INDEPENDENT AUDITOR'S REPORT

Interactive Media and Construction, Inc.
Richland County
445 Bowman Street
Mansfield, Ohio 44903

To the Board of Directors:

Report on the Financial Statements

We have audited the accompanying financial statements of Interactive Media and Construction, Inc., Richland County, Ohio (IMAC), a component unit of Mansfield City School District, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise IMAC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to IMAC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of IMAC's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Interactive Media and Construction, Inc., Richland County, Ohio, as of June 30, 2014, and the changes in financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 15, IMAC's sponsor agreement with the Mansfield City School District ended on June 30, 2014. The Ohio Department of Education became the new sponsor on July 1, 2014. Therefore, IMAC will no longer be a component unit of the Mansfield City School District. This matter does not affect our opinion on these financial statements.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 4, 2015, on our consideration of IMAC's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering IMAC's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2014
(UNAUDITED)

The management's discussion and analysis of the Interactive Media and Construction, Inc. ("IMAC") financial performance provides an overall review of IMAC's financial activities for the fiscal year 2014. The intent of this discussion and analysis is to look at IMAC's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of IMAC's financial performance.

Financial Highlights

Key financial highlights for fiscal year 2014 are as follows:

- In total, net position was \$528,518 at June 30, 2014.
- IMAC had operating revenues of \$499,925, operating expenses of \$396,914 and non-operating revenues of \$41,553 for fiscal year 2014. Total change in net position for the fiscal year was an increase of \$144,564.

Using these Basic Financial Statements

This annual report consists of a series of financial statements and notes to these statements. These statements are organized so the reader can understand IMAC's financial activities. The *statement of net position* and *statement of revenues, expenses and changes in net position* provide information about the activities of IMAC, including all short-term and long-term financial resources and obligations.

Reporting IMAC's Financial Activities

Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position and the Statement of Cash Flows

These documents look at all financial transactions and ask the question, "How did we do financially during fiscal year 2014?" The statement of net position and the statement of revenues, expenses and changes in net position answer this question. These statements include *all assets plus deferred outflows, liabilities plus deferred inflows, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report IMAC's *net position* and changes in net position. This change in net position is important because it tells the reader that, for IMAC as a whole, the *financial position* of IMAC has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 7 and 8 of this report.

The statement of cash flows provides information about how IMAC finances and meets the cash flow needs of its operations. The statement of cash flows can be found on page 9 of this report.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2014
(UNAUDITED)**

The table below provides a summary of IMAC's net position at June 30, 2014 and June 30, 2013.

	Net Position	
	2014	2013
<u>Assets</u>		
Current assets	\$ 614,090	\$ 370,631

Restricted	3,531	6,752
Unrestricted	510,901	363,381
Total net position	\$ 528,518	\$ 383,954

Over time, net position can serve as a useful indicator of a government's financial position. At June 30, 2014, IMAC's net position totaled \$528,518.

A portion of IMAC's net position, \$3,531 represents resources that are subject to external restrictions on how they may be used. The balance of unrestricted net position of \$510,901 may be used to meet IMAC's ongoing obligation to the students and creditors.

At year-end, capital assets represented 2.24% of total assets. Capital assets consisted of equipment. There is no debt related to these capital assets. Capital assets are used to provide services to the students and are not available for future spending.

Current assets increased largely due to an increase in cash and cash equivalents of \$248,185. The increase in liabilities related to payments owed and not yet paid to Mansfield City School District, the School's sponsor during fiscal year 2014.

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2014

NOTE 1 - DESCRIPTION OF THE IMAC

The Interactive Media and Construction, Inc. ("IMAC") is a non-profit corporation established pursuant to the Ohio Revised Code Chapters 1702 and 3314 to address the needs of students who have met some graduation requirements, but have failed to successfully complete all requirements necessary for the attainment of the high school diploma or graduation equivalence diploma. IMAC is nonsectarian in its programs, admission policies, employment practices and all other operations. IMAC may sue and be sued, acquire facilities as needed and contract for any services necessary for the operation of IMAC. IMAC is considered a component unit of the Mansfield City School District for reporting purposes, in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14 as amended by GASB Statement No. 39 and GASB Statement No. 61.

IMAC is an innovative initiative that will be a cooperative effort with Mansfield City School District (the "Sponsor"). It is a conversion community school sponsored by the Mansfield City School District. IMAC will provide educational opportunities for students to obtain their high school diploma through college preparatory curriculum. IMAC will better serve the population by providing a challenging curriculum, community/parental support, motivation through career skills and pay for work. Enrollment is open to students within the attendance area of the Mansfield City School District and all bordering school districts. IMAC gives first choice to educationally disadvantaged, special education and economically at risk youth.

IMAC was approved for sponsorship under contract resolution on June 30, 2010, with the Sponsor for a period of five years commencing on the first day of the 2010-2011 academic year.

IMAC entered into a new sponsorship agreement on June 15, 2014 for the period July 1, 2014 through June 30, 2017 with the Ohio Department of Education.

Pursuant to the Sponsor's authority under section 3314.08(G) of the Ohio Revised Code to provide IMAC with services, the Sponsor shall be the fiscal agent of IMAC and shall direct the Sponsor's treasurer to serve as IMAC's fiscal officer. Effective December 1, 2013, IMAC entered into a fiscal services agreement with Charter School Specialists, LLC. and terminated the fiscal services agreement with Mansfield City School District. The Sponsor shall evaluate the performance of IMAC according to the standards set forth in the Assessment and Accountability Plan. The Sponsor is not legally responsible for the final outcome of the community school. Upon dissolution of IMAC, any assets remaining shall be conveyed to the Sponsor.

During fiscal year 2014, IMAC had a service agreement with the Sponsor. In agreement with the contract, IMAC shall utilize certain resources converted to IMAC's use by the Sponsor, including, but not limited to, portions of the Sponsor's facilities, staff, equipment, instructional materials, curriculum and educational strategy, as determined to be appropriate by the Sponsor, in the Sponsor's sole discretion. The price for services rendered by the Sponsor to IMAC is established as the Sponsor's "cost of providing such services including, without limitation, employee salaries and fringe benefits, equipment costs if any, and administrative overhead". All personnel providing services to IMAC on behalf of the Sponsor under the service contract are considered employees of the Sponsor and the Sponsor shall be solely responsible for all payroll functions.

NOTES TO BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2014
(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements (BFS) of IMAC have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. IMAC's significant accounting policies are described below.

A. Basis of Presentation

IMAC's basic financial statements consist of a statement of net position, a statement of revenues, expenses and changes in net position, and a statement of cash flows.

Enterprise reporting focuses on the determination of the change in net position, financial position and cash flows.

B. Measurement Focus

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets plus deferred outflows and all liabilities plus deferred inflows are included on the statement of net position. The statements of revenues, expenses and changes in net position presents increases (i.e., revenues) and decreases (i.e., expenses) in net position. The statement of cash flows provides information about how IMAC's finances and meets the cash flow needs of its enterprise activities.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the basic financial statements. IMAC's basic financial statements are prepared using the accrual basis of accounting.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded upon the accrual basis when the exchange takes place.

Nonexchange transactions, in which IMAC receives value without directly giving equal value in return, include grants, entitlements and donations. Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the fiscal year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which IMAC must provide local resources to be used for a specified purpose and expenditure requirements, in which the resources are provided to IMAC on a reimbursement basis.

Expenses are recognized at the time they are incurred.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

D. Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Section 5705, unless specifically provided in their contract with their Sponsor. The contract between IMAC and its Sponsor requires a detailed school budget for each year of the contract; however, the budget does not have to follow the provisions of Ohio Revised Code Section 5705.

E. Cash

Cash held by IMAC is reflected as "cash and cash equivalents" on the statement of net position. Investments with an original maturity of three months or less at the time they are purchased are presented on the financial statements as cash equivalents. Investments with an initial maturity of more than three months are reported as investments. During fiscal year 2014, investments were limited to a repurchase agreement. Investments were reported at fair value which is based on quoted market prices.

F. Capital Assets

All capital assets are capitalized at cost and updated for additions and reductions during the fiscal year. Donated capital assets are recorded at their fair market value on the date donated. IMAC maintains a capitalization threshold of \$500. IMAC does not have any infrastructure. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Depreciation is computed using the straight-line method. Equipment is depreciated over five to ten years.

G. Prepayments

Certain payments to vendors reflected the costs applicable to future accounting periods and were recorded as prepaid items in the financial statements. These items were reported as assets on the statement of net position using the consumption method. A current asset for the prepaid amounts was recorded at the time of the purchase and the expense is reported in the year in which services are consumed.

H. Net Position

Net position represents the difference between assets and deferred outflows and liabilities and deferred inflows. The net position component "net investment in capital assets," consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction or improvement of those assets or related debt also should be included in this component of net position. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by IMAC or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

IMAC applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

I. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity. For IMAC, these revenues are payments from the State Foundation Program. Operating expenses are necessary costs incurred to provide goods or services that are the primary activities of IMAC. All revenues and expenses not meeting this definition are reported as non-operating.

J. Intergovernmental Revenue

IMAC currently participates in the State Foundation Program through the Ohio Department of Education, the Federal IDEA Part B grant, the Federal Title I-Targeted Assistance grant, and the Improving Teacher Quality grant. Revenues from the State foundation program are recognized as operating revenue in the accounting period in which all eligibility requirements had been met. Revenues received from the remaining programs are recognized as non-operating revenues in the accompanying financial statements. Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. Eligibility includes timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which IMAC must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to IMAC on a reimbursement basis. Federal and State grant revenue for the fiscal year 2014 was \$41,027.

K. Estimates

The preparation of basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 - CHANGE IN ACCOUNTING PRINCIPLES

For fiscal year 2014, the IMAC has implemented GASB Statement No. 70, "Accounting and Financial Reporting for Nonexchange Financial Guarantees".

GASB Statement No. 70 improves the recognition, measurement, and disclosures for state and local governments that have extended or received financial guarantees that are nonexchange transactions. The implementation of GASB Statement No. 70 did not have an effect on the financial statements of IMAC.

NOTE 4 - DEPOSITS AND INVESTMENTS

A. Deposits with Financial Institutions

At June 30, 2014, the carrying amount of all IMAC deposits was zero. IMAC had a zero bank balance at June 30, 2014.

B. Investments

As of June 30, 2014, IMAC had the following investments and maturities:

<u>Investment type</u>	<u>Fair Value</u>	<u>Investment Maturities 6 months or less</u>
Repurchase agreement	<u>\$ 608,238</u>	<u>\$ 608,238</u>

Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates and according to State law, IMAC's investment policy limits investment portfolio maturities to five years or less.

Credit Risk: The federal agency securities underlying the repurchase agreement were rated AA+ by Standard and Poor's and Aaa by Moody's. IMAC has no investment policy dealing with credit risk beyond the requirements of State statute.

Custodial Credit Risk: For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, IMAC will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Of IMAC's \$608,238 investment in repurchase agreements, the entire balance is collateralized by underlying securities that are held by the investment's counterparty, not in the name of IMAC. Ohio law requires the market value of the securities subject to repurchase agreements must exceed the principal value of securities subject to a repurchase agreement by 2%. IMAC has no investment policy dealing with investment custodial risk beyond the requirement in State statute that prohibits payment for investments prior to the delivery of the securities representing such investments to the Treasurer or qualified trustee.

Concentration of Credit Risk: IMAC places no limit on the amount that may be invested in any one issuer. The following table includes the percentage of each investment type held by IMAC at June 30, 2014:

<u>Investment type</u>	<u>Fair Value</u>	<u>% of Total</u>
Repurchase agreement	<u>\$ 608,238</u>	<u>100.00</u>

NOTE 9 - CONTINGENCIES

A. Grants

IMAC received financial assistance from federal and State agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the general fund or other applicable funds. However, the effect of any such disallowed claims on the overall financial position of IMAC at June 30, 2014, if applicable, cannot be determined at this time.

B. Litigation

IMAC is not involved in any litigation that, in the opinion of management, would have a material effect on the financial statements.

C. State Foundation Funding

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which State foundation funding is calculated. IMAC anticipates no adjustments to State funding for fiscal year 2015, as a result of the reviews which have yet to be completed.

The Ohio Department of Education (ODE) has identified several community schools and/or STEM schools that made critical data errors between the June payment and the Final #1 payment. As a result, ODE will be running a Final #2 foundation report for community schools and STEM schools for fiscal year 2014. As of the date of this report, a final list of schools impacted and amounts are not yet available, but ODE believes this will result in receivables to the schools affected.

NOTE 10 - SERVICE AGREEMENT

IMAC has contracted with the Sponsor through the 2014 school year. All services are to be provided on a purchased service or reimbursement basis. IMAC paid \$295,284 to the Sponsor for educational, fiscal and administrative services during fiscal year 2014 and owed \$92,995 at June 30, 2014.

NOTE 11 - FISCAL SERVICES CONTRACT

IMAC entered into a service contract with Charter School Specialists, LLC (CSS), for the period December 1, 2013 through June 30, 2014, to provide fiscal consulting services. The IMAC paid CSS \$2,000 in service fees for fiscal year 2014.

NOTE 12 - OPERATING LEASE - LESSEE DISCLOSURE

IMAC along with the Mansfield Elective Academy and the Mansfield Enhancement Academy entered into a one year operating lease commencing September 1, 2008 and ending August 31, 2009 with the City of Mansfield for the use of classrooms and offices. This lease has been renewed on an annual basis with the most recent renewal for an additional one year term commencing September 1, 2014 and ending August 31, 2015. The lease payment is \$8,150 per month, with payments divided between the three participating schools. IMAC paid \$32,600 in lease payments during fiscal year 2014.

NOTE 13 - PENSION PLANS

IMAC has contracted with the Mansfield City School District (the District) to provide all teaching and administrative personnel. Such personnel are employees of the District; however, IMAC is responsible for monitoring and ensuring pension contributions are made on its behalf. The retirement systems consider IMAC as the "Employer of Record", therefore IMAC is ultimately responsible for remitting retirement contributions to each of the systems noted below.

A. School Employees Retirement System

Plan Description - IMAC contributes to the School Employees Retirement System (SERS), a cost-sharing, multiple-employer defined benefit pension plan. SERS provides retirement, disability, survivor benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, www.ohsers.org, under "Employers/Audit Resources".

Funding Policy - Plan members are required to contribute 10 percent of their annual covered salary and IMAC is required to contribute at an actuarially determined rate. The current IMAC rate is 14 percent of annual covered payroll. A portion of IMAC's contribution is used to fund pension obligations with the remainder being used to fund health care benefits. For fiscal year 2014, 13.05 percent and 0.05 percent of annual covered salary was the portion used to fund pension obligations and death benefits, respectively. The contribution requirements of plan members and employers are established and may be amended by the SERS' Retirement Board up to a statutory maximum amount of 14 percent for plan members and 14 percent for employers. Chapter 3309 of the Ohio Revised Code provides statutory authority for member and employer contributions. IMAC's required contributions for pension obligations and death benefits to SERS for the fiscal years ended June 30, 2014, 2013 and 2012 were \$2,731, \$2,627 and \$2,641, respectively; 100 percent has been contributed for fiscal years 2014, 2013 and 2012.

B. State Teachers Retirement System of Ohio

Plan Description - IMAC participates in the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing, multiple-employer public employee retirement plan. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS Ohio issues a stand-alone financial report that may be obtained by writing to STRS Ohio, 275 E. Broad St., Columbus, OH 43215-3771, by calling (888) 227-7877, or by visiting the STRS Ohio website at www.strsoh.org, under "Publications".

NOTE 13 - PENSION PLANS - (Continued)

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on a member's lifetime contributions and earned interest matched by STRS Ohio funds divided by an actuarially determined annuity factor. The DC Plan allows members to place all their member contributions and employer contributions equal to 10.5 percent of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump sum withdrawal. The Combined Plan offers features of both the DC Plan and the DB Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. The DB portion of the Combined Plan payment is payable to a member on or after age 60; the DC portion of the account may be taken as a lump sum or converted to a lifetime monthly annuity at age 50. Benefits are established by Chapter 3307 of the Ohio Revised Code.

A DB or Combined Plan member with five or more years credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member of the DC Plan dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

Funding Policy - For fiscal year 2014, plan members were required to contribute 11 percent of their annual covered salaries. IMAC was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 14 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

IMAC's required contributions for pension obligations to STRS Ohio for the fiscal years ended June 30, 2014, 2013 and 2012 were \$23,080, \$23,130 and \$23,190, respectively; 100 percent has been contributed for fiscal years 2014, 2013 and 2012.

NOTE 14 - POSTEMPLOYMENT BENEFITS

A. School Employees Retirement System

Plan Description - IMAC participates in two cost-sharing, multiple employer postemployment benefit plans administered by the School Employees Retirement System (SERS) for non-certificated retirees and their beneficiaries, a Health Care Plan and a Medicare Part B Plan. The Health Care Plan includes hospitalization and physicians' fees through several types of plans including HMO's, PPO's, Medicare Advantage, and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively. The Medicare Part B Plan reimburses Medicare Part B premiums paid by eligible retirees and beneficiaries as set forth in Section 3309.69 of the Ohio Revised Code. Qualified benefit recipients who pay Medicare Part B premiums may apply for and receive a monthly reimbursement from SERS. The reimbursement amount is limited by statute to the lesser of the January 1, 1999 Medicare Part B premium or the current premium. The Medicare Part B monthly premium for calendar year 2014 was \$104.90 for most participants, but could be as high as \$335.70 per month depending on their income and the SERS' reimbursement to retirees was \$45.50. Benefit provisions and the obligations to contribute are established by the System based on authority granted by State statute. The financial reports of both Plans are included in the SERS Comprehensive Annual Financial Report which is available by contacting SERS at 300 East Broad St., Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, www.ohsers.org, under "Employers/Audit Resources".

Funding Policy - State statute permits SERS to fund the health care benefits through employer contributions. Each year, after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer contribution of 14 percent of covered payroll to the Health Care Fund. The Health Care Fund was established and is administered in accordance with Internal Revenue Code Section 105(e). For 2014, 0.14 percent of covered payroll was allocated to health care. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated according to service credit earned. Statutes provide that no employer shall pay a health care surcharge greater than 2.0 percent of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5 percent of the statewide SERS-covered payroll for the health care surcharge. For fiscal year 2014, the actuarially determined amount was \$20,250.

Active members do not contribute to the postemployment benefit plans. The Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility and retirement status.

IMAC's contributions for health care (including surcharge) for the fiscal years ended June 30, 2014, 2013 and 2012 were \$29, \$32 and \$114, respectively; 100 percent has been contributed for fiscal years 2014, 2013 and 2012.

NOTE 14 - POSTEMPLOYMENT BENEFITS - (Continued)

The Retirement Board, acting with advice of the actuary, allocates a portion of the employer contribution to the Medicare B Fund. For fiscal year 2014, this actuarially required allocation was 0.76 percent of covered payroll. IMAC's contributions for Medicare Part B for the fiscal years ended June 30, 2014, 2013, and 2012 were \$158, \$148 and \$156, respectively; 100 percent has been contributed for fiscal years 2014, 2013 and 2012.

B. State Teachers Retirement System of Ohio

Plan Description - IMAC contributes to the cost sharing, multiple employer defined benefit Health Plan (the "Plan") administered by the State Teachers Retirement System of Ohio (STRS Ohio) for eligible retirees who participated in the defined benefit or combined pension plans offered by STRS Ohio. Benefits include hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare Part B premiums. The Plan is included in the report of STRS Ohio which may be obtained by visiting www.strsoh.org, under "Publications" or by calling (888) 227-7877.

Funding Policy -Ohio law authorizes STRS Ohio to offer the Plan and gives the Retirement Board authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. Active employee members do not contribute to the Plan. All benefit recipients pay a monthly premium. Under Ohio law, funding for post-employment health care may be deducted from employer contributions. For 2014, STRS Ohio allocated employer contributions equal to 1 percent of covered payroll to the Health Care Stabilization Fund. IMAC's contributions for health care for the fiscal years ended June 30, 2014, 2013 and 2012 were \$1,775, \$1,779 and \$1,784, respectively; 100 percent has been contributed for fiscal years 2014, 2013 and 2012.

NOTE 15 - SUBSEQUENT EVENT

IMAC's sponsorship agreement with the Mansfield City School District ended on June 30, 2014. As of July 1, 2014, the Ohio Department of Education became sponsor for IMAC. As a result, IMAC will no longer be a component unit of the Mansfield City School District.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Interactive Media and Construction, Inc.
Richland County
445 Bowman Street
Mansfield, Ohio 44903

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Interactive Media and Construction, Inc., Richland County, Ohio (IMAC), a component unit of Mansfield City School District, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise IMAC's basic financial statements and have issued our report thereon dated March 4, 2015 wherein we noted IMAC's sponsor agreement with Mansfield City School District ended on June 30, 2014, and therefore, IMAC will no longer be a component unit of the Mansfield City School District.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered IMAC's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of IMAC's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of IMAC's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether IMAC's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of IMAC's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering IMAC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Interactive Media and Construction, Inc.

445 Bowman Street
Mansfield, Ohio 44903

To the Board of Directors:

Ohio Rev. Code Section 117.53 states "the auditor of state shall identify whether the school district or community school has adopted an anti-harassment policy in accordance with Section 3313.666 of the Revised Code. This determination shall be recorded in the audit report. The auditor of state shall not prescribe the content or operation of any anti-harassment policy adopted by a school district or community school."

Accordingly, we have performed the procedure enumerated below, which was agreed to by the Board, solely to assist the Board in evaluating whether Interactive Media and Construction, Inc., Richland County, Ohio, (IMAC) has updated its anti-harassment policy in accordance with Ohio Rev. Code Section 3313.666. Management is responsible for complying with this requirement. This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of this procedure is solely the responsibility of the Board. Consequently; we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

1. In our report dated December 18, 2013, we noted the Board adopted an anti-harassment policy; however, this policy did not include all matters required by Ohio Rev. Code 3313.666.
2. The Board amended the policy on March 13, 2012. We read the amended policy, noting it now includes all the requirements listed in Ohio Rev. Code 3313.666.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the anti-harassment policy. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Board and IMAC's sponsor and is not intended to be and should not be used by anyone other than these specified parties.
