*SUPPLEMENTAL REPORT*

FOR THE YEAR ENDED  
DECEMBER 31, 2015

**RAYMOND FLICKINGER, DIRECTOR OF FINANCE**

# Dave Yost • Auditor of State

City Council  
City of Barberton  
104 Third St NW  
Barberton, OH 44203

We have reviewed the *Independent Auditor's Report* of the City of Barberton, Summit County, prepared by Julian & Grube, Inc., for the audit period January 1, 2016 through December 31, 2015. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The City of Barberton is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Dave Yost".

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS:**

- (A) The accompanying Schedule of Expenditures of Federal Awards (the Schedule) summarizes activity of the City's federal award programs. The Schedule has been prepared on the cash basis of accounting.
- (B) The City has established a revolving loan program to provide low-interest loans to businesses to create jobs for persons from low-moderate income households and to eligible persons to rehabilitate homes. The Federal Department of Housing and Urban Development (HUD) grants money for these loans to the City, passed through the Ohio Department of Development. The initial loan of this money is recorded as a disbursement on the accompanying Schedule of Expenditures of Federal Awards (the Schedule). Loans repaid, including interest, are used to make additional loans. Such subsequent loans are subject to certain compliance requirements imposed by HUD, but are not included as disbursements on the Schedule. These loans are collateralized by mortgages on the property. At December 31, 2015, the gross amount of loans outstanding under this program was \$1,787. The City did not issue any new loans during the year ended December 31, 2015.
- Activity in the CDBG revolving loan fund during 2015 is as follows:
- |  |                 |
|--|-----------------|
| Beginning loans receivable balance as of January 1, 2015 | \$ 5,164        |
| Loans Made   | -               |
| Loans Paid   | <u>(3,377)</u>  |
|  | <u>\$ 1,787</u> |
- (C) The City passes certain Federal awards received from various agencies to other governments or not-for-profit agencies (subrecipients). As Note A describes, the City reports expenditures of Federal awards to subrecipients when paid in cash. As a subrecipient, the City has certain compliance responsibilities, such as monitoring its subrecipients to help assure they use these subawards as authorized by laws, regulations, and the provisions of contracts or grant agreements, and that subrecipients achieve the award's performance goals.
- (D) CFR Section 200.414 of the Uniform Guidance allows a non-federal entity that has never received a negotiated indirect cost rate to charge a de minimis rate of 10% of modified total direct costs to indirect costs. The City has not elected to use the 10% de minimis indirect cost rate.

### **Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards***

City of Barberton  
Summit County  
576 West Park Avenue, Room 106  
Barberton, Ohio 44203

To the Members of Council and Mayor:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Barberton, Summit County, as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the City of Barberton's basic financial statements and have issued our report thereon dated June 28, 2016, wherein we noted as discussed in Note 3, the City of Barberton adopted Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27* and No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68*.

#### ***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the City of Barberton's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the City of Barberton's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the City of Barberton's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Members of Council and Mayor  
City of Barberton

***Compliance and Other Matters***

As part of reasonably assuring whether the City of Barberton's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the City of Barberton's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the City of Barberton's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in cursive script that reads "Julian & Grube, Inc." The signature is written in dark ink and is positioned above the printed name of the firm.

**Independent Auditor's Report on Compliance With Requirements Applicable  
to the Major Federal Program and on Internal Control Over Compliance  
Required by *Uniform Guidance* and the Schedule of  
Expenditures of Federal Awards**

City of Barberton  
Summit County  
576 West Park Avenue, Room 106  
Barberton, Ohio 44203

To the Members of Council and Mayor:

***Report on Compliance for the Major Federal Program***

We have audited the City of Barberton's compliance with the applicable requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could directly and materially affect the City of Barberton's major federal program for the year ended December 31, 2015. The *Summary of Auditor's Results* in the accompanying schedule of findings identifies the City of Barberton's major federal program.

***Management's Responsibility***

The City of Barberton's Management is responsible for complying with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to opine on the City of Barberton's compliance for the City of Barberton's major federal program based on our audit of the applicable compliance requirements referred to above. Our compliance audit followed auditing standards generally accepted in the United States of America; the standards for financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). These standards and the Uniform Guidance require us to plan and perform the audit to reasonably assure whether noncompliance with the applicable compliance requirements referred to above that could directly and materially affect a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Barberton's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our compliance opinion on the City of Barberton's major program. However, our audit does not provide a legal determination of the City of Barberton's compliance.

***Opinion on the Major Federal Program***

In our opinion, the City of Barberton complied, in all material respects with the compliance requirements referred to above that could directly and materially affect its major federal program for the year ended December 31, 2015.

Members of Council and Mayor  
City of Barberton

***Report on Internal Control Over Compliance***

The City of Barberton's management is responsible for establishing and maintaining effective internal control over compliance with the applicable compliance requirements referred to above. In planning and performing our compliance audit, we considered the City of Barberton's internal control over compliance with the applicable requirements that could directly and materially affect a major federal program, to determine our auditing procedures appropriate for opining on each major federal program's compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not to the extent needed to opine on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the City of Barberton's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program's applicable compliance requirement. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with federal program's applicable compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This report only describes the scope of our internal control over compliance tests and the results of this testing based on Uniform Guidance requirements. Accordingly, this report is not suitable for any other purpose.

***Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance***

We have also audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Barberton as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the City of Barberton's basic financial statements. We issued our unmodified report thereon dated June 28, 2016, wherein we noted as discussed in Note 3, the City of Barberton adopted Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27* and No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68*. We conducted our audit to opine on the City of Barberton's basic financial statements as a whole. The accompanying schedule of expenditures of federal awards presents additional analysis required by the Uniform Guidance and is not a required part of the basic financial statements. The schedule is management's responsibility, and was derived from and relates directly to the underlying accounting and other records management used to prepare the basic financial statements. We subjected this schedule to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this schedule directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, this schedule is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

# City of Barberton

Finance Department

---

June 28, 2016

To the Citizens of Barberton,  
Honorable Mayor and Members of City Council,  
City of Barberton, Ohio

The Comprehensive Annual Financial Report (CAFR) of the City of Barberton, Ohio (City) is hereby presented. This CAFR represents the official report of the City of Barberton's operations and financial position for the year ended December 31, 2015, and has been developed to accurately detail the status of the City finances to Barberton residents and elected officials, investment banks and underwriters and all other interested parties. This report is presented in compliance with Governmental Accounting Standards Board (GASB) Statement No. 34, "Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments". It is intended to provide all pertinent and necessary information to the citizens of Barberton.

Responsibility for the accuracy of the data contained herein, for the completeness and fairness of the presentation and for all disclosure rests with the City's management. To the best of the City's knowledge, the financial and other data contained in this report fairly present the financial position and results of operations of the City. All necessary disclosures to enable the citizens and other readers to understand the City's financial activities are included in this report.

The City is responsible for establishing and maintaining an internal control structure designed to protect its assets from loss, theft or misuse. Furthermore, the accounting system must be adequate to allow for the preparation of financial statements in conformity with generally accepted accounting principles. The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived and that the valuation of costs and benefits requires estimates and judgments by management.

The City is required by state law to have an annual financial and compliance audit performed by the Auditor of State's Office or his/her designee. The City continues to receive an unqualified opinion. The Independent Accountants' Report on the City's financial statements is included in the Financial Section of this report.

As a part of the City's independent audit, tests are made to determine the adequacy of the internal control structure, including that portion related to federal financial assistance programs, as well as to determine that the City has complied with applicable laws and regulations. The results of the City's independent audit for the year ended December 31, 2015 provided no instances of material weaknesses in the internal control structure or significant violations of applicable laws and regulations.

This transmittal letter is designed to provide historical information about the City, as well as compliment the required Management's Discussion and Analysis (MD&A). Generally accepted accounting principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements. The City's MD&A, which focuses on the government-wide statements, can be found immediately following the Independent Accountants' Report.

## Community Profile

The City of Barberton is located in northeast Ohio, adjacent to the City of Akron and approximately 75 miles south of Cleveland. Incorporated in 1891, Barberton operates under a charter form of government which was adopted by its voters in 1973. The City is governed by an elected Mayor and a nine-member City Council. Founded by industrialist Ohio Columbus Barber, Barberton earned the nickname of the Magic City because of its early rapid growth. Today, Barberton covers an area of approximately nine square miles and is the fourth largest city in Summit County with a population of approximately 26,800.

The City provides a full range of municipal services mandated by statute or charter, including police and fire protection, parks, recreation, street maintenance, planning, zoning and other general government services. Health services are provided by the Summit County Health Department. In addition, water, sanitary sewer, storm water management and solid waste disposal services are provided under the enterprise fund concept with user charges set to ensure adequate coverage of operating expenses, payments on outstanding debt and adequate infrastructure maintenance, repair and replacement and expansion.

## Economic Condition and Outlook

### *Local Economy*

The City's economy has historically been associated with the manufacturing industry. Major industries with headquarters or divisions within Barberton's boundaries include manufacturers of fossil fuel and nuclear power generating equipment, automobile components, energy products management systems and producers of chemical products. The City's largest employer accounts for approximately 15 percent of the City's total income tax collections.

Employment in the City has been relatively steady over the last several years. Employment levels have remained between 11,800 and 12,100 over the last six years after falling from a high of 12,900 in 2006 and 2007.

#### Civilian Labor Force Estimates

December 2015 <u>Area Name</u>	Civilian <u>Labor Force</u>	<u>Employment</u>	<u>Unemployment</u>	Unemployment <u>Rate</u>
Barberton	12,800	12,100	700	5.5
Summit County	274,700	261,600	13,000	4.7
Ohio Seasonally Adjusted	5,694,000	5,421,000	273,000	4.8
U.S. Seasonally Adjusted	157,833,000	149,929,000	7,904,000	5.0

Source: Ohio Department of Jobs and Family Services

Due to the continuing slow economic recovery throughout Ohio and the nation, the City will continue to have difficulty balancing its budget for the near future. Income tax, the City's largest source of General Fund operating revenue, continued to remain stagnant, though showing signs of slight recovery. State of Ohio budget reductions have resulted in cuts to local government support such as the local government fund subsidy. Personal services costs (wages and benefits) are driven by bargaining unit contracts and health care costs. Operating costs, such as fuel, electric and gas power costs continue to be a growing burden. Infrastructure (streets, waterlines, sewer lines and storm water construction), vehicles (police cruisers and snow plows, for example), and other capital replacement requirements are ongoing.

Real property assessed values have begun to recover after dropping off from \$396.7 million in tax year 2008 to \$336.2 million in tax year 2014. General Fund real property tax cash collections have fallen from \$1.021 million in 2008 to \$836,130 in 2015.

Despite the budgetary challenges over the last several years, there are development projects taking place that are intended to help restore Barberton's long-term economic stability. The Barberton Community Development Corporation (BCDC) is a tax exempt, non-political agency founded for the purpose of enhancing the City's tax base by providing opportunities to create or retain jobs in the City of Barberton. The BCDC, through business financing, gap loans, construction of infrastructure and redevelopment projects have assisted over 250 businesses, facilitating over \$100 million in private sector investment. The Barberton Community Foundation invests up to \$4 million in a revolving loan fund administered by BCDC. The BCDC, in collaboration with the City and the Barberton Community Foundation (BCF) have retained or created more than 3,000 jobs generating more than \$1.5 million annually in income and property taxes.

In October of 2011, the BCDC was awarded \$1,000,000 from the Small Business Administration to assist businesses in the City of Barberton. Within a two-year period of time, the BCDC had loaned almost the full \$1,000,000 of the available SBA funds.

The City Planning Department with Clean Ohio Assistance Fund ("COAF") assistance conducted asbestos abatement and other clean-up along with an environmental assessment of the former Seiberling Industrial property. The City and the Barberton Land Improvement Company (BLIC) are partnering to redevelop the property into commercial or industrial end uses. The BLIC, a wholly owned subsidiary of the BCDC acquired the former Seiberling Tire and Rubber Company property in February 2012. Since the acquisition, the BLIC has started renovations to the 400,000 plus square foot facility and has successfully executed six leases. Once fully renovated, the City of Barberton will have ample office and manufacturing space available to accommodate the needs of area businesses as they expand. To date, approximately \$2.5 million has been invested in the facility. Through the BCDC business attraction efforts, there are 9 leases at the property and additional space is available for future growth.

In September of 2011, the BCDC launched the Barberton Growth Fund in partnership with JumpStart Inc. (a national economic development non-profit). The fund is designed to assist start-up companies in new and emerging technologies. To date, three companies have utilized the funds and have begun operations within the city. A second round of funding has been launched and has generated interest from six new companies.

In 2013, the BLIC acquired the former Shamrock motel and nightclub. Both structures have been razed and the land is being held for future development.

In 2014, Mayor William Judge proposed and City Council approved a new "Business Incentive Program". The program offers monetary incentives to businesses occupying new and or existing industrial, commercial, or retail buildings where such occupancy creates new jobs and or eliminates blight from the community to enhance economic development and saves or creates new jobs. Funding comes from income tax revenues and may include Barberton Community Foundation grants.

### ***Long-Term Financial Planning***

The City had been able to begin rebuilding its Emergency Reserve Fund monies despite the loss of revenues the last few years with a number of one-time or unexpected revenues as well as various cost-cutting measures. Although the City continues to pursue grants and low-interest loans for capital improvements, with reduced operating reserves the City has been required to raise user charges, license and permit fees as well as cutting expenses. An example of this effort is that the full-time staffing levels have been reduced from 247 full-time employees in 2006 to 206 at the end of 2015. The result of the staffing reductions and other cuts has helped minimize expenditure growth in the General Fund, the City's major (non-utility) operating fund.

### ***Major Initiatives***

At the November 2013 general election the Citizens of Barberton approved a one-quarter of a percent increase in the city income tax. The additional revenue (11.00% of total income tax receipts) is restricted to paving and reconstructing streets. The increase raised approximately \$1.115 million in 2014 and \$1.413 million in 2015 for street improvements.

A major reconstruction of 31<sup>st</sup> Street between Wooster Road West and City of Norton Corporation limit has been under way including an Ohio Public Works Commission (OPWC) no interest loan to help finance the waterline portion. At December 31, 2014 the waterline portion, estimated at \$2.164 million, was substantially completed. The roadway reconstruction portion continued through 2015. Roadway funding includes an OPWC grant and ODOT reimbursements for engineering costs, right-of-way and easement expenses and direct construction contractor payments. The project is estimated at \$4.38 million with a completion date of March 2016.

The City applied for and was awarded an Ohio EPA Water Supply Revolving Loan Account (WSRLA) loan in an amount not to exceed \$4,000,000 for replacing two water storage tanks and painting another. The loan approved included a 20% principal forgiveness. Construction began in 2012 and was substantially completed in 2014.

Construction began on the Snyder Avenue (sewage) Pump Station financed by a low interest loan by Ohio EPA and the Ohio Water Development Authority (OWDA) through the Ohio Water Pollution Control Fund. Costs are estimated at \$2.4 million.

Design work has also been completed on additional sewage plant improvements financed with a 20-year, low interest loan, also through OWDA. This project is estimated at approximately \$2.8 million.

OWDA and the EPA are also funding with a low interest loan the improvements to the water intake structure and equipment at the Wolf Creek Reservoir. The project is expected to cost approximately \$3.24 million with \$790,000 in loan forgiveness (an EPA grant). The balance of \$2.45 million will be repaid by the City with water user charges over a 30-year period beginning July of 2015.

On November 25, 2013 the City of Barberton, Copley Township and the City of Norton entered into an agreement for the purpose of creating a shared dispatch safety service center. The Southwest Summit Council of Governments was created to share in the costs of operating and maintaining the dispatch center with the expectation that sharing the services will result in lower dispatch costs and improved service for each member community. Operation of the center began January 2014. Dispatch employees of each organization were hired by the Southwest Summit Communications Center (SWSCOM). Each organization contributed equally to equip and start up the center. Since operational, each member is billed quarterly for their share of the budgeted expenditures. The City of Barberton's share was \$819,293 for 2015 operations.

Construction began on Highlands Development in 2015. Built on the site of the former Highland Junior High School, the development covers one block. 10 homes are under construction. Houses are expected to be priced in the \$130,000 to \$140,000 range.

The City absorbed the City of Norton Building Department in 2015. This process not only eliminates duplication but allows for expanded services to businesses and residents.

In January of 2016, the City has agreed to purchase the City of Norton's sanitary sewer system from Summit County. The City has agreed to pay Summit County \$175,000 per year for ten years. The City of Barberton will own, operate and maintain the system. City of Norton customers will be billed and pay for costs of the sewer system.

### **Certificate of Achievement for Excellence in Financial Reporting**

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Barberton, Ohio for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended December 31, 2014. The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized comprehensive annual financial report, whose contents conform to program standards. Such a CAFR must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. The City of Barberton, Ohio, has received Certificates of Achievement for the last 25 consecutive years (1990-2014). We believe our current report continues to conform to the Certificate of Achievement program requirements and are submitting it to GFOA for award consideration.

### **Acknowledgements**

The publication of this report could not have been accomplished without the efforts of the Finance Department staff. I would also like to express my appreciation to the other city departments directly involved in the preparation of the report and every City employee and manager for their dedicated service to the Citizens of Barberton throughout the year.

Sincerely,

A handwritten signature in black ink, appearing to read "Raymond E. Flickinger, Jr.", written in a cursive style.

Independent Auditor's Report

City of Barberton  
Summit County  
576 West Park Avenue, Room 106  
Barberton, Ohio 44203

To the Members of Council and Mayor:

***Report on the Financial Statements***

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Barberton, Summit County, Ohio, as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the City of Barberton's basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the City of Barberton's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the City of Barberton's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Barberton, Summit County, Ohio, as of December 31, 2015, and the respective changes in financial position and, where applicable, cash flows thereof and budgetary comparison for the General thereof for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

### ***Emphasis of Matter***

As discussed in Note 3 to the financial statements, during the year ended December 31, 2015, the City of Barberton adopted Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27* and also GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB Statement No. 68*. We did not modify our opinion regarding this matter.

### ***Other Matters***

#### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis* and schedules of net pension liabilities/net pension assets and pension contributions, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

#### ***Supplementary and Other Information***

Our audit was conducted to opine on the City of Barberton's basic financial statements taken as a whole.

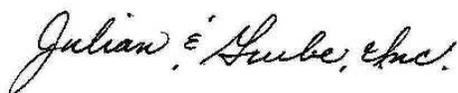

The introductory section, the financial section's combining statements, individual fund statements and schedules and the statistical section information present additional analysis and are not a required part of the basic financial statements.

The statements and schedules are management's responsibility, and derive from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. We subjected these statements and schedules to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling statements and schedules directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves in accordance with auditing standards generally accepted in the United States of America. In our opinion, these statements and schedules are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

We did not subject the introductory section and statistical section information to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion or any other assurance on them.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2016, on our consideration of the City of Barberton's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Barberton's internal control over financial reporting and compliance.

## CITY OF BARBERTON, OHIO

### MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)

The management's discussion and analysis for the City of Barberton's financial statements provides an overview of the City's financial activities as of December 31, 2015. The intent of this discussion is to provide a narrative that helps to explain and describe the City's financial performance as a whole. To obtain a more detailed understanding, please review the transmittal letter, the notes to the basic financial statements and the basic financial statements in conjunction with this analysis. The Statistical Section can also provide valuable current and historical information.

#### Financial Summary

The financial summary for 2015 follows:

- The total assets and deferred outflows of the City of Barberton exceeded its liabilities and deferred inflows of resources at December 31, 2015 by \$66,256,404 (net position). Of this amount, \$5,804,061 is considered restricted for various purposes such as capital projects, debt service and other restrictions. Another \$61,833,682 is invested in capital assets and the remaining unrestricted net position is a deficit of \$1,381,339.
- Total net position increased \$3,425,804 as a result of this year's operations. Net position of business-type activities increased \$1,023,830, or 2.28 percent, while the net position of governmental activities increased \$2,401,974, or 13.40 percent.
- The total cost of the City's service programs was \$36,362,773, while the total revenues were \$39,788,577. Of these amounts the governmental activities represented \$23,054,643 (63.40%) of the expenses and \$25,456,617 (63.98%) of the revenues. The business-type activities represented the remaining \$13,308,130 (36.60%) of expenses and \$14,331,960 (36.02%) of revenues.
- At the end of 2015, the fund balance for the general fund was \$4,483,089 on a modified accrual basis. This balance provides the City with the equivalent of 104 working days of expenditures.

#### Using this Comprehensive Annual Financial Report

This report consists of a series of financial statements and explanatory notes to those statements. These statements are prepared and organized in a manner that allows the reader to look at the financial activities of the City of Barberton as a whole and also allows the reader to obtain a more detailed view of specific city operations, if they prefer.

The statement of net position and the statement of activities provide information from a summary perspective showing the results of the operations for the year 2015 and how they impacted the financial condition of the City as a whole.

Fund financial statements provide the next level of detail. For governmental funds, these statements show how services were financed in the short-term as well as what dollars remain for future spending. The fund financial statements also look at the City's most significant funds with all other nonmajor funds presented in total in one column.

#### Reporting the City of Barberton as a Whole

##### *Statement of Net Position and Statement of Activities*

The statement of net position and the statement of activities provide summary information concerning the financial position and operations of the City as an entity. They provide a good resource for an overall evaluation of the City's financial performance "on one page." These statements include all non-fiduciary assets, liabilities and deferred inflows and outflows of resources using the accrual basis of accounting. This method takes into account all revenues when they are earned and all expenses when they are incurred. These transactions are booked when they occur and not when the actual cash is received for revenues or when invoices are paid for expenses.

## CITY OF BARBERTON, OHIO

### MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)

From the statement of net position, you can determine what the City's current financial position is by subtracting total liabilities and deferred inflows of resources (what the City owes) from total assets and deferred outflows of resources (what the City owns). Over time, increases or decreases in the City's net position are one indicator of whether the City's financial health is improving or deteriorating. From the statement of activities, the reader can determine the cost of various government services and how much of that cost is financed by taxpayers, where the City gets its money from and how it is used, whether the City is better or worse off financially and why, and will the City be able to finance services in the future. Other non-financial factors such as changes in the City's property tax base, income tax base and the condition of the City's capital assets should also be considered when assessing the overall financial health of the City.

#### **Reporting on the Most Significant Funds of the City of Barberton**

##### *Fund Financial Statements*

The analysis of the City's major funds begins on page 10. Fund financial reports give a detailed accounting of the activities within the funds. The City currently has 55 funds, as presented in this report. These funds are in existence to provide a multitude of services to the citizens of Barberton. For example, some funds provide for police and fire protection, street repair and maintenance as well as water, sewer, storm water and solid waste disposal services. In addition, a number of funds serve a variety of other purposes ranging from accounting for the City's construction of capital and infrastructure assets to providing health care benefits to the City's employees. Each fund is in some ways an entity unto itself. Each fund has a designated revenue stream and specific uses for the monies within the fund.

In this report, the focus is on five major funds, the general fund, the street capital improvement fund, the water fund, the sewer fund and the solid waste fund.

##### *Governmental Funds*

All of the City's major activities (excluding the utilities) are reported in the governmental funds, which focus on how money flows into and out of these funds and also depicts the balances available for future expenditures. These funds are reported using an accounting method called modified accrual accounting. This method reports cash and like-cash items and shows the level of financial resources that are available to provide general government services in the near future. Examples of these services include police and fire protection, operations of the Municipal Court and street and park maintenance. The relationship (or difference) between governmental activities (reported in the statement of net position and the statement of activities) and the governmental funds is reconciled in the financial statements.

##### *Proprietary Funds*

Proprietary funds use the same basis of accounting as business-type activities; therefore, these statements will essentially match, except for any internal service fund allocations.

##### *Fiduciary Funds*

Agency funds are used to account for resources held for the benefit of parties outside the City. Agency funds are not reflected on the government-wide financial statements because the resources from those funds are not available to support the City's programs. The accounting method used for fiduciary funds is much like that used for the proprietary funds.

**CITY OF BARBERTON, OHIO**

*MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2015  
(UNAUDITED)*

**Statement of Net Position**

As noted earlier, the statement of net position looks at the City as a whole and therefore, can be a useful indicator of the City's financial position. The table below provides a summary of the City's net position for 2015 compared to 2014. The 2014 net position has been restated as detailed in Note 3.A in the notes to the basic financial statements.

	Governmental Activities		Business-Type Activities		Total	
	2015	Restated 2014	2015	Restated 2014	2015	Restated 2014

Total net position	\$ 20,328,979	\$ 17,927,005	\$ 45,927,425	\$ 44,903,595	\$ 66,256,404	\$ 62,830,600

During 2015, the City adopted Governmental Accounting Standards Board (GASB) Statement 68, "Accounting and Financial Reporting for Pensions—an Amendment of GASB Statement 27" and GASB Statement 71, "Pension Transition for Contributions Made Subsequent to the Measurement Date - An Amendment of GASB Statement No. 68" which significantly revises accounting for pension costs, liabilities and assets. For reasons discussed below, many end users of this financial statement will gain a clearer understanding of the City's actual financial condition by adding deferred inflows related to pension and the net pension liability to the reported net position and subtracting deferred outflows related to pension and the net pension asset.

## CITY OF BARBERTON, OHIO

### MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)

Governmental Accounting Standards Board standards are national and apply to all government financial reports prepared in accordance with generally accepted accounting principles. When accounting for pension costs, GASB 27 focused on a funding approach. This approach limited pension costs to contributions annually required by law, which may or may not be sufficient to fully fund each plan's *net pension liability*. GASB 68 takes an earnings approach to pension accounting; however, the nature of Ohio's statewide pension systems and state law governing those systems requires additional explanation in order to properly understand the information presented in these statements.

Under the new standards required by GASB 68, the net pension liability equals the City's proportionate share of each plan's collective:

1. Present value of estimated future pension benefits attributable to active and inactive employees' past service
2. Minus plan assets available to pay these benefits

GASB notes that pension obligations, whether funded or unfunded, are part of the "employment exchange" – that is, the employee is trading his or her labor in exchange for wages, benefits, and the promise of a future pension. GASB noted that the unfunded portion of this pension promise is a present obligation of the government, part of a bargained-for benefit to the employee, and should accordingly be reported by the government as a liability since they received the benefit of the exchange. However, City is not responsible for certain key factors affecting the balance of this liability. In Ohio, the employee shares the obligation of funding pension benefits with the employer. Both employer and employee contribution rates are capped by State statute. A change in these caps requires action of both Houses of the General Assembly and approval of the Governor. Benefit provisions are also determined by State statute. The employee enters the employment exchange with the knowledge that the employer's promise is limited not by contract but by law. The employer enters the exchange also knowing that there is a specific, legal limit to its contribution to the pension system. In Ohio, there is no legal means to enforce the unfunded liability of the pension system *as against the public employer*. State law operates to mitigate/lessen the moral obligation of the public employer to the employee, because all parties enter the employment exchange with notice as to the law. The pension system is responsible for the administration of the plan.

Most long-term liabilities have set repayment schedules or, in the case of compensated absences (i.e. sick and vacation leave), are satisfied through paid time-off or termination payments. There is no repayment schedule for the net pension liability. As explained above, changes in pension benefits, contribution rates, and return on investments affect the balance of the net pension liability, but are outside the control of the local government. In the event that contributions, investment returns, and other changes are insufficient to keep up with required pension payments, State statute does not assign/identify the responsible party for the unfunded portion. Due to the unique nature of how the net pension liability is satisfied, this liability is separately identified within the long-term liability section of the statement of net position.

In accordance with GASB 68, the City's statements prepared on an accrual basis of accounting include an annual pension expense for their proportionate share of each plan's *change* in net pension liability not accounted for as deferred inflows/outflows.

As a result of implementing GASB 68, the City is reporting a net pension liability and deferred inflows/outflows of resources related to pension on the accrual basis of accounting. This implementation also had the effect of restating net position at December 31, 2014, for governmental activities from \$33,639,297 to \$17,927,005 and business-type activities from \$47,353,215 to \$44,903,595.

Total assets increased in 2015 by \$8,683,853 (7.91%). This increase is comprised of a \$2,948,277 (10.69%) increase in current assets and an increase of \$5,735,576 (6.97%) in capital assets. The increase in current assets is primarily related to increased cash as revenues exceeded expenses for the year. In addition, receivables, especially income taxes receivable, increased slightly compared to the prior year. The increase in net capital assets is mostly due to additions to the City's streets infrastructure and construction in progress for waterlines and a wastewater treatment plant.

**CITY OF BARBERTON, OHIO**

*MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2015  
(UNAUDITED)*

Total liabilities increased \$5,975,002 (12.44%) in 2015. Most of this increase is reflected in the long-term liabilities as the City issued long-term debt obligations to help finance various capital improvements. The City's net pension liability also increased, which is mostly due to an increase in the Ohio Police & Fire Pension Fund's net pension liability.

Total net position increased \$3,425,804 or 5.45%. The net investment in capital assets of \$61,833,682 represents the City's net capital assets, less any outstanding borrowings used to acquire those assets. Another \$5,804,061 represents net position that is restricted in use. The remaining balance of unrestricted net position is a deficit of \$1,381,339. The deficit is a result of reporting the City's share of the pension systems' net pension liability as a liability of the City. The City was able to decrease this deficit by \$1,600,820 or 53.68% in 2015.

**Statement of Activities**

The table below shows the changes in net position for fiscal years 2015 and 2014. The 2014 net position has been restated as described in Note 3.A.

	<b>Change in Net Position</b>

The information necessary to restate the 2014 beginning balances and the 2014 pension expense amounts for the effects of the initial implementation of GASB 68 is not available. Therefore, 2014 functional expenses still include pension expense of \$2,033,992 computed under GASB 27. GASB 27 required recognizing pension expense equal to the contractually required contributions to the plan. Under GASB 68, pension expense represents additional amounts earned, adjusted by deferred inflows/outflows. The contractually required contribution is no longer a component of pension expense. Under GASB 68, the 2015 statements report pension expense of \$2,171,502. Consequently, in order to compare 2015 total program expenses to 2014, the following adjustments are needed:

	Governmental Activities	Business-Type Activities
Total 2015 program expenses under GASB 68	\$ 23,054,643	\$ 13,308,130
Pension expense under GASB 68	(1,844,769)	(326,733)
2015 contractually required contributions	<u>1,674,716</u>	<u>350,352</u>
Adjusted 2015 program expenses	22,884,590	13,331,749
Total 2014 program expenses under GASB 27	<u>20,016,351</u>	<u>12,025,265</u>
Increase in program expenses not related to pension	<u>\$ 2,868,239</u>	<u>\$ 1,306,484</u>

*Governmental Activities*

The City's funding for governmental activities comes from a variety of sources, the most significant being the municipal income tax. The City levies an income tax of 2 and ¼ percent on all income earned within the City as well as on the income of residents earned outside of the City. In the latter case, the City allows a credit of 100 percent on the income taxes paid to another municipality by residents of Barberton, up to 2 and ¼ percent of the income. On a full accrual basis, the City received \$13,228,726 in income taxes revenue, or 51.97 percent of the total governmental revenues in 2015, compared to \$12,421,233 (53.95%) in 2014. City voters approved an additional ¼ of one percent levy for road improvements which became effective January 1, 2014.

## CITY OF BARBERTON, OHIO

### *MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)*

Intergovernmental revenue (i.e., state shared support) represents the City's second largest source of general revenue for the governmental activities. In 2015, the City received \$1,327,145 in unrestricted intergovernmental revenue or 5.21 percent of total revenues. The other main source of general revenue is property taxes, which accounted for 4.82 percent of total revenues in 2015.

Program revenues include charges for services and operating and capital grants and contributions that are restricted for specific purposes. Program revenues increased \$1,779,972 in 2015 compared to the prior year, mostly in the charges for services and capital grants and contributions categories. The increase in charges for services is primarily a result of fees received from the City's new vacant property registration program and also an increase in EMS transport fees. Capital grants and contributions increased significantly due to additional grant funding from various sources, mostly from the Ohio Department of Transportation, which the City is using to help finance streets infrastructure improvements.

The City's governmental activity expenses totaled \$23,054,643 in 2015, which represents an increase of \$3,038,292 or 15.18 percent from 2014. Public safety (police and fire protection) and general government (city council, mayor, finance, service director, etc.) represent the largest portion of governmental activities expenses at 47.90 percent and 25.85 percent, respectively. The majority of the increased expenses is reflected in the City's general government and transportation programs. Most of the increase in these expenses is a result of losses on the sale of land and streets infrastructure projects that are no longer being pursued by the City. The City began making payments on the new contract with the Southwest Summit Council of Governments to provide dispatch services, which also contributed to the increased general government expenses.

Public safety expenses totaled \$11,042,798 compared to \$10,867,615 in 2014, an increase of 1.61 percent. The public safety classification consists of the Police Department and the Fire Department. As of December 31, 2015, the City employed 38 full-time police officers and 43 full-time firefighters.

Expenses for community environment include those related to the community development block grant program and the State clean Ohio and neighborhood stabilization programs. These operations are primarily financed by direct charges to users and operating grants and contributions. In 2015, community environment expenses accounted for 6.41% of total governmental activities expenses, up slightly from 5.53% in 2014.

Transportation accounted for 13.64 percent of total governmental activities expenses. The transportation classification consists of the City's Street Department and the Paint and Signal Division. In addition, the City has several funds established that are used to pay private contractors for road resurfacing and general street maintenance. As of December 31, 2015, the City employed 10 full-time employees in the Street Department and one full-time employee in the Signal Division.

Leisure time activities expenses make up 5.87% of governmental activities expenses. These expenses include the City's recreation programs, parks maintenance, and the operations of the sports complex.

The statement of activities shows the cost of program services and the charges for services and grants offsetting those services. The following table shows, for governmental activities, the total cost of services and the net cost of services. That is, it identifies the cost of these services supported by tax revenue and unrestricted State grants and entitlements.

**CITY OF BARBERTON, OHIO**

*MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2015  
(UNAUDITED)*

	Total Cost of Services <u>2015</u>	Net Cost of Services <u>2015</u>	Total Cost of Services <u>2014</u>	Net Cost of Services <u>2014</u>
Program Expenses:				
General government	\$ 5,960,722	\$ 3,323,580	\$ 4,529,680	\$ 1,234,023
Public safety	11,042,798	10,080,004	10,867,615	9,308,275
Transportation	3,144,466	(977,095)	1,997,575	428,979
Community environment	1,478,578	85,733	1,106,684	168,287
Leisure time activities	1,353,380	1,028,892	1,380,232	1,083,364
Interest and fiscal charges	<u>74,699</u>	<u>74,699</u>	<u>134,565</u>	<u>134,565</u>
Total Expenses	<u>\$ 23,054,643</u>	<u>\$ 13,615,813</u>	<u>\$ 20,016,351</u>	<u>\$ 12,357,493</u>

The dependence upon general revenues for governmental activities is apparent, with 73.29 percent of expenses supported through taxes and other general revenues in 2015 and 61.74 percent in 2014.

*Business-Type Activities*

The City of Barberton Utility Department provides water, sewer, storm water and solid waste disposal (garbage collection) services. Sanitary sewer services are provided to approximately 10,709 customers in and around the Barberton area. Sewer billing rates are set by City Council based on the recommendation of the Service and Utilities Directors. In 2015, the rates were established at \$4.57 per thousand gallons of metered water for residential and commercial users. The sewer treatment plant was originally constructed in 1960 and then completely overhauled in 1988. The City has made several improvements to the plant since 1988 with additional upgrades in 2002 and 2012, and current improvement underway which are expected to be completed in 2016.

Water distribution and treatment services are provided to approximately 11,424 customers in and around the Barberton area. Water billing rates are set by the Service Director. In 2015, the rates were established at \$6.73 per thousand gallons for residential and commercial users. Over the past year, improvements and upgrades to the water treatment plant, distribution infrastructure and treatment process equipment have continued.

The City established a storm water management fund to account for storm drainage run-off maintenance, repair and replacement costs. Rates were established at and remain \$5.00 per parcel per month for residential properties. The City Engineer's office establishes rates for commercial and industrial users based on run-off surface areas.

The City also contracts for solid waste disposal (garbage collection). The City, in addition to billing and collecting garbage user fees, acts as an agent between the successful competitive bidder for pickup service and City customers. In 2015, the monthly rate charged was \$16.25.

Revenues for the business-type activities are derived primarily from user charges. In 2015, charges for services revenue of \$13,339,202 represents an increase of 3.59% from 2014. Total expenses for all the business-type activities were \$13,308,130 during 2015, compared to \$12,025,265 in 2014. Net position of the business-type activities increased \$1,023,830 or 2.28%.

**The City's Funds**

The City's governmental fund financial statements begin on page 18. Governmental funds are accounted for using the modified accrual method of accounting. All governmental funds had revenues and other financing sources of \$29,657,964 and expenditures and other financing uses of \$28,487,589.

## CITY OF BARBERTON, OHIO

### MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)

The general fund is the chief operating fund of the City of Barberton. During 2015, the City's general fund's fund balance increased \$282,552. General fund revenues in 2015 decreased \$618,752 or about 3.64% compared to 2014. The general fund's primary source of revenue is the municipal income tax, comprising 69.51 percent of total general fund revenues. Income tax revenues decreased slightly in 2015, by \$58,187 or 0.51%. The most significant decrease for the general fund was in intergovernmental revenues, which were down \$420,466 or 23.36% compared to 2014. This decrease is largely due to grants received in 2014 for construction of a connector bridge on the Ohio Erie Canal Towpath, a project which was completed in 2014. An increase in charges for services revenue of \$113,498 (8.41%) helped to offset the decline in other revenues for the general fund. This increase is primarily a result of increased EMS transport fees received.

In total, general fund expenditures in 2015 were essentially identical to 2014, decreasing only \$2,084. There were, however, some significant variances in the different expenditure categories, most notably in the general government, public safety and community environment programs. The decrease in public safety and the similar increase in general government is primarily a result of the City reclassifying how its dispatch services expenditures are reported. These expenditures were previously reported in the public safety function and are now reported as general government expenditures. Another significant change in general fund expenditures is a decrease in the community environment category. This is primarily due to the spending of additional grant monies in 2014 for the aforementioned towpath project.

The City's proprietary fund financial statements start on page 23. These funds are accounted for on an accrual basis. All enterprise funds had operating revenues of \$13,401,750 and operating expenses of \$12,490,044, resulting in operating income of \$911,706. This represents 6.80 percent of the total operating revenues compared to 13.98 percent in 2014. Operating revenues for both the water and solid waste funds were sufficient to meet the operating expenses in 2015, while the sewer and storm water funds experienced an operating loss. The water fund also received capital contributions of \$890,093 in 2015; these revenues are grants from the Ohio Water Development Authority and U.S. Army Corps of Engineers for water station improvements.

#### *Budgeting Highlights*

The City's budget is prepared according to the laws of the State of Ohio and is based on accounting for certain transactions on a cash basis for receipts, expenditures and encumbrances. The most significant budgeted fund is the general fund. The legal level of control is established by City Council at the personal services, operating and capital expenditure level for each department within the general fund and at the personal services, operating, and capital expenditures level for all other funds. Any budget modifications at these levels may only be made through an ordinance of City Council. City policy permits fund transfers within management control levels with the approval of the department head and the Director of Finance. During the course of 2015, City Council amended appropriations and department managers' adjusted budgets several times as needed to provide timely services.

In addition to monitoring fund balances on a daily basis, the Finance Department closely examines the budget through the preparation of monthly financial statements and budgetary analysis reports. Furthermore, line-item reports are reviewed on a regular basis by the Finance Director and the department heads to ensure the entire operation of the City is within the approved budget levels.

For the general fund, the 2015 original budgeted revenues were \$15,635,784. This was decreased slightly to \$15,280,335 in the final budget. The actual revenue collections were \$15,799,314. The variances between final budgeted and actual revenues is a function of the City's conservative budgeting process which is undertaken in an effort to keep operating costs at a minimum.

During 2015, the City increased general fund appropriations from \$16,525,054 in the original budget to \$16,993,835 in the final budget. The majority of this increase came as a result of additional budgeted capital outlays for fire department equipment and vehicles.

**CITY OF BARBERTON, OHIO**

*MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2015  
(UNAUDITED)*

Actual expenditures and other financing uses of \$15,934,592 were \$1,059,243 less than the final budget. Most general fund departments came in below budget in both personal services and operating costs which contributed to the positive variance in expenditures. The most notable variances were for the safety director department (\$234,477) and fire department (\$136,552).

Total capital assets for the year ended December 31, 2015 were \$87,994,136, which is an increase of \$5,735,576 or 6.97% from 2014. Total new asset additions were \$10,327,752, depreciation expense was \$3,945,793, and disposals, net of accumulated depreciation, were \$646,383. Please see Note 7 in the notes to the basic financial statements for more information regarding the City's capital assets.

*Debt*

Outstanding debt as of December 31, 2015 was \$26,048,036. This balance reflects an increase of \$3,932,848 from the prior year. New debt issues, mostly bond anticipation notes in the governmental activities and OWDA loans for the business-type activities, totaled \$7,212,554 in 2015 and debt retirements were \$3,279,706. Moody's Investors Service, Inc. has given the City a bond rating of Aa3.

## CITY OF BARBERTON, OHIO

### MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2015 (UNAUDITED)

Please see Notes 8 and 9 in the notes to the basic financial statements for more information regarding the City's debt.

#### **Economic Factors and the 2016 General Fund Budget**

Some of the economic trends impacting Barberton that were considered in developing the 2016 budget include the following:

- Barberton's seasonally adjusted unemployment rate for December 2015 was 5.5 percent, compared to 4.7 percent for Summit County and 4.8 percent for the State of Ohio.
- 2015 income tax revenue amounted to approximately \$13.23 million compared with \$12.42 million in 2014. Income tax receipts through March 2016 are 0.02 percent above April 2015 year to date collections.
- Barberton's assessed real property values have decreased approximately \$70.4 million, or about 17.8% since 2006. Real property values increased annually through 2008; however, since 2008 the assessed values have declined approximately \$72.6 million or 18.3%. The latest reappraisal occurred in 2014 and resulted in a decrease in real property values of approximately \$5.6 million or 1.6%.
- General fund budgeted revenues for 2016 are \$15,688,351 and budgeted expenditures are \$16,732,088.

Despite the City's cost cutting efforts over the last few years, balancing the budget for the foreseeable future will continue to be difficult. Other revenues such as shared support from the State are estimated to decline while personal services and operating costs such as fuel, electric and gas power continue to increase. Capital replacement continues to be difficult as federal and state grants are reduced or eliminated. As an alternative, the City has pursued and been awarded several no or low-interest state agency loans to assist in improving and maintaining its utility and some roadway infrastructure. It is anticipated that further cost containment efforts, service reductions, and/or revenue enhancement actions may be necessary through the remainder of 2016 and into 2017 and beyond.

#### **Request for Information**

This financial report is designed to provide our citizens, taxpayers, customers, investors and creditors with a general overview of the City's finances and to demonstrate accountability for the resources it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Department, 104 Third Street NW, Barberton, Ohio 44203 or you may call us at 330-848-6775.

*RECONCILIATION OF TOTAL GOVERNMENTAL FUND BALANCES TO  
NET POSITION OF GOVERNMENTAL ACTIVITIES  
DECEMBER 31, 2015*

<b>Total governmental fund balances</b>		\$ 11,043,830
<i>Amounts reported for governmental activities on the statement of net position are different because:</i>		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds.		31,986,850
Other long-term assets are not available to pay for current-period expenditures and therefore are deferred inflows of resources in the funds.		
Delinquent property taxes receivable	\$ 110,518	
Municipal income taxes receivable	946,457	
Intergovernmental receivable	591,707	
Accrued interest receivable	9,443	
Total	<hr/>	1,658,125
The net pension asset and net pension liability are not available to pay for current period expenditures and are not due and payable in the current period, respectively; therefore, the asset, liability and related deferred inflows/outflows are not reported in governmental funds.		
Net pension asset	21,180	
Deferred outflows of resources	2,509,346	
Deferred inflows of resources	(68,284)	
Net pension liability	(18,344,587)	
Total	<hr/>	(15,882,345)
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds.		
Compensated absences	(3,453,742)	
General obligation bonds payable	(1,762,835)	
Notes payable	(3,500,000)	
State infrastructure bank loan payable	(40,803)	
Capital lease obligation	(582,113)	
Total	<hr/>	(9,339,493)
On the statement of net position interest is accrued on outstanding bonds and loans payable, whereas in governmental funds interest is accrued when due.		(28,297)
Internal service funds are used by management to charge the costs of insurance to individual funds. The assets and liabilities of the internal service funds are included in governmental activities on the statement of net position.		753,651
An internal balance is recorded in governmental activities to reflect underpayments to the internal service funds by the business-type activities.		<hr/> 136,658
<b>Net position of governmental activities</b>		<hr/> <b>\$ 20,328,979</b>

**CITY OF BARBERTON, OHIO**

*RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES  
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES  
FOR THE YEAR ENDED DECEMBER 31, 2015*

**Net change in fund balances - total governmental funds** \$ 1,170,105

*Amounts reported for governmental activities in the statement of activities are different because:*

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays exceeded depreciation expense in the current period.

Capital asset additions	\$ 6,467,888	
Current year depreciation	(1,661,158)	
<b>Total</b>		<b>4,806,730</b>

Governmental activities only report the disposal of capital assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. (1,327,050)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

Delinquent property taxes	1,249	
Municipal income taxes	438,531	
Intergovernmental revenues	(59,399)	
Special assessments	(13,468)	
Investment income	6,431	
<b>Total</b>		<b>373,344</b>

Repayment of long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities on the statement of net position. 2,191,983

In the statement of activities, interest is accrued on outstanding bonds, loans and capital leases, whereas in governmental funds, an interest expenditure is reported when due. Higher interest expense is reported in the statement of activities due to the following:

Decrease in accrued interest payable	25,943	
Amortization of bond discounts	(827)	
<b>Total</b>		<b>25,116</b>

Proceeds from capital lease transactions and the issuance of notes is recorded as an other financing source in the governmental funds; however, in the statement of activities it is not reported as revenue as it increases liabilities on the statement of net position. (4,018,800)

Contractually required pension contributions are reported as expenditures in governmental funds; however, the statement of net position reports these amounts as deferred outflows. 1,674,716

Except for amounts reported as deferred inflows/outflows, changes in the net pension asset/liability are reported as pension expense in the statement of activities. (1,844,769)

Some expenses reported in the statement of activities, such as compensated absences, do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds. (160,853)

Internal service funds used by management to charge the cost of insurance, postage and gasoline to individual funds are not reported in the statement of activities. Governmental fund expenditures and the related internal service fund revenues are eliminated. The net revenues (expenses) of the internal service funds are allocated among the governmental activities. (488,548)

**Change in net position of governmental activities** \$ 2,401,974

## CITY OF BARBERTON, OHIO

### NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2015

#### NOTE 1 - DESCRIPTION OF THE CITY

The City of Barberton, Ohio (the “City”) was incorporated in 1891 under the laws of the State of Ohio. The City operates under a “Mayor-Council” form of government as provided by its charter adopted on November 6, 1973. Elected officials include nine Council members, Director of Finance, a Director of Law and a Mayor.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements (BFS) of the City have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to local governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial principles. The City’s significant accounting policies are described below.

##### A. Reporting Entity

A reporting entity is comprised of the primary government, component units and other organizations that are included to ensure that the financial statements are not misleading. The primary government of the City consists of all funds, departments, boards and agencies that are not legally separate from the City. For the City of Barberton this includes police, fire, municipal court, park and recreation department, water, sewage and sanitary services, street and sewer maintenance and any other departments or funds for which the nature and significance of their relationship with the City are such that exclusion would cause the financial statements to be misleading or incomplete.

Included as part of the City’s primary government in the determination of the City’s reporting entity is the Barberton Municipal Court (the “Court”). Although the Court’s territorial jurisdiction extends beyond the boundaries of the City and the Judges of the Court are separately elected, the Court’s operations are not legally separate from the City. In addition, the City is responsible for budgeting and appropriating funds for the operation of the Court and is ultimately responsible for any operating deficits sustained by the Court. The City’s share of the fines collected by the Court, along with its shares of the Court’s administrative and operating costs, is recorded in the City’s general fund.

Component units are legally separate organizations for which the City is financially accountable. The City is financially accountable for an organization if the City appoints a voting majority of the organization’s Governing Board and (1) the City is able to significantly influence the programs or services performed or provided by the organization; or (2) the City is legally entitled to or can otherwise access the organization’s resources; the City is legally obligated or has otherwise assumed the responsibility to finance deficits of, or provide financial support to, the organization; or the City is obligated for the debt of the organization. Component units may also include organizations for which the City approves the budget, the issuance of debt, or the levying of taxes. Certain organizations are also included as component units if the nature and significance of the relationship between the primary government and the organization is such that exclusion by the primary government would render the financial statements incomplete or misleading. The City has no component units.

The City participates in two related organizations, the Barberton Community Development Corporation and the Barberton Community Foundation. These organizations are described in Note 15 to the basic financial statements. The City participates in one jointly governed organization, the Southwest Summit Council of Governments. This organization is described in Note 16 to the basic financial statements.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**B. Basis of Presentation - Fund Accounting**

The City's BFS consist of government-wide statements, including a statement of net position and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

***Government-wide Financial Statements*** - The statement of net position and the statement of activities display information about the City as a whole. These statements include the financial activities of the primary government, except for fiduciary funds. The activities of the internal service funds are eliminated to avoid "doubling up" revenues and expenses. Interfund services provided and used are not eliminated in the process of consolidation. The statements distinguish between those activities of the City that are governmental and those that are considered business-type activities.

The statement of net position presents the financial condition of the governmental and business-type activities of the City at year-end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the City's governmental activities and for the business-type activities of the City. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program and interest earned on grants that is required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the City, with certain limited exceptions. The comparison of direct expenses with program revenues identifies the extent to which each business segment or governmental function is self-financing or draws from the general revenues of the City.

***Fund Financial Statements*** - During the year, the City segregates transactions related to certain City functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the City at this more detailed level. The focus of governmental and enterprise fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. The internal service funds are presented in a single column on the face of the proprietary fund financial statements. Fiduciary funds are reported by type.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operation. The principal operating revenues of the City's proprietary funds are charges for services. Operating expenses for the enterprise funds include personnel and other expenses related to sewer, water, storm water and solid waste operations and operating expenses for the internal service fund include claims and administrative expenses. All revenues and expenses not meeting these definitions are reported as nonoperating revenues and expenses.

The agency funds do not report a measurement focus as they do not report operations.

**C. Fund Accounting**

The City uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self balancing set of accounts. There are three categories of funds: governmental, proprietary and fiduciary.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

***Governmental funds*** - Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. Governmental fund assets and deferred outflows of resources less liabilities and deferred inflows of resources is reported as fund balance. The following are the City's major governmental funds:

*General fund* - The general fund is used to account for and report all financial resources not accounted for and reported in another fund. The general fund balance is available to the City for any purpose provided it is expended or transferred according to the charter of the City of Barberton and/or the general laws of Ohio.

*Street capital improvement fund* - This fund accounts for revenue from a 0.25% income tax levy which is restricted for road and street improvements.

Other governmental funds of the City are used to account for (a) financial resources that are restricted or committed to expenditures for capital outlays including the acquisition or construction of capital facilities and other capital assets, (b) specific revenue sources that are restricted or committed to an expenditure for specified purposes other than debt service or capital projects and (c) financial resources that are restricted or committed to expenditure for principal and interest.

***Proprietary funds*** - Proprietary fund reporting focuses on changes in net position, financial position and cash flows. Proprietary funds are classified as either enterprise or internal service.

*Enterprise funds* - The enterprise funds may be used to account for any activity for which a fee is charged to external users for goods or services. The following are the City's major enterprise funds:

*Water fund* - This fund accounts for revenues generated from the charges for the treatment and provisions of water to the residents and commercial users of the City.

*Sewer fund* - This fund accounts for the sanitary sewer services provided to the residents and commercial users of the City. The costs of providing these services are financed primarily through user charges.

*Solid waste fund* - This fund accounts for refuse and recycling collection services provided to residential users of the City.

The City's nonmajor enterprise fund accounts for storm drainage runoff services to City residents.

*Internal service funds* - The internal service funds account for the financing of services provided by one department or agency to other departments or agencies of the City on a cost-reimbursement basis. The City's internal service funds account for a self-insurance program for employee medical and surgical claims and the purchasing of central supplies such as gasoline and postage.

## CITY OF BARBERTON, OHIO

### NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2015

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

***Fiduciary funds*** - Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds and agency funds. Trust funds are used to account for assets held by the City under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the City's own programs. The City has no trust funds. The City's agency funds are purely custodial (assets equal liabilities) and thus do not involve measurement of results of operations. The City's agency funds account for deposits held by the City.

#### **D. Measurement Focus**

***Government-wide Financial Statements*** - The government-wide financial statements are prepared using the economic resources measurement focus. All non-fiduciary assets and deferred outflows of resources and all liabilities and deferred inflows of resources associated with the operation of the City are included on the statement of net position. The statement of activities presents increases (e.g. revenues) and decreases (e.g. expenses) in total net position.

***Fund Financial Statements*** - All governmental funds are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets, deferred outflows of resources, current liabilities and deferred inflows of resources generally are included on the balance sheet. The statement of revenues, expenditures and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the financial statements for governmental funds.

Like the government-wide statements, all proprietary funds are accounted for on a flow of economic resources measurement focus. All assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operation of these funds are included on the statement of net position. The statement of revenues, expenses, and changes in net position presents increases (i.e., revenues) and decreases (i.e., expenses) in total net position. The statement of cash flows provides information about how the City finances and meets the cash flow needs of its proprietary activities.

#### **E. Basis of Accounting**

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Government-wide financial statements are prepared using the accrual basis of accounting. Governmental funds use the modified accrual basis of accounting. Proprietary and agency funds also use the accrual basis of accounting. Differences in the accrual and modified accrual basis of accounting arise in the recognition of revenue, the recording of deferred inflows of resources and in the presentation of expenses versus expenditures.

***Revenues - Exchange and Nonexchange Transactions*** - Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, are recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. For the City, available means expected to be received within sixty days of year end.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

Nonexchange transactions, in which the City receives value without directly giving equal value in return, include income taxes, property taxes, grants, entitlements and donations. On an accrual basis, revenue from income taxes is recognized in the period in which the income is earned (See Note 6). Revenue from property taxes is recognized in the year for which the taxes are levied (See Note 6). Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. On a modified accrual basis, revenue from nonexchange transactions must also be available before it can be recognized.

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at year end: income tax, State-levied locally shared taxes (including gasoline tax, local government funds and permissive tax), fines and forfeitures, interest, grants and rentals.

*Deferred Outflows of Resources and Deferred Inflows of Resources* - In addition to assets, the government-wide statement of net position will report a separate section for deferred outflows of resources. Deferred outflows of resources, represents a consumption of net position that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until then. For the City, deferred outflows of resources have been reported for the following items related to the City's net pension liability: (1) the net difference between projected and actual investment earnings on pension plan assets, (2) the City's contributions to the pension systems subsequent to the measurement date and (3) differences between employer's contributions and the employer's proportional share of contributions.

In addition, deferred outflows of resources include a deferred charge on debt refunding. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, both the government-wide statement of net position and the governmental fund financial statements report a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time. For the City, deferred inflows of resources include property taxes and unavailable revenue. Property taxes represent amounts for which there is an enforceable legal claim as of December 31, 2015, but which were levied to finance 2016 operations. These amounts have been recorded as a deferred inflow of resources on both the government-wide statement of net position and the governmental fund financial statements. Unavailable revenue is reported only on the governmental funds balance sheet, and represents receivables which will not be collected within the available period. For the City unavailable revenue includes, but is not limited to, delinquent property taxes, income taxes and intergovernmental grants. These amounts are deferred and recognized as an inflow of resources in the period the amounts become available.

The City also reports deferred inflow of resources for the following items related to the City's net pension liability: (1) differences between expected and actual experience and (2) differences between employer's contributions and the employer's proportional share of contributions. These deferred inflows of resources are only reported on the government-wide statement of net position.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

*Expenses/Expenditures* - On the accrual basis of accounting, expenses are recognized at the time they are incurred.

The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of cost, such as depreciation and amortization, are not recognized in governmental funds.

**F. Budgetary Process**

All funds, except agency funds, are legally required to be budgeted and appropriated. Annual budgets were adopted for all City funds during 2015.

The major documents prepared are the alternative tax budget, the certificate of estimated resources, and the appropriations resolution, all of which are prepared on the budgetary basis of accounting. The tax budget demonstrates a need for existing or increased tax rates. The certificate of estimated resources establishes a limit on the amount Council may appropriate. The appropriations resolution is Council's authorization to spend resources and sets annual limits on expenditures plus encumbrances at the level of control selected by Council. The legal level of control has been established by Council at the personal services, operating, and capital expenditure level for all funds of the City. Any budget modifications at these levels may only be made through an ordinance of Council. Budgetary statements are presented beyond that legal level of control for information purposes only.

The certificate of estimated resources may be amended during the year if projected increases or decreases in revenue are identified by the Director of Finance. The amounts reported as the original budgeted amounts on the budgetary statements reflect the amounts on the certificate of estimated resources when the original appropriations were adopted. The amounts reported as the final budgeted amounts on the budgetary statements reflect the amounts on the amended certificate of estimated resources in effect at the time final appropriations were passed by Council.

The appropriation resolution is subject to amendment throughout the year with the restriction that appropriations cannot exceed estimated resources. The amounts reported as the original budgeted amounts reflect the first appropriation ordinance for that fund that covered the entire year, including amounts automatically carried forward from prior years. The amounts reported as the final budgeted amounts represent the final appropriation amounts passed by Council during the year.

**G. Cash, Cash Equivalents and Investments**

To improve cash management, cash received by the City is pooled. Monies for all funds, including proprietary funds, are maintained in this pool. Individual fund integrity is maintained through the City's records. Each fund's interest in the pool is presented as "equity in pooled cash and cash equivalents" and "investments" on the financial statements.

The City has segregated bank accounts for monies held separate from the City's central bank account. These interest bearing depository accounts are presented as "cash and cash equivalents in segregated accounts" since they are not required to be deposited into the City treasury.

During 2015, investments were limited to federal agency securities, U.S. Treasury notes, U.S. Treasury money market accounts, negotiable certificates of deposit, a repurchase agreement and the State Treasury Asset Reserve of Ohio (STAR Ohio).

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

Except for nonparticipating investment contracts, investments are reported at fair value which is based on quoted market prices. Nonparticipating investment contracts such as repurchase agreements are reported at cost.

STAR Ohio is an investment pool managed by the State Treasurer's Office which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in STAR Ohio are valued at STAR Ohio's shares price which is the price the investment could be sold for on December 31, 2015.

Investment procedures are restricted by the provisions of the Ohio Revised Code. Interest revenue credited to the general fund during 2015 amounted to \$75,418 which includes \$61,728 assigned from other City funds.

Investments with an original maturity of three months or less and investments of the cash management pool are presented on the financial statements as cash equivalents.

An analysis of the City's investment account at year end is provided in Note 4.

**H. Materials and Supplies Inventory**

Inventories are presented at cost on a first-in, first-out basis and are expended/expensed when used. Inventory consists of expendable supplies held for consumption.

**I. Restricted Assets**

Certain cash and cash equivalents are classified as restricted cash on the financial statements because these funds are being held by a trustee as designated by the bond indenture.

Restricted assets at December 31, 2015, were as follows:

Restricted assets held by the City	
Replacement and improvement	\$321,963

**J. Capital Assets**

General capital assets are those assets not specifically related to activities reported in the proprietary funds. These assets generally result from expenditures in the governmental funds. These assets are reported in the governmental activities column of the government-wide statement of net position, but are not reported in the fund financial statements. Capital assets utilized by the proprietary funds are reported both in the business-type activities column of the government-wide statement of net position and in the respective funds.

The City maintains a capitalization threshold of \$5,000. All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated capital assets are recorded at their fair market values as of the date received. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not. Interest incurred during the construction of capital assets is also capitalized for business-type activities.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

All reported capital assets are depreciated except for land and construction in progress. Improvements are depreciated over the remaining useful lives of the related capital assets. Useful lives for infrastructure were estimated based on the City's historical records of necessary improvements and replacement. Depreciation is computed using the straight-line method over the following useful lives:

<u>Description</u>	<u>Years</u>
Infrastructure	25 - 80
Buildings	10 - 40
Vehicles and equipment	3 - 25

The City's infrastructure consists of street subsystems, traffic signal subsystems, storm sewer lines, water lines and sewer lines. The City reports all infrastructure, including that acquired prior to 1980.

**K. Compensated Absences**

Vacation benefits are accrued as a liability as the benefits are earned if the employee's rights to receive compensation are attributable to services already rendered and it is probable that the City will compensate the employees for the benefits through paid time off or some other means. The City records a liability for accumulated unused vacation time when earned for all employees with more than one year of service.

Sick leave benefits are accrued as a liability using the vesting method. The liability includes the employees who are currently eligible to receive termination benefits and those the City has identified as probable of receiving payment in the future. The amount is based on accumulated sick leave and employees wage rates at year end, taking into consideration any limits specified in the City's termination policy. The City records a liability for accumulated unused sick leave for employees as soon as they are hired to work with the City.

For governmental fund financial statements, compensated absences are recognized as liabilities and expenditures as payments come due each period upon the occurrence of employee resignations and retirements. In proprietary funds, the entire amount of compensated absences is reported as a fund liability.

**L. Prepayments**

Payments made to vendors for services that will benefit periods beyond December 31, 2015, are recorded as prepaid items using the consumption method by recording a current asset for the prepaid amount at the time of the purchase and the expenditure/expense in the year in which services are consumed.

**M. Accrued Liabilities and Long-Term Obligations**

All payables, accrued liabilities and long-term obligations are reported in the government-wide financial statements, and all payables, accrued liabilities and long-term obligations payable from proprietary funds are reported on the proprietary fund financial statements.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources, are reported as obligations of the funds. However, claims and judgments, net pension liability and compensated absences that will be paid from governmental funds are reported as a liability in the fund financial statements only to the extent that they are due for payment during the current year. Bonds, loans, notes and leases are recognized as a liability on the governmental fund financial statements when due.

**N. Unamortized Bond Premiums and Discounts/Accounting Gain or Loss/Bond Issuance Costs**

Bond premiums and discounts are amortized over the term of the bonds using the straight-line method. Bond premiums are presented as an addition to the face amount of the bonds. Bond discounts are presented as a reduction to the face amount of the bonds.

For advance refundings resulting in the defeasance of debt, the difference between the reacquisition price and the net carrying amount of the old debt is deferred and amortized as a component of interest expense. This accounting gain or loss is amortized over the remaining life of the old debt or the life of the new debt, whichever is shorter, and is presented as a deferred inflow or outflow of resources on the statement of net position.

Bond premiums and discounts and gains/losses from refunding are recognized in the current period on the governmental fund financial statements. Bond issuance costs are expended/expensed when they occur.

**O. Interfund Balances**

On fund financial statements, receivables and payables resulting from short-term interfund loans to cover deficit cash balances are classified as “due to/from other funds”. These amounts are eliminated on the statement of net position, except for the net residual amount due between governmental and business-type activities which is presented as an internal balance.

**P. Interfund Activity**

Transfers between governmental and business-type activities on the government-wide statements are reported in the same manner as general revenues.

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/expenses in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds and after nonoperating revenues/expenses in proprietary funds. Repayments from funds responsible for particular expenditures/expenses to the funds that initially paid for them are not presented on the BFS.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**Q. Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

*Nonspendable* - The nonspendable fund balance classification includes amounts that cannot be spent because they are not in spendable form or legally required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash. It also includes the long-term amount of notes receivable in the general fund.

*Restricted* - Fund balance is reported as restricted when constraints are placed on the use of resources that are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments, or imposed by law through constitutional provisions or enabling legislation.

*Committed* - The committed fund balance classification includes amounts that can be used only for the specific purposes imposed by a formal action (ordinance) of City Council (the highest level of decision making authority). Those committed amounts cannot be used for any other purpose unless City Council removes or changes the specified use by taking the same type of action (ordinance) it employed to previously commit those amounts. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

*Assigned* - Amounts in the assigned fund balance classification are intended to be used by the City for specific purposes but do not meet the criteria to be classified as committed. City Council has by ordinance authorized the Director of Finance to assign fund balance. The Council may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year’s appropriated budget.

*Unassigned* - Unassigned fund balance is the residual classification for the general fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

The City applies restricted resources first when expenditures are incurred for purposes for which restricted and unrestricted (committed, assigned, and unassigned) fund balance is available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**R. Estimates**

The preparation of the BFS in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the BFS and accompanying notes. Actual results may differ from those estimates.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**S. Net Position**

Net position represents the difference between assets plus deferred outflows of resources less liabilities less deferred inflows of resources. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are limitations imposed on use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The City applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

**T. Contributions of Capital**

Contributions of capital in proprietary fund financial statements arise from contributions of capital assets, or from grants or contributions of resources restricted to capital acquisition and construction.

**U. Pensions**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the pension plans and additions to/deductions from their fiduciary net position have been determined on the same basis as they are reported by the pension systems. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. The pension systems report investments at fair value.

**NOTE 3 - ACCOUNTABILITY AND COMPLIANCE**

**A. Change in Accounting Principles/Restatement of Net Position**

For 2015, the City implemented GASB Statement No. 68, "Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27" and GASB Statement No. 71, "Pension Transition for Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68".

GASB Statement No. 68 improves the accounting and financial reporting by state and local governments for pensions. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. The implementation of GASB Statement No. 68 affected the City's pension plan disclosures, as presented in Note 11 to the financial statements, and added required supplementary information which is presented after the notes to the basic financial statements.

GASB Statement No. 71 improves the accounting and financial reporting by addressing an issue in GASB Statement No. 68, concerning transition provisions related to certain pension contributions made to defined benefit pension plans prior to implementation of that Statement by employers and nonemployer contributing entities.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 3 - ACCOUNTABILITY AND COMPLIANCE - (Continued)**

A net position restatement is required in order to implement GASB Statement No 68 and 71. The governmental activities and business-type activities at January 1, 2015 have been restated as follows:

	<u>Governmental Activities</u>
Net position as previously reported	\$ 33,639,297
Net pension asset	5,772
Deferred outflows - payments subsequent to measurement date	1,659,571
Net pension liability	<u>(17,377,635)</u>
Restated net position at January 1, 2015	<u>\$ 17,927,005</u>

	<u>Business-Type Activities</u>	<u>Water</u>	<u>Sewer</u>	<u>Solid Waste</u>	<u>Nonmajor Enterprise Fund</u>
Net position as previously reported	\$ 47,353,215	\$ 19,631,265	\$ 22,183,984	\$ 1,658,862	\$ 4,036,843
Net pension asset	4,747	2,597	1,674	117	359
Deferred outflows - payments subsequent to measurement date	374,421	204,812	132,021	9,240	28,348
Net pension liability	<u>(2,828,788)</u>	<u>(1,547,375)</u>	<u>(997,433)</u>	<u>(69,807)</u>	<u>(214,173)</u>
Restated net position at January 1, 2015	<u>\$ 44,903,595</u>	<u>\$ 18,291,299</u>	<u>\$ 21,320,246</u>	<u>\$ 1,598,412</u>	<u>\$ 3,851,377</u>

Other than employer contributions subsequent to the measurement date, the City made no restatement for deferred inflows/outflows of resources as the information needed to generate these restatements was not available. The restatement had no effect on governmental fund balances.

**B. Deficit Fund Balances**

Fund balances at December 31, 2015 included the following individual fund deficits:

<u>Nonmajor governmental funds</u>	<u>Deficit</u>
City grant	\$ 14,539
Community development block grant	100,256

These funds did not comply with Ohio State law, which does not permit a cash basis deficit at year end. The general fund is liable for any deficits in these funds and provides transfers when cash is required, not when accruals occur. The deficit fund balances resulted from advance spending of approved grant monies and adjustments for accrued liabilities.

**NOTE 4 - DEPOSITS AND INVESTMENTS**

State statutes classify monies held by the City into three categories:

Active deposits are public deposits necessary to meet current demands on the treasury. Such monies must be maintained either as cash in the City Treasury, in commercial accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 4 - DEPOSITS AND INVESTMENTS - (Continued)**

Inactive deposits are public deposits that Council has identified as not required for use within the current five year period of designation of depositories. Inactive deposits must either be evidenced by certificates of deposit maturing not later than the end of the current period of designation of depositories, or by savings or deposit accounts including, but not limited to, passbook accounts.

Interim deposits are deposits in interim monies. Interim monies are those monies which are not needed for immediate use, but which will be needed before the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificates of deposit maturing not more than one year from the date of deposit or by savings or deposit accounts including passbook accounts.

Protection of the City's deposits is provided by the Federal Deposit Insurance Corporation (FDIC), by eligible securities pledged by the financial institution as security for repayment, by surety company bonds deposited with the finance director by the financial institution or by a single collateral pool established by the financial institution to secure the repayment of all public monies deposited with the institution. Interim monies may be deposited or invested in the following securities:

1. United States Treasury Notes, Bills, Bonds, or any other obligation or security issued by the United States Treasury or any other obligation guaranteed as to principal or interest by the United States;
2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality including, but not limited to, the Federal National Mortgage Association, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, Government National Mortgage Association, and Student Loan Marketing Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;
3. Written repurchase agreements in the securities listed above provided that the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily, and that the term of the agreement must not exceed thirty days;
4. Bonds and other obligations of the State of Ohio;
5. No-load money market mutual funds consisting exclusively of obligations described in items 1 or 2 above, and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;
6. The State Treasurer's investment pool (STAR Ohio);
7. High grade commercial paper for a period not to exceed 180 days in an amount not to exceed twenty-five percent of the City's interim monies available for investment; and,
8. Bankers acceptances for a period not to exceed 180 days and in an amount not to exceed twenty-five percent of the City's interim monies available for investment.

The City may also invest any monies not required to be used for a period of six months or more in the following:

1. Bonds of the State of Ohio;
2. Bonds of any municipal corporation, village, county, township, or other political subdivision of this State, as to which there is no default of principal, interest or coupons; and,

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 4 - DEPOSITS AND INVESTMENTS - (Continued)**

3. Obligations of the City.

Investments in stripped principal or interest obligations, reverse repurchase agreements and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage and short selling are also prohibited. An investment must mature within five years from the date of purchase unless matched to a specific obligation or debt of the City, and must be purchased with the expectation that it will be held to maturity. Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the finance director or qualified trustee or, if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

**A. Deposits with Financial Institutions**

At December 31, 2015, the carrying amount of all City deposits was \$11,663,124. As of December 31, 2015, \$3,380,157 of the City's bank balance of \$12,216,241 was exposed to custodial risk as discussed below, while \$8,836,084 was covered by the FDIC.

Custodial credit risk is the risk that, in the event of bank failure, the City will not be able to recover deposits or collateral securities that are in the possession of an outside party. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits. Such collateral, as permitted by Ohio Revised Code, is held in collateral pools at Federal Reserve Banks, or at member banks of the Federal Reserve System, in the name of the depository bank and pledged as a pool of collateral against all public deposits held by the depository. The City has no deposit policy for custodial credit risk beyond the requirements of State statute. Although the securities were held by the pledging institutions' trust department and all statutory requirements for the deposit of money had been followed, noncompliance with federal requirements could potentially subject the City to a successful claim by the FDIC.

**B. Investments**

As of December 31, 2015, the City had the following investments and maturities:

Investment type	Fair Value	Investment Maturities				
		6 months or less	7 to 12 months	13 to 18 months	19 to 24 months	Greater than 24 months
FHLB	\$ 1,195,154	\$ 239,922	\$ 104,802	\$ -	\$ 352,735	\$ 497,695
FHLMC	4,352,838	400,036	-	124,969	523,556	3,304,277
FNMA	1,687,609	-	450,023	99,716	-	1,137,870
U.S. Treasury Notes	778,305	65,003	339,743	199,656	173,903	-
Negotiable CDs	2,839,103	1,239,943	-	619,787	-	979,373
STAR Ohio	259,524	259,524	-	-	-	-
Repurchase agreement	1,210,000	1,210,000	-	-	-	-
U.S. Treasury money market	23,827	23,827	-	-	-	-
<b>Total</b>	<b>\$ 12,346,360</b>	<b>\$ 3,438,255</b>	<b>\$ 894,568</b>	<b>\$ 1,044,128</b>	<b>\$ 1,050,194</b>	<b>\$ 5,919,215</b>

The weighted average maturity of investments is 2.08 years.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 4 - DEPOSITS AND INVESTMENTS - (Continued)**

*Interest Rate Risk:* The Ohio Revised Code generally limits security purchases to those that mature within five years of the settlement date. Interest rate risk arises because potential purchasers of debt securities will not agree to pay face value for those securities if interest rates subsequently increase. The City's investment policy addresses interest rate risk by requiring the consideration of market conditions and cash flow requirements in determining the term of an investment.

*Credit Risk:* STAR Ohio carries a rating of AAAM by Standard & Poor's. Ohio law requires that STAR Ohio maintain the highest rating provided by at least one nationally recognized standard rating service. The City's investments in federal agency securities and the federal agency securities that underlie the repurchase agreement were rated AA+ and Aaa by Standard & Poor's and Moody's Investor Services, respectively. The City's investment policy does not specifically address credit risk beyond requiring the City to only invest in securities authorized by State statute.

*Custodial Credit Risk:* For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The City has no investment policy dealing with investment custodial risk beyond the requirement in Ohio law that prohibits payments for investments prior to the delivery of the securities representing such investments to the treasurer or qualified trustee.

*Concentration of Credit Risk:* The City's investment policy addresses concentration of credit risk by requiring investments to be diversified to reduce the risk of loss resulting from over concentration of assets in a specific issue or specific class of securities.

The following table includes the percentage of each investment type held by the City at December 31, 2015:

<u>Investment type</u>	<u>Fair Value</u>	<u>% of Total</u>
FHLB	\$ 1,195,154	9.68
FHLMC	4,352,838	35.26
FNMA	1,687,609	13.67
U.S. Treasury Notes	778,305	6.30
Negotiable CDs	2,839,103	23.00
STAR Ohio	259,524	2.10
Repurchase agreement	1,210,000	9.80
U.S. Treasury money market	23,827	0.19
Total	<u>\$ 12,346,360</u>	<u>100.00</u>

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 4 - DEPOSITS AND INVESTMENTS - (Continued)**

**C. Reconciliation of Cash and Investments to the Statement of Net Position**

The following is a reconciliation of cash and investments as reported in the note above to cash and investments as reported on the statement of net position as of December 31, 2015:

<u>Cash and investments per note</u>	
Carrying amount of deposits	\$ 11,663,124
Investments	<u>12,346,360</u>
Total	<u>\$ 24,009,484</u>
 <u>Cash and investments per statement of net position</u>	
Governmental activities	\$ 11,287,913
Business type activities	12,667,569
Agency funds	<u>54,002</u>
Total	<u>\$ 24,009,484</u>

**NOTE 5 - INTERFUND TRANSACTIONS**

**A.** Interfund transfers for the year ended December 31, 2015, consisted of the following:

<u>Transfer to</u>	Transfers from	
	General	Nonmajor Governmental Funds
Nonmajor governmental funds	\$ 552,305	\$ 3,316

Transfers are used to move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them; to move unrestricted revenues collected in the general fund to finance various programs accounted for in other funds in accordance with budgetary authorizations; to provide additional resources for current operations or debt service; reclassification of prior year distributed monies, to segregate money for anticipated capital projects; and to return money to the fund from which it was originally provided once a project is completed. Transfers between nonmajor governmental funds were made in order to transfer unused grant monies once the grant program had fulfilled its purpose.

Transfers between governmental funds and transfers between enterprise funds are eliminated on the government-wide financial statements. All transfers were in compliance with Ohio Revised Code Sections 5705.14, 5705.15, and 5705.16.

**B.** Interfund balances at December 31, 2015 as reported on the fund financial statements consist of \$84,399 due to the general fund from nonmajor governmental funds. The purpose of the due to/from other funds is to cover the negative cash balances at year end in various special revenue funds. The interfund balances will be repaid once the anticipated revenues are received.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 6 - RECEIVABLES**

Receivables at December 31, 2015, consisted primarily of municipal income taxes, property and other taxes, accounts, interest and intergovernmental receivables arising from grants, entitlements, and shared revenues. All receivables are deemed collectible in full and are expected to be received within one year.

**A. Property Taxes**

Property taxes include amounts levied against all real and public utility property located in the City. Taxes collected from real property taxes (other than public utility) in one calendar year are levied in the preceding calendar year on the assessed value as of January 1 of that preceding year, the lien date. Assessed values are established by the County Fiscal Officer at 35 percent of appraised market value. All property is required to be revaluated every six years. Real property taxes are payable annually or semi-annually. If paid annually, payment is due December 31; if paid semi-annually, the first payment is due December 31, with the remainder payable by June 20. Under certain circumstances, State statute permits later payment dates to be established.

Public utility real and tangible personal property taxes collected in one calendar year are levied in the preceding calendar year on assessed values determined as of December 31 of the second year preceding the tax collection year, the lien date. Public utility tangible personal property is assessed at varying percentages of true value; public utility real property is assessed at 35 percent of true value. 2015 public utility property taxes became a lien December 31, 2014, are levied after October 1, 2015, and are collected in 2015 with real property taxes. Public utility property taxes are payable on the same dates as real property taxes described previously.

The County Fiscal Officer collects property taxes on behalf of all taxing districts in the County, including the City of Barberton. The County Fiscal Officer periodically remits to the City its portion of the taxes collected. Property taxes receivable represents real property taxes, public utility taxes, tangible personal property taxes and outstanding delinquencies which are measurable as of December 31, 2015 and for which there is an enforceable legal claim. In the governmental funds, the current portion receivable has been offset by a deferred inflow since the current taxes were not levied to finance 2015 operations. The collection of delinquent taxes has also been offset by a deferred inflow since the collection of the taxes during the available period is not subject to reasonable estimation. On a full accrual basis, collectible delinquent property taxes have been recorded as a receivable and revenue while on a modified accrual basis the revenue is reported as a deferred inflow of resources.

The full tax rate for all City operations for the year ended December 31, 2015 was \$4.25 per \$1,000 of assessed value. The assessed values of real and public utility property upon which 2015 property tax receipts were based are as follows:

Real property	\$ 324,056,350
Public utility property	<u>12,178,690</u>
Total assessed value	<u>\$ 336,235,040</u>

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 6 - RECEIVABLES - (Continued)**

**B. Municipal Income Taxes**

The City levies a municipal income tax of 2 and ¼ percent on all income earned within the City as well as on income of residents earned outside of the City. In the latter case, the City allows a credit of 100 percent on income earned outside of the City and paid to another municipality. Employers within the City are required to withhold income tax on employee earnings and remit the tax to the City at least quarterly. Corporations and other individual taxpayers are required to pay their estimated tax at least quarterly and file a final return annually.

Ohio law requires all City income tax rates above 1% to be voted by residents of the City. Additional increases in the income tax rate would require voter approval.

**C. Intergovernmental Receivables**

A summary of the intergovernmental receivables follows:

<u>Governmental activities:</u>	<u>Amounts</u>
Local government State support	\$ 390,800
Motor vehicle and gas tax	370,918
Community development and improvement grants	74,791
Homestead and rollback	100,263
Joint Economic Development Zone reimbursements	70,805
 <u>Business-type activities:</u>	
OWDA grants and reimbursements	39,633
Recycle grant	<u>21,962</u>
Total	<u>\$ 1,069,172</u>

**D. Notes Receivable**

Notes receivable represent no-interest to low-interest loans made to eligible local businesses for industrial development and exterior improvements to businesses. The outstanding balance of the notes at December 31, 2015 is \$1,787 in the nonmajor special revenue funds, all of which is expected to be received in 2016.

**CITY OF BARBERTON, OHIO**

Construction in progress disposals include \$218,537 in projects that were written off in 2015.

Depreciation expense was charged to functions/programs of the City as follows:

Water	\$ 613,564
Sewer	1,376,406
Storm water	<u>294,665</u>
Total depreciation expense	<u>\$ 2,284,635</u>

**NOTE 8 - CAPITAL LEASES**

During 2015 and in prior years, the City entered into capital lease agreements for various equipment and vehicles. The lease payments are paid from the general fund, sewer fund, water fund, storm water fund (a nonmajor enterprise fund) and the following nonmajor governmental funds: street construction, maintenance and repair fund, fire capital levy fund and the community development block grant fund.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 8 - CAPITAL LEASES - (Continued)**

The lease agreements meet the criteria of a capital lease as defined by GASB Statement No. 62, which defines a capital lease generally as one which transfers benefits and risks of ownership to the lessee. Capital lease payments in governmental funds have been reclassified and are reflected as debt service expenditures in the combined BFS and are reported as function expenditures on the budgetary statements. In enterprise funds a liability has been recorded.

Capital assets consisting of vehicles and equipment have been capitalized in the statement of net position in the amount of \$1,203,812 in governmental activities. A liability of \$582,113 is reported on the statement of net position at year end, which represents the remaining amount of principal payments outstanding on the leases. The governmental funds made \$58,570 and \$3,237 in principal and interest payments, respectively, during 2015.

For the business-type activities, capital assets consisting of vehicles and equipment have been capitalized in the statement of net position in the amount of \$581,788. A liability of \$143,172 is reported on the statement of net position at year end, which represents the remaining amount of principal payments outstanding on the leases. The enterprise funds made \$93,242 in principal payments during 2015.

The net capital assets acquired through the capital leases are as follows:

	<u>Governmental Activities</u>	<u>Business-Type Activities</u>
Asset:		
Equipment and vehicles	\$ 1,203,812	\$ 581,788
Less: accumulated depreciation	<u>(411,680)</u>	<u>(183,151)</u>
Total	<u>\$ 792,132</u>	<u>\$ 398,637</u>

The lease agreements provide for minimum, annual payments as follows:

<u>Year Ending December 31,</u>	<u>Governmental Activities</u>	<u>Business-Type Activities</u>
2016	\$ 230,855	\$ 99,132
2017	172,101	24,997
2018	169,048	24,335
2019	<u>36,738</u>	<u>-</u>
Total	608,742	148,464
Less: amount representing interest	<u>(26,629)</u>	<u>(5,292)</u>
Present value of net minimum lease payments	<u>\$ 582,113</u>	<u>\$ 143,172</u>

***General Obligation and Special Assessment Bonds***

All bonds are secured by the full faith and credit of the City. General obligation bonds will be paid from the general obligation bond retirement fund. The business-type activities revenue bonds and general obligation bonds will be paid from charges for services revenues in the enterprise funds. The special assessment bonds will be paid from proceeds of special assessments levied against benefitted property owners. In the event that an assessed property owner fails to make payments, the City will be required to pay the related debt.

***Bond Anticipation Notes***

These notes are general obligation notes which are secured by the full faith and credit of the City. The notes were issued in anticipation of the issuance of bonds, for the purpose of paying the costs of road and street improvements. Prior to the issuance of the financial statements, the 2015 note issue was refinanced and replaced by debt with a maturity that extends at least one year beyond the date of the balance sheet (see Note 20); therefore, the notes are reported in the government-wide statements as a long-term liability.

***Loans***

Other long-term debt includes a loan from the State Infrastructure Bank (SIB) for the City's share of the cost for a street resurfacing project. The SIB Loan is to be repaid over a ten-year period with revenues from motor vehicle license fees.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 9 - LONG-TERM OBLIGATIONS - (Continued)**

***Compensated Absences***

The compensated absences liability for governmental activities will be paid out of the general fund and the following nonmajor funds: street construction, maintenance and repair, community development block grant and beautification funds. For business-type activities, the liability will be paid from the water, sewer, solid waste and storm water enterprise funds.

***Net Pension Liability***

See Note 11 for more detail.

***Revenue Bonds***

On April 1, 2006, the City issued \$9,305,000 in Waterworks System Improvement Revenue Bonds. The City issued refunding revenue bonds in 2014 to advance refund the outstanding 2006 revenue bond issue. The City used the proceeds from the refunding issue to purchase securities which were placed in an irrevocable trust to provide resources for all future debt service payments on the refunding debt. The refunded debt is considered defeased and the applicable liability has been removed from the financial statements. At December 31, 2015, \$5,960,000 of defeased bonds are outstanding.

The City has pledged future water customer revenues, net of specified operating expenses, to finance water system improvements. The water revenue bonds are payable solely from water customer net revenues and are payable through 2026. Annual principal and interest payments on the bonds are expected to require less than 29.34% of net revenues. The total principal and interest remaining to be paid on the water revenue bonds is \$7,275,353. Principal and interest paid for the current year and total customer net revenues were \$659,845 and \$2,248,992, respectively.

***OWDA Loans***

The City has entered into debt financing arrangements through the Ohio Water Development Authority (OWDA) to fund capital improvements to the City's wastewater treatment plant, a water storage tank and a dam intake extension. The amount due to the OWDA is payable solely from sewer and water fund revenues. The loan agreements function similar to a line-of-credit agreement. At December 31, 2015, the City has outstanding borrowings of \$10,577,083. The loan agreements require semi-annual payments based on the permissible borrowings rather than the actual amount loaned.

The City has pledged future sewer and water customer revenues to repay the loans. The loans are payable solely from sewer and water fund revenues and are payable through 2044. Annual principal and interest payments on the loan for the sewer fund and water fund are expected to require less than 75.60% and 19.37%, respectively, of available net revenues. The total principal and interest remaining to be paid on the loans is approximately \$8,936,922 and \$6,542,355 for the sewer and water funds, respectively. Four of the five loans, having an outstanding balance of \$8,693,338, have not been closed out as of December 31, 2015, therefore the future annual debt service principal and interest requirements are not available. Principal and interest paid for the current year totaled \$350,438 for the sewer fund and \$307,796 for the water fund.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 9 - LONG-TERM OBLIGATIONS - (Continued)**

***OPWC Loans***

The City has obtained loans from the Ohio Public Works Commission (OPWC) to help fund water main improvements and a waterline replacement project. The interest-free loans will be payable in semi-annual installments over a twenty to thirty year period. As of December 31, 2015, the loan proceeds for the waterline replacement project, which has an outstanding balance of \$1,375,555, have not been completely disbursed, therefore the future annual debt requirement is not available.

Principal and interest requirements to retire the outstanding debt at December 31, 2015, are as follows:

Year Ending December 31,	Governmental Activities					
	General Obligation Bonds			State Infrastructure Bank Loan

***Legal Debt Margin***

The Ohio Revised Code provides that the net debt of a municipal corporation, whether or not approved by the electors, shall not exceed 10.5% of the total value of all property in the municipal corporation as listed and assessed for taxation. In addition, the unvoted net debt of municipal corporations cannot exceed 5.5% of the total taxation value of property. The assessed valuation used in determining the City's legal debt margin has been modified by House Bill 530 which became effective March 30, 2006. In accordance with House Bill 530, the assessed valuation used in calculating the City's legal debt margin calculation excludes tangible personal property used in business, telephone or telegraph property, interexchange telecommunications company property, and personal property owned or leased by a railroad company and used in railroad operations. The statutory limitations on debt are measured by a direct ratio of net debt to tax valuation and expressed in terms of a percentage. At December 31, 2015, the City's total debt margin was \$32,687,339 and the unvoted debt margin was \$15,842,922.

**NOTE 10 - RISK MANAGEMENT**

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. The City purchases fire and extended coverage insurance on all buildings and contents to \$90,665,707 with a variety of deductibles beginning at \$10,000. Coverage is purchased on City vehicles for a combined single limit liability of \$1,000,000. The City purchases general liability insurance coverage with a \$1,000,000 limit per occurrence. The City also has an umbrella policy which provides an additional \$10,000,000 in coverage over and above listed policies.

No settlements exceeded the insurance coverage in the last three years. There has been no significant reduction in coverage from the prior year.

The City pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs. The rate for 2015 payroll (payable in 2016) is 2.642%.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 10 - RISK MANAGEMENT - (Continued)**

The City has elected to provide employee medical, dental, prescription drug and vision benefits through a self-insurance program. The City maintains a self-insurance internal service fund to account for and finance its uninsured risks for loss in this program. The plan provides a medical/surgical plan with a \$100 single and \$300 family deductible. The City uses a third party administrator to review, process, and pay all claims, on behalf of the City.

The City purchases stop-loss coverage for claims in excess of \$100,000 per employee with an aggregate of \$1,000,000 per year. The City pays into the self-insurance internal service fund \$1,015 for family coverage or \$582 for individual coverage per employee per month which represents the entire premium required for the non-bargaining, dispatch, police and fire employees. For AFSCME employees the City pays \$481 for single coverage and \$1,040 for family coverage. The City also pays \$208 for both single and family coverage for AFSCME employees for prescription, vision, hearing and dental benefits. These premiums are paid by the fund that pays the wage or salary of the employee and is based on historical cost information. AFSCME participating employees contribute 5% of total cost for single (\$44) and family (\$80) coverage per month. All other covered employees paid 15% of the total cost for single (\$110) and family (\$199) coverage per month.

The claims liability of \$158,956 reported in the internal service fund at December 31, 2015 is estimated by a third party administrator and is based on the requirements of Governmental Accounting Standards Board Statement No. 30 which requires that a liability for unpaid claims costs, including estimates of costs relating to incurred but not reported claims, be reported. The estimate was not affected by incremental claim adjustment expenses and does not include other allocated or unallocated claim adjustment expenses. The claims liability is expected to be paid within one year. Changes in the fund's claims liability amounts in 2014 and 2015 are:

	<u>Balance at Beginning of Year</u>	<u>Current Claims</u>	<u>Claims Payment</u>	<u>Balance at End of Year</u>
2014	\$ 106,667	\$ 2,936,751	\$ (2,933,552)	\$ 109,866
2015	109,866	3,011,961	(2,962,871)	158,956

**NOTE 11 - DEFINED BENEFIT PENSION PLANS**

*Net Pension Liability/Asset*

The net pension liability/asset reported on the statement of net position represents a liability or asset to employees for pensions. Pensions are a component of exchange transactions—between an employer and its employees—of salaries and benefits for employee services. Pensions are provided to an employee—on a deferred-payment basis—as part of the total compensation package offered by an employer for employee services each financial period. The obligation to sacrifice resources for pensions is a present obligation because it was created as a result of employment exchanges that already have occurred.

The net pension liability/asset represents the City's proportionate share of each pension plan's collective actuarial present value of projected benefit payments attributable to past periods of service, net of each pension plan's fiduciary net position. The net pension liability/asset calculation is dependent on critical long-term variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting this estimate annually.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

The Ohio Revised Code limits the City's obligation for this liability to annually required payments. The City cannot control benefit terms or the manner in which pensions are financed; however, the City does receive the benefit of employees' services in exchange for compensation including pension.

GASB 68 assumes any net pension liability is solely the obligation of the employer, because (1) they benefit from employee services; and (2) State statute requires all funding to come from these employers. All contributions to date have come solely from these employers (which also includes costs paid in the form of withholdings from employees). State statute requires the pension plans to amortize unfunded liabilities within 30 years. If the amortization period exceeds 30 years, each pension plan's board must propose corrective action to the State legislature. Any resulting legislative change to benefits or funding could significantly affect the net pension liability. Resulting adjustments to the net pension liability would be effective when the changes are legally enforceable.

The proportionate share of each plan's unfunded benefits or overfunded benefits is presented as a long-term *net pension liability* or *net pension asset*, respectively, on the accrual basis of accounting. Any liability for the contractually-required pension contribution outstanding at the end of the year is included as an *intergovernmental payable* on both the accrual and modified accrual bases of accounting.

***Plan Description – Ohio Public Employees Retirement System (OPERS)***

Plan Description - City employees, other than full-time police and firefighters, participate in the Ohio Public Employees Retirement System (OPERS). OPERS administers three separate pension plans. The Traditional Pension Plan is a cost-sharing, multiple-employer defined benefit pension plan. The Member-Directed Plan is a defined contribution plan and the Combined Plan is a cost-sharing, multiple-employer defined benefit pension plan with defined contribution features. While members (e.g. City employees) may elect the Member-Directed Plan and the Combined Plan, substantially all employee members are in OPERS' Traditional Pension Plan.

OPERS provides retirement, disability, survivor and death benefits, and annual cost of living adjustments to members of the Traditional Pension Plan. Authority to establish and amend benefits is provided by Chapter 145 of the Ohio Revised Code. OPERS issues a stand-alone financial report that includes financial statements, required supplementary information and detailed information about OPERS' fiduciary net position that may be obtained by visiting <https://www.opers.org/financial/reports.shtml>, by writing to the Ohio Public Employees Retirement System, 277 East Town Street, Columbus, Ohio 43215-4642, or by calling 800-222-7377.

Senate Bill (SB) 343 was enacted into law with an effective date of January 7, 2013. In the legislation, members were categorized into three groups with varying provisions of the law applicable to each group. The following table provides age and service requirements for retirement and the retirement formula applied to final average salary (FAS) for the three member groups under the Traditional Pension Plan as per the reduced benefits adopted by SB 343 (see OPERS CAFR referenced above for additional information):

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

<b>Group A</b> Eligible to retire prior to January 7, 2013 or five years after January 7, 2013	<b>Group B</b> 20 years of service credit prior to January 7, 2013 or eligible to retire ten years after January 7, 2013	<b>Group C</b> Members not in other Groups and members hired on or after January 7, 2013
<b>State and Local</b>	<b>State and Local</b>	<b>State and Local</b>
<b>Age and Service Requirements:</b> Age 60 with 60 months of service credit or Age 55 with 25 years of service credit	<b>Age and Service Requirements:</b> Age 60 with 60 months of service credit or Age 55 with 25 years of service credit	<b>Age and Service Requirements:</b> Age 57 with 25 years of service credit or Age 62 with 5 years of service credit
<b>Formula:</b> 2.2% of FAS multiplied by years of service for the first 30 years and 2.5% for service years in excess of 30	<b>Formula:</b> 2.2% of FAS multiplied by years of service for the first 30 years and 2.5% for service years in excess of 30	<b>Formula:</b> 2.2% of FAS multiplied by years of service for the first 35 years and 2.5% for service years in excess of 35

Final average Salary (FAS) represents the average of the three highest years of earnings over a member's career for Groups A and B. Group C is based on the average of the five highest years of earnings over a member's career.

Members who retire before meeting the age and years of service credit requirement for unreduced benefits receive a percentage reduction in the benefit amount.

When a benefit recipient has received benefits for 12 months, an annual cost of living adjustment (COLA) is provided. This COLA is calculated on the base retirement benefit at the date of retirement and is not compounded. For those retiring prior to January 7, 2013, the COLA will continue to be a 3 percent simple annual COLA. For those retiring subsequent to January 7, 2013, beginning in calendar year 2019, the COLA will be based on the average percentage increase in the Consumer Price Index, capped at 3 percent.

Benefits in the Combined Plan consist of both an age-and-service formula benefit (defined benefit) and a defined contribution element. The defined benefit element is calculated on the basis of age, FAS, and years of service. Eligibility regarding age and years of service in the Combined Plan is the same as the Traditional Pension Plan. The benefit formula for the defined benefit component of the plan for State and Local members in transition Groups A and B applies a factor of 1.0% to the member's FAS for the first 30 years of service. A factor of 1.25% is applied to years of service in excess of 30. The benefit formula for transition Group C applies a factor of 1.0% to the member's FAS and the first 35 years of service and a factor of 1.25% is applied to years in excess of 35. Persons retiring before age 65 with less than 30 years of service credit receive a percentage reduction in benefit. The defined contribution portion of the benefit is based on accumulated member contributions plus or minus any investment gains or losses on those contributions. Members retiring under the Combined Plan receive a 3% COLA adjustment on the defined benefit portion of their benefit.

Defined contribution plan benefits are established in the plan documents, which may be amended by the OPERS's Board of Trustees. Member-Directed Plan and Combined Plan members who have met the retirement eligibility requirements may apply for retirement benefits. The amount available for defined contribution benefits in the Combined Plan consists of the member's contributions plus or minus the investment gains or losses resulting from the member's investment selections. The amount available for defined contribution benefits in the Member-Directed Plan consists of the members' contributions, vested employer contributions and investment gains or losses resulting from the members' investment selections. Employer contributions and associated investment earnings vest over a five-year period, at a rate of 20% each year. For additional information, see the Plan Statement in the OPERS CAFR.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

Funding Policy - The Ohio Revised Code (ORC) provides statutory authority for member and employer contributions as follows:

	State and Local
<b>2015 Statutory Maximum Contribution Rates</b>	
Employer	14.0 %
Employee	10.0 %
<b>2015 Actual Contribution Rates</b>	
Employer:	
Pension	12.0 %
Post-employment Health Care Benefits	2.0 %
Total Employer	14.0 %
Employee	10.0 %

Employer contribution rates are actuarially determined and are expressed as a percentage of covered payroll.

The City's contractually required contribution for both the Traditional Pension Plan and the Combined Plan was \$776,341 for 2015. Of this amount, \$23,941 is reported as an intergovernmental payable.

***Plan Description – Ohio Police & Fire Pension Fund (OP&F)***

Plan Description - City full-time police and firefighters participate in Ohio Police and Fire Pension Fund (OP&F), a cost-sharing, multiple-employer defined benefit pension plan administered by OP&F. OP&F provides retirement and disability pension benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by the Ohio State Legislature and are codified in Chapter 742 of the Ohio Revised Code. OP&F issues a publicly available financial report that includes financial information and required supplementary information and detailed information about OP&F fiduciary net position. The report that may be obtained by visiting the OPF website at [www.op-f.org](http://www.op-f.org) or by writing to the Ohio Police and Fire Pension Fund, 140 East Town Street, Columbus, Ohio 43215-5164.

Upon attaining a qualifying age with sufficient years of service, a member of OP&F may retire and receive a lifetime monthly pension. OP&F offers four types of service retirement: normal, service commuted, age/service commuted and actuarially reduced. Each type has different eligibility guidelines and is calculated using the member's average annual salary. The following discussion of the pension formula relates to normal service retirement.

For members hired after July 1, 2013, the minimum retirement age is 52 for normal service retirement with at least 25 years of service credit. For members hired on or before after July 1, 2013, the minimum retirement age is 48 for normal service retirement with at least 25 years of service credit.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

The annual pension benefit for normal service retirement is equal to a percentage of the allowable average annual salary. The percentage equals 2.5 percent for each of the first 20 years of service credit, 2.0 percent for each of the next five years of service credit and 1.5 percent for each year of service credit in excess of 25 years. The maximum pension of 72 percent of the allowable average annual salary is paid after 33 years of service credit.

Under normal service retirement, retired members who are at least 55 years old and have been receiving OPF benefits for at least one year may be eligible for a cost-of-living allowance adjustment. The age 55 provision for receiving a COLA does not apply to those who are receiving a permanent and total disability benefit and statutory survivors.

Members retiring under normal service retirement, with less than 15 years of service credit on July 1, 2013, will receive a COLA equal to either three percent or the percent increase, if any, in the consumer price index (CPI) over the 12-month period ending on September 30 of the immediately preceding year, whichever is less. The COLA amount for members with at least 15 years of service credit as of July 1, 2013 is equal to three percent of their base pension or disability benefit.

Funding Policy - The Ohio Revised Code (ORC) provides statutory authority for member and employer contributions as follows:

	Police	Firefighters
<b>2015 Statutory Maximum Contribution Rates</b>		
Employer	19.50 %	24.00 %
Employee:		
January 1, 2015 through July 1, 2015	11.50 %	11.50 %
July 2, 2015 through December 31, 2015	12.25 %	12.25 %
<b>2015 Actual Contribution Rates</b>		
Employer:		
Pension	19.00 %	23.50 %
Post-employment Health Care Benefits	0.50 %	0.50 %
Total Employer	19.50 %	24.00 %
Employee:		
January 1, 2015 through July 1, 2015	11.50 %	11.50 %
July 2, 2015 through December 31, 2015	12.25 %	12.25 %

Employer contribution rates are expressed as a percentage of covered payroll. The City's contractually required contribution to OP&F was \$1,248,727 for 2015. Of this amount \$16,775 is reported as an intergovernmental payable.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

***Pension Liabilities/Assets, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions***

The net pension liability and net pension asset for the OPERS Traditional Pension Plan and Combined Plan, respectively, were measured as of December 31, 2014, and the total pension liability or asset used to calculate the net pension liability or asset was determined by an actuarial valuation as of that date. OP&F's total pension liability was measured as of December 31, 2014, and was determined by rolling forward the total pension liability as of January 1, 2014, to December 31, 2014. The City's proportion of the net pension liability or asset was based on the City's share of contributions to the pension plan relative to the contributions of all participating entities. Following is information related to the proportionate share and pension expense:

	<u>OPERS</u>	<u>OP&amp;F</u>	<u>Total</u>
Proportionate share of the net pension liability	\$ 6,413,136	\$ 14,825,607	\$ 21,238,743
Proportionate share of the net pension asset	38,599	-	38,599
Proportion of the net pension liability	0.05317200%	0.28618560%	
Proportion of the net pension asset	0.10025100%	n/a	
Pension expense	\$ 724,004	\$ 1,447,498	\$ 2,171,502

At December 31, 2015, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>OPERS</u>	<u>OP&amp;F</u>	<u>Total</u>
<b>Deferred outflows of resources</b>			
Net difference between projected and actual earnings on pension plan investments	\$ 344,542	\$ 638,969	\$ 983,511
Difference between employer contributions and proportionate share of contributions	2,346	5,318	7,664
City contributions subsequent to the measurement date	776,341	1,248,727	2,025,068
Total deferred outflows of resources	<u>\$ 1,123,229</u>	<u>\$ 1,893,014</u>	<u>\$ 3,016,243</u>
<b>Deferred inflows of resources</b>			
Differences between expected and actual experience	<u>\$ 124,444</u>	<u>\$ -</u>	<u>\$ 124,444</u>

\$2,025,068 reported as deferred outflows of resources related to pension resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability/asset in the year ending December 31, 2016.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

Year Ending December 31:	<u>OPERS</u>	<u>OP&amp;F</u>	<u>Total</u>
2016	\$ 33,834	\$ 161,072	\$ 194,906
2017	33,834	161,072	194,906
2018	76,218	161,072	237,290
2019	84,735	161,071	245,806
2020	(1,401)	-	(1,401)
Thereafter	(4,776)	-	(4,776)
<b>Total</b>	<u>\$ 222,444</u>	<u>\$ 644,287</u>	<u>\$ 866,731</u>

***Actuarial Assumptions - OPERS***

Actuarial valuations of an ongoing plan involve estimates of the values of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and cost trends. Actuarially determined amounts are subject to continual review or modification as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation. The total pension liability/asset in the December 31, 2014, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Wage inflation	3.75 percent
Future salary increases, including inflation	4.25 to 10.05 percent including wage inflation
COLA or ad hoc COLA	3 percent, simple
Investment rate of return	8 percent
Actuarial cost method	Individual entry age

Mortality rates were based on the RP-2000 Mortality Table projected 20 years using Projection Scale AA. For males, 105 percent of the combined healthy male mortality rates were used. For females, 100 percent of the combined healthy female mortality rates were used. The mortality rates used in evaluating disability allowances were based on the RP-2000 mortality table with no projections. For males 120 percent of the disabled female mortality rates were used set forward two years. For females, 100 percent of the disabled female mortality rates were used.

The most recent experience study was completed for the five year period ended December 31, 2010.

The long-term rate of return on defined benefit investment assets was determined using a building-block method in which best-estimate ranges of expected future real rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected real rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adjusted for inflation.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

OPERS manages investments in four investment portfolios: the Defined Benefits portfolio, the Health Care portfolio, the 115 Health Care Trust portfolio and the Defined Contribution portfolio. The Defined Benefit portfolio includes the investment assets of the Traditional Pension Plan, the defined benefit component of the Combined Plan, the annuitized accounts of the Member-Directed Plan and the VEBA Trust. Within the Defined Benefit portfolio, contributions into the plans are all recorded at the same time, and benefit payments all occur on the first of the month. Accordingly, the money-weighted rate of return is considered to be the same for all plans within the portfolio. The money weighted rate of return, net of investments expense, for the Defined Benefit portfolio is 6.95 percent for 2014.

The allocation of investment assets with the Defined Benefit portfolio is approved by the OPERS Board of Trustees as outlined in the annual investment plan. Plan assets are managed on a total return basis with a long-term objective of achieving and maintaining a fully funded status for the benefits provided through the defined benefit pension plans. The table below displays the Board-approved asset allocation policy for 2014 and the long-term expected real rates of return:

Asset Class	Target Allocation	Weighted Average Long-Term Expected Real Rate of Return (Arithmetic)
Fixed income	23.00 %	2.31 %
Domestic equities	19.90	5.84
Real estate	10.00	4.25
Private equity	10.00	9.25
International equities	19.10	7.40
Other investments	18.00	4.59
Total	<u>100.00 %</u>	<u>5.28 %</u>

**Discount Rate** - The discount rate used to measure the total pension liability/asset was 8 percent for both the Traditional Pension Plan and the Combined Plan. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and those of the contributing employers are made at the statutorily required rates. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefits payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the City's Proportionate Share of the Net Pension Liability (Asset) to Changes in the Discount Rate** - The following table presents the City's proportionate share of the net pension liability/asset calculated using the current period discount rate assumption of 8 percent, as well as what the City's proportionate share of the net pension liability/asset would be if it were calculated using a discount rate that is one-percentage-point lower (7 percent) or one-percentage-point higher (9 percent) than the current rate:

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

	1% Decrease (7.00%)	Current Discount Rate (8.00%)	1% Increase (9.00%)
City's proportionate share of the net pension liability (asset):			
Traditional Pension Plan	\$ 11,798,335	\$ 6,413,136	\$ 1,877,503
Combined Plan	\$ 5,013	\$ (38,599)	\$ (73,183)

***Actuarial Assumptions – OP&F***

OP&F's total pension liability as of December 31, 2014 is based on the results of an actuarial valuation date of January 1, 2014, and rolled-forward using generally accepted actuarial procedures. The total pension liability is determined by OP&F's actuaries in accordance with GASB Statement No. 67, as part of their annual valuation. Actuarial valuations of an ongoing plan involve estimates of reported amounts and assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment mortality, salary increases, disabilities, retirements and employment terminations. Actuarially determined amounts are subject to continual review and potential modifications, as actual results are compared with past expectations and new estimates are made about the future.

Key methods and assumptions used in calculating the total pension liability in the latest actuarial valuation, prepared as of January 1, 2014, are presented below:

Valuation date	January 1, 2014
Actuarial cost method	Entry age normal
Investment rate of return	8.25 percent
Projected salary increases	4.25 percent to 11 percent
Payroll increases	3.75 percent
Inflation assumptions	3.25 percent
Cost of living adjustments	2.60 percent and 3.00 percent

Rates of death are based on the RP2000 Combined Table, age-adjusted as follows. For active members, set back six years. For disability retirements, set forward five years for police and three years for firefighters. For service retirements, set back zero years for police and two years for firefighters. For beneficiaries, set back zero years. The rates are applied on a fully generational basis, with a base year of 2009, using mortality improvement Scale AA.

The most recent experience study was completed January 1, 2012.

The long-term expected rate of return on pension plan investments was determined using a building-block approach and assumes a time horizon, as defined in the Statement of Investment Policy. A forecasted rate of inflation serves as the baseline for the return expectation. Various real return premiums over the baseline inflation rate have been established for each asset class. The long-term expected nominal rate of return has been determined by calculating a weighted averaged of the expected real return premiums for each asset class, adding the projected inflation rate and adding the expected return from rebalancing uncorrelated asset classes.

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 11 - DEFINED BENEFIT PENSION PLANS - (Continued)**

Best estimates of the long-term expected geometric real rates of return for each major asset class included in OPF's target asset allocation as of December 31, 2014 are summarized below:

Asset Class	Target Allocation	Long Term Expected Real Rate of Return
Cash and Cash Equivalents	- %	(0.25) %
Domestic Equity	16.00	4.47
Non-US Equity	16.00	4.47
Core Fixed Income *	20.00	1.62
Global Inflation Protected *	20.00	1.33
High Yield	15.00	3.39
Real Estate	12.00	3.93
Private Markets	8.00	6.98
Timber	5.00	4.92
Master Limited Partnerships	8.00	7.03
<b>Total</b>	<b>120.00 %</b>	

\* levered 2x

OPF's Board of Trustees has incorporated the "risk parity" concept into OP&F's asset liability valuation with the goal of reducing equity risk exposure, which reduces overall Total Portfolio risk without sacrificing return, and creating a more risk-balanced portfolio based on their relationship between asset classes and economic environments. From the notional portfolio perspective above, the Total Portfolio may be levered up to 1.2 times due to the application of leverage in certain fixed income asset classes.

**Discount Rate** - The total pension liability was calculated using the discount rate of 8.25 percent. The projection of cash flows used to determine the discount rate assumed the contributions from employers and from the members would be computed based on contribution requirements as stipulated by State statute. Projected inflows from investment earning were calculated using the longer-term assumed investment rate of return 8.25 percent. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, a long-term expected rate of return on pension plan investments was applied to all periods of projected benefits to determine the total pension liability.

**Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate** - Net pension liability is sensitive to changes in the discount rate, and to illustrate the potential impact the following table presents the net pension liability calculated using the discount rate of 8.25 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (7.25 percent), or one percentage point higher (9.25 percent) than the current rate.

	1% Decrease (7.25%)	Current Discount Rate (8.25%)	1% Increase (9.25%)
City's proportionate share of the net pension liability	\$ 20,506,058	\$ 14,825,607	\$ 10,015,993

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 12 - POSTEMPLOYMENT BENEFIT PLANS**

**A. Ohio Public Employees Retirement System**

Plan Description - OPERS maintains a cost-sharing multiple employer defined benefit post-employment healthcare plan, which includes a medical plan, prescription drug program and Medicare Part B premium reimbursement, to qualifying members of both the Traditional Pension Plan and the Combined Plan. Members of the Member-Directed Plan do not qualify for ancillary benefits, including post-employment health care coverage.

To qualify for post-employment health care coverage, age-and-service retirees under the Traditional Pension and Combined Plans must have ten years or more of qualifying Ohio service credit. The Ohio Revised Code permits, but does not mandate, OPERS to provide OPEB benefits to its eligible members and beneficiaries. Authority to establish and amend benefits is provided in Chapter 145 of the Ohio Revised Code.

Disclosures for the healthcare plan are presented separately in the OPERS financial report which may be obtained by visiting <https://www.opers.org/financial/reports.shtml>, writing to OPERS, 277 East Town Street, Columbus, OH 43215-4642 or by calling (800) 222-7377.

Funding Policy - The post-employment healthcare plan was established under, and is administered in accordance with, Internal Revenue Code Section 401(h). State statute requires that public employers fund post-employment healthcare through contributions to OPERS. A portion of each employer's contribution to the Traditional or Combined Plans is set aside for the funding of post-employment health care.

Employer contribution rates are expressed as a percentage of the covered payroll of active employees. In 2015, local government employers contributed 14.00% of covered payroll. Each year the OPERS' Retirement Board determines the portion of the employer contribution rate that will be set aside for the funding of the postemployment health care benefits. The portion of employer contributions allocated to fund post-employment healthcare for members in the Traditional Plan and Combined Plan for 2015 was 2.00%.

The OPERS Retirement Board is also authorized to establish rules for the payment of a portion of the health care benefits provided, by the retiree or their surviving beneficiaries. Payment amounts vary depending on the number of covered dependents and the coverage selected. Active members do not make contributions to the post-employment healthcare plan.

The City's contributions allocated to fund post-employment health care benefits for the years ended December 31, 2015, 2014, and 2013 were \$138,280, \$137,413, and \$71,881, respectively; 97.36% has been contributed for 2015 and 100% has been contributed for 2014 and 2013. The remaining 2015 post-employment health care benefits liability has been reported as an intergovernmental payable on the basic financial statements.

Changes to the health care plan were adopted by the OPERS Board of Trustees on September 19, 2012, with a transition plan commencing January 1, 2014. With the recent passage of pension legislation under State Bill 343 and the approved health care changes, OPERS expects to be able to consistently allocate 4.00% of the employer contributions toward the health care fund after the end of the transition period.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 12 - POSTEMPLOYMENT BENEFIT PLANS - (Continued)**

**B. Ohio Police and Fire Pension Fund**

Plan Description - The City contributes to the OP&F Pension Fund sponsored health care program, a cost-sharing multiple-employer defined postemployment health care plan administered by OP&F. OP&F provides healthcare benefits including coverage for medical, prescription drugs, dental, vision, Medicare Part B Premium and long term care to retirees, qualifying benefit recipients and their eligible dependents.

OP&F provides access to post-employment health care coverage to any person who receives or is eligible to receive a monthly service, disability or survivor benefit check or is a spouse or eligible dependent child of such person.

The Ohio Revised Code allows, but does not mandate OP&F to provide OPEB benefits. Authority for the OP&F Board of Trustees to provide health care coverage to eligible participants and to establish and amend benefits is codified in Chapter 742 of the Ohio Revised Code.

OP&F issues a publicly available financial report that includes financial statements and required supplementary information for the plan. That report may be obtained by writing to the OPF, 140 East Town Street, Columbus, Ohio 43215-5164 or by visiting the website at [www.op-f.org](http://www.op-f.org).

Funding Policy - The Ohio Revised Code provides for contribution requirements of the participating employers and of plan members to the OP&F (defined benefit pension plan). Participating employers are required to contribute to the pension plan at rates expressed as percentages of the payroll of active pension plan members, currently, 19.50% and 24.00% of covered payroll for police and fire employers, respectively. The Ohio Revised Code states that the employer contribution may not exceed 19.50% of covered payroll for police employer units and 24.00% of covered payroll for fire employer units. Active members do not make contributions to the OPEB Plan.

OP&F maintains funds for health care in two separate accounts, one account is for health care benefits under an Internal Revenue Code Section 115 trust and the other account is for Medicare Part B reimbursements administered as an Internal Revenue Code Section 401(h) account, both of which are within the defined benefit pension plan, under the authority granted by the Ohio Revised Code to the OP&F Board of Trustees.

The Board of Trustees is authorized to allocate a portion of the total employer contributions made into the pension plan into the Section 115 trust and the Section 401(h) account as the employer contribution for retiree health care benefits. For 2015, the portion of employer contributions allocated to health care was 0.50% of covered payroll. The amount of employer contributions allocated to the health care plan each year is subject to the Trustees' primary responsibility to ensure that the pension benefits are adequately funded and is limited by the provisions of Sections 115 and 401(h).

The OP&F Board of Trustees also is authorized to establish requirements for contributions to the health care plan by retirees and their eligible dependents, or their surviving beneficiaries. Payment amounts vary depending on the number of covered dependents and the coverage selected.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 12 - POSTEMPLOYMENT BENEFIT PLANS - (Continued)**

The City's contributions to OP&F which were allocated to fund post-employment healthcare benefits for police officers and firefighters were \$14,184 and \$15,402 for the year ended December 31, 2015, \$12,918 and \$15,091 for the year ended December 31, 2014, and \$82,934 and \$89,595, for the year ended December 31, 2013. 100% has been contributed for 2014 and 2013. 98.44% has been contributed for police and 98.87% has been contributed for firefighters for 2015. The remaining 2015 post-employment health care benefits liability has been reported as an intergovernmental payable on the basic financial statements.

**NOTE 13 - OTHER POSTEMPLOYMENT BENEFITS**

**A. Compensated Absences**

Vacation leave is earned at rates which vary depending upon length of service. Current policy credits vacation leave on January 1 of each year for all full time employees. Vacation accumulation may not exceed one week at year end except for 1) firefighters who can carry-over two weeks, and 2) special approval by the department head for additional time to be carried over. Any unused excess is eliminated from the employee's leave balance. In case of death, termination, lay-off, or retirement, an employee (or their estate) is paid for his unused vacation to a maximum of the one week carry-over from the previous year plus any current year accrual which depends on number of years of service. Employees with a minimum of 12 to 15 years of service (depending on the bargaining unit) may "bank" any amount of unused vacation leave, up to a maximum accumulation of 108 to 120 days to be paid upon retirement except for 1) firefighters with more than 10 years can bank up to 912 hours at retirement, 2) non-bargaining workers who can bank up to 90 days at retirement and 3) AFSCME workers who can bank up to 75 days at retirement.

Sick leave is earned for all full time employees at the rate of 4.6 hours per 80 hours, except for firefighters working 24 hour shifts earn 8.3 hours per 80 hours. Employees, at the time of retirement, are paid for up to 480-900 hours of unused sick leave (depending on bargaining unit).

Employees also receive a tenure payment of 14.4 hours (or 1.8 days) - 17.3 hours (depending on bargaining unit) for each year of service with the City.

**B. Life Insurance**

The City provides a life insurance benefit for retired employees based on the negotiated rate in force at the time of their retirement. There is no retiree life insurance coverage provided for any police or fire personnel who retire on or after December 31, 2013, nor ASFCME employees who retire on or after December 31, 2014. The cost of retirees' life insurance is recognized as an expenditure/expense when the insurance premiums are paid.

**NOTE 14 - BUDGETARY BASIS OF ACCOUNTING**

While the City is reporting financial position, results of operations and changes in fund balance on the basis of accounting principles generally accepted in the United States of America (GAAP), the budgetary basis as provided by law is based upon accounting for certain transactions on a basis of cash receipts, disbursements and encumbrances. The statement of revenues, expenditures and changes in fund balance - budget and actual (non-GAAP budgetary basis) presented for the general fund is presented on the budgetary basis to provide a meaningful comparison of actual results with the budget. The major differences between the budget basis and GAAP basis are as follows:

**CITY OF BARBERTON, OHIO**

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015

**NOTE 14 - BUDGETARY BASIS OF ACCOUNTING - (Continued)**

1. Revenues and other sources are recorded when received in cash (budget basis) as opposed to when susceptible to accrual (GAAP basis);
2. Expenditures and other uses are recorded when paid in cash (budget basis) as opposed to when the liability is incurred (GAAP basis);
3. In order to determine compliance with Ohio law, and to reserve that portion of the applicable appropriation, total outstanding encumbrances (budget basis) are recorded as the equivalent of an expenditure, as opposed to assigned or committed fund balance for that portion of outstanding encumbrances not already recognized as an account payable (GAAP basis);
4. Investments are reported at fair value (GAAP basis) rather than cost (budget basis);
5. Unreported cash represents amounts received but not included as revenue on the budget basis operating statements. These amounts are included as revenue on the GAAP basis operating statement; and,
6. Some funds are included in the general fund (GAAP basis), but have separate legally adopted budgets (budget basis).

The following table summarizes the adjustments necessary to reconcile the GAAP basis statements (as reported in the fund financial statements) to the budgetary basis statements for the general fund.

**Net Change in Fund Balance**

		<u>General</u>
Budget basis	\$	(135,278)
Net adjustment for revenue accruals		(70,533)
Net adjustment for expenditure accruals		(63,088)
Net adjustment for other financing sources (uses)		101,944
Funds budgeted elsewhere		(130,807)
Adjustment for encumbrances		<u>580,314</u>
GAAP basis	\$	<u>282,552</u>

Certain funds that are legally budgeted in separate special revenue funds are considered part of the general fund on a GAAP basis. This includes the fire prevention and education fund, income tax fund, general liability loss fund and emergency reserve fund.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 15 - RELATED ORGANIZATIONS**

**A. Barberton Community Development Corporation**

The City participates in the Barberton Community Development Corporation (the "Corporation"). The City appoints a voting majority of the governing board of the Corporation; however the City cannot influence the Corporation's operation nor does the Corporation represent a potential financial benefit for or burden to the City.

**B. Barberton Community Foundation**

The City participates in the Barberton Community Foundation (the "Foundation"). The City initially appointed a voting majority of the Foundation. The City Council has limited veto abilities over subsequent nominees to the Foundation Board and therefore has limited influence on the Foundation's operation. In 2015, the City received \$19,945 in grants from the Foundation.

**NOTE 16 - JOINTLY GOVERNED ORGANIZATION**

The Southwest Summit Council of Governments (the "Council") was formed to share services, promote cooperative arrangements and coordinate action among its members in matters relating to public safety dispatch operations. The Council may also, at its discretion, promote cooperative agreements and contracts among its members or other governmental agencies and private persons, corporations, or agencies. Member entities include the City of Barberton, City of Norton and Copley Township. The Council's affairs are managed by a governing board which consists of one representative from each member entity.

**NOTE 17 - CONTINGENCIES**

**A. Grants**

The City receives significant financial assistance from numerous federal and State agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the general fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material effect on any of the financial statements of the individual fund types included herein or on the overall financial position of the City at December 31, 2015.

**B. Litigation**

The City of Barberton is a party to legal proceedings. The City management is of the opinion that ultimate disposition of these claims and legal proceedings will not have a material effect, if any, on the financial condition of the City.

**NOTE 18 - FUND BALANCE**

Fund balance is classified as nonspendable, restricted, committed, assigned and/or unassigned based primarily on the extent to which the City is bound to observe constraints imposed upon the use of resources in the governmental funds. The constraints placed on fund balance for the major governmental fund and all other governmental funds are presented on the following table.

**CITY OF BARBERTON, OHIO**

**NOTE 19 - OTHER COMMITMENTS**

The City utilizes encumbrance accounting as part of its budgetary controls. Encumbrances outstanding at year end may be reported as part of restricted, committed, or assigned classifications of fund balance. At year end, the City's commitments for encumbrances in the governmental funds were as follows:

<u>Fund</u>	<u>Year-End Encumbrances</u>
General fund	\$ 555,175
Street capital improvement fund	187,795
Nonmajor governmental funds	<u>693,288</u>
Total	<u>\$ 1,436,258</u>

**NOTE 20 - SUBSEQUENT EVENTS**

On January 6, 2016, the City entered into an agreement with Summit County to purchase the County-owned sanitary sewer facilities within the City of Norton. The purchase price of \$1,750,000 is payable in ten annual installments of \$175,000 on January 8 of the years 2016 through 2025.

On April 21, 2016, the City issued bond anticipation notes in the amount of \$1,715,000 for the purpose of paying costs of road repairs and improvements. The notes mature on April 20, 2017 with interest at 1.19%.

On May 16, 2016, the City entered into a lease agreement in the amount of \$109,340 to acquire four vehicles. The lease requires annual payments with interest at 2.75% and final payment date of May 27, 2016.

On June 9, 2016, the City issued general obligation refunding bonds in the amount of \$2,480,000 in order to advance refund the outstanding 2009 Various Purpose Improvement general obligation bonds at a lower interest rate. The refunding bonds bear an interest rate of 1.95% and mature on December 1, 2029.

**CITY OF BARBERTON, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**NOTE 20 - SUBSEQUENT EVENTS - (Continued)**

On June 9, 2016, the City general obligation bonds in the amount of \$2,745,000 for the purpose of retiring the bond anticipation notes outstanding at December 31, 2015. The bonds bear an interest rate of 1.85% and mature on December 1, 2026.

**COMBINING STATEMENTS  
AND INDIVIDUAL FUND SCHEDULES**

**CITY OF BARBERTON, OHIO**

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTIONS - GOVERNMENTAL FUNDS*

**GENERAL FUND**

The general fund accounts for all financial resources except those required to be accounted for in another fund. The general fund balance is available to the City for any purpose provided it is expended or transferred according to the charter of the City and/or the general laws of Ohio.

Some funds are included in the general fund (GAAP basis), but have separate legally adopted budgets (budget basis):

***Income Tax Fund***

This fund accounts for the collection of and fees associated with the 2.25% municipal income tax.

***General Liability Loss Fund***

This fund accounts for monies received from the income tax fund for the purpose of paying the costs of public liability claims.

***Emergency Reserve Fund***

This fund accounts for monies received from the income tax fund for the purpose of providing for the consistent delivery of public services in the case of a downturn in the City's economy.

***Fire Prevention and Education Fund***

This fund accounts for donations and other revenues that are expected to be used for special projects for the fire department.

**NONMAJOR SPECIAL REVENUE FUNDS**

The special revenue funds are used to account for all specific financial resources (other than major capital projects) that are legally restricted for specified expenditure purposes. The following are the special revenue funds which the City operates:

***Street Construction, Maintenance and Repair Fund***

This fund accounts for the portion of state gasoline tax and motor vehicle registration fees designated for the maintenance of the streets within the City.

***State Highway Improvement Fund***

This fund accounts for the portion of the state gasoline tax and motor vehicle registration fees designated for maintenance of state highways within the City.

***Permissive License Tax Fund***

This fund accounts for local vehicle license fees designated for the maintenance of streets in the City.

***Residential Street Fund***

This fund was established by City Council to ensure that monies are being allocated for street resurfacing needs throughout the City.

***Fire Capital Levy Fund***

This fund accounts for property tax collections received through a tax levy. Expenditures are for operations and capital expenditures of the fire department.

***Animal Control Fund***

This fund accounts for fines assessed to animal owners for failing to keep their animals properly constrained. Expenditures are devoted solely to furthering animal control purposes within the City.

***Probation Services Fund***

This fund accounts for probation fees and expenditures related to placing offenders under a community control sanction.

***Court Computer Fund***

This fund accounts for additional court fees designated for the computerization of the municipal court.

***Court Special Projects Capital Fund***

This fund accounts for revenues collected from the municipal court to be used on various capital improvement projects of the municipal court.

**CITY OF BARBERTON, OHIO**

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTIONS - GOVERNMENTAL FUNDS*

**NONMAJOR SPECIAL REVENUE FUNDS (CONTINUED)**

***9-1-1 Phone System Fund***

This fund accounts for revenues that are designated for the replacement of the 911 phone system and computer aided dispatch records. This fund did not have any activity on cash-basis during 2015; therefore a budget and actual (non-GAAP budgetary basis) schedule has not been presented.

***Indigent Drivers Alcohol Treatment Fund***

This fund accounts for fees and fines to be used as payment of the cost of attendance at an alcohol and drug addiction treatment program.

***Sports Complex Operating Fund***

This fund accounts for the revenue and expenditures associated with operating and maintaining a sports complex along with managing the various athletic leagues that use the facility.

***Parks Recreation Improvement Fund***

This fund accounts for proceeds from the sale of park land in Tuscora Park to Barberton Citizens Hospital. These monies are required to be used in making improvements to the parks throughout the City.

***Gas and Oil Royalty Fund***

This fund accounts for royalty money received from gas wells located on City property. These revenues are used for economic development within the City.

***D.A.R.E. Program Fund***

This fund accounts for monies received from various sources to be used for the continuance of the Drug Abuse Resistance Education Program in the City's schools.

***Mandatory Drug Fines Fund***

This fund accounts for fines received by the City that are restricted under the Ohio Revised Code to subsidize law enforcement efforts that pertain to drug offenses.

***Local Law Enforcement Trust Fund***

This fund accounts for grant monies received from the U.S. Department of Justice to be used for specific law enforcement purposes and proceeds from the sale of contraband that are restricted to subsidize law enforcement efforts.

***Parks Revolving Loan Fund***

This fund accounts for parks and recreation user fees utilized for parks and recreation activities.

***Sidewalk Improvement Program Fund***

This fund accounts for the monies used to subsidize the cost of replacing existing sidewalks for homeowners within the City.

***City Grant Fund***

This fund was established by City Council to account for various grant receipts.

***Federal Emergency Management Agency Fund***

This fund accounts for the federal portion of grant monies received from the Federal Emergency Management Agency through the State of Ohio Emergency Management Agency Public Assistance Disaster Recovery Grant Program.

***Rental Registration Program Fund***

This fund accounts for the registration and license fees collected from the Rental Registration Program to be used exclusively for the improvement of the housing infrastructure and administration within the City.

***Neighborhood Stabilization Program Fund***

This fund accounts for monies received from the Neighborhood Stabilization Program for the purpose of stabilizing communities that have suffered from foreclosures and abandonment.

**CITY OF BARBERTON, OHIO**

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTIONS - GOVERNMENTAL FUNDS*

**NONMAJOR SPECIAL REVENUE FUNDS (CONTINUED)**

***Community Development Block Grant Fund (CDBG)***

This fund accounts for monies received from the federal government under the Community Development Block Grant Program which are restricted for City-wide development projects such as the Neighborhood Conservation Services and Barberton Community Development Corporation.

***Rental Rehabilitation Fund***

This fund accounts for grant monies received from the Ohio Department of Development for the rehabilitation of rental property.

***Tax Increment Financing Fund***

This fund accounts for the annual collection of service payments in lieu of taxes distributed to the City with respect to improvements on downtown property which are declared to be a public purpose.

***Lake Cinema Complex Maintenance Fund***

This fund accounts for the cost of maintaining a City-owned theater complex.

***Project Impact Fund***

This fund accounts for grant monies and donations received from the Barberton Community Foundation to raze hazardous structures.

***Beautification Fund***

This fund accounts for donations restricted for floral beautification projects within the City.

***Senior Center Trust Fund***

This fund accounts for the monies received and expended for Senior Center Operations.

***Fire Pension Fund***

This fund accounts for property taxes levied and other monies for the payment of the accrued liability for fire disability and pension benefits.

***Police Pension Fund***

This fund accounts for property taxes levied and other monies for the payment of the accrued liability for police disability and pension benefits.

***Court Special Projects Operating Fund***

This fund accounts for revenues collected from the municipal court to be used on various special projects of the municipal court.

***Computer Legal Research Fund***

This fund accounts for court fees used to make available computerized legal research services for the municipal court.

***Business Incentive Program Fund***

This fund accounts for monies used to assist in economic development; attracting new businesses to the City and the expansion of current businesses.

***Vacant Property Registration Fund***

This fund accounts for monies from fees and charges to property owners used for the regulation and maintenance of properties which are in the foreclosure process, abandoned or vacant.

**NONMAJOR DEBT SERVICE FUNDS**

The debt service funds are used to account for the accumulation of resources and the payments of general obligation and special assessment principal, interest, and related costs.

***General Obligation Bond Retirement Fund***

This fund accounts for the resources that are used for the payment of principal, interest, and other fiscal charges on general obligation debt.

***Special Assessment Bond Retirement Fund***

This fund accounts for the retirement of debt issued to finance public improvements deemed to benefit the properties against which special assessments are levied.

**CITY OF BARBERTON, OHIO**

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTIONS - GOVERNMENTAL FUNDS*

**NONMAJOR CAPITAL PROJECTS FUNDS**

The capital project funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary fund types. Following is a description of the capital project funds:

***Senior Center Construction Fund***

This fund accounts for the revenues and expenditures associated with the construction of the new Senior Center.

***Infrastructure Improvement Reserve Fund***

This fund accounts for monies received from the income tax fund which are restricted for the purpose of funding infrastructure improvements identified in the City's Five-Year Capital Improvements Plan.

**MAJOR CAPITAL PROJECTS FUND**

***Street Capital Improvement Fund***

This fund accounts for revenue from a 0.25% income tax levy which is restricted for road and street improvements.

**CITY OF BARBERTON, OHIO**

**CITY OF BARBERTON, OHIO**

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTIONS - PROPRIETARY FUNDS*

**ENTERPRISE FUNDS**

To account for the financing of costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis that are financed or recovered primarily through user charges.

**Major Enterprise Funds**

***Water Fund***

This fund accounts for revenues generated from the charges for the treatment and provision of water to the residents and commercial users of the City.

***Sewer Fund***

This fund accounts for the sanitary sewer services provided to the residents and commercial users of the City. The costs of providing these services are financed primarily through user charges.

***Solid Waste Fund***

This fund accounts for refuse and recycling collection services provided to residential users within the City.

**Nonmajor Enterprise Fund**

***Storm Water Fund***

This fund accounts for the storm drainage runoff services provided to the residents and commercial users of the City. The costs of providing these services are financed primarily through user charges.

**INTERNAL SERVICE FUNDS**

To account for the financing of services provided by one department or agency to other departments or agencies of the City on a cost-reimbursement basis.

***Health Insurance Fund***

This fund accounts for the costs of medical benefits provided to the City's employees.

***Internal Allocation Fund***

This fund accounts for the cost of postage and gasoline used by City departments and outside sources.

*INDIVIDUAL FUND SCHEDULES  
FUND DESCRIPTION - AGENCY FUNDS*

**Agency Funds**

Agency funds are purely custodial (assets equal liabilities) and thus do not involve measurement of results of operations.

***Deposit Fund***

To account for monies put on deposit with the City in accordance with various City ordinances.

***New Haven/Forest City Fund***

This fund accounts for monies received by the City that are required to be distributed to various entities for use in constructing the New Haven development and making the associated debt payments.

**CITY OF BARBERTON, OHIO**

Source: Summit County, Ohio; Fiscal Officer

(a) Real property is assessed at 35% of actual value.

(b) Public utility is assessed at 88% percent of actual value.

(c) For 2005 and prior, tangible personal is assessed at 25% of true value for capital assets and 23% of true value for inventory included in tangible personal property.

For 2006, tangible personal is assessed at 18.75% of property value, including inventory.

For 2007, tangible personal is assessed at 12.50% of property value, including inventory.

For 2008, tangible personal is assessed at 6.25% of property value, including inventory.

For 2009 and subsequent years, tangible personal property tax is assessed at 0.00% of property value, including inventory, except for telephone tangible personal property which is assessed at 10% of property value, including inventory. In 2009 and 2010, telephone tangible is the only taxable tangible personal property.

(a) Includes homestead/rollback taxes assessed locally but distributed through the State and reported as intergovernmental revenue.

(b) Total collections represent the current collections plus delinquent collections for the year noted. The Summit County Fiscal Officer is unable to identify and match delinquent collections to the year such taxes were originally levied and therefore in certain years the total collections to the tax levy may exceed 100%.
