INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

McComb Public Library
Hancock County
113 South Todd Street
P.O. Box 637
McComb, Ohio 45858

We have performed the procedures enumerated below, with which the Board of Trustees and the management of McComb Public Library, Hancock County, Ohio (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014 and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2014 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2013 balances in the prior year audited statements. We found the Library's beginning balance to be \$300,115 and the prior audited balance was \$305,367, a difference of \$5,252. This was the amount adjusted due to market value change in the Findlay-Hancock County Community Foundation investment. We recommend the Fiscal Officer report this investment at cost and not market value since the Library is a cash-basis entity. We also agreed the January 1, 2015 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2015 and 2014 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2015 bank account balances with the Library's financial institutions. We found the value of the investment with the Findlay-Hancock County Community Foundation was understated by \$1,546 on the Library's books at the end of 2015. A fund balance adjustment was made to correct this on the Library's accounting records. We recommend the Fiscal Officer balance the investment to the December 31 balance instead of the September 30 balance. We also observed the year-end bank balance on one of the Library's financial

institution's website. The balance agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2015 bank reconciliation without exception. As stated above, the Findlay-Hancock County Community Foundation was understated by \$1,546 at end of 2015 on the Library's books. We recommend the Fiscal Officer report this investment at cost and not market value since they are a cash-basis entity.

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.
6. We tested investments held at December 31, 2015 and December 31, 2014 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found the Library has money invested in the Findlay-Hancock County Community Foundation. The Foundation does not qualify as an eligible investment, or institution or dealer. We recommend the Library only invest in items that Ohio Rev. Code allows.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. The Library has money invested in the Findlay-Hancock County Community Foundation. The Foundation determines what the money is to be invested in and for what time periods. We recommend the Library only invest in items that Ohio Rev. Code allows.

Public Library Fund Receipts

We selected two Public Library Fund (PLF) receipts from the County Auditor's Vendor Invoice Lists from 2015 and two from 2014.

- a. We compared the amount from the County Auditor's Vendor Invoice Lists to the amount recorded in the Receipt Register Report. The amounts agreed.
- b. We determined whether these receipts were posted to the General Fund. We found no exceptions.
- c. We determined whether the receipts were recorded in the proper year. We found no exceptions.
- d. We scanned the Receipt Register Report to determine whether it included one PLF receipt per month for 2015 and 2014. We found no exceptions.

Over-The-Counter Cash Receipts

We haphazardly selected 10 over-the-counter cash receipts from the year ended December 31, 2014 recorded in the duplicate cash receipts book and determined whether the:

- a. Receipt amount agreed to the amount recorded in the Receipt Register Report. The amounts agreed.
- b. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2013.

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. We noted no new debt issuances, nor any debt payment activity during 2015 or 2014.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2015 and one payroll check for five employees from 2014 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard or legislatively-approved rate or salary). We found no exceptions
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department and fund to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State and Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes and Medicare	January 31, 2016	December 30, 2015	\$856.24	\$856.24
State income taxes	January 15, 2016	December 29, 2015	154.43	154.43
School District income tax	January 15, 2016	December 29, 2015	105.21	105.21
Local income tax	February 1, 2016	January 20, 2016	316.31	316.31
OPERS retirement	January 30, 2016	January 25, 2016	2,749.42	2,749.42

Non-Payroll Cash Disbursements

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2015 and ten from the year ended December 31, 2014 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.

- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Budgetary

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Status Report for 2015 and 2014 for the following funds: General Fund and Capital Projects Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General and Capital Projects fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.

Other Compliance

Ohio Rev. Code Section 117.38 requires entities to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Library filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions were noted.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Library, and is not intended to be, and should not be used by anyone other than these specified parties.
