We have reviewed the *Independent Accountants' Report* of White Eyes Township, Coshocton County, prepared by Perry & Associates, Certified Public Accountants, A.C., for the audit period January 1, 2007 through December 31, 2008. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Accountants' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Accountants' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. White Eyes Township is responsible for compliance with these laws and regulations.

**INDEPENDENT ACCOUNTANTS' REPORT**

February 26, 2009

White Eyes Township  
Coshocton County  
28520 Township Road 171  
Fresno, OH 43824

To the Board of Trustees:

We have audited the accompanying financial statements of **White Eyes Township, Coshocton County, Ohio**, (the Township) as of and for the years ended December 31, 2008 and 2007. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP requires presenting entity wide statements and also presenting the Township's larger (i.e. major) funds separately. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the second following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Township has elected not to follow GAAP statement formatting requirements. The Following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2008 and 2007 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2008 and 2007 or their changes in financial position for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserve for encumbrances for White Eyes Township, Coshocton County, as of December 31, 2008 and 2007, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

The aforementioned revision to generally accepted accounting principles also requires the Township to include Management's Discussion and Analysis for the years ended December 31, 2008 and 2007. The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2009 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Respectfully Submitted,

COSHOCTON COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2008 AND 2007**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

White Eyes Township, Coshocton County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees and a publicly-elected Fiscal Officer. The Township provides general governmental services, including road and bridge maintenance and cemetery maintenance.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

**B. Basis of Accounting**

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**C. Cash and Investments**

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

The Township Fiscal Officer invests all available funds of the Township in an interest-bearing checking account, certificates of deposit, and US Treasury savings bonds. Certificates of deposits are valued at cost. U.S. Treasury Bonds are carried at face value when donated.

**D. Fund Accounting**

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

**1. General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**2. Special Revenue Funds**

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Township has the following significant Special Revenue Funds:

**2. Special Revenue Funds (Continued)**

Gasoline Tax Fund – This fund receives gasoline tax receipts for constructing, maintaining, and repairing Township roads and bridges.

Motor Vehicle License Fund – This fund receives motor vehicle tax receipts for constructing, maintaining, and repairing Township roads and bridges.

Fire District – Special Levy Fund – This fund receives real estate tax for the cost associated with the fire protection contracts with the Village of West Lafayette and Tuscarawas Township.

**3. Debt Service Fund**

This fund is used to accumulate resources to pay principal and interest on long-term debt.

**4. Permanent Fund (Trust Fund)**

These funds account for assets held under a trust agreement that are legally restricted to the extent that only earnings, not principal, are available to support the Township's programs. The Township had the following significant Permanent Fund:

Cemetery Bequest Fund – This fund receives interest earned on the nonexpendable corpus from a trust agreement. The earnings are used for the general maintenance and upkeep of the Township's cemetery.

**E. Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**1. Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, and object level of control and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year-end.

**2. Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**E. Budgetary Process (Continued)**

**3. Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated in the subsequent year.

A summary of 2008 and 2007 budgetary activity appears in Note 3.

**F. Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

**2. EQUITY IN POOLED CASH AND INVESTMENTS**

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	<b>2008</b>	<b>2007</b>
Demand deposits	\$ 156,043	\$ 138,797
Certificates of Deposit	15,732	15,732
Total deposits	171,775	154,529
Treasury bonds	700	700
Total investments	700	700
Total deposits and investments	\$ 172,475	\$ 155,229

**Deposits** are either (1) insured by the Federal Deposit Insurance Corporation or (2) collateralized by securities specifically pledged by the financial institution to the Township, or (3) collateralized by the financial institution's public entity deposit pool.

**Investments:** U.S. Treasury Bonds are held in custody by the Township.

**4. PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**5. RETIREMENT SYSTEMS**

The Township's elected officials and employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multi-employer plan. This plan provides retirement benefits, including post retirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2008 and 2007, members of PERS contributed 10% (2008) and 9.5% (2007) of their gross salaries. The Township contributed an amount equal to 14% (2008) and 13.85% (2007) of participants' gross salaries. The Township has paid all contributions required through December 31, 2008.

**6. RISK MANAGEMENT**

**Risk Pool Membership**

The Township belongs to the Ohio Government Risk Management Plan (the "Plan"), a nonassessable, unincorporated non-profit association providing a formalized, jointly administered self insurance risk management program and other administrative services to over 550 Ohio governments ("Members").

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is a separate legal entity. The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages, modified for each Member's needs. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the Member's deductible.

The Plan issues its own policies and reinsures the Plan with A- VII or better rated carriers, except for the 15% casualty and the 10% property portions the Plan retains. The Plan retains the lesser of 15% or \$37,500 of casualty losses and the lesser of 10% or \$100,000 of property losses. Individual Members are only responsible for their self-retention (deductible) amounts, which vary from member to member.

**WHITE EYES TOWNSHIP  
COSHOCOTON COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2008 AND 2007  
(CONTINUED)**

**6. RISK MANAGEMENT (Continued)**

**Risk Pool Membership (Continued)**

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2007 and 2006 (the latest information available):

	2007	2006
Assets	\$ 11,136,455	\$ 9,620,148
Liabilities	(4,273,553)	(3,329,620)
Member's Equity	\$ 6,862,902	\$ 6,290,528

You can read the complete audited financial statements for The Ohio Government Risk Management Plan at the Plan's website, [www.ohioplan.org](http://www.ohioplan.org).

**7. DEBT**

Debt outstanding at December 31, 2008 was as follows:

	<b>Principal</b>	<b>Interest Rate</b>
Truck Loan	\$ 20,000	4.50%

During 2008, the Township purchased a dump truck and took out a note payable in the amount of \$20,000. The agreement was for two annual payments at an interest rate of 4.50%. The first payment is due June 1, 2009.

Amortization of the above debt, including interest, is scheduled as follows:

Year ending December 31:	Truck Loan
2009	\$ 10,900
2010	10,450
Total	\$ 21,350

**INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

February 26, 2009

White Eyes Township  
Coshocton County  
28520 Township Road 171  
Fresno, Ohio 43824

To the Board of Trustees:

We have audited the financial statements of **White Eyes Township, Coshocton County, Ohio** (the Township) as of and for the years ended December 31, 2008 and 2007, and have issued our report thereon dated February 26, 2009, wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinions on the financial statements, but not to opine on the effectiveness of the Township's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Township's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Township's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

White Eyes Township  
Coshocton County

Independent Accountants' Report on Internal Control Over  
Financial Reporting and on Compliance and Other Matters  
Required by *Government Auditing Standards*  
Page 2

### **Internal Control Over Financial Reporting (Continued)**

We consider the following deficiency described in the accompanying schedule of findings to be a significant deficiency in internal control over financial reporting: 2008-1.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Township's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiencies that are also material weaknesses. We believe the significant deficiency described above is not a material weakness.

We noted one internal control matter that we reported to the Township's management in a separate letter dated February 26, 2009.

### **Compliance and Other Matters**

As part of reasonably assuring whether the Township's basic financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We noted certain noncompliance or other matter(s) not requiring inclusion in this report that we reported to the Township's management in a separate letter dated February 26, 2009.

We intend this report solely for the information and use of the audit committee, management, and Township Trustees. We intend it for no one other than these specified parties.

Respectfully Submitted,

**Posting Receipts**

Receipts should be posted to the fund and line item accounts as established by Ohio Administrative Code Section 117-7-01.

During 2007 and 2008, several receipts s were not posted into accurate revenue classifications based on the source of the receipt. For example, homestead and rollback monies were posted as property tax revenue. In addition, the sale of a truck was posted as other financing sources. This resulted in several audit reclassifications.

We recommend the Fiscal Officer refer to Ohio Administrative Code Section 117-7-01 and/or the Ohio Township Handbook for guidance to determine the proper establishment of receipt accounts and posting of receipts.

**Management's Response** – We did not receive a response from officials to this finding.
