# Dave Yost · Auditor of State

Village of Lincoln Heights Hamilton County 1201 Steffen Avenue Cincinnati, Ohio 45215

To the Village Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

#### INDEPENDENT ACCOUNTANTS' REPORT

Village of Lincoln Heights Hamilton County 1201 Steffen Avenue Cincinnati, Ohio 45215

To the Village Council:

We have audited the accompanying financial statements of the Village of Lincoln Heights, Hamilton County, Ohio (the Village), as of and for the years ended December 31, 2011 and 2010. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Village has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Village's larger (i.e. major) funds separately. While the Village does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require Governments to reformat their statements. The Village has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2011 and 2010 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Village as of December 31, 2011 and 2010, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances as of December 31, 2011 and 2010 and the reserves for encumbrances as of December 31, 2010 of the Village of Lincoln Heights, Hamilton County, Ohio, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

As described in Note 1, during 2011 the Village adopted Governmental Accounting Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 30, 2013, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010

# 1. Summary of Significant Accounting Policies

#### A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Lincoln Heights, Hamilton County, Ohio (the Village), as a body corporate and politic. A publicly-elected seven-member Council directs the Village. The Village provides road maintenance, fire, police and basic life support services. The Village contracts with the City of Wyoming to provide advanced life support services.

The Village participates in the Public Entities Pool of Ohio public entity risk pool. Note 9 to the financial statements provides additional information for this entity.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

### **B.** Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

## C. Deposits

The Village's funds are deposited in checking accounts and certificates of deposits. The Village values certificates of deposits at cost.

#### D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

### 1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

### 1. Summary of Significant Accounting Policies (Continued)

#### 2. Special Revenue Funds

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Funds:

<u>Street Construction, Maintenance and Repair Fund</u> - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining, and repairing Village streets.

<u>Police Fund</u> – This fund receives property tax money for providing police protection services for the Village and its residents.

<u>Fire Fund</u> – This fund receives property tax money for providing fire and emergency medical services to the Village and its residents.

<u>Waste Fund</u> – This fund receives property tax money for providing waste removal services for the Village and its residents.

#### 3. Debt Service Fund

This fund accounts for resources the Village accumulates to pay bond and note debt.

#### 4. Capital Project Funds

This fund accounts for receipts restricted to acquiring or constructing major capital projects (except those financed through enterprise or trust funds). The Village had the following Capital Project Fund:

<u>Capital Improvement Fund</u> – This fund receives transfers from the General Fund and monies from OPWC and is used to account for various capital projects.

### 5. Fiduciary Funds

Fiduciary funds include private purpose trust funds and agency funds. Trust funds account for assets held under a trust agreement for individuals, private organizations, or other governments which are not available to support the Village's own programs. The Village does not have any private purpose trust funds.

Agency funds are purely custodial in nature and are used to hold resources for individuals, organizations or other governments. The Village disburses these funds as directed by the individual, organization or other government. The Village's agency fund accounts for Mayor's Court operations.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

### 1. Summary of Significant Accounting Policies (Continued)

### E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2011 and 2010 budgetary activity appears in Note 3.

#### F. Fund Balance

For December 31, 2011, fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

#### 1. Nonspendable

The Village classifies assets as **nonspendable** when legally or contractually required to maintain the amounts intact.

#### 2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

### 1. Summary of Significant Accounting Policies (Continued)

#### 3. Committed

Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

#### 4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by resolution, or by State Statute.

# 5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

### G. Property, Plant, and Equipment

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

#### H. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

# 2. Change in Accounting Principle and Restatement of Net Assets/Fund Equity

For fiscal year 2011, the Village reclassified certain funds as required by the revised fund classification guidance in Governmental Accounting Standard Board (GASB) Statement No. 54. Implementing GASB Statement No. 54 had no effect on the fund balances previously reported.

## 3. Equity in Pooled Deposits

The Village maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2011	2010
Demand deposits	\$854,615	\$831,141
Certificates of deposit	243,866	243,817
Total deposits	\$1,098,481	\$1,074,958

**Deposits:** Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by the financial institution's public entity deposit pool.

#### 4. Budgetary Activity

Budgetary activity for the years ending December 31, 2011 and 2010 follows:

2011 Budgeted vs. Actual Receipts

	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance

# 5. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### 6. Local Income Tax

The Village levies a municipal income tax of 2 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Village either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

#### 7. Debt

	Principal	Interest Rate
OPWC Street Program Loan	\$28,338	0%
State Fire Marshal Loan	\$52,735	0%
Total	\$81,073	

The Village acquired an interest free loan in the amount of \$51,522 in April 2003 from an Ohio Public Works Commission (OPWC) Street Program Loan that was issued to facilitate improvements to Village streets. The Village will repay the loan in semiannual installments of \$1,288 over twenty years.

The Village acquired a loan in December 2002 from the Small Government Fire Departmental Services Revolving Loan Program which was approved and administered by the State Fire Marshal. The interest free loan was issued in the amount of \$95,932 for the purpose of purchasing an Emergency Medical Services vehicle. The Village will repay the loan in quarterly installments of \$1,200 over twenty years.

Amortization of the above debt, including interest, is scheduled as follows:

	OPWC Street	State Fire	
Year ending December 31:	Program Loan	Marshal Loan	Total Debt
2012	\$2,576	\$4,800	\$7,376
2013	2,576	4,800	7,376
2014	2,576	4,800	7,376
2015	2,576	4,800	7,376
2016	2,576	4,800	7,376
2017-2021	12,880	24,000	36,880
2022-2023	2,578	4,735	7,313
Total	\$28,338	\$52,735	\$81,073

#### 8. Retirement Systems

The Village's certified Fire Fighters and full-time Police Officers belong to the Police and Fire Pension Fund (OP&F). Other employees belong to the Ohio Public Employees Retirement System (OPERS). OP&F and OPERS are cost-sharing, multiple-employer plans. The Ohio Revised Code prescribes these plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2011 and 2010, OP&F participants contributed 10% of their wages. For 2011 and 2010, the Village contributed to OP&F an amount equal to 19.5% of full-time police members' wages and 24% of full-time fire fighters' wages, respectively. For 2011 and 2010, OPERS members contributed 10% of their gross salaries and the Village contributed an amount equaling 14% of participants' gross salaries. The Village has paid all contributions required through December 31, 2011.

# NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010 (Continued)

### 9. Risk Management

The Village is exposed to various risks of property and casualty losses, and injuries to employees.

The Village insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

The Village belongs to the Public Entities Pool of Ohio (PEP), a risk-sharing pool available to Ohio local governments. PEP provides property and casualty coverage for its members. American Risk Pooling Consultants, Inc. (ARPCO), a division of York Insurance Services Group, Inc. (York), functions as the administrator of PEP and provides underwriting, claims, loss control, risk management, and reinsurance services for PEP. PEP is a member of the American Public Entity Excess Pool (APEEP), which is also administered by ARPCO. Member governments pay annual contributions to fund PEP. PEP pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

### Casualty and Property Coverage

APEEP provides PEP with an excess risk-sharing program. Under this arrangement, PEP retains insured risks up to an amount specified in the contracts. At December 31, 2010, PEP retained \$350,000 for casualty claims and \$150,000 for property claims.

The aforementioned casualty and property reinsurance agreement does not discharge PEP's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

#### **Financial Position**

PEP's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2011 and 2010.

	<u>2011</u>	<u>2010</u>
Assets	\$33,362,404	\$34,952,010
Liabilities	(14,187,273)	(14,320,812)
Net Assets	<u>\$19,175,131</u>	<u>\$20,631,198</u>

At December 31, 2011 and 2010, respectively, the liabilities above include approximately \$13 million and \$12.9 million of estimated incurred claims payable. The assets above also include approximately \$12.1 million and \$12.4 million of unpaid claims to be billed to approximately 455 member governments in the future, as of December 31, 2011 and 2010, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. As of December 31, 2011, the Village's share of these unpaid claims collectible in future years is approximately \$42.000.

### 9. Risk Management (Continued)

Based on discussions with PEP, the expected rates PEP charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to PEP for each year of membership.

Contributions to PEP			
<u>2011</u>	<u>2010</u>		
\$45,820	\$48,204		

After one year of membership, a member may withdraw on the anniversary of the date of joining PEP, if the member notifies PEP in writing 60 days prior to the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's contribution. Withdrawing members have no other future obligation to PEP. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

### 10. Contingent Liabilities

The Village is defendant in several lawsuits. Although management cannot presently determine the outcome of these suits, management believes that the resolution of these matters will not materially adversely affect the Village's financial condition.

#### 11. Restatement of Fund Balance

The Village posted an adjustment to the cash reconciliations and financial statements to make corrections for posting errors prior to December 31, 2009:

	General Fund
Fund Cash Balance, December 31, 2009:	\$629,349
Restatement – Corrections:	(3,888)
Fund Cash Balance, January 1, 2010 Restated:	\$625,461

#### 12. Subsequent Events

The Ohio Department of Taxation authorized the classification of certain property owned by Princeton City School District, Hamilton County as exempt in 2012. As a result of this determination, Princeton City School District was due a refund of property taxes paid in the amount of \$1,243,000. Of this amount, approximately \$500,000 was allocated to the Village and was netted against current taxes remitted to the Village in August, 2012. The refund dates back six years, since Princeton City School District had been paying the taxes due on the property since tax year 2006. Hamilton County also indicated that there is also a charge for the land reutilization program in the amount of \$21,680. This is the first time these charges have been processed and further added to the amount owed.

# 12. Subsequent Events (Continued)

In September, 2012, the Hamilton County Budget Commission authorized the transfer to Lincoln Heights in the amount of \$100,000 from the emergency reserve of the local government funds. This payment was authorized in the form of a grant to offset the immediate impact of the deficit. It is not subject to repayment.

As of the date of this report, the Village's outstanding obligation related to this matter is approximately \$158,240.

# INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Lincoln Heights Hamilton County 1201 Steffen Avenue Cincinnati, Ohio 45215

To the Village Council:

We have audited the financial statements of the Village of Lincoln Heights, Hamilton County, Ohio (the Village), as of and for the years ended December 31, 2011 and 2010 and have issued our report thereon dated May 30, 2013, wherein we noted the Village prepared its financial statements using accounting practices the Auditor of State prescribes or permits rather than accounting principles generally accepted in the United States of America. Also, we noted that the Village adopted the provisions of Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions.* We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Village's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Village's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Village's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

## **Compliance and Other Matters**

As part of reasonably assuring whether the Village's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Village's management in a separate letter dated May 30, 2013.

We intend this report solely for the information and use of management, the Council, and others within the Village. We intend it for no one other than these specified parties.
