## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Union Township  
Muskingum County  
9655 Pidcock Road  
Zanesville, Ohio 43701

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Union Township, Muskingum County, Ohio (the Township), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2014 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2015 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2015 and 2014 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2015 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2015 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the *Statement*) for 2015 and one from 2014:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included two real estate tax receipts for 2015 and 2014. We noted the Receipt Register Report included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2015 and all from 2014. We also selected five receipts from the County Auditor's Detail Expense Report from 2015 and five from 2014.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. From the prior audit documentation, we noted the following bond outstanding as of December 31, 2013. This amount agreed to the Township's January 1, 2014 balances on the summary we used in step 3.

Issue	Principal outstanding as of December 31, 2013:
General Obligation Bond – Dump Truck	\$32,659

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. We noted no new debt issuances, but noted debt payment activity during 2015 and 2014 on the General Obligation Bond – Dump Truck.
3. We obtained a summary of bonded debt activity for 2015 and 2014 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2015 and one payroll check for five employees from 2014 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.

**Payroll Cash Disbursements (Continued)**

- b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2015. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	1/31/16	1/8/16	\$1,284	\$1,284
State income taxes	1/15/16	1/8/16	\$389	\$389
OPERS retirement	1/30/16	1/12/16	\$1,561	\$1,561

3. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60 and 505.601 and federal regulations.

**Non-Payroll Cash Disbursements**

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2015 and ten from the year ended 2014 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found three instances where a disbursement requiring certification was not certified on or before the invoice date and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. In addition, we noted one instance where a "super" blanket certificate issued in 2014 remained open after year-end for an obligation not incurred until 2015. Ohio Rev. Code § 5705.41(D)(3) requires blanket certificates to be limited to a period not extending beyond the end of the fiscal year. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred. The Fiscal Officer should certify all disbursements requiring certification or issue a *Then and Now Certificate* as required by Ohio Rev. Code § 5705.41(D).

**Compliance – Budgetary**

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code § 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road & Bridge Funds for the years ended December 31, 2015 and 2014. The amounts on the Certificate agreed to the amount recorded in the accounting system, except for the General Fund.

### **Compliance – Budgetary (Continued)**

The Revenue Status Report recorded budgeted (i.e., certified) resources for the General Fund of \$50,180 for 2015. However, the final Amended Official Certificate of Estimated Resources reflected \$49,098. The Fiscal Officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the Amended Official Certificate of Estimated Resources to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.

2. We scanned the appropriation measures adopted for 2015 and 2014 to determine whether, for the General, Gasoline Tax and Road & Bridge Funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code § 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code §§ 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2015 and 2014 for the following funds: General, Gasoline Tax and Road & Bridge. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code §§ 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Road & Bridge Funds for the years ended December 31, 2015 and 2014. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, Gasoline Tax and Road & Bridge Funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code § 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code § 5705.09 would require the Township to establish a new fund.
7. We scanned the 2015 and 2014 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$10 which Ohio Rev. Code §§ 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which § 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code § 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Cash Summary by Fund Report for the years ended December 31, 2015 and 2014 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2015 and 2014 to determine if the Township proceeded by force account (i.e., used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code § 5575.01 requires the County Engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the County Engineer to complete a force account cost estimate.

### **Other Compliance**

Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Township filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions noted.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
