- 2. We scanned the appropriation measures adopted for 2012 and 2011 to determine whether the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. We noted no funds for which expenditures exceeded appropriations.

We scanned the Receipt Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the District received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the District to establish a new fund.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

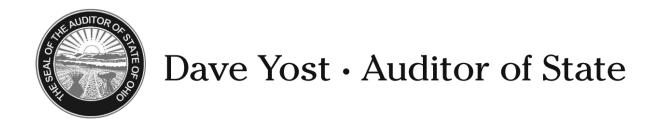

This report is intended solely for the information and use of management, those charged with governance, and others within the District, and is not intended to be, and should not be used by anyone other than these specified parties.
