Dave Yost • Auditor of State

Pease Township Park District
Belmont County
55115 Green Bank Avenue
Bridgeport, Ohio 43912

To the Board of Park Commissioners:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits

A handwritten signature in black ink that reads "Dave Yost".

INDEPENDENT ACCOUNTANTS' REPORT

Pease Township Park District
Belmont County
55115 Green Bank Avenue
Bridgeport, Ohio 43912

To the Board of Park Commissioners:

We have audited the accompanying financial statements of the Pease Township Park District, Belmont County, Ohio (the District), as of and for the years ended December 31, 2011 and 2010. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the District has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

While the District does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require park districts to reformat their statements. The District has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2011 and 2010 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the District as of December 31, 2011 and 2010, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the cash balance as of December 31, 2011 and 2010 of the Pease Township Park District, Belmont County, Ohio, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

As described in Note 1D, during 2011 the District adopted Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 24, 2012, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

A handwritten signature in black ink that reads "Dave Yost". The signature is written in a cursive style with a large, looping "D" and "Y".

BELMONT COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

1. Summary of Significant Accounting Policies

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Pease Township Park District, Belmont County (the District), as a body corporate and politic. The probate judge of Belmont County appoints a three-member Board of Commissioners to govern the District. The Commissioners are authorized to protect, maintain, and improve park lands and facilities within the boundaries of Pease Township, excluding corporations of Martins Ferry, Bridgeport, and Brookside, and promote the use of these assets conducive to the general welfare.

The District's management believes these financial statements present all activities for which the District is financially accountable.

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The District recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Budgetary Process

The Ohio Revised Code requires the District Board of Commissioners to budget annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function or object level of control and appropriations may not exceed estimated resources. The District Board must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the District to reserve (encumber) appropriations when individual commitments are made. The District did not use the encumbrance method of accounting.

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010
(Continued)**

1. Summary of Significant Accounting Policies (Continued)

C. Budgetary Process (Continued)

A summary of 2011 and 2010 budgetary activity appears in Note 3.

D. Cash Balance

For December 31, 2011, cash balance is divided into five classifications based primarily on the extent to which the District must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Nonspendable

The District classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

2. Restricted

Cash balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

3. Committed

Commissioners can *commit* amounts via formal action (resolution). The District must adhere to these commitments unless the Commissioners amend the resolution. Committed cash balance also incorporates contractual obligations to the extent that existing resources have been specifically committed to satisfy contractual requirements.

4. Assigned

Assigned cash balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all cash balances as *assigned* unless they are restricted or committed. *Assigned* amounts represent intended uses established by District Commissioners or a District official delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned cash balance is the residual classification and includes amounts not included in the other classifications.

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010
(Continued)**

1. Summary of Significant Accounting Policies (Continued)

D. Cash Balance (Continued)

The District applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted cash balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted cash balance classifications could be used.

E. Property, Plant, and Equipment

The District records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

2. Deposits

The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2011	2010
Demand deposits	\$58,015	\$51,964

Deposits: Deposits are insured by the Federal Deposit Insurance Corporation.

3. Budgetary Activity

Budgetary activity for the years ending December 31, 2011 and 2010, follows:

2011 Budgeted vs. Actual Receipts			
	Budgeted	Actual	Variance
	Receipts	Receipts	
	\$15,750	\$17,729	\$1,979

2011 Budgeted vs. Actual Budgetary Basis Expenditures			
	Appropriation	Budgetary	Variance
	Authority	Expenditures	
	\$37,450	\$11,678	\$25,772

2010 Budgeted vs. Actual Receipts			
	Budgeted	Actual	Variance
	Receipts	Receipts	
	\$18,973	\$23,710	\$4,737

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010
(Continued)**

3. Budgetary Activity (Continued)

2010 Budgeted vs. Actual Budgetary Basis Expenditures			
	Appropriation Authority	Budgetary Expenditures	Variance
	\$38,500	\$16,719	\$21,781

4. Risk Management

Commercial Insurance

The District has obtained commercial insurance for the following risks:

- Comprehensive property and general liability; and
- Errors and omissions.

Dave Yost • Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Pease Township Park District
Belmont County
55115 Green Bank Avenue
Bridgeport, Ohio 43912

To the Board of Park Commissioners:

We have audited the financial statements of the Pease Township Park District, Belmont County, Ohio (the District), as of and for the years ended December 31, 2011 and 2010, and have issued our report thereon dated August 24, 2012, wherein we noted the District followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America and wherein we also noted, for December 31, 2011, the District has adopted Governmental Accounting Standards Board Statement No. 54. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the District's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the District's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. Therefore, we cannot assure that we have identified all deficiencies, significant deficiencies or material weaknesses. However, as described in the accompanying Schedule of Findings we identified certain deficiencies in internal control over financial reporting, that we consider material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and timely corrected. We consider findings 2011-02 and 2011-03 described in the accompanying Schedule of Findings to be material weaknesses.

Compliance and Other Matters

As part of reasonably assuring whether the District's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed an instance of noncompliance or other matter we must report under *Government Auditing Standards* which is described in the accompanying Schedule of Findings as item 2011-01.

We also noted certain matters not requiring inclusion in this report that we reported to the District's management in a separate letter dated August 24, 2012.

We intend this report solely for the information and use of management, Board of Park Commissioners, and others within the District. We intend it for no one other than these specified parties.

Dave Yost
Auditor of State

August 24, 2012

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**SCHEDULE OF FINDINGS
DECEMBER 31, 2011 AND 2010**

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

FINDING NUMBER 2011-01

Noncompliance Citation

Ohio Rev. Code Section 5705.41(D)(1) prohibits a subdivision or taxing authority from making any contract or ordering any expenditure of money unless a certificate signed by the fiscal officer is attached thereto. The fiscal officer must certify that the amount required to meet any such contract or expenditure has been lawfully appropriated and is in the treasury, or is in the process of collection to the credit of an appropriate fund free from any previous encumbrance. Further, contracts and orders for expenditures lacking prior certification shall be null and void.

There are several exceptions to the standard requirement stated above that a fiscal officer's certificate must be obtained prior to a subdivision or taxing authority entering into a contract or order involving the expenditure of money. The main exceptions are: "then and now" certificates, blanket certificates and super blanket certificates, which are provided for in Sections 5705.41(D)(1) and 5705.41(D)(3), respectively, of the Ohio Revised Code.

1. Then and Now Certificate - If the fiscal officer can certify that both at the time the contract or order was made ("then"), and at the time that the fiscal officer is completing the certification ("now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the taxing authority can authorize the drawing of a warrant for the payment of the amount due. The taxing authority has thirty days from the receipt of the "then and now" certificate to approve payment by ordinance or resolution.

Amounts of less than \$3,000 may be paid by the fiscal officer without a resolution or ordinance of the taxing authority upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of expenditures by the taxing authority.

2. Blanket Certificate – Fiscal officers may prepare "blanket" certificates for a certain sum of money not in excess of an amount established by resolution or ordinance adopted by a majority of the members of the legislative authority against any specific line item account over a period not running beyond the end of the current fiscal year. The blanket certificates may, but need not, be limited to a specific vendor. Only one blanket certificate may be outstanding at one particular time for any one particular line item appropriation.
3. Super Blanket Certificate – The taxing authority may also make expenditures and contracts for any amount from a specific line-item appropriation account in a specified fund upon certification of the fiscal officer for most professional services, fuel, oil, food items, and any other specific recurring and reasonably predictable operating expense. This certification is not to extend beyond the current year. More than one super blanket certificate may be outstanding at a particular time for any line-item appropriation.

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**SCHEDULE OF FINDINGS
DECEMBER 31, 2011 AND 2010
(Continued)**

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS (Continued)**

FINDING NUMBER 2011-01 (Continued)

Noncompliance Citation – Ohio Rev. Code Section 5705.41(D)(1) (Continued)

The District did not use the encumbrance method of accounting.

Failure to properly certify the availability of funds can result in overspending and negative fund balances.

Unless the exceptions noted above are used, prior certification is not only required by statute, but is a key control in the disbursement process to assure that purchase commitments receive prior approval. To improve controls over disbursements and to help reduce the possibility of the District exceeding budgetary spending limitations, we recommend the District Treasurer certify that funds are or will be available prior to obligations being incurred by the District. When prior certification is not possible, “then and now” certification should be used.

We recommend the District certify purchases to which Ohio Rev. Code Section 5705.41(D) applies. The most convenient certification method is to use purchase orders that include the certification language 5705.41(D) requires to authorize disbursements. The District Treasurer should sign the certification prior to the District incurring a commitment, and only when the requirements of 5705.41(D) are satisfied. The District Treasurer should post approved purchase orders to the proper appropriation code to reduce the available appropriation.

FINDING NUMBER 2011-02

Material Weakness - Fiscal Responsibility/Record-Keeping

All local public offices may maintain accounting records in a manual or computerized format. The records used should be based on the nature of operations and services the public office provides, and should consider the degree of automation and other factors. Such records should include the following:

1. Cash journal, which typically contains the following information: the amount, date, receipt number, check number, account code, purchase order number, and any other information necessary to properly classify the transaction.
2. Receipts ledger, which typically assembles and classifies receipts into separate accounts for each type of receipt of each fund the public office uses. The amount, date, name of the payor, purpose, receipt number, and other information required for the transactions to be recorded on this ledger.
3. Appropriation ledger, which may assemble and classify disbursements or expenditure/expenses into separate accounts for, at a minimum, each account listed in the appropriation resolution. The amount, fund, date, check number, purchase order number, encumbrance amount, unencumbered balance, amount of disbursement, uncommitted balance of appropriations and any other information required may be entered in the appropriate columns.

**PEASE TOWNSHIP PARK DISTRICT
BELMONT COUNTY**

**SCHEDULE OF FINDINGS
DECEMBER 31, 2011 AND 2010
(Continued)**

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS (Continued)
--

FINDING NUMBER 2011-02 (Continued)

Material Weakness - Fiscal Responsibility/Record-Keeping (Continued)

The District did not maintain a receipt ledger, appropriation ledger, or check register. Only a general ledger was prepared for both 2011 and 2010 which comprised all deposits, withdrawals, and accumulated balance.

By maintaining only a general ledger, the District could potentially misclassify receipts and expenditures on the financial statements resulting in proposed audit adjustments.

We recommend the Treasurer maintain a cash journal, receipt ledger, appropriation ledger, and check register in accordance with the available authoritative resources and maintain the ledgers at the fund, function, object level of reporting. The receipt ledger and the appropriation ledger should be balanced with the cash journal on a monthly basis and used to prepare the year-end annual financial reports.

FINDING NUMBER 2011-03

Material Weakness - Budgetary Integration into Accounting System

The District should have internal controls in place to reasonably assure that budgetary accounts are integrated into the financial accounting system. This means designing an accounting system to provide ongoing and timely information on unrealized budgetary receipts and remaining uncommitted balances of appropriations.

The Treasurer did not maintain a receipt or appropriation ledger. Therefore, budgeted receipts, and any amendments made to them, were not posted to a receipt ledger. Also, the Treasurer did not post appropriations to an appropriation ledger.

By not maintaining a receipt and appropriation ledger, the Board does not have an effective system to monitor budget versus actual receipts and disbursements. Adjustments were made to the budgetary activity reported in Note 3 to the financial statements in order to accurately present budgeted receipts as certified by the County Auditor and appropriations as approved by the Board.

We recommend the Treasurer maintain a receipt and appropriation ledger and record all estimated receipts per the Official Certificate of Estimated Resources and appropriations approved by the Board. The Treasurer should periodically present budget vs. actual information to the Board. These procedures will help ensure more useful comparisons of budget versus actual activity, as well as provide management with accurate monitoring tools throughout the year.

Officials' Response: The Officials chose not to respond to the findings above.
