## Independent Accountants' Report on Applying Agreed-Upon Procedures

Aladdin Academy  
Mercer County  
441 East Market Street  
Celina, Ohio 45822

We have performed the procedures enumerated below, with which the Board of Education, Sponsor, and the management of Aladdin Academy (the Academy) agreed, solely to assist the Ohio Department of Education (ODE) in evaluating whether the Academy completed the ODE Community School Closing Procedures for this Academy that closed effective June 30, 2015. Management is responsible for recording transactions; and management, the Board, and the Sponsor are responsible for complying with the Closing Procedure requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. In addition, we have audited, in accordance with standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Academy for the period of July 1, 2014 to September 30, 2015, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements, and have issued our report thereon dated April 29, 2016.

Ohio Revised Code Section 3314.015 (E) states the department (of education) shall adopt procedures for use by a community school governing authority and sponsor when the school permanently closes and ceases operation, which shall include at least procedures for data reporting to the department, handling of student records, distribution of assets in accordance with section 3314.074 of the Revised Code, and other matters related to ceasing operation of the school.

Ohio Department of Education, Community Schools Guidance Letter 2010-3 states sponsors must provide and execute a plan for an orderly wrap-up of a community school's affairs upon a permanent closure of a community school, preferably prior to the school closing its doors. A school is officially closed when instruction is no longer taking place and the governing authority or sponsor issues an official notice which states the date of the school's closure. The sponsor and a representative of the governing board are required to complete and sign the *Assurance to ODE Form*. The role of the sponsor in this process is to assure that the governing authority of the community school has taken required actions to properly address closing issues and/or to take those actions itself if the governing authority is no longer able or functioning. Inasmuch as a plan for school closure is a required part of the school's contract with the sponsor, final preparations as part of that plan should be in place prior to the last day students are in attendance.

### **Initial Notifications, Student Records and School Records**

1. A school is officially closed when instruction is no longer taking place and the governing authority or sponsor issues an official notice which states the date of the school's closure.
  - a. We inspected the official notice to ODE that the academy was closing, which contained the board resolution. We noted no exceptions.
  - b. We noted this notice did not occur within 24 hours of the action which included the date of closing of the Academy. The Academy was closed on June 30, 2015 date but the notice to ODE did not occur until August 8, 2015.
2. We inspected the formal letter from the Academy governing authority and the sponsor superintendent notifying parents that the Academy was closing. We noted that this letter was not dated within 24 hours of the action but did include: the reason for the closing of the school, options for enrolling in another community school, traditional schools or nonpublic schools and contact information. The board action to close was done on April 2, 2014 but a letter to the parents was not sent out until August 2015.
3. We inquired of the Sponsor if they took control of and secured all school records, property and assets immediately when the academy closed.
  - a. We scanned student records to determine if they were put in order and if transcript materials were produced.
  - b. We inspected the final FTE review by the Ohio Department of Education to determine that it was completed.
  - c. We inquired of the resident district(s) if copies of student records were provided by the community school, within seven business days of closure of the community school as defined in section 3314.44 of the revised code.
  - d. We inquired of the receiving school if special education records were provided for all students with disabilities.

We noted no exceptions.

### **Disposition of Assets**

1. We inquired if the governing authority retained the treasurer or the Sponsor to oversee the remaining financial activity, and act as a receiver to oversee the closing of the financial records in the absence of a fiscal officer. The treasurer was retained.
2. We inquired of the Academy and inspected the capital asset listing to determine if the Academy had any assets which had been purchased with federal dollars. No such assets were noted.
3. We inquired of the Academy if they received computer hardware or software from the former Ohio SchoolNet commission or the former eTech Ohio commission. The Academy had no such computer hardware or software.
4. We obtained and scanned documentation showing:
  - a. The fair market (initial and amortized) value established via the capital assets policy, for all capital assets;
  - b. The listing of purchasers of assets with proper USAS codes, the price of each item, and the source of funds;
  - c. The established disposition plan for any remaining items;

We noted no exceptions.

5. We inquired to identify:
  - a. What staff will have legal authority for payment processes (e.g. checks, cash, credit cards, etc.);
  - b. Any State Facilities Commission guarantees.We noted no exceptions.
6. We inquired if the Academy had any real property acquired from a public school district. The Academy had no such property.
7. We inquired of the Academy and inspected the capital asset listing to determine if the Academy had any assets which had been purchased with National School Lunch Program federal dollars. No such capital assets were noted.
8. We scanned the Academy's expenditure ledger to determine if they utilize only state dollars, auction proceeds, foundation dollars and any other non-federal dollars to pay the following, in order:
  - a. Any outstanding federal or state claims that may need to be paid first including but not limited to including federal and state taxes, Medicare, Workers Compensation, and city wage taxes;
  - b. STRS/SERS/retirement systems and other adjustments;
  - c. Teachers and staff;
  - d. Private creditors or those entities that have secured a judgment against the school, including audit preparation and audit costs (prepared financials);
  - e. If the assets of the Academy are insufficient to pay all persons or entities to which compensation is owed, the prioritization of the distribution of the assets to individual persons or entities within each class of payees may be determined by decree of a court in accordance section 3314.074 and Chapter 1702 of the Ohio Revised Code.No court order was noted in item e.

In addition, the Academy had no employees during its operation because all employees were employees of the Mercer County ESC, the Sponsor. All remaining funds and assets were transferred to the Mercer County Educational Service Center (the Sponsor) as the ESC absorbed the operations of the Academy as a program of the ESC starting July 1, 2015. As of June 30, 2015, the Academy had paid all outside creditors but still owed the ESC \$40,510 for purchased services due to unavailable funding. The ESC chose to absorb the remaining amounts.

9. We inspected the liabilities related to items in step 8 to determine if they were disclosed either on the entities GAAP financial statements, or in the notes to the cash basis financial statements. Note disclosure was noted in Aladdin Academy regular audit report.

### **Preparation of Itemized Financials**

1. We scanned the following documents to determine such had been prepared:
  - a. Year-end financial statements and notes to the financial statements;
  - b. A cash analysis (taking the previous month's recap and reconciliation of bank accounts to books) for determination of the cash balance as of the closing date;
  - c. Compile bank statements for the year;
  - d. List all unused checks (collect and void all unused checks);
  - e. List of bank accounts, closing the account once all transactions are cleared;
  - f. List of assets and their disposition.
  - g. FTE review complete and submit a copy of the Certification Form signed at the FTE review

We noted two exceptions. The treasurer did not prepare a list of unused checks before destroying the checks. Also, an FTE review was performed by ODE but the Academy did not provide a submitted copy of the Certification Form signed at the FTE review.

**Final Payments and Adjustments**

1. The sponsor shall continually monitor the condition of the closed school and be prepared to receive or transmit funds on behalf of the school as directed by an appropriate agency. We inspected the Academy's ledgers to determine that:
  - a. Any funds received or adjustments were credited to the account of the closed school.
  - b. Any portion of any funds received, or adjustments, were applied to satisfy any remaining debt as allowable;
  - c. Any funds remaining were sent to the Ohio Department of Education, Office of Policy and Payments, for final disposition. No funds were remaining to be sent to ODE.

We noted no exceptions.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Academy's compliance with the Ohio Department of Education's Close-Out Procedures. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, the Academy's sponsor, the Ohio Department of Education, those charged with governance, and others within the Academy, and is not intended to be, and should not be used by anyone other than these specified parties.
