INDEPENDENT AUDITOR'S REPORT

Terra College Foundation
Sandusky County
2830 Napoleon Road
Fremont, OH 43420

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of Terra College Foundation, Sandusky County, Ohio (the Organization), a component unit of Terra Community College, as of and for the years ended June 30, 2015, and June 30, 2014 and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Organization's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Terra College Foundation, Sandusky County, Ohio, as of June 30, 2015 and June 30, 2014, and the changes in its financial position and its cash flows for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2015 on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

TERRA COLLEGE FOUNDATION

Notes to the Financial Statements

June 30, 2015 and 2014

NOTE 1 - SIGNIFICANT ACCOUNTING AND REPORTING POLICIES

Organization: Terra College Foundation (the Foundation) is an Ohio not-for-profit corporation and is a component unit of Terra Community College. The Foundation operates exclusively for the benefit of Terra Community College.

Financial Statement Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with Financial Accounting Standards Board Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Foundation is required to report information regarding its financial positions and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents: For purposes of the statement of cash flows, the Foundation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Contributions: Contributions to the Foundation are recognized and reported as revenue at fair value upon the earlier of the period in which a pledge becomes unconditional or the period in which the contribution is received. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted support, while contributions without donor-imposed restrictions are reported as unrestricted support.

Donated Services and Facilities: The Foundation has no employees. Substantially all clerical, management and fund raising duties are presently performed by employees of Terra Community College, utilizing equipment and facilities of Terra Community College. The value of services provided, in the amount of \$117,423 and \$178,549 for the years ended June 30, 2015 and 2014 has been recognized in the statement of activities as required by SFAS No. 116.

Investments: Investments are valued at fair value, which is generally determined by use of published market quotations. Realized gains or losses from sale or redemption of investments are based on the cost of the specific investment sold or redeemed. Purchases and sales of investments are reflected on a trade-date basis.

Income Tax Status: The Foundation is exempt from federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Concentration of Credit Risk: The Federal Deposit Insurance Corporation insures financial institution depositors up to \$250,000. The Foundation maintains deposits exceeding \$250,000 in a financial institution.

TERRA COLLEGE FOUNDATION

Notes to the Financial Statements

June 30, 2015 and 2014

NOTE 2 - NET ASSETS

Unrestricted net assets represent funds that can be used by the Foundation for any purpose authorized by the Foundation's Board of Trustees.

Temporarily restricted net assets are contributions and investment earnings that have been designated by the donor for a specific purpose, but have not yet been spent. At June 30, 2015 and 2014, temporarily restricted net assets were designated for scholarships and support of College programs.

Permanently restricted net assets are restricted to investment in perpetuity as endowment funds. The endowment funds represent contributions for which the donor has stipulated, as a condition of the gift, that the principal be maintained intact and only the investment income (or portions thereof) of the funds is expended as the donor has specified, principally for scholarships and support of College programs.

Net assets are released from donor restrictions by incurring expenses satisfying the restricted purpose, collecting payment on unconditional promises to give or by occurrence of other events specified by donors. Release of restrictions represents primarily amounts for capital purchases and other operational items and scholarships.

NOTE 3 - INVESTMENTS

The Foundation determines the fair market values of its financial instruments based on the fair value hierarchy established in SFAS No. 157, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the Foundation's own assumptions based on market data and on assumptions that market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The Standard describes three levels within its hierarchy that may be used to measure fair value:

Level 1 Inputs: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 Inputs: Significant other observable inputs other than Level 1 quoted prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 Inputs: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The fair value of investments held by the Foundation at June 30, 2015 is summarized as follows:

	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observ- able Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market funds	\$ 89,105	\$-0-	\$-0-

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards*

Terra College Foundation
Sandusky County
2830 Napoleon Road
Fremont, OH 43420

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Terra College Foundation, Sandusky County, (the Organization), a component unit of Terra Community College, as of and for the years ended June 30, 2015 and June 30, 2014, and the related notes to the financial statements, and have issued our report thereon dated September 25, 2015.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Organization's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Organization's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Organization's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters that we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
