 - Pensionable Compensation;
- The census data provided to the School Employees Retirement System of Ohio as of June 30, 2014 included all enrolled employees.
- Census data changes occurring during the year ended June 30, 2014 to an enrolled employee's eligible compensation were properly updated with the School Employees Retirement System of Ohio.
- All employees required to be enrolled in the School Employees Retirement System of Ohio were properly enrolled.
- The total pensionable wages and employee contributions information reported to the School Employees Retirement System of Ohio agrees with the payroll records of the employer.

Paint Valley Local School District's management is responsible for the assertions. Our responsibility is to opine on the assertions based on our examination.

Our examination followed attestation standards established by the American Institute of Certified Public Accountants and standards applicable to attestation engagements included in the Comptroller General of the United States' *Government Auditing Standards* and, accordingly, included examining, on a test basis, evidence supporting management's assertions and performing other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.
