Dave Yost • Auditor of State

Board of Trustees and Management
Central State University Foundation and Subsidiaries
P.O. Box 1004
Wilberforce, Ohio 45384

We have reviewed the *Independent Auditor's Report* of the Central State University Foundation and Subsidiaries, Greene County, prepared by Crowe Horwath LLP, for the audit period July 1, 2013 through June 30, 2014. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Central State University Foundation and Subsidiaries is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Management
Central State University
Wilberforce, Ohio

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Central State University Foundation and Subsidiaries (the 'Foundation'), which comprise the consolidated statement of financial position as of June 30, 2014, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2014, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The consolidated financial statements of Central State University Foundation and Subsidiaries as of June 30, 2013, were audited by other auditors whose report dated October 15, 2013, expressed an unmodified opinion on those statements.

Report on Other Legal and Regulatory Requirements

In accordance with *Government Auditing Standards*, we have also issued our report dated October 15, 2014 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

CENTRAL STATE UNIVERSITY FOUNDATION AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2014 and 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities: Central State University Foundation and its wholly owned subsidiaries, Marauder Development, LLC (“Marauder”) and Marauder West, LLC (“West”), have been consolidated (collectively referred to as the “Foundation”). All significant intercompany transactions have been eliminated. On October 19, 2001, Marauder Development, LLC and Marauder West, LLC were incorporated as wholly owned subsidiaries of Central State University Foundation.

Description of Entity: Central State University Foundation is an Ohio nonprofit corporation and exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Central State University Foundation was formed to receive contributions, which are to be used to support the educational undertakings of Central State University (the “University”). Marauder, an Ohio limited liability corporation, was formed to develop property for the use of Central State University. The property developed (residence halls) are rented to Central State University students. The financial operations of Marauder Development, LLC, which maintains a fiscal year end of August 31, have been consolidated within these financial statements. Marauder West, LLC, an Ohio limited liability corporation, was formed to develop property for the use of Central State University. The financial operations of Marauder West, LLC, which maintains a fiscal year end of June 30, have been consolidated within these financial statements. All significant intercompany accounts and transactions have been eliminated.

The University provides certain administrative, accounting, accounts payable, and payroll services on behalf of the Foundation. All inter-entity accounts due between Central State University and the Foundation are settled after close of month. The Foundation operates exclusively for the benefit of the University.

Method of Accounting and Basis of Presentation: The accompanying consolidated financial statements of the Foundation have been prepared on the accrual basis of accounting. For external financial reporting purposes, in accordance with Accounting Standards Codification (ASC) 958, the Foundation presents its consolidated financial statements by unrestricted, temporarily restricted, and permanently restricted net asset classifications. The Foundation’s significant accounting policies are described below.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents: The Foundation considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Investments: Investments are generally carried at fair value, which is determined using valuations techniques as described in Note 2. Realized gains and losses are recorded using specific identifications of the securities sold.

Restricted Cash: Restricted cash represents various trust account balances in bond trust accounts established in accordance with bond legislation for specific purposes.

Concentration of Credit Risk Arising from Deposit Accounts: The Foundation maintains cash balances at a bank. Accounts at the institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Foundation evaluates the financial institutions with which it deposits funds; however, it is not practical to insure all cash deposits.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2014 and 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties: The Foundation invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statement of financial position.

Fixed Assets: Fixed assets include land, buildings, and furniture, most of which is related to the construction of the student housing project. Fixed assets are defined as assets with an initial individual cost of more than \$1,000 and estimated useful life in excess of three years. Depreciation is computed on the straight-line basis over the following estimated useful lives:

Building	40 years
Building Improvements	15 years
Furniture	7 years

Financing Costs: The unamortized financing costs include consulting, attorneys' fees, and other fees incurred in connection with the bond obligations of Marauder. These costs are capitalized and are amortized using the interest method over the lives of the bonds and are included as amortization expense. Accumulated amortization at August 31, 2014 and 2013 was \$1,081,407 and 984,881, respectively.

Surplus Expense: The agreement with the University requires that for fiscal years ending after September 30, 2012, the year-end balance in the surplus account held by the trustee, less applicable amounts for management fees that have not been funded to the management fee accounts, is allocated with 67 percent of the surplus transferred to the Redemption fund to be used to redeem the Bonds in accordance with Section 4.07 of the Trust Indenture, and the remaining 33 percent paid at 90 percent to the University and 10 percent to the Foundation. The trustee is required to calculate this surplus from the audited financial statements beginning with the August 31, 2005 year end.

Net Assets: The Foundation classifies its net assets into the following categories:

Unrestricted Net Assets: The Foundation has the following significant unrestricted funds, which have no donor-imposed restrictions:

- Unrestricted Fund: This fund is used to account for all financial resources presently available for use by the Foundation.
- The Friends of WCSU: This fund is used to account for contributions presently available for use at the discretion of the management of WCSU, the campus's radio station.
- President's Discretionary Fund: This fund is used to account for contributions that are expendable at the discretion of the University's president.

Temporarily Restricted Net Assets: These funds are used to account for resources presently available for use, but expendable only for purposes specified by the donor. The Foundation had the following significant, temporarily restricted funds:

- General Scholarship Fund: This fund receives contributions for general scholarships to students who demonstrate financial need.

(Continued)

June 30, 2014 and 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- College of Science and Engineering Funds: This fund receives contributions for the purpose of supporting programs and scholarships within the College of Science and Engineering.
- Memorial Scholarships: This fund receives contributions for the purpose of designated scholarships for student who demonstrate high achievement and community service.

Permanently Restricted Net Assets: These funds are used to account for resources for which the donor has stipulated, as a condition of the gift, that the principal be maintained intact and only the investment income of the fund be expended as the donor specified. The Foundation had the following categories of permanently restricted funds:

- Scholarship Endowment Funds: Investment income of the funds may be expended for student scholarships.
- Academic Endowment Funds: Investment income of the funds may be expended for academic purposes.
- General Endowment Funds: Investment income of the funds may be expended for general operations of the University at the discretion of the Foundation.

Expiration of Donor-Imposed Restrictions: The expiration of a donor-imposed restriction on a contribution or on endowment income is recognized in the period in which the restriction expires and at that time the related resources are reclassified to unrestricted net assets. A restriction expires when either the stipulated time has elapsed or when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Net assets are released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of events specified by the donors or by the change of restrictions specified by the donors. When an expense is incurred for purposes for which both restricted and unrestricted resources are available, it is the Foundation's policy to apply restricted resources first, then unrestricted resources as needed.

Contributions: Contributions of cash and other assets, including unconditional promises to give in the future, are reported as revenue when received, measured at fair value. Contributions without donor-imposed restrictions and contributions with donor-imposed time or purpose restrictions that are met in the same period as the gift are both reported as unrestricted support. Other restricted gifts are reported as restricted support and temporarily or permanently restricted net assets.

Revenue Recognition: Unconditional promises to give are recognized as revenues on a discounted basis in the period made. Conditional promises to give are recognized when the conditions on which they depend are substantially met and the promises become unconditional. Other revenue consists of miscellaneous fees, dues, game guarantees and special events organized by the Foundation.

Recognition of Rental Revenue: Rental revenue is derived from leasing housing facilities (which were constructed and financed by Marauder as noted previously) to students at Central State University. Rental revenue is recognized when rent becomes due over the terms of the lease.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2014 and 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes: The Foundation operates as a nonprofit corporation and has been determined to be exempt from federal income taxes under Section 501(c)(3) of the United States Internal Revenue Code. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and to recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the Foundation and has concluded that as of June 30, 2014 and 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Foundation is no longer subject to examination by taxing authorities for years before 2011. The Foundation does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

Reclassifications: Certain prior year amounts have been reclassified to conform to the current year presentation. These reclassifications had no effect on previously reported changes in net assets or total net assets.

Subsequent Events: The financial statements and related disclosures include evaluation of events up through and including October 15, 2014, which is the date the financial statements were issued.

NOTE 2 - DEPOSITS AND INVESTMENTS

As required by the bond indenture, the Foundation, through Marauder, maintains restricted cash balances in the following accounts as of August 31, 2014:

	<u>2014</u>	<u>2013</u>
Restricted:		
Debt interest account	\$ 443,107	\$ 523,513
Debt principal account	500,020	899,675
Redemption fund	87,000	336,994
Repair and replacement fund	1,036,008	475,039
Debt reserve fund	<u>1,426,302</u>	<u>1,426,399</u>
Total restricted cash	<u>\$ 3,492,437</u>	<u>\$ 3,661,620</u>

Investments are managed by a professional investment manager. The investment manager is subject to the Foundation's investment policies which contain objectives, guidelines, and restrictions designed to provide for preservation of capital with emphasis on providing current income and achieving long-term growth of the funds.

The Foundation reports investments at estimated fair value, in accordance with the fair value hierarchy prescribed by ASC 820, Fair Value Measurements and Disclosures, which requires certain assets and liabilities to be reported at fair value in the financial statements and provides a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value. The following three-tier fair value hierarchy prioritizes the inputs used in measuring fair value:

Level 1 - Observable inputs such as quoted prices in active markets

Level 2 - Inputs, other than quoted prices in active markets, that are observable either directly or indirectly

(Continued)

CENTRAL STATE UNIVERSITY FOUNDATION AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2014 and 2013

NOTE 2 - DEPOSITS AND INVESTMENTS (Continued)

Level 3 - Unobservable inputs for which there is little or no market data that requires the Foundation to develop assumptions

In instances where inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Foundation's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset or liability.

Investments of the Foundation include cash equivalents, equity mutual funds, and bond mutual funds. The Foundation records these investments at their current fair values based on quoted market prices in active markets for identical assets, which is consistent with Level 1 in the hierarchy.

If quoted market prices are not available, then fair values are estimated by using quoted market prices of securities with similar characteristics and are classified within Level 2 of the hierarchy. Level 2 securities include U.S. Government Obligations.

CENTRAL STATE UNIVERSITY FOUNDATION AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2014 and 2013

NOTE 2 - DEPOSITS AND INVESTMENTS (Continued)

The Foundation's policy is to recognize transfers between levels of the fair value hierarchy as of the beginning of the reporting period. For the year ended June 30, 2014, there were no transfers between levels of the fair value hierarchy.

Other Financial Instruments: The Foundation's other financial instruments include cash and cash equivalents, accounts and contributions receivable, accounts payable, and indebtedness.

For cash and cash equivalents, accounts and contributions receivable, and accounts payable, the carrying amounts approximate fair value due to the short maturity of these items. The carrying amount of indebtedness approximates fair value due to the fact that the debt bears interest at a variable rate.

NOTE 3 - DONOR ENDOWMENTS

The Foundation's endowment includes donor-restricted endowment funds. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law: The board of trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the historical value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Foundation and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

The composition of net assets by type of endowment fund at June 30, 2014 and 2013 was:

<u>2014</u>	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Totals</u>
Donor-restricted endowment funds	\$ (49,150)	\$ 722,309	\$ 2,526,780	\$ 3,199,939

NOTE 3 - DONOR ENDOWMENTS (Continued)

Funds with Deficiencies: From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature that are reported in unrestricted net assets were \$49,150 and \$58,019 as of June 30, 2014 and 2013, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the board of trustees.

Return Objectives and Risk Parameters: The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for donor-specified periods. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Foundation expects its endowment funds, over time, to provide an average rate of return of approximately 5 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives: To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy: The Foundation is authorized only to expend the investment income and/or accumulated income above the principal amount from the invested endowment funds, and the remaining income is to be reinvested. If an investment loss is incurred, the loss is allocated entirely as currently expendable. In establishing this policy, the Foundation considered the long-term expected return on its endowment. Accordingly, over the long term, the Foundation expects the current spending policy to allow its endowment to grow at an average of 5 percent annually. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

NOTE 4 - CONTRIBUTIONS RECEIVABLE

Unconditional promises to give are included in the consolidated financial statements as contributions receivable and contributions of the appropriate net asset category. All contributions receivable are unconditional promises to give that are expected to be collected within one year and are recorded at net realizable value. Conditional promises to give are not included as revenue until conditions are met.

During 2002, Marauder issued \$8,870,000 of Student Housing Revenue Bonds, Series 2002, dated December 1, 2002, to retire commercial loans used to finance the construction of the 2002 University Housing Project. The bond discount was \$70,390 and \$81,785 at June 30, 2014 and 2013, respectively, and is being amortized to interest expense on the interest method over the life of the bonds. The bonds mature on September 1 in various amounts ranging from \$225,000 on September 1, 2014 to \$285,000 on September 1, 2032, subject to prior mandatory sinking fund redemptions. During 2014, \$335,000 of bonds due on September 1, 2032 were called and retired in addition to \$215,000 scheduled to be retired on September 1, 2013. Interest, at rates varying from 3.0 percent to 5.625 percent per annum, is payable semiannually on March 1 and September 1. The bonds are collateralized by the building and restricted cash held as required by the bond agreement.

During 2004, Marauder issued \$12,150,000 in University Housing Revenue Bonds, Series 2004, to finance construction of the 2004 University Housing Project. The original bond discount totaled \$287,699, with an amortized balance of \$152,555 and \$164,659 at June 30, 2014 and 2013, respectively. The discount is being amortized to interest expense over the life of the bonds on the interest method. The bonds mature on September 1 in various amounts ranging from \$275,000 on September 1, 2014 to \$750,000 on September 1, 2035, subject to prior mandatory sinking fund redemptions. Interest, at rates varying from 3.3 percent to 5.1 percent per annum, is payable semiannually on March 1 and September 1. The bonds are collateralized by the building and restricted cash held as required by the bond agreement.

Bond legislation provides that Marauder will charge rates sufficient for the excess of revenue over expenditures to equal not less than 120 percent of the aggregate amount of principal and interest requirements on the bonds payable during the year (coverage ratio). As of June 30, 2014 and 2013, Marauder Development, LLC was in compliance with these requirements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Management and the Board of Trustees
Central State University Foundation
and Subsidiaries

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Central State University Foundation and Subsidiaries (the 'Foundation'), which comprise the consolidated statement of financial position as of June 30, 2014, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated the same day as this report.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
