Wooster Growth Corporation Wayne County, Ohio

Audited Financial Statements

For the Year Ended December 31, 2013

Board of Trustees Wooster Growth Corporation 538 North Market Street Wooster, Ohio 44691

We have reviewed the *Independent Auditor's Report* of the Wooster Growth Corporation, Wayne County, prepared by Rea & Associates, Inc., for the audit period January 1, 2013 through December 31, 2013. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Wooster Growth Corporation is responsible for compliance with these laws and regulations.

Independent Auditor's Report

Report on the Financial Statements

We have audited the accompanying financial statements of the Wooster Growth Corporation, Wayne County, Ohio, (the Corporation) as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Wooster Growth Corporation Independent Auditor's Report Page 2 of 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Wooster Growth Corporation, Wayne County, Ohio, as of December 31, 2013, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 30, 2014 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Corporation's internal control over financial reporting and compliance.

Wooster Growth Corporation, Wayne County, Ohio Management's Discussion and Analysis For the Year Ended December 31, 2013

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Wooster Growth Corporation's (the "Corporation") financial performance provides an overview of its financial activities for the fiscal year ended December 31, 2013. Financial information consists of a Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position, Statement of Cash Flows, and Notes to the Basic Financial Statements (the Notes) to disclose or explain information not apparent from the basic financial statements. Please read the Notes for important explanations of relationships and transactions.

The Corporation exists for "the sole purpose of advancing, encouraging, and promoting the industrial, economic, commercial and civic development of Wooster, Ohio." Thus, normal discussion and analysis of business results, such as return on assets or net profit, are not relevant and will not be highlighted here. Instead, we will focus on describing the activities pursued by the Corporation during 2013 to fulfill that sole purpose as well as plans to sustain it.

Development Asset Inventory

At the end of 2013, the Corporation's investment in development asset inventory was \$1,055,911. Below is the activity associated with the Corporation's development inventory during the year ended December 31, 2013.

Besancon Farm/Geyers Chapel Road

During 2013, the Corporation received \$25,576 in revenue generated by the agricultural lease with Sweet Breeze Farms for 150.8 acres of the South Well field. The lease runs through 2014.

At December 31, 2013, the Corporation held approximately 36 acres of land which remains available for development.

Timken Property

At December 31, 2013, the Corporation held approximately 65 acres of land which remains available for development.

Parking Lots

During 2013, the Corporation transferred the South Market Street lot and the Liberty Street lot to the City of Wooster. The value of the two lots was \$78,755.

Long Road Property

During 2013, the City of Wooster transferred a building on 2.495 acres of land to the Corporation. The appraised fair market value of the property was \$416,950.

Wooster Growth Corporation, Wayne County, Ohio Management's Discussion and Analysis For the Year Ended December 31, 2013

Financial Highlights

- The Corporation's Net Position increased by \$300,134.
- Total cost of operating activities was \$92,266 in 2013 compared to \$267,346 in 2012.
- Assets restricted for economic development totaled \$1,055,911 at December 31, 2013.
- The Corporation's operating loss was \$47,161. Net non-operating revenue (expenses) totaled \$347,295.

Our analysis below focuses on the Corporation's financial position and the results of operations.

	2013	2012
Assets		
Current and Other Assets	\$ 1,033,248	\$ 767,168
Noncurrent Assets	2,889,322	2,621,232
Total Assets	3,922,570	3,388,400
Liabilities		
Current Liabilities	285,718	958,709
Long-Term Liabilities	1,541,005	657,582
Total Liabilities	1,826,723	<u>1,616,291</u>
Deferred Inflows of Resources		
Unearned Revenue	<u>26,162</u>	<u>2,558</u>
Net Position		
Restricted for Economic Development	1,055,911	717,716
Unrestricted	1,013,774	1,051,835
Total Net Position	\$2,069,685	<u>\$1,769,551</u>
		2
Total Revenues	\$500,622	\$355,504
Total Expenditures	200,488	297,771
Change in Net Position	300,134	57,733
Beginning Net Position	1,769,551	<u>1,711,818</u>
Ending Net Position	\$2,069,685	<u>\$1,769,551</u>

Total assets increased in 2013 by \$534,170. A primary factor that caused this was the transfer of the Long Property to the Corporation which increased Development Asset Inventory and the increase in lease receivables related to the ABS Materials, Inc. project.

The increase in liabilities is due to the payoff of the temporary financing received from Wayne County Community Development Corporation for purchase of the SnapOn Property and the increase in State of

Wooster Growth Corporation, Wayne County, Ohio Management's Discussion and Analysis For the Year Ended December 31, 2013

Ohio loan payable related to the ABS project. Total revenues, and related expenses, decreased in 2013 over 2012 due to the donation of developmental inventory offset by decrease of sales of property in 2013 compared to the prior year.

Debt

At December 31, 2013, the Corporation had approximately \$1.827 million in loans outstanding related to the Tekfor, Inc. project and the ABS Materials, Inc. project. See Note 3 of the basic financial statements for additional information on the outstanding loans of the Corporation.

The Corporation paid \$300,000 on principal to the Wayne County Community Improvement Corporation towards the bridge loan associated with the ABS project. The balance of this loan was paid in full.

Economic Factors and Next Year's Budgets

The Corporation works within the corporate limits of the City. The City has, in the mix of economic sectors, a relatively strong industrial sector, greater than 31 percent of the City.

Budgets

The Corporation does not adopt an annual budget. Plans for each project are made as the opportunities present themselves.

Contacting Wooster Growth Corporation's Financial Management

This financial report is intended to provide our citizens, taxpayers, customers, and creditors with a general overview of the Corporation's finances and to demonstrate accountability for the assets it receives. If you have questions about this report or need additional financial information, contact the Director of Finance, City of Wooster, 538 North Market Street, Wooster, Ohio 44691, (330) 263-5225.

The City of Wooster transferred property to the Corporation. The appraised value of \$419,950 has been recorded as donated property under non-operating revenue.

The Corporation transferred two parking lots to the City of Wooster. The value of \$78,755 has been recorded as donated property under non-operating expense.

Note 1: Summary of Significant Accounting Policies

Reporting Entity

Wooster Growth Corporation, Wayne County, Ohio (the "Corporation") is a non-profit, tax-exempt entity designated by the City of Wooster (the "City") as the agent for industrial, commercial, distribution, and research development, pursuant to section 1724.10 of the Ohio Revised Code. The Corporation acts as an agent of the City to attract, promote, and coordinate new business and industrial interest in the greater Wooster area. The Corporation may also act as agent for those businesses seeking economic development assistance.

At December 31, 2013, the Corporation held interest in four primary properties: the Tekfor, Inc. land and manufacturing facility (which has been reflected as a capital lease sale to Tekfor, Inc.), the remaining two parcels adjacent to the Timken Wooster roller bearing facility, the remainder of the Besancon Farm land, which was originally received from the City of Wooster, Ohio, the ABS Materials, Inc. land and manufacturing facility (which has been reflected as a capital lease sale to ABS Materials, Inc.) and the building and land at 2759 Long Road.

- The City granted the Besancon Farm land to the Corporation in 2000, and the property has been developed to attract and/or retain manufacturing and publishing facilities in the City. Part of the property includes acreage which has been leased to Tekfor, Inc.
- The Timken Company donated its Wooster roller bearing facility and adjacent land to the Corporation in March 2006.
- During 2011, the Corporation purchased the former Snap-On building using the resources obtained from a non-interest bearing loan from the Wayne County Development Corporation. The Corporation subsequently entered into a capital lease agreement with ABS Materials, Inc. who made construction modifications to the facilities.
- During 2013, the City transferred property (building and land) at 2759 Long Road to the Corporation.

Basis of Accounting

Effective January 1, 2001, the Corporation implemented Governmental Accounting Standards Board (GASB) Statement No. 34, the new governmental model for financial accounting and reporting. Financial statements are prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

The economic resource focus concerns determining costs as a means of maintaining the capital investment and management control. Revenues are recognized when earned and expenses are recognized when incurred.

The Corporation distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Corporation's principal ongoing operations.

Note 1 – Summary of Significant Accounting Policies (continued)

Basis of Accounting (continued)

All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses, such as pass-through loan payment interest.

Deposits and Investments

Cash balances for the Corporation are held by the City which serves as fiscal agent. Cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. At year-end, cash and investments totaled \$707,342. Investments held at December 31, 2013, with original maturities greater than one year are stated at fair value. Fair value is estimated based on quoted market prices at year end. All investments not required to be reported at fair value are stated at cost or amortized cost.

Donated Property

Donations of property are recorded as contributions at their estimated fair market value at the date of donation. Such donations are reported as increases in invested in development assets unless the donor has restricted such assets for specific purposes. All other property is recorded at the lower of cost or market, including construction period interest costs.

In accordance with Ohio Revised Code section 1724.10 (C), sale proceeds of property donated to the Corporation by the City that are in excess of cost (less sales expenses) are required to be returned to the City. However, an agreement was reached between the City and the Corporation that any excess proceeds for the Freedlander property and the Trinity parking lot, the remaining Besancon farm land, the Tekfor facility, the Timken property and the South Market Street parking lot would be held by the Corporation as economic development assets.

Donated Services

No amounts have been reflected in the financial statements for donated services. The Corporation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Corporation with its administrative activities. The Corporation has not estimated the value of such services.

Income Tax Status

The Corporation received approval for its tax-exempt status under Section 501 (c) (3) from the Internal Revenue Service effective July 1994.

Estimates

In order to prepare financial statements in accordance with generally accepted accounting principles, the Corporation is required to make estimates and assumptions that affect the valuations of assets and liabilities and disclose contingent assets and liabilities at year end, as well as the revenue and expense amounts that occurred during the reporting period.

All acquisition of property is not capitalized. All other property is recorded at the lower of cost or market, including construction period interest costs for constructed assets.

Note 1 - Summary of Significant Accounting Policies (continued)

Deferred Inflows of Resources and Deferred Outflows of Resources

A deferred inflow of resources is an acquisition of assets by the Corporation that is applicable to a future reporting period. A deferred outflow of resources is a consumption of assets by the Corporation that is applicable to a future reporting period.

Risk Management and Concentration of Risk

The Corporation is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters. This risk is minimized in relation to Tekfor, Inc. property by the triple-net lease agreement requiring the lessee to maintain insurance coverage.

The Corporation carries general liability and Directors and Officers insurance.

Non-Operating Income and Expense

The lease agreement with Tekfor, Inc. requires a monthly lease payment to the Corporation. The amount, less an administrative fee, is then paid to the Ohio Department of Development ("ODOD") to repay a construction loan issued in the amount of \$3.1 million. The interest portion of these capitalized lease receipts and the interest portion of debt payments are reflected on the financial statements as non-operating income and expense.

The lease agreement with ABS Materials, Inc. requires a monthly lease payment to the Corporation. The amount less and administrative fee, is them paid to the Ohio Department of Development to repay a construction loan in the amount of \$1.2 million. The interest portion of these capitalized lease receipts and the interest portion of debt payments are reflected on the financial statements as non-operating income and expense.

Agency Account - City of Wooster

An agreement was executed October 24, 2000, between the City and the Corporation, whereby the City will perform financial management services, including the establishment of one or more agency accounts, at no cost to the Corporation. The Director of Finance for the City is the Treasurer of the Corporation as elected by the Corporation's Board of Trustees.

Note 1 – Summary of Significant Accounting Policies (continued)

Accounting Pronouncements

For the year ended December 31, 2013, the City has implemented Statement No. 61, "The Financial Reporting Entity: Omnibus; an amendment of GASB Statements No. 14 and No. 34," Statement No. 65, "Items Previously Reported as Assets and Liabilities" and Statement No. 66, "Technical Corrections-2012-an amendment of GASB Statements No. 10 and No. 62."

GASB Statement No. 61 modifies existing requirements for the assessment of potential component units in determining what should be included in the financial reporting entity, the display of component units presentation and certain disclosure requirements. The implementation of this statement did not result in any change in the Corporation's financial statements.

GASB Statement No. 65 properly classifies certain items that were previously reported as assets and liabilities as deferred outflows of resources or deferred inflows of resources or recognizes certain items that were previously reported as assets and liabilities as outflows of resources (expenses or expenditures) or inflows of resources (revenues). These changes were incorporated in the Corporation's 2013 financial statements; however, there was no effect on beginning net position/fund balance.

GASB Statement No. 66 resolves conflicting accounting and financial reporting guidance that could diminish the consistency of financial reporting and thereby enhance the usefulness of the financial reports. The implementation of this statement did not result in any change in the Corporation's financial statements.

Note 2 - Inventory of Development Assets

The inventory of development assets consists of the following at December 31, 2013:

	Land & Building
Besancon Property	\$430,159
Long Road Property	416,950
Timken Property	208,802
Total Development Assets	\$1,055,911

Freedlander Property

In 1989, the H. Freedlander Company donated its downtown Wooster retail department store building to the City. Shortly thereafter, the City passed Ordinance No. 1989-43 granting title of the property to the Corporation. The property's fair market value at the date of gift was estimated at \$285,770 for the land and \$965,680 for the building based upon valuations provided by the Wayne County Auditor's Office.

On September 7, 1989, the Corporation entered into a lease agreement with L.H.B., Inc. by which L.H.B., Inc. paid a nominal annual rental for use of the property (L.H.B., Inc. operated the Freedlander's Department Store). The intent of the nominal rental was to insure the continuance of the retail establishment's contribution to the vitality of downtown Wooster.

The agreement extended for five years with the options to renew by L.H.B., Inc ("L.H.B.") for up to six, five-year lease periods. The first five-year renewal was entered into September 1994. A second five-year renewal contract was signed in 2001 and an additional four renewals were agreed upon. Subsequently, Freedlander's Department Store closed in December 2008.

Note 2 - Inventory of Development Assets (continued)

Freedlander Property (continued)

With the intent to redevelop the site to strengthen the commercial and service core of the City, while providing new residential opportunities downtown, the Freedlander building was demolished in 2009. The cost of the demolition and environmental work related to the project was \$762,256 of which \$730,980 was paid from funds of the City of Wooster. The Corporation recorded a capital contribution of \$730,980 from the City of Wooster. The total costs incurred were added to the basis of the property. An appraisal of the property on July 24, 2009, by Kendall Appraisal Group Inc., estimated the "As Is" market value of the property after the demolition to be \$351,000. As a result of this appraisal, the basis of the Freedlander property was written down by \$1,662,206.

The property was sold November 30, 2010, to Merchants Block, LLC for \$202,372 which consists of \$165,372 for the land and \$37,000 for footer and foundation work as provided in the sales agreement. The cost of the sale included the appraised value of \$351,000, as determined in the above paragraph, plus settlement costs of \$8,187. The Corporation recognized an operating loss on the sale of \$156,815.

The Corporation agreed to provide financing to the Buyer for the balance due of \$202,372 at zero percent interest. Terms of the note receivable require that the principal will be payable in full upon the maturity date, which shall be the date on which 100% of the units in Merchants Block and Village Lofts Condominiums have been sold and/or leased, but in no event later than sixty months after the date of the execution date of the promissory note and mortgage, whichever occurs first. Partial payments of principal in the amount of \$11,595 are due upon the sale of each unit of the Village Lofts Condominiums and is based on the percentage of square feet which the unit represents as a percentage of the whole project. Partial payments will be made using the same formula as retail space in Merchants Block is sold. During 2013, there were sales of 3 units. Payments of \$34,785 were made to the Corporation on the note receivable.

Besancon Farm/Geyers Chapel Road Property

On May 30, 2000, the City purchased 147.97 acres of land located near Long Road and Geyers Chapel Road (formerly known as the Besancon Farm, Ltd.). On July 10, 2000, City Council authorized the transfer of 25 acres of the property to the Corporation. On September 18, 2000, City Council authorized transfer of another 104.403 acres to the Corporation in exchange for the \$18 county recorder fee. In 2009, an additional \$7,870 was capitalized as part of the basis of the property, related to clearing costs in order to prepare the land to lease as farm land.

On January 12, 2010, the Corporation entered into an agricultural lease with Sweet Breeze Farms for 150.8 acres of the South Well Field, part of the Besancon Farm property. The lease is five years for \$169.60 an acre. Rent received in 2013 under this lease was \$25,576.

On March 11, 2011, the Corporation sold 14.628 acres of the Besancon Farm/Geyers Chapel Road property to the Ohio Department of Transportation for \$275,000. The Corporation recognized a gain on the sale of \$148,116.

On March 27, 2012, the Corporation sold .222 acres of the Besancon Farm/Geyers Chapel Road property to Machamer Tree Farms, LLC for \$2,000. the Corporation recognized a gain on the sale of \$58.

On July 18, 2012, the Corporation sold 8.08 acres if the Besancon Farm/Geyers Chapel Road property to Brasfond USA Corp. for \$150,400. The Corporation recocnized a gain on the sale of \$78,418.

Note 2 – Inventory of Development Assets (continued)

Praire Lane Property (Timken)

During Spring 2006, Timken Company donated their Wooster roller bearing facility to the Corporation with a final closing date of September 29, 2006. Located at 2219 Prairie Lane, Wooster, Ohio, the property consists of a primary site of 59.315 acres and includes vacant buildings of 174,757 square feet. The secondary site consists of 64.94 acres of vacant land. The fair market value at the time of the donation was \$916,000, of which \$786,000 was allocated to the primary site and \$130,000 to the secondary site. An additional \$21,779 in appraisal and other fees was capitalized as part of the value of the land and building received.

During 2007, the Corporation entered into several agreements involving the demolition of two of the unusable buildings and the subsequent environmental cleanup process to assure compliance with Environmental Protection Agency (EPA) regulations. The costs of these agreements were \$45,000 and \$23,395, respectively, which increased the basis of the primary site of 59.315 acres.

In addition, the Corporation entered into an agreement for the removal and sale of timber from the primary site. The Corporation received \$90,360 for this transaction, which reduced the basis of the 59.315 acres by these proceeds.

The Corporation also agreed to sell the substation and equipment located on the primary site for \$18,250. The basis of the primary site was reduced by these proceeds.

On July 1, 2008, the Corporation entered into a lease agreement with Buckeye Supply Company to use three acres including buildings, storage and paved areas known as Parcel 2 of the Praire Lane property. The agreement extends for twenty-four months and requires monthly rent payments of \$417 per month. The lease was mutually terminated in February 2010.

On June 6, 2008, the Corporation (the Seller) entered into an agreement with Condor Pacific Properties, LLC (the Buyer) for the sale of Parcel 1 (approximately 14.5 acres) of the Praire Lane property for \$320,000, less \$10,000 adjustment for fencing with the Corporation financing the property at 5% interest for a period of seven years. Conditions of the sale required the Corporation to pay for extension of utilities including water and sewer and construction of a separate drive. The costs to satisfy these conditions were \$134,160, which increased the basis of Parcel 1. On May 18, 2009, with the conditions of the sale satisfied, the sale was finalized. The Corporation recognized a loss on the sale of \$437,901.

The Corporation agreed to provide financing to the Buyer for the outstanding balance due of \$275,000. Terms of the note receivable require monthly payments beginning July 1, 2009, from the Buyer of \$3,887, which include interest at a rate of 5%. Final payment is due June 2016. The balance of the note receivable at December 31, 2013, was \$109,398.

On September 4, 2012 the Corporation sold 43.965 acres of the Timken property to Knox Cattle Company for \$123,419. The Corporation recognized a gain on the sale of \$41,819.

Liberty Street Lot

In October, 1997, the City of Wooster transferred to the Corporation a 0.629 acre parcel of land, In-Lot 8056, Liberty Street, Wooster, Ohio. The City transferred the land to the Corporation, in accordance with Ohio law, for the purchase price of \$10. The fair market value at that date was \$15,120.

Note 2 - Inventory of Development Assets (continued)

Liberty Street Lot (continued)

In March, 1998, the Corporation entered into a lease agreement with Wayne County Alcoholism Services and Every Woman's House for a nominal annual rental. The intent of the nominal rental is to promote the welfare of the people of Wooster by providing important community services in a downtown location, stabilize downtown econcomy, promote downtown employment and assist in preservation of downtown Wooster. The lease term extends to March 2097, unless the lessee desires to terminate by written notice.

In August 2013 the Corporation transferred the lot back to the City of Wooster at it's recorded cost of \$15,120.

Tekfor, Inc. Lease Agreement

On June 11, 2001, a lease agreement, with option to purchase, was executed between the Corporation and Tekfor, Inc. This lease has been accounted for as a capital lease. The term of such lease is for 15 years retroactively commencing on May 15, 2001. Monthly lease payments are computed by combining 1) the monthly cost and fees associated with the State of Ohio Section 166 loan, 2) the monthly cost of the term loan from Fifth Third Bank, and 3) a monthly administrative fee of 1/12 of 1/4 percent of the outstanding principal of the two loans. In exchange for a nominal non-refundable payment, the lease also provides for an exclusive right and option for Tekfor, Inc. to purchase the leased premises for \$10, with such option expiring May 15, 2016. The purchase price upon execution of the option will include the remaining balance of the principal amounts of the aforementioned loans, plus all accrued interest and expenses of such financing, as of the date of the property's transfer. This agreement provides for minimum annual lease payments as follows:

<u>Year</u>	Tekfor, Inc. Lease
2014	\$ 259,852
2015	258,542
2016	171,616
Total Minimum Lease Payment	690,010
Less: Amounts Representing Interest and Fees	(32,428)
Present Value of Minimum Lease Payments	\$ 657,582

Also executed on June 11, 2001, between the Corporation and Tekfor was a real estate purchase option providing Tekfor the exclusive right and option to purchase an additional 9.258 acres of vacant land situated adjacent to the primary facility described above. Such option, granted in exchange for a nominal non-refundable payment, will likewise expire on May 15, 2016. Purchase price for this 9.258 acre tract is \$96,800.

ABS Materials, Inc. Lease Agreement

In November 2011, a lease agreement, with option to purchase, was executed between the Corporation and ABS Materials, Inc. This lease has been accounted for as a capital lease by the lessee. The term of such lease is for 15 years. Monthly lease payments are computed by combining the monthly cost and fees associated with the State of Ohio Section 166 loan and a monthly administrative fee of 1/12 of 1/4 percent of the outstanding principal of the loan. In exchange for a nominal non-refundable payment, the lease also provides for an exclusive right and option for ABS Materials, Inc. to purchase the leased premises for \$10, with such option expiring November 2027. The purchase price upon execution of the option will include the remaining balance of the principal amounts of the above-mentioned loan, plus all accrued interest and expenses of such financing, as of the date of the property's transfer.

Note 2 - Inventory of Development Assets (continued)

ABS Materials, Inc. Lease Agreement (continued)

This agreement provides for minimum annual lease payments as follows:

<u>Year</u>	ABS Materials, Inc.
	100 ANNO 100 SEPTEMBER
2014	\$ 75,036
2015	105,104
2016	104,928
2017	104,746
2018	104,559
Threreafter	965,742
Total Minimum Lease Payment	1,460,115
Less: Amounts Representing Interest and Fees	(290,974)
Present Value of Minimum Lease Payments	\$ 1,169,141

Note 3 – Long-Term Debt

Detail of the changes in long-term debt of the Corporation for the year ended December 31, 2013, is as follows:

	-	Balance 12/31/12	 Additions	D	eductions	-	Balance 12/31/13		mount Due Within One Year
Long-term Debt:									
Ohio Department of Development Loan Payable - Tekfor, Inc.	\$	890,941	\$ -	\$	233,359	\$	657,582	\$	240,457
Ohio Department of Development Loan Payable - ABS Materials, Inc.		-	1,169,141		-		1,169,141	700	45,261
Total Ohio Department of Development	\$	890,941	\$ 1,169,141	\$	233,359	\$	1,826,723	\$	285,718

Ohio Department of Development Loan - Tekfor, Inc.

On March 26, 2001, the Corporation received notice it was granted a \$3.1 million low-interest (Chapter 166) loan by the Ohio Department of Development. Such loan was characterized as a direct loan to the Corporation for the purpose of assisting in the construction and equipping of a commercial facility to be subsequently leased to Tekfor, Inc. The loan bears interest at three percent annually with an additional monthly service fee equal to 1/12 of 1/4 percent and is payable in monthly installments over a 15 year period.

A summary of the Company's future long-term debt requirements, including principal and interest payments as of December 31, 2013, follows:

Note 3 – Long-Term Debt (continued)

Ohio Department of Development Loan - Tekfor, Inc. (continued)

Year Ending		Ohio Department of Development								
December 31,	Principal		Interest		Total					
2014	\$	240,457	\$	16,439	\$	256,896

	\$	657,582	\$	27,475	\$	685,057				

Ohio Department of Development Loan - ABS Materials, Inc.

During 2013, the Corporation received notice it was granted a \$1.2 million low-interest (Chapter 166) loan by the Ohio Department of Development. Such loan was characterized as a direct loan to the Corporation for the purpose of assisting in the modification and equipping of a commercial facility to be subsequently leased to ABS Materials, Inc. The loan bears interest at three percent annually with an additional monthly service fee equal to 1/12 of 1/4 percent and is payable in monthly installments over a 15 year period.

A summary of the Company's future long-term debt requirements, including principal and interest payments as of December 31, 2013, follows:

Year Ending	Ohio Department of Development					
December 31,	Principal		Interest		Total

2018		76,156		26,218		102,374
Thereafter	9	832,479		123,012		955,491
	\$	1,169,141	\$	267,992	\$	1,437,133

Note 4 – Loan Payable – Wayne County Community Development Corporation

On November 29, 2011 the Corporation signed a mortgage deed with the Wayne County Community Improvement Corporation ("WCCIC"). For the consideration of \$600,000 the Corporation received, to its full satisfaction of WCCIC, land and building formally known as the Snap-On building located at 1909 Old Mansfield Road, Wooster, Ohio. The condition of such mortgage deed is such that the Corporation has executed and delivered to WCCIC a certain promissory note of even date in the amount of \$600,000.

The Promissory Note is non-interest bearing. The payment of the promissory note is secured by a mortgage deed on the real estate entered into on an even date.

On September 5, 2012, the Corporation made a payment of \$145,000 towards the balance of the Promissory Note. ABS Materials, Inc. paid \$155,000 towards the outstanding balance of the note in 2012. The outstanding balance was retired during 2013.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Wooster Growth Corporation, Wayne County, Ohio (the Corporation) as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements, and have issued our report thereon dated May 30, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Wooster Growth Corporation
Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*Page 2 of 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
