Independent Accountants' Report on Applying Agreed-Upon Procedures

Ohio Department of Developmental Disabilities 30 East Broad Street Columbus, Ohio 43215

We have performed the procedures enumerated below, which were agreed to by the Ohio Department of Developmental Disabilities (DODD), on the Medicaid Administrative Claiming (MAC) data reported by the Brown, Clermont, Highland, Miami, Preble, Ross, Scioto and Warren County Boards of Developmental Disabilities¹ (County Boards) in their Income and Expenditure Reports (Cost Reports) for the year ended December 31, 2014. The management of each County Board is responsible for preparing its respective Cost Report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

- 1. We compared the salary and benefits entered on the MAC Cost by Individual reports to each County Board's payroll reports and determined if the MAC salary and benefits were greater by more than one percent. We found no exceptions for Brown, Clermont, Miami, Preble, Ross, Scioto and Warren County Boards. We found MAC costs were greater than one percent for Highland County Board and contacted DODD's Random Moment Time Study (RMTS) Coordinator to correct the MAC Cost by Individual report. We re-compared the salary and benefits on the revised Highland MAC Cost by Individual report to the County Board's payroll reports and found no exceptions.
- 2. We compared each County Boards' final MAC Cost by Individual reports to *Worksheet 6, Medicaid Administration Worksheet* to identify any variances. We found no exceptions for Brown, Clermont, Miami, Preble, Scioto and Warren County Boards. We reported variances for Highland and Ross County Boards in **Table 1**.

Table 1: Worksheet 6, Medicaid Administration Worksheet					
County		Reported		Corrected	
Board	Worksheet Row and Column	Amount	Correction	Amount	
Highland	(1) Salaries (I) Medicaid Admin	\$239,971	\$ (7,828)	\$232,143	
Highland	(1) Salaries (O) Non-Federal Reimbursable	\$41,632	\$ (1,303)	\$40,329	
Ross	(1) Salaries (I) Medicaid Admin	\$369,363	\$2,162	\$371,525	

3. We selected 10 Random Moment Time Study observed moments and 10 percent above that amount from the RMTS Participant Moments Question and Answer report for the 4th quarter of 2014 for each County Board. We determined if supporting documentation for each of the observed moments was maintained and if the moment was classified in accordance with DODD's Guide to Medicaid Administrative Claiming (MAC) using the Random Moment Time Studies (RMTS) Methodology for 2014.

¹ The Brown, Clermont, Highland, Miami, Preble, Ross, Scioto and Warren County Boards of Developmental Disabilities are referred to as the Southwest Region for the purpose of reporting only.

Southwest Region (Brown, Clermont, Highland, Miami, Preble, Ross, Scioto and Warren County Boards) Independent Accountants' Report on Applying Agreed-Upon Procedures

We found no exceptions for Brown, Preble, Scioto and Warren County Boards. We noted Miami County Board maintained documentation which met the minimum requirements, but did not include additional supporting documentation as preferred by the RMTS Guide. We found exceptions for Clermont, Highland, Miami and Ross County Boards as described in **Table 2**.

We reported the detailed results for the specific moments tested in separate documents submitted to DODD and each respective County Board.

Table 2: RMTS Participant Moment Results			
County Board	Results		
Clermont	One moment in which the supporting documentation did not reflect the date and time and was unclear or vague to support the response to the sampled moment		
Highland	Eight moments without supporting documentation		
Miami	Two moments without supporting documentation		
Ross	Two moments in which the supporting documentation was unclear or vague to support the response to the sampled moment, one of which did not reflect the date and time.		

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the MAC data of each County Board. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported. This report is intended solely for the use of the County Boards and DODD, and is not intended to be, and should not be used by anyone other than these specified parties.
