INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Lenox Township
Ashtabula County
2509 Lenox-New Line Road
Jefferson, Ohio 44047

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Lenox Township (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2012 and December 31, 2011 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2011 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2010 balances in the prior year agreed upon procedures working papers. We found no exceptions. We also agreed the January 1, 2012 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2011 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2012 and 2011 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2012 bank account balance(s) with the Township's financial institution(s). We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2012 bank reconciliation without exception.
5. We selected twenty-two reconciling debits (such as outstanding checks) haphazardly from the December 31, 2012 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

6. We tested investments held at December 31, 2012 and December 31, 2011 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2012 and one from 2011:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included two real estate tax receipts for 2012 and 2011 and one advance for 2011. We noted the Receipts Register Report included the proper number of tax receipts for each year.
3. We selected four receipts from the State Distribution Transaction Lists (DTL) from 2012 and four from 2011. We also selected five receipts from the County Auditor's DTLs from 2012 and five from 2011.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Over-The-Counter Cash Receipts

1. We haphazardly selected 10 over-the-counter cash receipts from the year ended December 31, 2012 and 10 over-the-counter cash receipts from the year ended 2011 recorded in the duplicate cash receipts book and determined whether the:
 - a. Receipt amount agreed to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2010.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2012 or 2011 or debt payment activity during 2012 or 2011. All debt noted agreed to the summary we used in step 3.

3. We obtained a summary of note debt activity for 2012 (there was no debt activity in 2011). The Township is not required to make any principal or interest payments on the debt until 2013.
4. For new debt issued during 2012, we inspected the debt legislation, noting the Township must use the proceeds to purchase a used backhoe. We scanned the Payment Register Detail Report and noted the Township purchased a used backhoe in May of 2012.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Payroll Register – Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Register – Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found one instance where an employee was paid for eight more hours than the hours recorded on her timecard (\$76). We brought this to management's attention, and the Fiscal Officer requested the employee to pay the township back (this was repaid by the employee during the audit). Because we did not test all timecards, our report provides no assurance whether or not other similar errors occurred.
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minutes. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For all employees selected in step 1 we determined whether the following information in the employees' personnel files and the minutes were consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department(s) and fund(s) to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2012 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2012. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2013	December 31, 2012	\$3,563.68	\$3,563.68
State income taxes	January 15, 2013	December 31, 2012	\$220.81	\$220.81
OPERS retirement	January 30, 2013	December 31, 2012	\$1,961.76	\$1,961.76

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Appropriation Report for the year ended December 31, 2012 and ten from the year ended 2011 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances* required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road and Bridge Funds for the years ended December 31, 2012 and 2011. The amounts agreed.
2. We reviewed the tax budget waiver from the Ashtabula County Budget Commission stating that the tax budgets were waived for 2012 and 2011. The Township must provide a report that shows the budgeted amounts, the Township utilized the Appropriation Budget Reports for both years however these appropriations were not approved by the Trustees in the minutes.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2012 and 2011 for the following funds: General, Gas Tax and Road & Bridge funds. The amounts on the appropriation budget report agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gas Tax and Road and Bridge funds for the years ended December 31, 2012 and 2011. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for the General, Gas Tax and Road and Bridge funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.

7. We scanned the 2012 and 2011 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$10,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2012 and 2011 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
