INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Orange Township
Hancock County
4699 Township Road 28
Bluffton, Ohio 45817

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Orange Township, Hancock County, Ohio (the Township), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2012 and one from 2011:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2010.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2012 or 2011 or debt payment activity during 2012 or 2011. We noted no new debt issuances, nor debt payment activity during 2012 or 2011.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Employee Detail Adjustment Report and:

- a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found the following exceptions. The Trustees are being underpaid \$150 each month or \$1,800 annually for both 2012 and 2011; and the Fiscal Officer is being underpaid \$329 each month or \$3,948 annually for both 2012 and 2011.
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2012 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2012. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes and Medicare	January 31, 2013	December 27, 2012	\$534.56	\$534.56
State income taxes	January 31, 2013	December 27, 2012	\$90.25	\$90.25
Ohio District Income Tax	January 31, 2013	December 27, 2012	\$161.99	\$161.99
OPERS retirement	January 30, 2013	December 27, 2012	\$849.12	\$849.12

3. For the pay period ended December 29, 2011, we recomputed the allocation of the Boards' salaries to the General and Road and Bridge Fund per the Employee Detail Adjustment Report. We found no exceptions.
4. For the pay period described in the preceding step, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.

Non-Payroll Cash Disbursements

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2012 and ten from the year ended December 31, 2011 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2012 and 2011. The amounts on the *Amended Certificate* agreed to the amounts recorded in the accounting system, except for the General fund and the Gas Tax fund. The Revenue Status Report recorded budgeted (i.e. certified) resources for the General fund of \$105,344 and \$102,114 for 2012 and 2011, respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$134,976 and \$101,364 for 2012 and 2011 respectively. The Revenue Status Report recorded budgeted (i.e. certified) resources for the Gas Tax fund of \$107,275 and \$106,775 for 2012 and 2011 respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$106,880 and \$106,150 for 2012 and 2011, respectively. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We scanned the appropriation measures adopted for 2012 and 2011 to determine whether, for the General, Gas Tax and Road and Bridge funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2012 and 2011 for the following funds: General, Gas, Tax and Road and Bridge funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2012 and 2011. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for the General, Gas Tax, and Road and Bridge funds as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the Township received new restricted receipts. The Township established the Capital Projects Ohio Public Works fund during 2012 to segregate Ohio Public Works receipts and disbursements, in compliance with Section 5705.09.
7. We scanned the 2012 and 2011 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

Compliance – Contracts and Expenditures

We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2012 and 2011 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
