#### AGREED UPON PROCEDURES

For the Years Ended December 31, 2013 and 2012

Board of Trustees Union Township 9219 Fawley Road Lynchburg, Ohio 45142

We have reviewed the *Independent Accountants' Report on Applying Agreed-Upon Procedures* of Union Township, Highland County, prepared by Balestra, Harr & Scherer, CPAs, Inc., for the period January 1, 2012 through December 31, 2013. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Union Township is responsible for compliance with these laws and regulations.

#### INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Union Township Highland County 9219 Fawley Road Lynchburg, Ohio 45142

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Union Township (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 and 2012, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' Government Auditing Standards. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

#### Cash

- 1. We tested the mathematical accuracy of the December 31, 2013 and December 31, 2012 bank reconciliations. We found no exceptions.
- 2. We agreed the January 1, 2012 beginning fund balances recorded in the Cash Journal to the December 31, 2011 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2013 beginning fund balances recorded in the Cash Journal to the December 31, 2012 balances in the Cash Journal. We found no exceptions.
- 3. We agreed the totals per the bank reconciliations to the total of the December 31, 2013 and 2012 fund cash balances reported in the Cash Journal. The amounts agreed.
- 4. We confirmed the December 31, 2013 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2013 bank reconciliation without exception.
- 5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2013 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

#### Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2013 and one from 2012:

- a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipts Journal. The amounts agreed.
- b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
- c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
- 2. We scanned the Receipts Journal to determine whether it included two real estate tax receipts for 2013 and 2012. We noted the Receipts Journal included the proper number of tax receipts for each year.
- 3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2013 and all from 2012. We also selected five receipts from the County Auditor's Cross Reference Report by Vendor from 2013 and five from 2012.
  - a. We compared the amount from the above report to the amount recorded in the Receipts Journal. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

#### **Debt**

- 1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2011.
- 2. We inquired of management, and scanned the Receipts Journal and Appropriation Ledger for evidence of debt issued during 2013 or 2012 or debt payment activity during 2013 or 2012. We noted no new debt issuances, or any debt payment activity during 2013 or 2012.

#### **Payroll Cash Disbursements**

- 1. We haphazardly selected one payroll check for all employees from 2013 and one payroll check for all employees from 2012 from the Payroll Record and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Record to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We determined whether the fund and account code(s) to which the check was posted were reasonable based on the employees' duties as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
- 2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged
  - d. Retirement system participation and payroll withholding
  - e. Federal, State & Local income tax withholding authorization and withholding
  - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. - f. above.

#### **Payroll Cash Disbursements (Continued)**

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2013 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2013. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2014	December 30, 2013	\$423.12	\$423.12
State income taxes	January 15, 2014	December 30, 2013	\$97.56	\$97.56
OPERS retirement	January 30, 2014	December 30, 2013	\$764.06	\$764.06

- 4. For the pay periods ended September 30, 2013 and May 31, 2012, we recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Fund per the Cash Journal. We found no exceptions.
- 5. For the pay periods described in the preceding step, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.

We inquired of management and scanned the Appropriation Ledger for the years ended December 31, 2013 and 2012 to determine if township employees and trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601.

#### **Non-Payroll Cash Disbursements**

- 1. From the Appropriation Ledger, we re-footed checks recorded as General Fund disbursements for *general government*, and checks recorded as *public works* in the Motor Vehicle License Tax Fund for 2013. We found no exceptions.
- 2. We haphazardly selected ten disbursements from the Cash Journal for the year ended December 31, 2013 and ten from the year ended 2012 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found eighteen instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

#### **Compliance – Budgetary**

- 1. We compared the total estimated receipts from the Amended Certificate of Estimated Resources required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Receipts Ledger for the General, Gasoline Tax and Road & Bridge funds for the years ended December 31, 2013 and 2012. The amounts on the Amended Official Certificate of Estimated Resources agreed to the amount recorded in the accounting system, except for the Road and Bridge Fund. The Receipts Journal recorded budgeted (i.e. certified) resources for the Road and Bridge fund of \$34,750 for 2012. However, the final Amended Official Certificate of Estimated Resources reflected \$7,950. In addition, the Road and Bridge Fund did not have estimated receipts recorded in the Receipt Journal for 2013. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the Amended Official Certificate of Estimated Resources to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
- 2. We scanned the appropriation measures adopted for 2013 and 2012 to determine whether, for the General, Gasoline Tax and Cemetery funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
- 3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2013 and 2012 for the following funds: General, Gasoline Tax and Cemetery Funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledger report for the funds in 2013. The Appropriation Ledger recorded budgeted expenditures for the General Fund of \$44,424 in 2012. However, the Appropriation Resolution passed by the Township reflected \$44,494. In addition, the Appropriation Ledger recorded budgeted expenditures for the Gasoline Tax Fund of \$70,329 in 2012. However, the Appropriation Resolution passed by the Township reflected \$103,329.
- 4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License and Gasoline Tax funds for the years ended December 31, 2013 and 2012. We noted no funds for which appropriations exceeded certified resources.
- 5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2013 and 2012 for the General, Motor Vehicle License and Gasoline Tax funds, as recorded in the Cash Journal. We noted no funds for which expenditures exceeded appropriations.
- 6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Journal for evidence of new restricted receipts requiring a new fund during December 31, 2013 and 2012. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
- 7. We scanned the 2013 and 2012 Receipts Journal and Appropriation Ledger for evidence of interfund transfers exceeding \$500 which Ohio Rev. Code Sections 5705.14 .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
- 8. We inquired of management and scanned the Appropriation Ledgers to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

#### **Compliance – Budgetary (Continued)**

9. We scanned the Cash Journal for the years ended December 31, 2013 and 2012 for negative cash fund balance. Ohio Rev. Code Section 5705.10(1) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

#### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Appropriation Ledger for the years ended December 31, 2013 and 2012 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
