### **INDEPENDENT AUDITOR'S REPORT**

We have audited the accompanying financial statements of the Focus Learning Academy of Southwestern Columbus, Franklin County, Ohio (the "School"), as of and for the year ended June 30, 2012, which collectively comprise the School's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the School, as of June 30, 2012, and the respective changes in financial position and cash flows, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 5, 2012, on our consideration of the School's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Independent Auditor's Report

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages 3 through 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR FISCAL YEAR ENDED JUNE 30, 2012  
UNAUDITED**

The discussion and analysis of Focus Learning Academy of Southwestern Columbus (the School) financial performance provides an overall review of the financial activities for the fiscal year ended June 30, 2012. The intent of this discussion and analysis is to look at the School's financial performance as a whole; readers should also review the basic financial statements and the notes to the basic financial statements to enhance their understanding of the School's financial performance.

The Management's Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments issued June 1999. Certain comparative information between the current year and the prior year is required to be presented in the MD&A.

### **Financial Highlights**

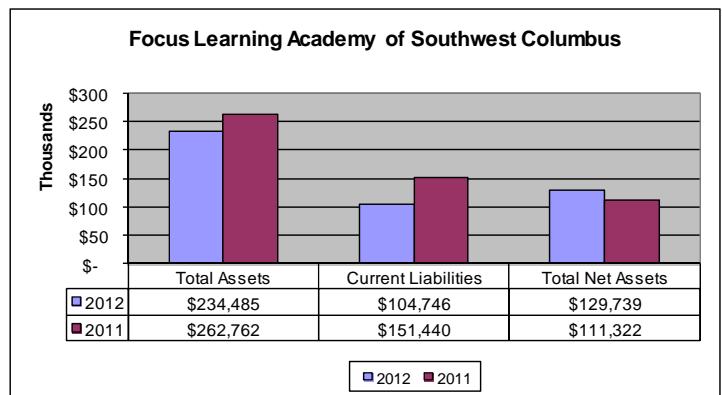

Key financial highlights for fiscal year 2012 are as follows:

- Total net assets increased \$18,417 in fiscal year 2012.
- State aid decreased from \$2,107,468 in fiscal year 2011 to \$2,007,789 in fiscal year 2012 due to a decrease in enrollment.
- Grant revenue decreased from \$870,056 in fiscal year 2011 to \$401,045 in fiscal year 2012.
- Similarly, total expenses increased from \$2,937,046 in fiscal year 2011 to \$2,390,508 in fiscal year 2012.
- Current liabilities decreased \$46,694 with current assets decreasing \$28,277 in fiscal year 2012.
- The School has no long term debt outstanding as of June 30, 2012.

### **Using this Financial Report**

This report consists of three parts, the MD&A, the basic financial statements, and notes to those statements. The basic financial statements include a Statement of Net Assets, a Statement of Revenues, Expenses and Changes in Net Assets, and a Statement of Cash Flows.

The Statement of Net Assets and Statement of Revenues, Expenses and Changes in Net Assets reflect how the School did financially during fiscal year 2012. These statements include all assets and liabilities using the accrual basis of accounting similar to the accounting used by most private-sector companies. This basis of accounting includes all of the current year revenues and expenses regardless of when cash is received or paid.

These statements report the School's net assets and changes in those assets. This change in net assets is important because it tells the reader whether the financial position of the School has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Non-financial factors include the School's student enrollment, per-pupil funding as determined by the State of Ohio, change in technology, required educational programs and other factors.

The School uses enterprise presentation for all of its activities.

Cash and other current assets decreased 10.8 percent (from \$262,762 in 2011 to \$234,485 in 2012). This is due to decreased intergovernmental receivables as of June 30, 2012.

Current Liabilities decreased 30.8 percent (from \$151,440 in 2011 to \$104,746 in 2012). This is a result of payments owed and paid to Eschool Consultants, LLC related to the management agreement for state and federal grants receivable and payments due to the State for intergovernmental payables.

Total net assets increased 16.5 percent (from \$111,322 in 2011 to \$129,739 in 2012). This increase is due to keeping costs reduced relative to revenue.

The revenue generated by a community school is almost entirely dependent on per-pupil allotment given by the State foundation and from federal entitlement programs. Foundation payments made up 83% of revenues for the School in fiscal year 2012. Grant revenue decreased from \$870,056 in fiscal year 2011 to \$401,045 due primarily to the discontinuation of federal stimulus dollars. Full-time equivalent enrollment decreased from 336 students to 289 students for fiscal years 2011 and 2012.

***Budgeting Highlights***

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Rev. Code Chapter 5705, unless specifically provided in the community school's contract with its Sponsor. The contract between the School and its Sponsor does prescribe a budgetary process. The School has developed a one year spending plan and a five-year projection that is reviewed periodically by the Board of Directors.

**Capital Assets**

At the end of fiscal year 2012, the School had no capital assets. Per the management agreement, all capital assets are owned by Eschool Consultants, LLC.

**Debt**

At June 30, 2012, the School had no long term debt.

**Current Financial Related Activities**

The School is in its fourth year with Eschool Consultants, LLC as its management company. Future fees to be paid to Eschool Consultants will be at 93% of state aid. The School's sponsor, Buckeye Community Hope Foundation, receives a fee of 3% of state aid. This will allow the Board to retain 4% of state aid to meet its obligations. The financial outlook over the next several years shows continued growth in enrollment. But, future revenue increases are cautious due to Ohio's weak economic recovery.

**FOCUS LEARNING ACADEMY OF SOUTHWESTERN COLUMBUS  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2012**

**1. DESCRIPTION OF THE SCHOOL AND REPORTING ENTITY**

Focus Learning Academy of Southwestern Columbus (formerly Life Skills Center of Southwestern Columbus) (the School) is a state nonprofit corporation established pursuant to Ohio Rev. Code Chapters 3314 and 1702 to maintain and provide a school exclusively for any educational, literary, scientific and related teaching service. The School, which is part of the State's education program, is independent of any school district. The School may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the School.

The School contracts with Eschool Consultants, LLC (ESCHOOL) for most functions. See Note 5.

The School was approved for operation under contract with the Ohio State Board of Education (the Sponsor) for a period of five years from May 16, 2000 through June 30, 2005. In April 2005, Buckeye Community Hope Foundation became the sponsor. The School operates under a self-appointing seven-member Board of Directors (the Board). The School's Code of Regulations specify that vacancies that arise on the Board will be filled by the appointment of a successor director by a majority vote of the then existing directors. The Board is responsible for carrying out the provisions of the contract with the Sponsor which includes, but is not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. The School has one instructional/support facility, which is leased by ESCHOOL. The facility is staffed with teaching personnel employed by ESCHOOL, who provide services to 289 students. Members of the Board are also members of the Board of the Focus Learning Academy of Southeastern Columbus.

The Ellendale Group, a state nonprofit organization established pursuant to Ohio Rev. Code Chapter 1702, was originally formed in September 2001 to provide a fostering structure for the provision, development and management of one or more community schools in Franklin County, Ohio, and for any and all lawful purposes for which a corporation may be formed under Chapter 1702 of the Revised Code. The Ellendale Group intended to govern approved contracts for community schools with the following names: the Life Skills Center of Columbus, the Life Skills Center of Southwestern Ohio and the Life Skills Center of Montgomery County (name to be changed once location of school was determined).

Pursuant to the instruction and requirement of the Ohio Department of Education with respect to the three (3) Life Skills Centers in the Columbus area, and the assignments of each community school contract, a separate nonprofit entity had to be formed to govern each School. As a result, the Ellendale Group amended its articles of incorporation in June 2002 in order to change the name of the nonprofit to the Life Skills Center of Southwestern Columbus. This entity was assigned the community school contract which was originally under the name of the Life Skills Center of Columbus. A nonprofit was formed May 2002 in the name of the Life Skills Center of Southwestern Columbus. This entity was assigned the community school contract which was originally under the name of the Life Skills Center of Montgomery County. Also formed in May 2002 was the nonprofit entity the Life Skills Center of Southwestern Columbus. This entity was assigned the community school contract which was originally under the name of the Life Skills Center of Southwestern Ohio.

On June 22, 2006, the Board changed the name to Focus Learning Academy of Southwestern Columbus from Life Skills Center of Southwestern Columbus as a result of the change in management company which owns the "Life Skills" trade name.

**FOCUS LEARNING ACADEMY OF SOUTHWESTERN COLUMBUS  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2012  
(Continued)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the School have been prepared in conformity with generally accepted accounting principles as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The School also applies Financial Accounting Standards Board statements and interpretations issued on or before November 30, 1989, provided they do not conflict with GASB pronouncements. The School does not apply FASB statements or interpretations issued after November 30, 1989. The more significant of the School's accounting policies are described below.

**A. BASIS OF PRESENTATION**

The School's basic financial statements consist of a Statement of Net Assets, a Statement of Revenues, Expenses, and Changes in Net Assets, and a Statement of Cash Flows.

The School uses enterprise accounting to report on its financial activities. Enterprise accounting focuses on the determination of operating income, changes in net assets, financial position, and cash flows. Enterprise accounting may be used to account for any activity for which a fee is charged to external users for goods or services.

**B. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING**

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the Statement of Net Assets. The Statement of Revenues, Expenses, and Changes in Net Assets presents increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. The Statement of Cash Flows reflects how the School finances and meets its cash flow needs.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for reporting purposes. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenues resulting from non-exchange transactions, in which the School received value without directly giving equal value in return, such as grants, entitlements, and donations are recognized in the period in which all eligibility requirements have been satisfied. Expenses are recognized at the time they are incurred.

**C. BUDGETARY PROCESS**

Unlike traditional public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Rev. Code Section 5705, unless specifically provided in the School's contract with its Sponsor. The contract between the School and its Sponsor requires a detailed school budget for each year of the contract; however, the budget does not have to follow the provisions of Ohio Rev. Code Section 5705.

**D. CASH AND CASH EQUIVALENTS**

All cash received by the School is maintained in a demand deposit account. The School did not have any investments during fiscal year 2012.

**FOCUS LEARNING ACADEMY OF SOUTHWESTERN COLUMBUS  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2012  
(Continued)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**E. CAPITAL ASSETS AND DEPRECIATION**

The School operates under a management agreement with ESCHOOL, and as such the School has no capital assets. (See Note 5)

**F. INTERGOVERNMENTAL REVENUES**

The School currently participates in the State Foundation Program, the State Disadvantaged Pupil Impact Aid (DPIA) Program, and the Career Based Intervention (CBI) Program, which are reflected under "State Aid" on the Statement of Revenues, Expenses and Changes in Net Assets. Revenues received from these programs are recognized as operating revenues in the accounting period in which all eligibility requirements have been met.

Non-exchange transactions, in which the School receives value without directly giving equal value in return, include grants, entitlements, and contributions. Grants, entitlements, and contributions are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met.

Eligibility requirements, include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the School must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the School on a reimbursement basis. Amounts awarded under the above programs for the 2012 school year totaled \$2,408,834.

**G. OPERATING REVENUES AND EXPENSES**

Operating revenues are those revenues that are generated directly from the primary activity of the School. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the School. All revenues and expenses not meeting this definition are reported as non-operating.

**H. NET ASSETS**

Net assets represent the difference between assets and liabilities. Net assets are reported as restricted when there are limitations imposed on their use, either through enabling legislation adopted by the School or through external restrictions imposed by creditors, grantors, or contracts. The School applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

**I. USE OF ESTIMATES**

In preparing the financial statements, management is sometimes required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**FOCUS LEARNING ACADEMY OF SOUTHWESTERN COLUMBUS  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2012

**3. DEPOSITS**

Custodial credit risk is the risk that, in the event of a bank failure, the School's deposits may not be returned. The School does not have a deposit policy for custodial credit risk. At June 30, 2012, the carrying amount of the School's deposits was \$115,638 and the bank balance was \$120,937. Of the bank balance, all was covered by federal depository insurance. Based on the criteria described in GASB Statement No. 40, "Deposit and Investment Risk Disclosure, \$0 was uninsured and uncollateralized. There are no significant statutory restrictions regarding the deposit and investment of funds by the nonprofit corporation.

**4. RISK MANAGEMENT**

**Property and Liability** - The School is exposed to various risks of loss related to torts; theft or damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. As part of its management agreement with ESCHOOL, ESCHOOL has contracted with an insurance company for property and general liability insurance pursuant to the Management Agreement (See Note 5). Settled claims have not exceeded this coverage in any of the past three years, nor has there been any significant reduction in insurance coverage from the prior year.

**Director and Officer** - Coverage has been purchased by the School with a \$1,000,000 aggregate limit and no deductible.

**Worker's Compensation** – ESCHOOL is responsible for paying the State Workers Compensation System a premium for employee injury coverage.

**5. AGREEMENT WITH ESCHOOL**

Effective July 1, 2006, the School entered into a three-year Management Agreement (Agreement) with ESCHOOL, which is an educational consulting and management company. On March 18, 2009, the school amended the agreement and extended the length of the contract. Phase one of the extension is until June 30, 2014. A non renewal clause is available to either party on or about January 1, 2014. In the event, neither party exercises this clause, the agreement will automatically renew for 2 additional 5-year periods, ending on June 30, 2024. ESCHOOL is responsible and accountable to the Board for the administration, operation and performance of the School in accordance with the School's contract with the Ohio State Board of Education to operate the School. The School had purchased service expenses for the year ended June 30, 2012 to ESCHOOL of \$2,199,534. Significant provisions of the Agreement are as follows:

**Management, Consulting, and Operation Fee.** The School is required to pay ESCHOOL a monthly continuing fee of 93% of the School's "qualified gross revenues", defined in the Agreement as, "...all educational revenues received from the federal, state, and/or local government...does not include student fees, contributions and PTA/PTO income and misc. revenue received...also does not include any state or federal funding that is meant to be a dollar for dollar reimbursement for expenditures made by the company" and "shall be paid 100% of all contributions and grants not specifically referenced above received by the Non Profit as a result of the company's efforts" The continuing fee is paid to ESCHOOL based on the previous month's qualified gross revenues.

**Other School Financial Responsibilities.** The School is responsible for its directors' and officers' insurance, legal fees for School Board representation and general corporate matters, accounting, audit, tax and consulting fees for the School, and other miscellaneous expenses not incurred in the normal day-to-day operation of the School.

**FOCUS LEARNING ACADEMY OF SOUTHWESTERN COLUMBUS  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2012  
(Continued)**

**5. AGREEMENT WITH ESCCHOOL (continued)**

ESCHOOL Financial Responsibilities Except as otherwise provided in the Agreement, all costs incurred in providing the educational program at the School are to be paid by ESCCHOOL. Such costs include, but are not limited to, salaries and benefits for all personnel, curriculum materials, textbooks, library books, computer and other equipment, software, supplies, building payments, maintenance, and capital improvements. All personal property used in the operation of the School is the property of ESCCHOOL, unless purchased directly by the School with Federal funds.

ESCHOOL is required to maintain, at ESCCHOOL's expense, commercial general liability insurance in the name of the School in an amount not less than \$1 million per occurrence and \$2 million in the aggregate, and excess umbrella liability insurance of not less than \$10 million per occurrence and \$15 million in the aggregate.

Personnel. ESCCHOOL has the responsibility and authority to determine staffing levels, and to select, evaluate, assign, discipline, transfer and terminate personnel, consistent with state and federal law and the Contract.

Compensation and benefits of all employees of the School is paid by ESCCHOOL. If ESCCHOOL fails to pay this compensation, the School, in its sole discretion, may pay such compensation and offset the amount by withholding an equal amount from the fees owed to ESCCHOOL under the Agreement.

Termination by the School. The School may terminate the Agreement in the event ESCCHOOL materially breaches the Agreement or the Contract and ESCCHOOL does not cure the material breach within 30 days of its receipt of written notice from the School, unless the breach cannot be reasonably cured within 30 days, in which case the ESCCHOOL shall promptly undertake and continue efforts to cure said material breach within a reasonable time.

Termination by ESCCHOOL. ESCCHOOL may, at its option, terminate the Agreement upon the occurrence of certain events as defined in the Agreement.

**6. DEFINED BENEFIT PENSION PLANS**

The School has contracted with ESCCHOOL (see Note 5) to provide employee services and to pay those employees. However, these contract services do not relieve the school of the obligation for remitting pension contributions. The retirement systems consider the School as the Employer-of-Record and the School ultimately responsible for remitting retirement contributions to the systems noted below:

**A. SCHOOL EMPLOYEES RETIREMENT SYSTEM**

**Plan Description** – ESCCHOOL of Ohio, LLC, on behalf of the School, contributes to the School Employees Retirement System (SERS), a cost-sharing multiple employer pension plans. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. **A. SCHOOL EMPLOYEES RETIREMENT SYSTEM (continued)**

**Funding Policy** - Plan members are required to contribute 10 percent of their annual covered salary and the School is required to contribute 14 percent of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended by the SERS' Retirement Board up to a statutory maximum amount by the SERS' Retirement Board. The Retirement Board acting with the advice of the actuary, allocates the employer contribution rate among four of the funds (Pension Trust Fund, Death Benefit Fund, Medicare B and Health Care). For the fiscal year ending June 30, 2012, the allocation to pension and death benefits is 12.78 percent. The remaining 1.22 percent of the 14 percent employer contribution rate is allocated to the Health Care and Medicare B Funds. The School contributions to SERS for the year ended June 30, 2012, 2011, and 2010 were \$57,349, \$61,843, and \$52,545, respectively, 100 percent has been contributed for all fiscal years.

**B. STATE TEACHERS RETIREMENT SYSTEM**

**Plan Description** - ESCHOOL of Ohio, LLC, on behalf of the School, contributes to the State Teachers Retirement System of Ohio (STRS Ohio), which is a cost-sharing, multiple-employer public employee retirement system. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS Ohio issues a stand-alone financial report, which may be obtained by writing to STRS Ohio, 275 East Broad Street, Columbus, Ohio 43215-3371 or by calling (614) 227-4090, or by visiting the STRS Ohio website at [www.strsoh.org](http://www.strsoh.org).

**Plan Options** - New members have a choice of three retirement plans options. In addition to the Defined Benefit (DB) Plan, new members are offered a Defined Contribution (DC) Plan and a Combined Plan. The DC plan allows members to allocate all their member contributions and employer contributions equal to 10.5 percent of earned compensation among various investment choices. In the Combined Plan, member contributions are allocated to investment choices by the member, and employer contributions are used to fund a defined benefit payment at a reduced level from the regular DB Plan. Contributions into the DC Plan and the Combined Plan are credited to member accounts as employers submit their payroll information to STRS Ohio, generally on a biweekly basis. DC and Combined Plan members will transfer to the DB Plan during their fifth year of membership unless they permanently select the DC or Combined Plan.

**DB Plan Benefits** – Plan benefits are established under Chapter 3307 of the Revised Code. Any member may retire who has (i) five years of service credit and attained age 60; (ii) 25 years of service credit and attained age 55; or (iii) 30 years of service credit regardless of age. The annual retirement allowance, payable for life, is the greater of the “formula benefit” or the “money-purchase benefit” calculation. Under the “formula benefit,” the retirement allowance is based on years of credited service and final average salary, which is the average of the member’s three highest salary years. The annual allowance is calculated by using a base percentage of 2.2% multiplied by the total number of years of service credit (including Ohio-valued purchased credit) times the final average salary. The 31<sup>st</sup> year of earned Ohio service credit is calculated at 2.5%. An additional one-tenth of a percent is added to the calculation for every year of earned Ohio service over 31 years (2.6% for 32 years, 2.7% for 33 years and so on) until 100% of final average salary is reached. For members with 35 or more years of Ohio contributing service, the first 30 years will be calculated at 2.5% instead of 2.2%. Under the “money-purchase benefit” calculation, a member’s lifetime contributions plus interest at specified rates are matched by an equal amount from other STRS Ohio funds. This total is then divided by an actuarially determined annuity factor to determine the maximum annual retirement allowance.

**6. DEFINED BENEFIT PENSION PLANS (continued)**

**B. STATE TEACHERS RETIREMENT SYSTEM (continued)**

**DC Plan Benefits** – Benefits are established under Sections 3307.80 to 3307.89 of the Revised Code. For members who select the DC Plan, all member contributions and employer contributions at a rate of 10.5% are placed in an investment account. The member determines how to allocate the member and employer money among various investment choices. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump-sum withdrawal. Employer contributions into members' accounts are vested after the first anniversary of the first day of paid service. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

A DB or Combined Plan member with five or more years credited service that becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

**Funding Policy** - For the fiscal year ended June 30, 2012, plan members were required to contribute 10 percent of their annual covered salaries. The School was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. For fiscal year 2007, the portion used to fund pension obligations was also 13 percent. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

The School's required contribution for pension obligations to STRS for the fiscal years ended June 30, 2012, 2011, and 2010 were \$47,849, \$48,823, and \$43,400, respectively; 100% has been contributed for all fiscal years.

**7. POSTEMPLOYMENT BENEFITS**

**7. POSTEMPLOYMENT BENEFITS (Continued)**

**A. School Employee Retirement Systems (Continued)**

The Retirement Board, acting with the advice of the actuary, allocates a portion of the current employer contribution rate to the Medicare B Fund. For fiscal 2010, the actuarial required allocation is .75 percent. The Schools contributions for the years ended June 30, 2012, 2011 and 2010 were \$482, \$557, and \$437, respectively; all contributions were paid and reported under ESCHOOL.

**Health Care Plan**

ORC 3309.375 and 3309.69 permit SERS to offer health care benefits to eligible retirees and beneficiaries. SERS' Retirement Board reserves the right to change or discontinue any health plan or program. SERS offers several types of health plans from various vendors, including HMO's, PPO's, Medicare Advantage, and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively. The ORC provides the statutory authority to fund SERS' postemployment benefits through employer contributions.

The Health Care Fund was established under, and is administered in accordance with the Internal Revenue Code 105(e). Each year after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer 14 percent contribution to the Health Care Fund. For the year ended June 30, 2012, the health care allocation is 4.16. An additional health care surcharge on employers is collected for employees earning less than the actuarially determined minimum compensation amount, pro-rated according to service credit earned. Statutes provides that no employer shall pay a health care surcharge greater than 2 percent of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5 percent of the total statewide SERS-covered payroll for the health care surcharge. For the fiscal year ended June 30, 2012, the minimum compensation level was established at \$35,800. The surcharge added to the unallocated portion of the 14 percent employer contribution rate is the total amount assigned to the Health Care Fund. The Schools contributions assigned to health care including surcharge for the years ended June 30, 2012, 2011 and 2010 were \$13,029, \$16,919, and \$8,700, respectively as all contributions were paid and reported under ESCHOOL.

The SERS Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years, Medicare eligibility, and retirement status. The financial reports of SERS' Health Care and Medicare B plans are included in its Comprehensive Annual Financial Report. The report can be obtained by contacting SERS, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746 or by calling toll free (800) 878-5853. It is also posted on the SERS' website [www.ohsers.org](http://www.ohsers.org) under Employers/Audit Resources.

**9. CONTINGENCIES**

**A. GRANTS**

Amounts received from grantor agencies are subject to audit and adjustment by the grantor. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, in the opinion of the School, any such disallowed claims will not have a material adverse effect on the financial position of the School.

**B. FULL TIME EQUIVALENCY**

The Ohio Department of Education conducts reviews of enrollment data and full time equivalency calculations made by the School. These reviews are conducted to ensure the School is reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. A review has been conducted for the 2011-2012 school year. The adjustments for FTE did not have a material effect on the accompanying financial statements presented, but will be included in the financial activity for fiscal year 2013.

The Auditor of State is currently performing a statewide review of supporting documentation for student attendance data reported to the Ohio Department of Education. The results of this review are still pending and will be reported separately to the Ohio Department of Education at a later date.

The School District received financial assistance from federal and State agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. This also encompasses the Auditor of State's ongoing review of student attendance data. However, the effect of any such disallowed claims on the overall financial position of the School District at June 30, 2012, if applicable, cannot be determined at this time.

**10. FEDERAL TAX STATUS**

On November 30, 2006, the School began the process of filing for tax exempt status under section 501(c)(3) of the Internal Revenue Code. In the interim, the School has begun the process to file IRS Form 990, "Return of Organization Exempt from Income Tax". The Board of Directors continues to represent that they anticipate a favorable ruling on the tax-exempt status of the School.

**11. SPONSORSHIP FEES**

The School contracts with Buckeye Community Hope Foundation (BCHF) to be its sponsor (beginning April 2005). The contract states "...the annual sponsorship fee to be paid to Buckeye Community Hope Foundation be set at 3% of the State's annual School Foundation support..." The Sponsor is to provide oversight, monitoring, and technical assistance for the School. Amount paid to BCHF for fiscal year 2012 was \$59,529.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

We have audited the financial statements of the Focus Learning Academy of Southwestern Columbus, Franklin County, Ohio (the "School") as of and for the year ended June 30, 2012, and have issued our report thereon dated December 5, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

Management of the School is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the School's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.
