## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Richland Township  
Allen County  
7722 Grismore Road  
Bluffton OH, 45817

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Richland Township, Allen County (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 and 2012, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We tested the mathematical accuracy of the December 31, 2013 and December 31, 2012 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2012 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2011 balances in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2013 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2012 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2013 and 2012 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We observed the year-end bank balance on the financial institution's website. The balance agreed. We also agreed the observed balances to the amounts appearing in the December 31, 2013 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2013 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

### Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2013 and one from 2012:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included two real estate tax receipts for 2013 and 2012. We noted the Receipt Register Report included the proper number of tax receipts for each year.
3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2013 and five from 2012. We also selected five receipts from the County Auditor's Vendor Invoice List from 2013 and five from 2012.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

### Debt

1. From the prior agreed upon procedures documentation, we noted the following loan outstanding as of December 31, 2011. These amounts agreed to the Townships January 1, 2012 balances on the summary we used in step 3.

<b>Issue</b>	<b>Principal outstanding as of December 31, 2011:</b>
Fire Loan	\$134,715.50

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2013 or 2012 or debt payment activity during 2013 or 2012. All debt noted agreed to the summary we used in step 3.
3. We obtained a summary of loan debt activity for 2013 and 2012 and agreed principal and interest payments from the related debt amortization schedules to Fire Levy fund payments reported in the Payment Register Detail Report. We also compared the date the Fire Levy payments were due to the date the Township made the payments. We found no exceptions.

### Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2013 and one payroll check for five employees from 2012 from the Payroll Register and:

**Payroll Cash Disbursements (Continued)**

- a. We compared the hours and pay rate, or salary recorded in the Payroll Register to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions
  - b. We determined whether the fund and account code(s) to which the check was posted were reasonable based on the employees' duties as documented in the employee timesheets. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
- a. Name
  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged
  - d. Retirement system participation and payroll withholding
  - e. Federal, State & Local income tax withholding authorization and withholding
  - f. Any other deduction authorizations (deferred compensation, etc.)

Payroll withholding forms were not available for the new employee hired in 2013. However, the payroll register did disclose retirement withholdings for this employee.

The failure to have all required withholding forms on file for each employee increases the risk of errors or disagreements with employees over withholdings. The Township should obtain and maintain all required withholding forms for each employee.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2013 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2013. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	January 31, 2014	October 29,2013 November 26, 2013 December 31,2013	\$3,136.06	\$1,046.75 \$974.26 <u>\$1,115.05</u> \$3,136.06
State income taxes	January 15, 2014	December 31, 2013	\$209.52	\$209.52
Local income tax (School District)	January 15,2014	December 31, 2013	\$40.27	\$40.27
OPERS retirement	January 30, 2014	December 31, 2013	\$1,996.94	\$1,996.94

### **Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for year ended 2013 and ten from the Payment Register for the year ended December 31, 2012 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Motor Vehicle License Tax, and Road and Bridge funds for the years ended December 31, 2013 and 2012. The amounts agreed.
2. We scanned the appropriation measures adopted for 2013 and 2012 to determine whether, for the General, Motor Vehicle License Tax, and Road and Bridge funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2013 and 2012 for the following funds: General, Motor Vehicle License Tax, and Road and Bridge. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License Tax, and Road and Bridge funds for the years ended December 31, 2013 and 2012. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2013 and 2012 for the General, Motor Vehicle License Tax and Road and Bridge funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2013 and 2012. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.

7. We scanned the 2013 and 2012 Revenue Status Reports and Appropriation Status Reports for evidence of inter-fund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Payment Register for the years ended December 31, 2013 and 2012 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
