INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Marion Township
Hancock County
6761 Township Road 212
Findlay, Ohio 45840-8728

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Marion Township, Hancock County, Ohio (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2014 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2013 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2015 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2015 and 2014 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2015 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2015 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

Cash and Investments – (Continued)

6. We selected the deposit in transit from the December 31, 2015 bank reconciliation:
 - a. We traced the credit to the subsequent January bank statement. We found no exceptions.
 - b. We agreed the credit amount to the Receipts Register. The credit was recorded as a December receipt for the same amount recorded in the reconciliation.
7. We tested investments held at December 31, 2015 and December 31, 2014 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2015 and one from 2014:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included two real estate tax receipts for 2015 and 2014. We noted the Receipts Register Report included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2015 and all from 2014. We also selected five receipts from the County Auditor Vendor invoice List from 2015 and five from 2014.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed for 2014. However, homestead and rollback receipts for 2015 in the gross amount of \$30,172 were not received by the Township. The Fiscal Officer has been in contact with the Department of Taxation to have these payments reissued.
 - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions for 2014. Homestead and rollback receipts for 2015 were not received in 2015.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2013.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. We noted no new debt issuances, nor any debt payment activity during 2015 or 2014.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2015 and one payroll check for five employees from 2014 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes and Medicare	January 31, 2016	December 7, 2015	\$690.51	\$690.51
State income taxes	January 15, 2016	December 7, 2015	979.17	979.17
OPERS retirement	January 30, 2016	December 7, 2015	1,363.20	1,363.20

3. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. We noted no such reimbursements.

Non-Payroll Cash Disbursements

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2015 and ten from the year ended December 31, 2014 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Receipts Journal for the General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2015 and 2014. The amounts agreed.
2. We scanned the appropriation measures adopted for 2015 and 2014 to determine whether, for the General, Gas Tax, and Road and Bridge funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2015 and 2014 for the following funds: General, Gas Tax, and Road and Bridge funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledger report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2015 and 2014. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, Gas Tax, and Road and Bridge fund, as recorded in the Appropriation Ledger. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Township received new restricted receipts. The Township established the Capital Projects fund during 2014 to account for activity related to an Ohio Public Works Commission project and established a Capital Projects fund during 2015 to account for activity for a Ohio Department of Transportation Sign grant received by the Township, in compliance with Section 5705.09.

Compliance – Budgetary – (Continued)

7. We scanned the 2015 and 2014 Receipt Journal and Appropriation Ledgers for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Cash Journal for the years ended December 31, 2015 and 2014 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no fund having a negative cash fund balance.

Compliance – Contracts and Expenditures

We inquired of management and scanned the Cash Journal for the years ended December 31, 2015 and 2014 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Officials' Response:

The Township Fiscal Officer has confirmation from the Ohio Department of Taxation the \$30,172 distribution is currently being processed and will be received.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
