## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Greene County Soil and Water Conservation District  
Greene County  
1363 Burnett Drive  
Xenia, OH 45385

We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of the Greene County Soil and Water Conservation District (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 through 2016, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement followed the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Depository Balances, Investments and Fund Balances

We applied the following procedures to each *Cash Basis Annual Financial Report* (the Reports) for the fiscal years ending December 31, 2013 through December 31, 2015:

1. We footed and cross-footed the amounts on pages 3A and 3B of the Reports, and compared the *Fund Cash Balances, December 31* to the *Fund Balances* on page 2. The amounts agreed.
2. We compared the *Disbursements* plus *Other Financing Uses* for the Special Fund on pages 3A and 3B of the Reports to the Disbursements reported on page 4. The amounts agreed.
3. We compared the *Receipts* plus *Other Financing Sources* for the Special Fund on pages 3A and 3B of the Reports to the Actual Receipts reported on page 5. The amounts agreed.
4. We tested the mathematical accuracy of the reconciliation on page 2. We found no exceptions.
5. We agreed the January 1 and December 31 fund cash balances reported in the District's General Ledger to the corresponding *Fund Cash Balances* on page 3B of the Reports. The amounts agreed.

### **Depository Balances, Investments and Fund Balances (Continued)**

We also applied the following procedures to the *Combined Statement of Receipts, Disbursements and Changes in Fund Balances* in the *Cash Basis Annual Financial Report* filed in the Hinkle System (the Report) at December 31, 2016:

6. We footed and cross-footed the amounts on the *Combined Statement of Receipts, Disbursements and Changes in Fund Balances*. We found no exceptions.
7. We compared the *Disbursements plus Other Financing Uses* for the Special Fund on the *Combined Statement of Receipts, Disbursements and Changes in Fund Balances* to the Budgetary Expenditures in the Special Fund Budgetary Activity footnote. The amounts agreed.
8. We compared the *Receipts plus Other Financing Sources* for the Special Fund on the *Combined Statement of Receipts, Disbursements and Changes in Fund Balances* to the Actual Receipts in the Special Fund Budgetary Activity footnote. The amounts agreed.
9. We agreed the January 1 and December 31 fund cash balances reported in the District's General Ledger Report to the corresponding *Fund Cash Balances* on the *Combined Statement of Receipts, Disbursements and Changes in Fund Balances*. The amounts agreed.
10. We confirmed the December 31, 2016 bank account depository balance for the District Fund with the District's financial institution. The balances agreed.
11. We compared the December 31, 2016 Special Fund depository balance from the *Report* to the amount reported in the Greene County Auditor's CMI YTD Fund Report Totals. We found no exceptions.
12. For the checks comprising the Outstanding Checks, we applied the following procedures:
  - a. We footed the supporting outstanding check list and compared it to the cash reconciliation. We found no exceptions.
  - b. We traced each check to the subsequent January bank statement. We found no exceptions.
  - c. We traced the amounts and dates of each check to the check register, to determine the check was recorded for the same amount and dated and recorded prior to December 31. We noted no exceptions.
13. We tested investments held at December 31, 2016 to determine that they:
  - d. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
  - e. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Intergovernmental and Other Confirmable Cash Receipts**

We applied the following procedures for the years ended December 31, 2013 through December 31, 2016:

- 1 We agreed the total of the receipts from the State Distribution Transaction Lists (DTL) and the total of the receipts from the Audit Trail by Vendor to the total amounts recorded in the respective receipt classification in the Special Fund in the General Ledger Report. The amounts agreed.

### All Other Cash Receipts

We haphazardly selected 10 other cash receipts from the year ended December 31, 2016 and five other cash receipts from each of the years ended 2013 through 2015 recorded in the duplicate cash receipts book and determined whether the:

1. Receipt amount agreed to the amount recorded in the General Ledger Report. The amounts agreed.
2. Amount charged complied with rates in force during the period, if applicable. We found no exceptions.
3. Receipt was posted to the proper fund(s), and was recorded in the proper year. We found no exceptions.

### Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for two employees for each of the years ended December 31, 2013 through 2015 from the Register for Pay Period and:
  - a. We compared the hours and pay rate, or salary recorded in the Register for Pay Period (2016 and 2015) and Greene County Payroll Journal (2014 and 2013) to supporting documentation (time sheets and Salary Authorization Form). We found no exceptions.
  - b. We determined whether salaries and benefits were paid only from the *Special Fund*, as required by the SWCD Administrative Handbook Chapter 5. We noted no exceptions.
  - c. We determined whether the check was classified as *salaries*. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For the five employees tested in step 1 from 2016, we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to the check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Retirement system participation and payroll withholding
  - d. Federal, State & Local income tax withholding authorization and withholding
  - e. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – e. above.

3. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) occurring between January 1, 2013 and December 31, 2016, and agreed the computation to the amount paid as recorded in the Greene County Payroll Journal Report:
  - a. Accumulated leave records
  - b. The employee's pay rate in effect as of the termination date
  - c. The District's payout policy.

Section X of the Greene County SWCD employee Handbook states in part that after 25 years or more of service from the date of employment, each full-time and full-time limited hours employee shall have earned and shall accumulate biweekly, and be eligible for vacation leave at the rate of 9.6 percent of the hours of service (equivalent to 7.7 hours for each 80 hours of service or 200 hours per year for the full-time employee).

### Payroll Cash Disbursements (Continued)

During 2015, one employee left service after over 25 years of service with the Greene County Soil and Water Conservation District. The employee only worked 40 hours during her last pay with the District. However, the District credited and paid the employee 7.7 hours of leave instead of 3.85 hours. This resulted in the employee being overpaid by \$102 on her severance payout.

Policies and procedures should be established and implemented to verify that leave accrual and payouts are in accordance with the District's policy. Failure to do so could result in overpayments to employees and finding for recoveries in future audits.

### Non-Payroll Cash Disbursements

1. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the General Ledger for the year ended December 31, 2016 and two from the *Special Fund* and three from the *District Fund* and other funds for each of the years ended 2013 through 2015 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. For *District Fund* and other funds disbursements, we determined whether:
    - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the General Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
    - ii. The payment was posted to a fund consistent with the purpose for which the fund's cash can be used. We found no exceptions.
  - c. For *Special Fund* disbursements, we determined whether:
    - i. The payee name and amount recorded on the voucher submitted to the County Auditor agreed to the payee name and amount recorded in the General Ledger and County Ledgers. We found no exceptions.
    - ii. The names and amounts on the voucher agreed to supporting invoices. We found no exceptions.
    - iii. The voucher was signed by the fiscal officer and approved by a majority of the Board of Supervisors. We noted one check issued during 2016 that was not signed by the fiscal officer. Because we did not test all disbursements, our report provides no assurance whether or not additional similar errors occurred.

### 2016 Special Fund Budgetary Compliance

1. We read the District's Special Fund Budget Request submitted to the County Commissioners. We noted the request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amount reported on the Special Fund Budgetary footnote was \$3,000 less than the Special Fund Budget Request submitted to the County Commissioners.
2. We compared the total estimated receipts reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report to the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Revenue Report for the Special Fund. The amounts agreed.
3. We scanned the appropriation measures to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

### **2016 Special Fund Budgetary Compliance (Continued)**

4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the CMI Combined MTD/YTD Expense Report for the Special Fund, and to the appropriations reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amount reported on the Special Fund Budgetary footnote was \$3,000 less than the amount recorded in the CMI Combined MTD/YTD Expense Report for the Special Fund.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated revenue. We compared total appropriations to total estimated revenue for the Special Fund for the year ended December 31, 2016. We noted appropriations did not exceed estimated revenues for the Special Fund.
6. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2016 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. We noted expenditures did not exceed appropriations for the Special Fund.
7. We scanned the Annual Cash Basis Financial Report for the year ended December 31, 2016 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

### **2016 Compliance – Contracts & Expenditures**

We inquired of management and scanned the General Ledger Report for the year ended December 31, 2016 to determine if the District purchased equipment and services allowed by ORC 1515.09 or purchased goods or services allowed by ORC 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We noted no purchases exceeding \$50,000.

### **2016 Other Compliance**

Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed their financial information within the allotted timeframe for the year ended December 31, 2016.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
