INDEPENDENT AUDITOR'S REPORT

Family and Children First Council Erie County 2900 Columbus Avenue Sandusky, Ohio 44870

To the Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of the Family and Children First Council, Erie County, Ohio (the Council) as of and for the years ended December 31, 2016 and 2015.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Family and Children First Council Erie County Independent Auditor's Report Page 2

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2016 and 2015, and the respective changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of the Family and Children First Council, Erie County, Ohio as of December 31, 2016 and 2015, for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2017, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

Note 1 – Reporting Entity

Ohio Rev. Code Section 121.37 created the Ohio Family and Children First Cabinet Council and required each Board of County Commissioners to establish a County Family and Children First Council. Statutory membership of County Council consists of the following individuals:

- 1. At least three individuals representing the interest of families in the County. Where possible, the number of members representing families shall be equal to twenty percent of the Council's remaining membership;
- 2. The Director of the Board of Alcohol, Drug Addiction, and Mental Health Services that serves the County, or, in the case of a County that has a Board of Alcohol and Drug Addiction Services and a Community Mental Health Board, the Directors of both Boards. If a Board of Alcohol, Drug Addition, and Mental Health Services covers more than one County, the Director may designate a person to participate on the County's Council;
- The Health Commissioner, or the Commissioner's designee, of the Board of Health of each City
 or General Health District in the County. If the County has two or more health districts, the
 Health Commissioner membership may be limited to the Commissioners of the two districts with
 the largest populations;
- 4. The Director of the County Department of Job and Family Services;
- 5. The Executive Director of the public children services agency or the County agency responsible for the administration of children services pursuant to the Ohio Rev. Code Section 5153.15;
- 6. The Superintendent of the County Board of Developmental Disabilities or if the Superintendent serves as Superintendent as more than one County Board of Developmental Disabilities, the Superintendent's designee;
- 7. The Superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the County, as determined by the Ohio Department of Education, which shall notify each County of its determination at least biennially;
- 8. A School Superintendent representing all other school districts with territory in the County, as designated at a biennial meeting of the superintendents of those districts;
- 9. A representative of the municipal corporation with the largest population in the County;
- 10. The President of the Board of County Commissioners or an individual designated by the Board;
- 11. A representative of the regional office of the Ohio Department of Youth Services;
- 12. A representative of the County's Head Start agencies, as defined in Ohio Rev. Code Section 3301.32;
- 13. A representative of the County's Early Intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004"; and

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

14. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

- 1. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
- 2. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- 3. Participation in the development of a countywide, comprehensive, coordinated, multidisciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
- 4. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and
- 5. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

The Council's management believes these financial statements present all activities for which the Council is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Council's financial statements consist of a combined statement of receipts, disbursements, and changes in fund balances (regulatory cash basis).

Fund Accounting

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Council are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Council for any purpose provided it is expended or transferred according to the general laws of Ohio.

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted to expenditure for specified purposes. The Council had the following significant Special Revenue Funds:

Help Me Grow Grant Fund This fund receives state and federal grant monies restricted for the purpose of the grant provisions.

Strong Families Grant Fund This fund receives state grant monies restricted for the purpose of the grant provisions.

Administrative/Fiscal Agent

Ohio Rev. Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council selected the Erie County Commissioners. The Council authorizes the Erie County Commissioners, as fiscal agent and administrative agent, to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. The Erie County Commissioners agree to be ultimately responsible for fulfilling the fiscal and administrative obligations of the agreement.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Rev. Code Section 117.38 and Ohio Admin. Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Council recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Rev. Code Section 117.38 and Ohio Admin. Code Section 117-2-03(D) permit.

Budgetary Process

A Family and Children First Council established under Ohio Rev. Code Section 121.37 is not a taxing authority and is not subject to Ohio Rev. Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. The Council filed an estimate of financial resources and an appropriation measure with the Erie County Commissioners as required by Ohio law.

Appropriations The Council annually approves an appropriation measure and subsequent amendments. Unencumbered appropriations lapse at year-end.

Estimated Resources Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission approves estimated resources.

Encumbrances The Council reserves (encumbers) appropriations when individual commitments are made. Encumbrances outstanding at year-end are carried over, and need not be reappropriated.

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

A summary of 2016 budgetary activity appears in Note 3.

Deposits and Investments

The Council designated the Erie County Auditor as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Erie County Treasurer and fund expenditures and balances are reported through the Erie County Auditor. Deposits and investments are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

Capital Assets

The Council records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Council classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Council can *commit* amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly,

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Note 3 – Budgetary Activity

Budgetary activity for the year ended December 31, 2016 follows:

2016 Budgeted vs. Actual Receipts

	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance
General	\$98,062	\$80,708	(\$17,354)
Special Revenue	557,858	293,019	(264,839)
Total	\$655,920	\$373,727	(\$282,193)

2016 Budgeted vs. Actual Budgetary Basis Expenditures

	Appropriation	Budgetary	_
Fund Type	Authority	Expenditures	Variance
General	\$112,866	\$107,300	\$5,566
Special Revenue	559,910	445,965	113,945
Total	\$672,776	\$553,265	\$119,511

Note 4 – Deposits and Investments

The Erie County Auditor, as fiscal agent for the Council, maintains a cash and investments pool used by all of Erie County Auditor's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Erie County Auditor is responsible for compliance. The carrying amount of deposits and investments at December 31, 2016 was \$109,327.

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

Note 5 – Risk Management

The Council is insured for general liability and casualty by the Erie County Commissioners.

Settled claims have not exceeded the commercial coverage in any of the last three years.

There has not been a significant reduction in this coverage from the prior year.

Note 6 - Defined Benefit Pension Plan

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

Erie County Notes to the Financial Statements For the Year Ended December 31, 2016

The Ohio Revised Code also prescribes contribution rates. For 2016, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2016.

Note 7 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which includes multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution.

Note 8 - Contingent Liabilities

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

Note 9 – Deficit Fund Balances

Various Special Revenue Fund Type funds reported a total deficit fund type balance at December 31, 2016 in the amount of \$19,831. The deficit fund balances resulted from timing differences associated with the disbursement of funds prior to receipt of reimbursements from grantor agencies. The general fund is liable for any deficits in the Special Revenue Fund Type and can provide transfers when cash is required.

General	\$142,232	\$107,300	\$34,932
Special Revenue	324,990	247,300	77,690
Total	\$467,222	\$354,600	\$112,622

Note 4 – Deposits and Investments

The Erie County Auditor, as fiscal agent for the Council, maintains a cash and investments pool used by all of Erie County Auditor's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments and the Erie County Auditor is responsible for compliance. The carrying amount of deposits and investments at December 31, 2016 was \$160,415.

This fiscal agent is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts. All risks associated with the above deposits are the responsibility of the fiscal agent.

Note 5 – Risk Management

The Council is insured for general liability and casualty by the Erie County Commissioners.

Settled claims have not exceeded the commercial coverage in any of the last three years.

There has not been a significant reduction in this coverage from the prior year.

Note 6 - Defined Benefit Pension Plan

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

Erie County Notes to the Financial Statements For the Year Ended December 31, 2015

The Ohio Revised Code also prescribes contribution rates. For 2015, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2015.

Note 7 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which includes multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution.

Note 8 – Contingent Liabilities

Amounts grantor agencies pay to the Council are subject to audit and adjustment by the grantor, principally the federal government. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

Note 9 – Deficit Fund Balances

Various Special Revenue Fund Type funds reported a total deficit fund type balance at December 31, 2015 in the amount of \$3,744. The deficit fund balances resulted from timing differences associated with the disbursement of funds prior to receipt of reimbursements from grantor agencies. The general fund is liable for any deficits in the Special Revenue Fund Type and can provide transfers when cash is required.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Family and Children First Council Erie County 2900 Columbus Avenue Sandusky, Ohio 44870

To the Council:

We have audited in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Family and Children First Council, Erie County, Ohio (the Council) as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statements and have issued our report thereon dated December 12, 2017 wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings that we consider a material weakness. We consider finding 2016-001 to be a material weakness.

Financial Reporting and on Compliance and Other Matters
Required by Government Auditing Standards

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Council's Response to Finding

The Council's response to the finding identified in our audit is described in the accompanying schedule of findings. We did not audit the Council's response and, accordingly, we express no opinion on it.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS DECEMBER 31, 2016 AND 2015

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2016-001

Material Weakness - Financial Reporting

Sound financial reporting is the responsibility of the Council and its administrative/fiscal agent and is essential to ensure the information provided to the readers of the financial statements and notes to the financial statements is complete and accurate.

We identified the following error requiring adjustment to the financial statements and/or notes to the financial statements for the year ended December 31, 2016:

Special Revenue Fund Type restricted fund balance in the amount of \$120,983 was reclassified to unassigned (deficit) in accordance with GASB 54.

We also identified the following error requiring adjustment to the financial statements and/or notes to the financial statements for the year ended December 31, 2015:

The Council's annual report submitted via the HINKLE system incorrectly omitted Special Revenue Fund Type receipts (\$17,100), disbursements (\$5,798), and ending fund balance (\$11,302) activity of the Engage Grant and Strong Families Grant funds.

The accompanying financial statements have been adjusted to reflect these changes. Additional insignificant errors were also noted for the years ended December 31, 2016 and 2015. These errors were not identified and corrected prior to the Council preparing its financial statements and notes to the financial statements due to deficiencies in the Council's internal controls over financial statement monitoring.

To help ensure the Council's financial statements and notes to the statements are complete and accurate, the Council should adopt policies and procedures, including a final review of the statements and notes to the financial statements by the Council and its administrative/fiscal agent, to identify and correct errors and omissions. The Council and its administrative/fiscal agent can refer to Auditor of State Bulletin 2011-004 at the following web site address for information on Governmental Accounting Standards Board Statement No. 54:

Officials' Response:

The Erie County Finance Department in cooperation with the Family and Children's First Council of Erie County provides assistance in the preparation of the Financial Report for this agency. Finance staff has been trained in the HINKLE system which was not part of our processes prior to 2016.

This department will seek assistance from the Auditor of State along with the Erie County Auditor's office in an effort to provide quality financial reports for the agency and the taxpayers of this county.
