INDEPENDENT ACCOUNTANT’S REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Newtown
Hamilton County
3536 Church Street
Newtown, Ohio 45244

We have performed the procedures enumerated below, with which the Village Council and Mayor, and the management of the Village of Newtown (the Village) and the Auditor of State have agreed, solely to assist the Council and Mayor in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2015 and 2014, including mayor's court receipts, disbursements and balances, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management, the Mayor, and/or the Council are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants’ attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States’ Government Auditing Standards. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding $10.

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2015 bank reconciliation:
   a. We traced each debit to the subsequent January bank statement. We found no exceptions.
   b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.
Cash and Investments (continued)

6. We tested investments held at December 31, 2015 and December 31, 2014 to determine that they:
   a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
   b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a property tax receipt from one Statement of Semiannual Apportionment of Taxes (the Statement) for 2015 and one from 2014:
   a. We traced the gross receipts from the Statement to the amount recorded in the Revenue Ledger Report. The amounts agreed.

3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2015 and five from 2014. We also selected five receipts from the County Auditor’s DTLs from 2015 and five from 2014.
   a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger Report. The amounts agreed.
   b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.

Income Tax Receipts

1. We obtained the December 31, 2015 and 2014 Total Distributions reports submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We selected two months for each year and agreed the total gross income taxes for each month to the Village’s Revenue Ledger report. The amounts agreed.

Debt

1. From the prior audit documentation, we noted the following loans outstanding as of December 31, 2013. These amounts agreed to the Village’s January 1, 2014 balances on the summary we used in step 3.

Debt (continued)

2. We inquired of management, and scanned the Revenue Ledger report and Cash Journal report for evidence of debt issued during 2015 or 2014 or debt payment activity during 2015 or 2014. All debt noted agreed to the summary we used in step 3.

3. We obtained a summary of loan debt activity for 2015 and 2014 and agreed principal and interest payments from the related debt amortization schedules to General fund, Church Street/Grant Construction fund and Capital Improvements fund payments reported in the Cash Journal report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2015 and one payroll check for five employees from 2014 from the Wage Detail report and:
   a. We compared the hours and pay rate, or salary recorded in the Wage Detail report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
   b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees’ duties as documented in the employees’ personnel files. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. For any new employees selected in step 1 we determined whether the following information in the employees’ personnel files was consistent with the information used to compute gross and net pay related to this check:
   a. Name
   b. Authorized salary or pay rate
   c. Department and fund to which the check should be charged
   d. Retirement system participation and payroll withholding
   e. Federal, State & Local income tax withholding authorization and withholding
   f. Any other deduction authorizations (deferred compensation, etc.)

   We found no exceptions related to steps a. – f. above.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2015 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer’s share where applicable, during the final withholding period during 2015. We noted the following:

   b. The employee’s pay rate in effect as of the termination date
   c. The Village’s payout policy.

   The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Cash Journal report for the year ended December 31, 2015 and ten from the year ended December 31, 2014 and determined whether:
   a. The disbursements were for a proper public purpose. We found no exceptions.
   b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal report and to the names and amounts on the supporting invoices. We found no exceptions.
   c. The payment was posted to a fund consistent with the restricted purpose for which the fund’s cash can be used. We found no exceptions.
   d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Mayors Court Transactions and Cash Balances

1. We tested the mathematical accuracy of the December 31, 2015 and December 31, 2014 bank reconciliations. We found no exceptions.

2. We compared the reconciled cash totals as of December 31, 2015 and December 31, 2014 to the Mayor’s Court Agency Fund balance reported in the Cash Summary by Fund reports. The balances agreed.

3. We agreed the totals per the bank reconciliations to the total of December 31, 2015 and 2014 listing of unpaid distributions as of each December 31. The amounts agreed.

4. We confirmed the December 31, 2015 bank account balance with the Mayor’s Court financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2015 bank reconciliation without exception.

5. We haphazardly selected five cases from the court cash book and agreed the payee and amount posted to the:
   b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
   c. Case file.

   The amounts recorded in the cash book, receipts book, docket and case file agreed
Mayors Court Transactions and Cash Balances (continued)

6. From the cash book, we haphazardly selected one month from the year ended December 31, 2015 and one month from the year ended 2014 and determined whether:
   a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
   b. The totals remitted for these two months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

Compliance – Budgetary

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, State Highway and Parks and Recreation funds for the years ended December 31, 2015 and 2014. The amounts agreed.

2. We scanned the appropriation measures adopted for 2015 and 2014 to determine whether, for the General, State Highway and Parks and Recreation funds, the Council appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status report for 2015 and 2014 for the following funds: General, State Highway, Parks and Recreation. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.

4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, State Highway and Parks and Recreation funds for the years ended December 31, 2015 and 2014. We noted no funds for which appropriations exceeded certified resources.

5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2015 and 2014 for the General, State Highway and Parks and Recreation funds, as recorded in the Appropriation Status report. We noted no funds for which expenditures exceeded appropriations.

6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Revenue Ledger report for evidence of new restricted receipts requiring a new fund during December 31, 2015 and 2014. We also inquired of management regarding whether the Village received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Village to establish a new fund.

7. We scanned the 2015 and 2014 Revenue Status reports and Appropriation Status reports for evidence of interfund transfers exceeding $10,000 which Ohio Rev. Code Sections 5705.14 -.16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
Compliance – Budgetary (continued)

8. We inquired of management and scanned the Appropriation Status reports to determine whether the Village elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Village did not establish these reserves.

9. We scanned the Cash Summary by Fund report for the years ended December 31, 2015 and 2014 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

Compliance – Contracts & Expenditures

We inquired of management and scanned the Cash Journal report for the years ended December 31, 2015 and 2014 to determine if the Village proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project exceeding $30,000) or to construct or reconstruct Village roads (cost of project $30,000/per mile) for which Ohio Rev. Code Sections 117.16(A) and 723.52 requires the Village engineer, or officer having a different title but the duties and functions of an engineer, to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the completion of the force account assessment form.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Village filed their financial information within the allotted timeframe for the years ended December 31, 2015 and 2014. No exceptions were noted.

2. We inquired of the fiscal officer and/or scanned the Fiscal Integrity Act Portal (http://www.ohioauditor.gov/fiscalintegrity/default.html) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. The Fiscal Officer obtained the required training,

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Village’s receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, the Auditor of State, and others within the Village, and is not intended to be, and should not be used by anyone other than these specified parties.
