

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Regional Planning Commission Warren County 406 Justice Drive Lebanon, Ohio 45036

We have performed the procedures enumerated below, with which the Board of Commissioners and the management of Warren County Regional Planning Commission, Warren County, Ohio (the Commission), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' Government Auditing Standards. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

- 1. As permitted by the Ohio Revised Code, the Warren County Treasurer is custodian for the Commissions deposits. The County's deposit and investment pool holds the Commissions assets. We therefore confirmed the Commissions bank account balance with the Warren County Treasurer. The amounts agreed.
- 2. We agreed the January 1, 2009 beginning fund balance recorded in the Annual Financial Statement to the December 31, 2008 balance in the prior year audited statements. We found no exceptions.

Fees Charged To Subdivisions

- 1. We haphazardly selected two receipts of the fee charged to a participating subdivision from the year ended December 31, 2010 and two receipts of the fee charged to a participating subdivision from the year ended 2009 recorded in the duplicate cash receipts book and determined whether the:
 - a. Receipt amount agreed to the amount recorded in the detailed revenue ledger. The amounts agreed.
 - b. Amount charged complied with rates in force during the period. We found no exceptions.
 - c. Receipt was posted to the proper fund and was recorded in the proper year. We found no exceptions.

We obtained a list of the participating political subdivisions for 2010 and 2009. We scanned the duplicate receipts to determine whether it included the proper number of receipts for Fees Charged to Subdivisions for 2010 and 2009. We noted that there were 28 participating political subdivisions for 2010 and 24 such receipts posted. For 2009 we noted that there were 28 participating political subdivisions and 24 such receipts posted. Payment by members is voluntary and the Commission accounted for the four members that did not pay.

Over-The-Counter Cash Receipts

We haphazardly selected 10 over-the-counter cash receipts from the year ended December 31, 2010 and 10 over-the-counter cash receipts from the year ended 2009 recorded in the duplicate cash receipts book and determined whether the:

- a. Receipt amount agreed to the amount recorded in the detailed revenue ledger. The amounts agreed.
- b. Amount charged complied with rates in force during the period. We found no exceptions.
- c. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Payroll Cash Disbursements

- 1. We haphazardly selected one payroll check for all four employees from 2010 and one payroll check for all three employees from 2009 from the bi-weekly payroll ledger and determined whether the following information in the employees' personnel files and minute record was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department and fund to which the check should be charged.
 - d. Retirement system participation and payroll withholding.
 - e. Federal, State & Local income tax withholding authorization and withholding.
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. -f. above.

- 2. We tested the checks we selected in step 1, as follows:
 - a. We compared the hours and pay rate, or salary amount used in computing gross pay to supporting documentation (timecard or legislatively-approved rate or salary). We found no exceptions.
 - b. We determined whether the fund and account code to which the check was posted was reasonable based on the employees' duties as documented in the employees' personnel files. We also determined whether the payment was posted to the proper year. We found no exceptions.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2010 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2010. We noted the following:

 - b. The employee's pay rate in effect as of the termination date.
 - c. The Commission's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

- 1. We haphazardly selected ten disbursements from the detailed expenditure ledger for the year ended December 31, 2010 and ten from the year ended 2009 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the detailed expenditure report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the detailed expenditure ledger for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding. Competitive bidding is required for procurements exceeding \$25,000, except where otherwise provided by law [Sections 713.23(D) and 307.86].
