the budget sent by the Township. The county budget commission approves the certificate of estimated resources.

Prior to December 31, the Township must revise its budget so that the total budgeted expenditures for a fund will not exceed the amount of estimated resources stated in the certificate of estimated resources. The revised budget serves as the basis for the annual appropriation measure.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

E. <u>BUDGETARY PROCESS</u> - (continued)

1. Estimated Resources - (continued)

On or about January 1, the Fiscal Officer sends the county auditor a certificate which includes the actual unencumbered balances from the preceding year. The county auditor prepares an amended certificate, submits it to the county budget commission for approval. This amended certificate may be further amended during the year if projected revenue increases or the Fiscal Officer identifies decreases in revenue.

Budgeted receipts, as shown in Note 4, do not include the unencumbered fund balances as of January 1, 2008 and 2007. However, those fund balances are available for appropriation.

2. Appropriations

A temporary appropriation measure to control cash expenditures may be passed on or about January 1 of each year for the period January 1 to March 31. An annual appropriation measure must be passed by March 31 of each year for the period January 1 to December 31. The appropriation measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources.

3. Encumbrances

The Township is required to use the encumbrance method of accounting by virtue of Ohio law. Under this system, purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation and to determine and maintain legal compliance. The sum of expenditures and encumbrances may not exceed appropriated totals at any level of budgetary control. The Township's legal level of control is the fund, function and object level.

Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried over at year-end.

F. PROPERTY, PLANT AND EQUIPMENT

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. <u>ACCUMULATED LEAVE</u>

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

2. EQUITY IN POOLED CASH AND CASH EQUIVALENTS

The Township maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 was as follows:

	 2008	2007
Demand Deposits	\$ 771,573	\$ 513,263
Certificate of Deposit	 1,550,000	1,050,000
Total Deposits and Investments	\$ 2,321,573	\$ 1,563,263

Deposits: Deposits are either (1) insured by the Federal Deposit Insurance Corporation, (2) collateralized by securities specifically pledged by the financial institution to the Township, or (3) collateralized by the financial institution's public entity deposit pool.

3. PROPERTY TAXES

Real property becomes a lien on January 1 preceding the October 1 date for which rates are adopted by Township Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utility property tax receipts received represent the collection of the previous year's taxes. Public utility real and tangible personal property taxes received in the current year became a lien on December 31, were levied after October 1 of the previous year, and are collected with real property taxes. Public utility real property is assessed at 35 percent of true value; public utility tangible personal property is currently assessed at varying percentages of true value.

Tangible personal property tax receipts received in the current year (other than public utility property) represent the collection of the previous year's taxes. Tangible personal property taxes received in the current year were levied after October 1 of the previous year, on the true value as of December 31 of the previous year. The tangible personal property tax is being phased out. The assessment percentage for all property, including inventory, for 2007 is 12.5 percent, 6.25 percent for 2008, and zero for 2009.

The Medina County Auditor is responsible for assessing property, and for billing, collecting and distributing all property taxes on behalf of the Township.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

4. **BUDGETARY ACTIVITY**

Budgetary activity for the years ending December 31, 2008 and 2007 follows:

2008 Budgeted vs Actual Budgetary Basis Expenditures				
	App ropriation	Budgetary

5. RETIREMENT SYSTEM

Special Revenue

General

Employees of the Township belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a state operated, cost sharing, multiple employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

\$ 1,082,397

2.250.758

\$ (51,910)

125.197

Contribution rates are prescribed by the Ohio Revised Code. For 2007, non-police OPERS members contributed 9.5% of their gross pay while the Township contributed an amount equal to 13.85% of covered payroll. For 2008, non-police OPERS members contributed 10% of their gross pay while the Township contributed an amount equal to 14% of covered payroll. The Township picked up 3% of the Road Department's employee contributions. The Township paid all required contributions through 2008.

For 2007, police OPERS members contributed 10.10% of their gross pay while the Township contributed an amount equal to 17.17% of covered payroll. For 2008, police OPERS members contributed 10.10% of their gross pay while the Township contributed an amount equal to 17.40% of covered payroll. The Township picked up 6% of the police department's employee contributions. The Township paid all required contributions through 2008.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

6. RISK MANAGEMENT

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member townships pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage - OTARMA retains casualty risks up to \$250,000 per occurrence, including claim adjustment expenses. OTARMA pays a percentage of its contributions to APEEP. APEEP reinsures claims exceeding \$250,000, up to \$1,750,000 per claim and \$10,000,000 in the aggregate per year. Townships can elect additional coverage, from \$2,000,000 to \$12,000,000 with the General Reinsurance Corporation, through contracts with OTARMA.

If losses exhaust OTARMA's retained earnings, APEEP provides excess of funds available coverage up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Coverage - Beginning in 2005, Travelers reinsures specific losses exceeding \$250,000 up to \$600 million per occurrence. APEEP reinsures members for specific losses exceeding \$100,000 up to \$250,000 per occurrence, subject to an annual aggregate loss payment. Travelers provides aggregate stop-loss coverage based upon the combined members' total insurable value. If the stop-loss is reached by payment of losses between \$100,000 and \$250,000, Travelers will reinsure specific losses exceeding \$100,000 up to their \$600 million per occurrence limit. The aggregate stop-loss limit for 2007 was \$2,014,548.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective township.

Property and casualty settlements did not exceed insurance coverage for the past three years.

Members may withdraw on each anniversary of the date they joined OTARMA. They must provide written notice to OTARMA 60 days in advance of the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contribution, minus the subsequent year's premium. Also, upon withdrawal, payments for all property and casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim was incurred or reported prior to the withdrawal.

Notes to the Financial Statements For the Years Ended December 31, 2008 and 2007

6. RISK MANAGEMENT - (Continued)

Financial Position - OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2007 and 2006:

	2007	2006
Assets	\$ 43,210,703	\$ 42,042,275
Liabilities	(13,357,837)	(12,120,661)
Retained earnings	\$ 29,852,866	\$ 29,921,614

At December 31, 2007 and 2006, respectively, liabilities noted above include approximately \$12.5 million and \$11.3 million of estimated incurred claims payable. The assets and retained earnings above also include approximately \$11.6 million and \$10.8 million of unpaid claims to be billed to approximately 950 member townships in the future, as of December 31, 2007 and 2006, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. The Township's share of these unpaid claims collectible in future years is approximately \$20,352. This payable includes the subsequent year's contribution due if the Township terminates participation, as described in the last paragraph below.

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

7. CONTINGENT LIABILITES/SUBSEQUENT EVENTS

Management believes there are no pending claims or lawsuits.

8. TRANSFERS

The Township transferred \$5,507 from the General Fund to the Motor Vehicle License Tax Fund to subsidy operations.

The transfer of these funds were in compliance with Ohio Revised Code.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Montville Township Medina County 6665 Wadsworth Road Medina, Ohio 44256

To the Board of Trustees:

We have audited the financial statements of Montville Township, Medina County, Ohio (Township), as and for the years ended December 31, 2008 and 2007, and have issued our report thereon dated May 20, 2009, wherein we noted that the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with accounting practices the Auditor of State prescribes such that there is more than a remote likelihood that a misstatement of the Township's financial statements that is more than inconsequential will not be prevented or detected by the Township's internal control. We consider the deficiency described in the accompanying schedule of findings, items 2008-MTMC-01 to be significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Township's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe the significant deficiency described above to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

The Township's response to the finding identified in our audit are described in the accompanying schedule of findings. We did not audit the Township's response and, accordingly, we express no opinion on it.

We also noted certain matters that we have reported to management of the Township in a separate letter dated May 20, 2009.

This report is intended solely for the information and use of management and the Board of Trustees and is not intended to be and should not be used by anyone other than these specified parties.

SCHEDULE OF FINDINGS December 31, 2008 and 2007

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Finding Number 2008-MTMC-01 - Material Weakness

Montville Township recorded their property taxes revenue at the net amounts rather than the gross amounts. This caused General Fund receipts to be understated by \$10,441 and \$7,984 in 2008 and 2007, respectively. Also, Special Revenue Fund receipts were understated by \$28,771 and \$27,355 in 2008 and 2007, respectively. Further, the corresponding Medina County Auditor collection fees were not recorded in the same amounts causing disbursements to be understated.

Also, the Township had the following mispostings:

2008

- Motor Vehicle License 5% Road taxes of \$634 were recorded in the Permissive Motor Vehicle Tax Fund rather than the Gasoline Tax Fund.
- Tangible personal property tax of \$995 was recorded in the Police Fund rather than the Road and Bridge Fund.

2007

- Personal Property Taxes of \$311 were improperly recorded in the Police Fund rather than the Ambulance Fund.
- Personal Property taxes of \$1,901 were recorded in the General Fund rather than allocating \$229 to the Road & Bridge Fund, \$248 to the Fire Fund, \$1,003 to the Police Fund and \$191 to the Ambulance Fund.

Adjustments were made in the financial statements and the Township's records.

We recommend that the Township properly post gross property taxes and personal property taxes in the correct fund. Also, we recommend that the corresponding county auditor fees are posted in the correct fund.

<u>Management's Response:</u> Management has been made aware of the mispostings and will work to correct it in the future.

SCHEDULE OF PRIOR AUDIT FINDINGS December 31, 2008 and 2007

The prior report, for the years ending December 31, 2006 and 2005, reported no material citations or recommendations.

Mary Taylor, CPA Auditor of State

MONTVILLE TOWNSHIP

MEDINA COUNTY

CLERK'S CERTIFICATION

This is a true and correct copy of the report which is required to be filed in the Office of the Auditor of State pursuant to Section 117.26, Revised Code, and which is filed in Columbus, Ohio.
