To the Village Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your Village to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

## INDEPENDENT ACCOUNTANTS' REPORT

Village of Marble Cliff  
Franklin County  
1600 Fernwood Avenue  
Columbus, Ohio 43212

To the Village Council:

We have audited the accompanying financial statements of Village of Marble Cliff, Franklin County, Ohio, (the Village) as of and for the years ended December 31, 2009 and 2008. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The Village processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to audit the Village because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Village has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Village's larger (i.e. major) funds separately. While the Village does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require Villages to reformat their statements. The Village has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

88 E. Broad St. / Tenth Floor / Columbus, OH 43215-3506  
Telephone: (614) 466-3402 (800) 443-9275 Fax: (614) 728-7199  
[www.auditor.state.oh.us](http://www.auditor.state.oh.us)

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2009 and 2008 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Village as of December 31, 2009 and 2008, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of Village of Marble Cliff, Franklin County, Ohio, as of December 31, 2009 and 2008, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Village has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 8, 2010, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2009 AND 2008**

**1. Summary of Significant Accounting Policies**

**A. Description of the Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Marble Cliff, Franklin County, Ohio, (the Village) as a body corporate and politic. A publicly-elected six-member Council directs the Village. The Village contracts with the City of Columbus to provide water, sewer and income tax collection services. The Village contracts with the City of Grandview Heights for police and fire protection services and the operation of the Village's Mayor Court at the City of Grandview Heights municipal building.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

**B. Accounting Basis**

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

**C. Deposits and Investments**

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Village values certificates of deposit at cost. Money market mutual funds (including STAR Ohio) are recorded at share values the mutual funds report.

**D. Fund Accounting**

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

**1. General Fund**

The General Fund reports all financial resources except those required to be accounted for in another fund.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2009 AND 2008  
(Continued)**

**1. Summary of Significant Accounting Policies (Continued)**

**D. Fund Accounting (Continued)**

**2. Special Revenue Funds (Continued)**

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Fund:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining, and repairing Village streets.

**3. Debt Service Funds**

This fund accounts for resources the Village accumulates to pay bond and note debt. The Village had the following significant Debt Service Fund:

Bond Retirement Fund - This fund is used to pay principle and interest payments for bonds issued by the Village for the purpose of purchasing park land.

**4. Capital Project Funds (established in 2009)**

This fund accounts for receipts restricted to acquiring or constructing major capital projects (except those financed through enterprise or trust funds). The Village had the following significant Capital Project Fund:

2009 Storm Water and Sanitary Sewer Improvements Fund – This fund received grant and loan proceeds for a project to construct and repair sewer pipes and drains.

**5. Fiduciary Funds**

Fiduciary Funds include private purpose trust funds and agency funds. Trust funds account for assets held under a trust agreement for individuals, private organizations, or other governments which are not available to support the Village's own programs.

The Village's private purpose trust fund is used for the purpose of a scholarship fund for the benefit of the children of parents who are residents of the Village.

Agency funds are purely custodial in nature and are used to hold resources for individuals, organizations, or other governments. The Village disburses these funds as directed by the individual, organization, or other government. The Village's agency fund accounts for the activities of the Mayor's Court.

**E. Budgetary Process**

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

**1. Summary of Significant Accounting Policies (Continued)**

**E. Budgetary Process (Continued)**

**1. Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

**2. Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

**3. Encumbrances**

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2009 and 2008 budgetary activity appears in Note 3.

**F. Property, Plant, and Equipment**

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**2. Deposits and Investments**

The Village maintains a deposit and investments pool all funds use, except the Private Purpose Trust Fund. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2009	2008
Demand deposits	\$1,240,401	\$1,276,226
Certificates of deposit	392,220	390,372
Total deposits	1,632,621	1,666,598

Trust	13,500	13,500	0
Total	\$1,382,300	\$1,371,839	\$10,461

**4. Property Tax**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30. Tangible personal property tax is being phased out – the assessment percentage for all property including inventory will be reduced to zero for 2009.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

**5. Local Income Tax**

The Village levies a municipal income tax of 2 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

**6. Debt**

Debt outstanding at December 31, 2009 was as follows:

	Principal	Interest Rate
General Obligation Bonds	\$1,100,000	4.7 - 5.7%
Ohio Public Works	48,875	0%
Total	\$1,148,875

2014	139,500
2015-2019	613,800
2020	105,700
Total	\$1,471,500

The Bond proceeds of \$2,003,774 received in 2000 were used to purchase land for use as a park. The general obligation bonds for acquisition and improvement were issued on December 15, 2000, and mature on December 1, 2020. The bonds are collateralized by the Village's taxing authority. Debt principle outstanding at December 31, 2009 was \$1,100,000.

The Loan proceeds of \$48,875 received in 2009 from The Ohio Public Works Commission (OPWC) were used for storm water and sanitary sewer improvements, including the following: installation of storm water, storm manholes, and headwalls; construction or reconstruction of catch basin; installation of sanitary sewer and laterals; rehabilitation of sanitary manholes; pavement restoration; and seeding and mulching at a number of locations in the western half of the Village. The construction is planned for completion by December 31, 2009 and the final completion of the entire project is in the early months of fiscal year 2010. The loan proceeds have been authorized up to \$107,000. The Village has not repaid any of the \$48,875 to OPWC, due to the fact that the entire project has not being fully completed as of December 31, 2009. An amortization schedule will be computed upon project completion.

**7. Retirement Systems**

The Village's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS are cost-sharing, multiple-employer plans. The Ohio Revised Code prescribes these plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2009 and 2008, OPERS members contributed 10% of their gross salaries and the Village contributed an amount equaling 14 of participants' gross salaries. The Village has paid all contributions required through December 31, 2009.

**8. Risk Pool Membership**

The Village belongs to Ohio Government Risk Management Plan (the Plan), on unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to approximately 460 Ohio governments (Members).

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is a separate legal entity. The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages, modified for each Member's needs. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the Member's deductible.

The Plan issues its own policies and reinsures the Plan with A- VII or better rated carriers, except for the Plan retains the lesser of 15% or \$37,500 of casualty losses and the lesser of 10% or \$100,000 of property losses. Individual Members are only responsible for their self-retention (deductible) amounts, which vary from member to member.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31:

	2008*	2007*
Assets	\$10,471,114	\$11,136,455
Liabilities	(\$5,286,781)	(\$4,273,553)
Member's Equity	\$5,184,333	\$6,862,902

You can read the complete audited financial statements for The Ohio Government Risk Management Plan at the Plan's website, [www.ohioplan.org](http://www.ohioplan.org).

**9. Workers' Compensation**

The Village participated in the Ohio Municipal League Equity Pooling Workers' Compensation Group Rating Plan (Plan), an insurance purchasing pool. The intent of the Plan is to achieve the benefit of a reduced premium for the Village by virtue of its grouping and representation with other participants in the Plan. The workers' compensation experience of the participants is calculated as one experience and a common premium rate is applied to all participants in the Plan. Each participant pays its workers' compensation premium to the State based on the rate for the Plan rather than its individual rate.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Village of Marble Cliff  
Franklin County  
1600 Fernwood Avenue  
Columbus, Ohio 43212

To the Village Council:

We have audited the financial statements of the Village of Marble Cliff, Franklin County, Ohio (the Village) as of and for the years ended December 31, 2009 and 2008, and have issued our report thereon dated July 8, 2010, wherein we noted the Village followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted the Village uses the Auditor of State's Uniform Accounting Network (UAN) to process its financial transactions. *Government Auditing Standards* considers this service to impair the Auditor of State's independence to audit the Village. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

### Internal Control over Financial Reporting

In planning and performing our audit, we considered the Village's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Village's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Village's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weakness. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

### **Compliance and Other Matters**

As part of reasonably assuring whether the Village's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Village's management in a separate letter dated July 8, 2010.

We intend this report solely for the information and use of the management, finance committee, and Village Council. We intend it for no one other than these specified parties.
