## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Zane Township  
Logan County  
PO Box J  
Middleburg, Ohio 43336

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Zane Township (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). Government Auditing Standards considers this service to impair the independence of the Auditor of State to provide attest services to the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, Government Auditing Standards permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2010 and December 31, 2009 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2009 beginning fund balances recorded in the Fund Status Report to the December 31, 2008 balances in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2010 and 2009 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2010 bank account balances with the Township's financial institution. The bank confirmed the primary bank account without exception. However, the bank reported different amounts for the investments than did the township. We also agreed the confirmed balances to the amounts appearing in the December 31, 2010 bank reconciliation. We noted that the investment amounts at the bank do not agree with the amount recorded in investments on the 12/31/10 bank reconciliation. The bank confirmed the following amounts for the three CD's (\$59,534.66, \$119,069.00, and \$16,455.27), whereas the township recorded the following amounts for the respective CD's (\$58,431.05, \$116,862.05, and \$16,503.58). The differences were posted in 2011.

### **Cash and Investments (Continued)**

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2010 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates written to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.
6. We selected the one reconciling credit (such as deposits in transit) from the December 31, 2010 bank reconciliation:
  - a. We traced the credit to the subsequent January bank statement. We found no exceptions.
  - b. We agreed the credit amounts to the Receipts Register. The credit was recorded as a December receipt for the same amount recorded in the reconciliation.
7. We tested investments held at December 31, 2010 and December 31, 2009 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2010 and one from 2009:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. Pursuant to Ohio Revised Code Section 5705.09(F) the township is required to establish a special fund for each class of revenues derived from a source other than the general property tax, which the law requires to be used for a particular purpose. Revenue from The First Half Real Estate Settlement Statement Semiannual Apportionment Taxes should be posted to the Cemetery Fund. We noted that for the FY 2010 First Half Real Estate Settlement Statement Semiannual Apportionment of Taxes, \$16,622.44 was posted to the Fire and EMS fund. This amount should have been posted to the Cemetery Fund. The adjustment has been posted to the township records.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2010 and 2009:
  - a. Two personal property tax receipts
  - b. Two real estate tax receipts

We noted the Receipts Register Report included the proper number of tax settlement receipts for each year.

3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2010 and five from 2009. We also selected five receipts from the County Auditor's Vendor Expense Report from 2010 and five from 2009.

**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts (Continued)**

- a. We compared the amount from the DTL and the County Auditor Vendor Expense Report to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper fund(s). Pursuant to Ohio Revised Code Section 5705.09(F) the township is required to establish a special fund for each class of revenues derived from a source other than the general property tax, which the law requires to be used for a particular purpose. We noted that Receipt 62-2009 was not posted to the proper fund. The full amount of TPP Replacement money was posted to the General Fund. However, per the Ohio Department of Taxation's "2009 Tangible Personal Property Tax Reimbursement County-Jurisdiction-Levy" spreadsheet it should have been distributed as follows: General Fund 1000 (\$1,931.11), Cemetery Fund 2041 (\$965.55), and Fire/EMS Fund 2192 (\$3,620.83). The adjustment has been posted to the township records.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.
4. We confirmed the amounts paid from the Logan County Engineer to the Township during 2010 with the County Engineer for the OPWC Credit and Sales Tax Credit. We found no exceptions.
    - a. We determined whether these receipts were allocated to the proper fund. We found no exceptions.
    - b. We determined whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. The prior audit report disclosed no debt outstanding as of December 31, 2008.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2010 or 2009 or debt payment activity during 2010 or 2009. We noted no new debt issuances, nor any debt payment activity during 2010 or 2009.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2010 and one payroll check for five employees from 2009 from the Payroll Register Detail Report and:
  - a. We compared the hours and pay rate, or salary amount used in computing gross pay to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We determined whether the fund and account code(s) to which the check was posted were reasonable based on the employees' duties as documented in the personnel files, minute record, or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2010 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2010. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	January 31, 2011	December 31, 2010	\$656.92	\$656.92
State income taxes	January 31, 2011	January 27, 2011	444.18	444.18
Local income tax	January 31, 2011	January 27, 2011	38.58	38.58
OPERS retirement	January 31, 2011	January 27, 2011	1,652.86	1,652.86

### **Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2010 and ten from the year ended 2009 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. We compared the total amounts from the Amended Official Certificate of Estimated Resources, if there was an amendment, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gas Tax, and Cemetery funds for the years ended December 31, 2010 and 2009. The amounts agreed.
2. We scanned the appropriation measures adopted for 2010 and 2009 to determine whether, for the General, Gas Tax, and Cemetery funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2010 and 2009 for the following funds: General, Gas Tax, and Cemetery funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Section 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gas Tax, and Cemetery funds for the years ended December 31, 2010 and 2009. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2010 and 2009 for the General, Gas Tax, and Cemetery funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2010 and 2009. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2010 and 2009 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.

**Compliance – Budgetary (Continued)**

8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

**Compliance – Contracts & Expenditures**

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding under the following statutes:
  - a. Materials, machinery and tools used in constructing, maintaining and repairing roads and culverts, where costs exceeded \$25,000 (Ohio Rev. Code Section 5549.21)
  - b. Construction and erection of a memorial building or monument costs exceeding \$25,000 (Ohio Rev. Code Section 511.12)
  - c. Equipment for fire protection and communication costs exceeding \$50,000 (Ohio Rev. Code Sections 505.37 to 505.42)
  - d. Street lighting systems or improvement costs exceeding \$25,000 (Ohio Rev. Code Section 515.07)
  - e. Building modification costs exceeding \$25,000 to achieve energy savings (Ohio Rev. Code Section 505.264)
  - f. Private sewage collection tile costs exceeding \$25,000 (Ohio Rev. Code Sections 521.02 to 521.05)
  - g. Fire apparatus, mechanical resuscitators, other fire equipment, appliances, materials, fire hydrants, buildings, or fire-alarm communications equipment or service costs exceeding \$50,000 (Ohio Rev. Code Section 505.37(A))
  - h. Maintenance and repair of roads exceeding \$45,000 (Ohio Rev. Code Section 5575.01)
  - i. Construction or reconstruction of a township road exceeding \$15,000/per mile (Ohio Rev. Code Section 5575.01)

We identified no purchases subject to the aforementioned bidding requirements.

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2010 and 2009 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We did not receive a response from Officials to the exceptions reported above.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
