We have reviewed the *Independent Auditor's Report* of the Hamilton Alternative Academy, Franklin County, prepared by J.L. Uhrig and Associates, Inc., for the audit period July 1, 2014 through June 30, 2015. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Hamilton Alternative Academy is responsible for compliance with these laws and regulations.

Report on the Financial Statements

We have audited the accompanying financial statements of the Hamilton Alternative Academy (the Academy), Franklin County, Ohio, a component unit of the Hamilton Local School District, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Governmental Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Academy's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Academy's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Hamilton Alternative Academy, Franklin County, Ohio as of June 30, 2015, and the respective changes in financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include Management's discussion and analysis on pages 3-5 listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquires of management about methods of preparing the information and comparing the information for consistency with management's responses to our inquires, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 3, 2015, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not provide an opinion on internal control over financial reporting or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2015
Unaudited

The discussion and analysis of the Hamilton Alternative Academy's (HAA) financial performance provides an overall review of the HAA's financial activities for the initial period ended June 30, 2015. Readers should also review the basic financial statements and notes to enhance their understanding of the HAA's financial performance.

Highlights

HAA is in operation as a Kindergarten through twelfth grade online internet school. Each student was provided a computer and scanner which were used to access a curriculum based on the state model and which used certified/licensed instructors. Enrollment varied during the year but averaged 41 students.

Using this Annual Financial Report

This annual report consists of a series of financial statements and notes to those statements.

The statement of net assets and the statement of revenues, expenses, and changes in net assets reflect how HAA did financially during the year ended June 30, 2015. These statements include all assets and liabilities using the accrual basis of accounting similar to that which is used by most private-sector companies. This basis of accounting considers all of the fiscal year revenues and expenses regardless of when cash is received or paid.

These statements report HAA's net assets and changes in those assets. This change in net assets is important because it tells the reader whether the financial position of HAA has increased or decreased during the period. Over time, these increases and/or decreases are one indicator of whether the financial position is improving or deteriorating.

HAA uses enterprise presentation for all of its activities.

Finally, the notes to the basic financial statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Table 1 provides a summary of HAA's net assets as of June 30, 2015 compared to fiscal year 2014:

Table 1 Net Assets		
	2015	2014
<u>Assets:</u>		
Current Assets	\$23,988	\$60,011
Accounts Receivable	0	18,263

Invested in Capital Assets, Net of Related Debt	8,640	3,603
Unrestricted	19,386	78,186
Total Net Assets	\$ 28,026	\$81,789

HAA's current assets decreased \$36,023 due to decreased enrollment. The capital assets increased \$5,037 due to buying of equipment and the decrease is due to the offset by the depreciation during 2015 of all equipment.

Table 2 reflects the changes in net assets for the year ended June 30, 2015 as compared to fiscal year 2014:

Hamilton Alternative Academy
Franklin County
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2015
Unaudited

Revenues decreased \$158,990 during fiscal year 2015. The major factor in this change is the decrease of full-time students that has come to the program and thus our State Aid has decreased.

HAA's expenses decreased \$30,888 which is mostly due to employee's purchased services.

Budgeting

HAA is not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided by the HAA's contract with its Sponsor. The contract between HAA and its Sponsor prescribes an annual budget requirement of preparing a five year forecast, which is to be updated on an annual basis.

Capital Assets and Debt Administration

Capital Assets

HAA did invest \$7,310 during the period ended June 30, 2015. The accumulated depreciation at June 30, 2015 amounted to \$348,558. The capital assets net of accumulated depreciation at June 30, 2015 amounted to \$8,640.

Debt

HAA has incurred no debt as of June 30, 2015.

Current Issues

The cutting edge nature of this kind of instructional delivery makes for constant change of operation. The upgrade and maintenance of equipment and technical support are some of the other challenges facing HAA.

Contacting the HAA's Financial Management

This financial report is designed to provide citizens, taxpayers, and creditors with a general overview of the HAA's finances and to show the HAA's accountability for the money it receives. If you have any questions about this report or need additional financial information contact Adam Collier, Treasurer, Hamilton Alternative Academy, 775 Rathmell Road, Columbus, Ohio 43207.

Hamilton Alternative Academy
Franklin County
Notes to the Basic Financial Statements
For the Year Ended June 30, 2015

Note 1: Description of the School

The Hamilton Alternative Academy (HAA) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. HAA is an approved tax-exempt organization under Section 501 (c) (3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect HAA's tax exempt status. HAA's mission is to enhance and facilitate student learning by providing state of the art digital curriculum and instruction; innovative, collaborative leadership; and technical expertise and support that will prepare students to become lifelong learners and intelligent decision makers. The students may include, but will not be limited to, home schoolers, children with special physical and mental needs, students removed from the regular classroom for discipline concerns, students who need an alternative to the traditional classroom for various reasons, including religious reasons, transient students, and students with the Hamilton City School District, sponsor school district, that desire a specific course not currently offered but is available through online instruction.

HAA was created on February 24, 2003 by entering into a contract with Hamilton Local School District the Sponsor). The Sponsor is also the fiscal agent of the HAA with the Treasurer of the Sponsor completing the role of Treasurer for the HAA.

HAA operates under the direction of a six-member (five voting member) Board of Directors. The charter dictates the Board members. The Hamilton Local School District approves the Board, but does not appoint the members. The Sponsor can suspend the HAA's operations for any of the following reasons: 1) The HAA's failure to meet student performance requirements stated in its contract with the Sponsor, 2) The HAA's failure to meet generally accepted standards of fiscal management, 3) The HAA's violation of any provisions of the contract with the Sponsor or applicable state or federal law, or 4) Other good cause. The Board of Directors are responsible for carrying out the provisions of the contract which include, but are not limited to, helping create, approve, and monitor the annual budget, develop policies to guide operations, secure funding, and maintain a commitment to vision, mission, and belief statements of HAA and the children it serves. During the fiscal year ended June 30 2005, HAA paid purchased services to TRECA for providing the planning, design, implementation, instructional, administrative, and technical services. Therefore, the HAA is a component unit of the Hamilton Local School District. Additional, the HAA entered into an agreement with Tri-Rivers Educational Computer Association (TRECA) for management consulting services (See Note 4).

Note 2 - Summary of Significant Accounting Policies

The financial statements of the HAA have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the HAA's accounting policies are described below.

A. Basis of Presentation

The HAA's basic financial statements consist of a statement of net assets; a statement of revenues, expenses, and changes in net assets; and a statement of cash flows.

HAA uses a single enterprise presentation for its financial records. Enterprise reporting focuses on the determination of operating income, changes in net assets, financial position, and cash flows.

Hamilton Alternative Academy
Franklin County
Notes to the Basic Financial Statements
For the Year Ended June 30, 2015

Note 2 - Summary of Significant Accounting Policies (Continued)

B. Measurement Focus

The enterprise activity is accounted for using a flow of economic resources measurement focus. All assets and liabilities associated with the operation of HAA are included on the statement of net assets. The statement of revenues, expenses, and changes in net assets presents increases (e.g. revenues) and decreases (e.g. expenses) in total net assets. The statement of cash flows reflects how HAA finances meet its cash flow needs.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. HAA's financial statements are prepared using the accrual basis of accounting. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenue resulting from non-exchange transactions, in which HAA receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the period in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the period when the resources are required to be used or the period when use is first permitted, matching requirements, in which HAA must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to HAA on a reimbursement basis. Expenses are recognized at the time they are incurred.

D. Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided by the HAA's contract with its Sponsor. The contract between HAA and its Sponsor prescribes an annual budget requirement as part of preparing a five year forecast, which is updated on an annual basis.

E. Cash and Cash Equivalents

Cash received by HAA is reflected as "Cash and Cash Equivalents" on the statement of net assets. HAA had no investments during the fiscal year ended June 30, 2015.

F. Net Assets

Net assets represent the difference between assets and liabilities. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by HAA or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. HAA applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

G. Capital Assets

Capital asset additions during fiscal year 2015 consisted of \$7,310. All capital assets are capitalized at cost and updated for any additions and retirements during the fiscal year. HAA mentions a capitalization threshold of five hundred dollars. All of HAA's reported capital assets are depreciated using the straight-line method over five years of useful life.

Hamilton Alternative Academy
Franklin County
Notes to the Basic Financial Statements
For the Year Ended June 30, 2015

Note 2 - Summary of Significant Accounting Policies (Continued)

H. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of HAA. Operating expenses are necessary costs incurred to provide the service that is the primary activity of HAA. All revenues and expenses not meeting this definition are reported as non-operating.

I. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Note 3 - Deposits

The following information classifies deposits by categories of risk as defined in GASB Statement No.3, "Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements".

At June 30, 2015, the carrying amount of HAA's deposits was \$23,988 and the bank balance was \$37,542. All of the bank balance was covered by federal depository insurance and pooled collateral agreements with the banking institution. There are no significant statutory restrictions regarding the deposit and investment of funds by the nonprofit corporation.

Note 4 - Contract with TRECA

HAA entered into a contract with Tri-Rivers Educational Computer Association (TRECA) for management consulting services. Under the contract, the following terms were agreed upon:

- TRECA shall provide HAA with instructional, supervisory/administrative, and technical services sufficient to effectively implement HAA's educational plan and HAA's assessment and accountability plan.
- All personnel providing services to HAA on behalf of TRECA under the agreement shall be employees of TRECA and TRECA shall be solely responsible for all payroll functions, including retirement system contributions and all other legal withholding and/or payroll taxes, with respect to such personnel. All shall possess any certification or licensure which may be required by law.
- The technical services provided by TRECA to HAA shall include access to, and the use of, computer software, computer hardware, networking hardware, network services, and the services of technical support personnel necessary to implement the plan of operation.
- HAA shall secure the services of an Executive Director, who shall be the chief operating officer of the school, with primary responsibility for day-to day operations of HAA.
- Curricular services provided by TRECA shall be limited to the standardized curriculum developed by TRECA.

For the period \$0 was payable under this contract. HAA paid 100% of this amount as of June 30, 2015.

Hamilton Alternative Academy
Franklin County
Notes to the Basic Financial Statements
For the Year Ended June 30, 2015

Note 5 – Capital Assets

Capital asset activity for the fiscal year ended June 30, 2015, was as follows:

	Balance June 30, 2014	Additions	Deletions	Balance June 30, 2015
Equipment	\$349,888	\$7,310	0	\$357,198
Less Accumulated Depreciation	(346,285)	(2,273)	0	(348,558)
Depreciable Capital Assets, Net	\$3,603	\$ 5,037	0	\$8,640

Note 6 - Risk Management

HAA is exposed to various risks of loss related to torts; errors and omissions; and natural disasters. During the period ended June 30, 2015, HAA is covered under the liability insurance for the Hamilton Local School District (Sponsor). Management is unaware of any material pending claims that may effect the period ended June 30, 2015.

Note 7 - Related Party Transactions

The HAA is a component unit of the Hamilton Local School District (the District). As described in Note 1, the District is the HAA's sponsor. The HAA and the District entered into a five-year sponsorship agreement on February 25, 2003, whereby terms of the sponsorship were established. Pursuant to this agreement, the District's treasurer serves as the HAA's fiscal officer. Also, the HAA is required annually to pay the District, from funding provided to the HAA from the Ohio Department of Education pursuant to Section 3314.08 of the Ohio Revised Code, \$150 per student per year.

Note 8 - Contingencies

A. Grants

HAA received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the HAA. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the HAA at June 30, 2015.

B. Litigation

The HAA is not party to any legal proceedings.

C. Ohio Department of Education Enrollment Review

The Ohio Department of Education (ODE) conducts reviews of enrollment data and full time equivalency (FTE) calculations made by HAA. These reviews are conducted to ensure HAA is reporting accurate student enrollment data to the State, upon which state foundation funding is calculated.

Hamilton Alternative Academy
Franklin County
Notes to the Basic Financial Statements
For the Year Ended June 30, 2015

Note 9 – Management Plan

For fiscal year 2015, the Alternative Academy experienced an operating (loss) of \$(88,785). Enrollment dipped during fiscal year 2015 from 2014. We had cut many positions going into 2014 because of the huge loss in 2013 and thus in 2015 we was able to absorb some more enrollment declines. Our net assets went down \$53,763 from 2014 to 2015. We are hoping to increase the revenue stream in 2015-16 with more students.

Management plans to lower, if need be, the purchased services compared with 2014-15 costs. Our hope is due to the fact we have open enrollment now (3rd year) for adjacent districts, students will increase and thus revenues will increase. We don't plan to increase purchase services even if our enrollment goes up. We need to raise our cash balance in 2015-16.

We have a settlement agreement with ODE that went into effect September 2014 for 22 months. The agreement states that we owe back roughly \$13,000 per month for the 22 months because we did not record ADM correctly. We have already made plans with the Sponsor district and cut our purchased services drastically in 2015-16. These settlement is affecting our revenues dramatically for 2015-16. But, after this year it looks promising to have positive cash flows.

Independent Accountant's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards

Board of Directors
Hamilton Alternative Academy
775 Rathmell Road
Columbus, Ohio 43207

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, the financial statements of the Hamilton Alternative Academy (the Academy), a component unit of Hamilton Local School District, as of and for the year ended June 30, 2015, and the related notes to the financial statements which collectively comprise the Academy's basic financial statements and have issued our report thereon dated December 3, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of supporting our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Academy's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
Hamilton Alternative Academy
Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards*

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weakness or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance whether the Academy's financial statements are free of material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Governmental Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
