**CLINTON COUNTY, OHIO**

**AGREED-UPON PROCEDURES**

**For the Years Ended December 31, 2015 and 2014**

# Dave Yost • Auditor of State

Board of Trustees  
Marion Township  
3116 Westboro Road  
Blanchester, Ohio 45107

We have reviewed the *Independent Auditor's Report on Applying Agreed-Upon Procedures* of Marion Township, Clinton County, prepared by Charles E. Harris & Associates, Inc., for the period January 1, 2014 through December 31, 2015. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Marion Township is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Dave Yost".

**INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES**

Marion Township  
Clinton County  
3116 Westboro Road  
Blanchester, Ohio 45107

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Marion Township, Clinton County, Ohio (the Township) and the Auditor of State have agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

**Cash**

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2014 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2013 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2015 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2014 balances in the Cash Summary by Fund report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2015 and 2014 fund cash balances reported in the Cash Summary by Fund Reports. The amounts agreed.
4. We confirmed the December 31, 2015 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2015 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register to determine the debits were dated prior to December 31. We noted no exceptions.

6. We selected the only reconciling credit (a deposit in transit) from the December 31, 2015 bank reconciliation:
  - a. We traced the credit to the subsequent January bank statement. We found no exceptions.
  - b. We agreed the credit amount to the cash journal. The credit was recorded as a December receipt for the same amount recorded in the reconciliation. We noted no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2015 and one from 2014:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Revenue Ledger to determine whether it included two real estate tax receipts for 2015 and 2014. We noted the Revenue Ledger included the proper number of tax receipts for each year.
3. We selected three receipts (all) from the State Distribution Transaction Lists (DTL) from 2015 and three (all) from 2014. We also selected five receipts from the County Auditor's DTLs from 2015 and five from 2014.
  - a. We compared the amounts from the above reports to the amounts recorded in the Revenue Ledger. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

#### **Debt**

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2013.
2. We inquired of management, and scanned the Revenue Ledger and Cash Journal for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. We noted no new debt issuances nor any debt payment activity during 2015 or 2014.

#### **Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2015 from the Payroll Wage Detail report and one payroll check for five employees from 2014 from the Payroll Wage Detail report and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Wage Detail report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the minute records. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2015. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2016	January 6, 2016	\$ 3,983.73	\$ 3,983.73
State income taxes	February 2, 2016	December 14, 2015	\$ 606.96	\$ 606.96
OPERS retirement	February 2, 2016	December 30, 2015	\$ 1,827.99	\$ 1,827.99

3. For the pay periods ended October 30, 2015 and September 30, 2014, we recomputed the allocation of the Fiscal Officer's salary to the General Fund and Boards' salaries to the General, Motor Vehicle Tax, Gasoline Tax, Road and Bridge, Cemetery, and Permissive Motor Vehicle tax funds per the Payroll Detail Wage report. We found no exceptions.
4. For the pay periods described in the preceding step, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.
5. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if Township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. We noted no such reimbursements.

#### **Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Cash Journal for the year ended December 31, 2015 and ten from the year ended December 31, 2014 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Cemetery funds for the years ended December 31, 2015 and 2014. The amounts on the Revenue Status Report for the General, Gasoline Tax and Cemetery funds were \$75,600, \$82,100 and \$-0- for 2015. However, the amounts on the Amended *Certificate* were \$70,000, \$80,000 and \$1, respectively. The amounts for 2014 agreed.
2. We scanned the appropriation measures adopted for 2015 and 2014 to determine whether, for the General, Gasoline Tax and Cemetery funds, the Board appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2015 and 2014 for the following funds: General, Gasoline Tax and Cemetery funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Cemetery funds for the years ended December 31, 2015 and 2014. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, Gasoline Tax and Cemetery fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Revenue Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2015 and 2014 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Report to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Cash Summary by Fund Report for the years ended December 31, 2015 and 2014 for negative cash fund balance. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Cash Journal for the years ended December 31, 2015 and 2014 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$5,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). The Township obtained the required county engineer project assessment form and elected to proceed by contract for a maintenance and repair project under \$45,000 as provided by ORC 5575.01.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Township filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions noted.
2. We inquired of the fiscal officer and/or scanned the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. The Fiscal Officer obtained the required training.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, the Board of Trustees, the Auditor of State and others within the Township and is not intended to be, and should not be used by anyone other than these specified parties.
