Independent Accountants' Report on Applying Agreed-Upon Procedures ..... 1

**This page intentionally left blank.**

# Dave Yost • Auditor of State

## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Bucks Township  
Tuscarawas County  
7026 Fiat Road SW  
Stone Creek, OH 43840

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Bucks Township, Tuscarawas County, Ohio (the Township), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2014 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2013 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2015 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2014 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2015 and 2014 fund cash balances reported in the Cash Summary by Fund Report. The amounts agreed.
4. We confirmed the December 31, 2015 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2015 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

### **Cash (Continued)**

6. We tested interbank account transfers occurring in December of 2015 and 2014 to determine if they were properly recorded in the accounting records and on each bank statement. We found no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2015 and one from 2014:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Detail Report to determine whether it included two real estate tax receipts for 2015 and 2014. We noted the Receipts Detail Report included the proper number of tax receipts for each year.
3. We selected the only three receipts from the State Distribution Transaction Lists (DTL) from 2015 and the only three from 2014. We also selected five receipts from the Tuscarawas County Vendor Audit Trail Reports from 2015 and five from 2014.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

### **Debt**

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2013.
2. We inquired of management, and scanned the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. We noted no new debt issuances, nor any debt payment activity during 2015 or 2014.

### **Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for all four employees from 2015 and one payroll check for all four employees from 2014 from the Payment Register Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Payment Register Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minutes record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.

**Payroll Cash Disbursements (Continued)**

2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	1/31/16	12/30/15	\$1,050	\$1,050
State income taxes	1/15/16	12/31/15	\$62	\$62
OPERS retirement	1/30/16	12/30/15	\$594	\$594

3. For the pay periods ended April 27, 2015 and October 27, 2014, we recomputed the allocation of the Trustees' salaries to the General and Gasoline Tax Funds per the Payment Detail Report.

Ohio Rev. Code § 505.24(C) sets forth the method by which Township Trustees' compensation should be allocated. Trustee salary is required to be paid from the Township General Fund or from other Township funds in such proportions as the Board may specify by resolution. Each Trustee must certify the percentage of time spent working on matters to be paid from the Township General Fund and from other Township funds in such proportions as the kind of services performed. In 2014 and 2015 while payroll certifications were prepared and a resolution was approved, the monthly certifications maintained by the Trustees documented their hours logged per fund worked rather than by percentages. The number of hours logged per the certification each month showed more hours documented in the Gasoline Tax Fund than the amount paid from the Gasoline Tax Fund. More hours were paid from the General Fund. The Trustees should implement practices to ensure compliance with Ohio Rev. Code § 505.24 by ensuring their certifications are documented as percentages.

4. For the pay periods described in the preceding step, we traced the Trustees' salary for time or services performed to supporting certifications the Revised Code requires. An exception was noted. See #3 above.
5. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if Township employees and/or Trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60 and 505.601 and federal regulations.

**Non-Payroll Cash Disbursements**

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2015 and ten from the year ended 2014 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

### Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources* required by Ohio Rev. Code § 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Motor Vehicle License Tax, and the Gasoline Tax Funds for the years ended December 31, 2015 and 2014. The amounts did not agree to the amounts recorded in the accounting system in 2015. For 2015, the Revenue Status Report recorded budgeted (i.e., certified) resources of \$55,052 for the General Fund, \$12,018 for the Motor Vehicle License Tax Fund, and \$86,590 for the Gasoline Tax Fund. However, the final *Amended Official Certificate of Estimated Resources* reflected \$65,440, \$12,563, and \$88,661, respectively. The amounts did not agree to the amounts recorded in the accounting system, except for the Motor Vehicle License Tax Fund in 2014. For 2014, the Revenue Status Report recorded budgeted (i.e., certified) resources of \$51,903 and \$95,834 for the General and Gasoline Tax Funds, respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$52,903 and \$94,834, respectively. The Fiscal Officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the Amended Official Certificate of Estimated Resources to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We scanned the minutes for the approved appropriation measures adopted for 2015 and 2014 to determine whether, for the General, Gasoline Tax and Road and Bridge Funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code § 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code §§ 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2015 and 2014 for the following funds: General, Gasoline Tax, and Road and Bridge. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report with the exception of the Road & Bridge Fund in 2015. The resolution reflected approved appropriations of \$75,338; however, the Appropriations Status Report reflected \$76,516.
4. Ohio Rev. Code §§ 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Road and Bridge Funds for the years ended December 31, 2015 and 2014. We noted the Road and Bridge Fund appropriations for 2015 exceeded certified resources by \$1,178, contrary to Ohio Rev. Code § 5705.39. The Trustees should not pass appropriations exceeding certified resources. Allowing this to occur could cause the Township to incur fund balance deficits.
5. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, Gasoline Tax and Road and Bridge Funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code § 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Detail Report for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code § 5705.09 would require the Township to establish a new fund.

### **Compliance – Budgetary (Continued)**

7. We scanned the 2015 and 2014 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$10 which Ohio Rev. Code §§ 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which § 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code § 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Cash Summary by Fund Report for the years ended December 31, 2015 and 2014 for negative cash fund balances. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having negative cash fund balances.

### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if the Township proceeded by force account (i.e., used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code § 5575.01 requires the County Engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the County Engineer to complete a force account cost estimate.

### **Other Compliance**

Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Township filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions noted.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
