## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ohio Lottery Commission  
Cuyahoga County  
615 West Superior Avenue  
Cleveland, Ohio 44113

We have performed the procedures enumerated below, which were agreed to by the Ohio Lottery Commission (Commission) and the other member lotteries in the states of California, Georgia, Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York, Texas, Virginia and Washington (referred to as the "Member Lotteries") who operate Powerball, solely to assist the Commission and Member Lotteries with respect to the evaluation of the following financial information associated with Powerball: The Commission sales and prize expense for the period April 1, 2014 through March 31, 2015. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures were as follows:

- a) We obtained from the Commission the "Draw Activity" and "Fixed Prize Analysis" for the period April 1, 2014 through March 31, 2015 (attached as Exhibit I and Exhibit II, respectively). We proved their mathematical accuracy with no exceptions noted.
- b) We randomly selected the following five (5) drawings from the period April 1, 2014 to March 31, 2015 for testing and performed procedures "c", "d", and "e" below:

April 26, 2014  
August 30, 2014  
December 24, 2014  
February 18, 2015  
March 28, 2015

- c) For each draw date selected in step "b" above, we compared the total amount of sales as shown on the daily sales report produced by the Commission's gaming system and the total amount of sales shown on the related daily sales report produced by Internal Control System ("ICS"), with the balance listed in the "sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.

- d) We calculated the total dollar amount of fixed prizes for the draw dates selected in step "b" above, based on the total number of winners from the Commission's gaming system for each prize level and the prize structure of the Powerball fixed prizes (as defined in the official game rules). We compared the calculated expense with the amount listed in the "Actual Fixed Prizes" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.
- e) For each draw date selected in step "b" above, we compared the amount of sales, actual fixed prizes, and share of fixed prizes shown on the "Draw Activity" report attached as Exhibit I to the amounts shown on the applicable Powerball Prize Settlement Reports and found them to be in agreement.
- f) For the period identified in step "a" above, we randomly selected two months (May 2014 and August 2014) and obtained the "Expired Prize Settlement Report" distributed by the Virginia Lottery. For the two months selected, we obtained from the Commission Internal Control System (ICS) the actual fixed prizes awarded, and the prizes unclaimed. We compared the ICS data back to the data reported from the Virginia Lottery for each draw of the subject months and found them to be in agreement.
- g) We compared the amounts shown as the total of the actual fixed prizes and the total of the share of fixed prizes on the "Draw Activity" report attached as Exhibit I to the applicable amounts shown on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- h) We noted that no amounts listed in the "Cash Option" column of the "Draw Activity" report attached as Exhibit I.
- i) We noted no purchase of investments associated with the jackpot prizes.
- j) We compared the total of the period transfers from the Commission to the Virginia Lottery for settlement of the fixed prize liability as shown in the Commission's cash disbursement subsidiary records to the amount listed in the "Qtrly/Yrly Settlement Transfers In (Out)" column on the "Fixed Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- k) We compared the balance listed as the Commission's payable as of March 31, 2015 for the fixed prizes as shown on the "Fixed Prize Analysis" report attached as Exhibit II to the Commission's financial accounting records and to the Powerball Prize Settlement Report as of March 31, 2015 and found them to be in agreement.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Commission sales and prize expense for the period April 1, 2014 through March 31, 2015. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the Commission and Member Lotteries, and is not intended to be and should not be used by anyone else.

A handwritten signature in black ink that reads "Dave Yost". The signature is written in a cursive style with a large, looping initial "D" and a long, sweeping tail.
