We have reviewed the *Independent Auditor's Report* of the Pinnacle Community Infrastructure Finance Authority, Franklin County, prepared by Julian & Grube, Inc., for the audit period January 1, 2015 through December 31, 2016. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Pinnacle Community Infrastructure Finance Authority is responsible for compliance with these laws and regulations.

Independent Auditor's Report

Pinnacle Community Infrastructure Financing Authority  
Franklin County  
C/O MUNICAP  
8965 Guilford Road, Suite 210  
Columbia, Maryland 21046

To the Board of Trustees:

***Report on the Financial Statements***

We have audited the accompanying financial statements of the Pinnacle Community Infrastructure Financing Authority, Franklin County, Ohio, as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statements, which collectively comprise the Pinnacle Community Infrastructure Financing Authority's basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Pinnacle Community Infrastructure Financing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Pinnacle Community Infrastructure Financing Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pinnacle Community Infrastructure Financing Authority, Franklin County, Ohio, as of December 31, 2016 and 2015, and the changes in its financial position and its cash flows for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2017, on our consideration of the Pinnacle Community Infrastructure Financing Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Pinnacle Community Infrastructure Financing Authority's internal control over financial reporting and compliance.

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY  
FRANKLIN COUNTY, OHIO  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEARS ENDED DECEMBER 31, 2016 AND 2015  
(UNAUDITED)

The Management's Discussion and Analysis of the financial performance of the Pinnacle Community Infrastructure Financing Authority, Franklin County, Ohio, (the "Authority") provides an overall review of the Authority's financial activities for the years ended December 31, 2016 and 2015. The intent of this discussion and analysis is to look at the Authority's financial performance as a whole. Readers should also review the basic financial statements and notes to the financial statements to enhance their understanding of the Authority's financial performance.

**Financial Highlights**

1. The Authority encourages the orderly development of a well-planned, diversified community of approximately 588 acres of real property located within the City of Grove City (the "City"), Franklin County, Ohio.
2. Net Position at December 31, 2016 and 2015 totaled \$(12,031,300) and \$(12,463,104), respectively, due mainly to the donation of capital assets upon their completion and acceptance by the City in 2008. Bond issue costs for the Series 2015A Bonds also contributed to the lower net position in 2015.
3. The Authority issued \$13,660,000 in Series 2015A Community Facilities Refunding Bonds on July 22, 2015. Proceeds from the Series 2015A Bonds were used to redeem the \$14,815,000 Community Facility Bonds Series 2004 previously issued on August 10, 2004. The Authority's debt will be paid through the collection of Community Development Charges imposed on the chargeable properties benefiting from the capital asset.
4. In fiscal years 2016 and 2015, the Authority assessed Community Development Charges totaling \$1,020,000 and \$1,024,000, respectively.
5. The Board of Trustees approved the addition of approximately 32 acres of land to the District in 2016.
6. In December 2016, three new citizen members were elected to the Board of Trustees.

**Overview of the Financial Statements**

This annual report consists of two parts – (i) Management's Discussion and Analysis and (ii) the basic financial statements consisting of a *Statement of Net Position; Statement of Revenues, Expenses, and Changes in Net Position; Statement of Cash Flows*; and related footnotes. The Statement of Net Position represents the financial position of the Authority and provides information about the activities of the Authority, including all short-term and long-term financial resources and obligations. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included in the Statement of Net Position. The Statement of Revenues, Expenses, and Changes in Net Position presents increases (e.g., revenues) and decreases (e.g., expenses) in net total financial position. The Statement of Cash Flows reflects how the Authority finances and meets its cash flow needs. Finally, the notes to the basic financial statements provide additional information that is essential to a full understanding of the data provided on the basic financial statements.

**Comparative Financial Statements**

The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position include all assets, liabilities, revenues and expenses using the accrual basis of accounting, similar to accounting used by most private-sector companies. The accrual basis of accounting takes into account all of the current year's revenues and expenses regardless of when cash is received or paid.

FRANKLIN COUNTY, OHIO  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEARS ENDED DECEMBER 31, 2016 AND 2015  
(UNAUDITED)

These two statements report the Authority's net financial resources and changes in those resources. This change in resources is important because it tells the reader that, for the Authority as a whole, the financial position of the Authority has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 5 and 6 of this report.

The Statement of Cash Flows provides information about how the Authority finances and meets the cash flow needs of its operations. The Statement of Cash Flows can be found on page 7 of this report.

**Summary Statements of Net Position**

The table below provides a summary of the Authority's net financial position for the fiscal years ended December 31, 2016 and 2015.

	<u>2016</u>	<u>2015</u>
Assets:		
Current and Other Assets	\$ 2,193,616	\$ 2,205,895
Total Assets	<u>2,193,616</u>	<u>2,205,895</u>
Liabilities:		
Current Liabilities	508,262	490,625
Long Term Liabilities	<u>12,696,654</u>	<u>13,154,374</u>
Total Liabilities	<u>13,204,916</u>	<u>13,644,999</u>
Deferred Inflows of Resources:		
Community development charges	<u>1,020,000</u>	<u>1,024,000</u>
Total Deferred Inflows	<u>1,020,000</u>	<u>1,024,000</u>
Net Assets:		
Unrestricted	<u>(12,031,300)</u>	<u>(12,463,104)</u>
Total Net Assets	<u>\$ (12,031,300)</u>	<u>\$ (12,463,104)</u>

Net Position has increased slightly from 2015 to 2016 due mainly to reduced debt service costs as a result of issuing the Series 2015A Bonds in 2015. All improvements financed with the Bonds were donated to the appropriate public entity upon completion in 2008, which is the primary cause of the negative net position of the Authority.

**Summary Statements of Revenues, Expenses, and Changes in Net Position**

The table below reflects the changes in net position for the fiscal years ended December 31, 2016 and 2015.

	<u>2016</u>	<u>2015</u>
Operating Revenue	\$ 1,024,396	\$ 1,146,472
Operating Expenses	<u>75,269</u>	<u>58,213</u>
Operating Income	<u>949,127</u>	<u>1,088,259</u>
Non-Operating Revenue/(Expenses)		
Earnings on Investments	5,869	579
Interest Expense	<u>(523,192)</u>	<u>(877,533)</u>
Total Non-Operating Revenue/(Expense)	<u>(517,323)</u>	<u>(876,954)</u>
Bond issuance costs	<u>-</u>	<u>(728,225)</u>
Change in Net Position	<u>\$ 431,804</u>	<u>\$ (516,920)</u>

Net position increased in 2016 due mainly to interest expense savings by refunding Series 2004 bond and the 2015 costs of issuing the Series 2015A Bonds. These savings were partially offset by increased legal fees due to the District expansion and reduced Community Development Charges.

**Budgeting**

The Authority is not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705.

**Capital Assets**

The Authority's capital assets were completed in 2008 and subsequently donated to the appropriate public entity.

**Debt**

On July 22, 2015, The Authority issued Community Facilities Refunding Bonds, Series 2015A totaling \$13,660,000 which were used to refund the previously issued Series 2004 Community Facilities Bonds totaling \$14,815,000. The Series 2004 Bonds were used to construct and acquire community facilities, which include a community center, community recreation improvements, entry monumentation, landscaping and signage, water and sewer facilities, storm water management features, roadways and traffic control improvements. The debt service will be paid annually by the revenue received from the Community Development Charges. Accrued interest in excess of the cash available from Community Development Charges will be added to the principal.

**Current Issues**

The Pinnacle Club golf course opened during the summer of 2006. Construction of homes and sale of lots is still ongoing. In 2005, Condominium Pod I and J were sold to Mews at Pinnacle Club LLC and Cottages at Pinnacle LLC, respectively. As of December 31, 2012, Pinnacle Development Company reports that it had sold all remaining estate lots in Sub-areas A-1, A-2, and A-3 to Pinnacle Holding Limited.

As of December 31, 2016, at least 1,156 building permits have been issued, and 1,038 homes have closed and are currently occupied. The developer also reports that 50 additional lots are under contract.

At an election held in December 2016, three new citizen members were elected to the Board of Trustees due to the updated number of occupancy certificates.

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

**NOTE 1 – REPORTING ENTITY**

The Pinnacle Community Infrastructure Financing Authority, Franklin County, Ohio (the “Authority”) was created pursuant to Chapter 349 of the Ohio Revised Code (the “Act”). On February 12, 2004, M/I Homes of Central Ohio and the Pinnacle Development Company of Grove City (collectively, the “Developer”) filed a petition (the “Petition”) for creation of the Authority with the Board of County Commissioners of Franklin County, Ohio. The Petition, which continues to be subject to amendment or change, allows the Authority to finance the costs of publicly owned and operated community facilities with assessed Community Development Charges. In accordance with the Act, the Petition was accepted by the County Commissioner’s Resolution No. 275-04 and approved March 30, 2004. By its Resolution, the County Commissioners determined that the new community district would be conducive to the public health, safety, convenience and welfare, and that it was intended to result in the development of a new community as described in the Act. The Authority thereby organized as a body corporate and politic in the State.

On August 6, 2004, a “Declaration of Covenants and Restrictions for the Authority” (the “Declaration”) was filed by the Developer with the Franklin County Recorder under the Act placing, among other things, a “Community Development Charge” on the property within the boundaries of the Pinnacle Community Infrastructure Financing District (the “District”) to cover all or part of the cost of the acquisition, development, construction, operation and maintenance of land, “Community Land Development”, and “Community Facilities”, and all other costs incurred by the Authority in the exercise of its powers pursuant to the Act, including without limitation the reimbursement of loans, advances or expenditures made to or by the Developer for such purposes.

The Pinnacle Community Infrastructure Financing Authority, (Grove City, Ohio) Community Facility Bonds Series 2004A (the “Bonds”) were issued pursuant to a Master Trust Agreement by and between the Authority and the Huntington National Bank (the “Trustee”), dated as of July 15, 2004 and a limited offering memorandum for the bonds dated August 4, 2004. Bond proceeds in the amount of \$6,846,000 were used to construct the public improvements of the residential section known as Part I and bonds in the amount of \$4,000,000 were used for construction of the storm sewer project known as Part II. Part I of the development, which is known as the Residential Project, is being undertaken by the M/I Homes. Pinnacle Development Company is in charge of Part II of the development, which is also referred to as the Storm Sewer Project.

Pursuant to the Series 2015A Bond Resolution adopted by the Board of Trustees on May 29, 2015, the Series 2004A Bonds were defeased and redeemed on July 22, 2015 with the \$13,660,000 Pinnacle Community Infrastructure Financing Authority Series 2015A Community Facilities Refunding Bonds. Additional information can be found in Note 7 B.

The Authority consists of approximately 588 acres of land in the City of Grove City, Ohio, which is in southwestern Franklin County and is located east of Interstate 71 and south of the Stringtown Road interchange. The District is located approximately seven miles from downtown Columbus, Ohio, and approximately twenty miles from Port Columbus International Airport. The property in the District is being developed as a planned unit development (“PUD”) encompassing a 201-acre, 18-hole golf course, and a residential community, originally comprising approximately 1,594 homes. The developer currently anticipates 1,515 homes. Other planned amenities include a community center, swimming pool, tennis courts and a clubhouse. The planned mix of units includes estate homes, single-family homes, town homes, and cluster home condominiums. At inception, M/I Homes had estimated that the residential property would be sold out by the year 2011 and that the golf course would be open not later than the summer of 2006. The golf course opened in the summer of 2006 as planned. At a meeting of the Board of Trustees on February 12, 2016, a proposal was made and approved to add approximately 32 acres of land to be developed by Schottenstein Homes, LLC and Pinnacle Land Holdings, LLC to the District.

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

Land within the District was initially owned by nine separate entities. Pursuant to the Acquisition Agreements, this land has been transferred to Jim Hendrix, Joseph Ciminello and JBJ Venture (collectively, the “Assignors”). On November 5, 2003, the Assignors entered into an Agreement of Sale and Assignment of Purchase Contract (the “Purchase Agreement”) with M/I Homes. Under this Purchase Agreement, M/I Homes agreed to purchase and assume the rights of the Assignors to acquire the district lands pursuant to the Acquisition Agreement. The Purchase Agreement allocated certain development rights and obligations relating to the District lands between M/I Homes and the Assignors. The Assignors subsequently designated Pinnacle Development to carry out their development rights and obligations under the Purchase Agreement.

The Authority is governed by a seven-member Board of Trustees. The Franklin County Board of Commissioners appointed three of the Trustees, two of whom were citizen members, to represent the interest of present and future residents of the community district, one of whom was a representative of local government. One additional citizen member was elected by the residents of the District. The remaining three Trustees were appointed by the Developer. All Trustees are empowered to vote on all matters within the authority of the Board of Trustees, and no vote by a member appointed by the Developer shall be construed to give rise to civil or criminal liability for conflict of interest on the part of public officials. A schedule established by the Franklin County Board of County Commissioners provides for the appointed members to be replaced by elected citizen members each time the District gains one-sixth of its projected total population up until such time as all of the appointed members are replaced. A similar schedule established by the Franklin County Board of County Commissioners provides for replacement of trustees appointed by the Developer by elected citizen members each time the District gains one-third of its projected total population up until such time as all the Developer’s appointed members are replaced. Currently, there are five elected citizen members.

The Authority’s management believes these financial statements present all activities for which the Authority is financially accountable.

**NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies followed in the preparation of these financial statements are summarized below. The policies conform to accounting principles generally accepted in the United States of America (GAAP) for local governmental units as prescribed in the statements issued by the Governmental Accounting Standards Board (GASB) and other recognized authoritative sources.

**A. Basis of Presentation**

The Authority’s basic financial statements consist of a Statement of Net Position; a Statement of Revenues, Expenses, and Changes in Net Position; and a Statement of Cash Flows. The Authority uses enterprise fund accounting to maintain its financial records during the fiscal year. Enterprise fund accounting focuses on the determination of operating income, financial position, changes in net position, and cash flows.

**B. Measurement Focus and Basis of Accounting**

The Authority’s financial activity is accounted for using a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities and deferred inflows of resources associated with the operation of the Authority are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position presents increases (e.g., revenues) and decreases (e.g., expenses) in total net position. The Statement of Cash Flows reflects how the Authority finances and meets its cash flow needs.

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

Net Position is segregated into Net investment in capital assets, Restricted, and Unrestricted components, if applicable.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements, and measurement focus relates to the timing of the measurements made.

The Authority uses the accrual basis of accounting and the flow of economic resources measurement focus for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

**C. Cash and Investments**

Cash received by the Authority is deposited with a financial institution or invested. Deposits and investments having an original maturity of three months or less at the time they are purchased are presented in the financial statements as Cash and Cash Equivalents. Investments with an initial maturity of more than three months are reported as Investments. Investments were limited to money market funds, certificates of deposit and U.S. Government obligations.

**D. Capital Assets**

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets will be recorded at their fair market value on the date that they will be donated. The Authority does not maintain a capitalization threshold as all infrastructure assets are capitalized. The Authority does not depreciate capital assets that will be donated upon completion/acquisition.

**E. Net Position**

Net position represents the difference between assets and liabilities and deferred inflows of resources. Net position is reported as restricted when there are limitations imposed on the use of resources either through enabling legislation adopted by the Authority or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The Authority first applies restricted resources when an expense is incurred for which both restricted and unrestricted net assets are available.

**F. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the Authority. For the Authority, these revenues are Community Development Charges. Operating expenses are the necessary costs incurred to provide the service that is the primary activity of the Authority. All revenues and expenses not meeting this definition are reported as non-operating.

**G. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**H. New Accounting Standards**

The Authority has adopted all current Statements of the GASB that are applicable. At January 1, 2016, the Authority implemented the following new standards:

GASB 72 – Fair Value Measurement and Application

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

GASB 76 – The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments.

**I. Future Accounting Standards**

GASB has issued new standards that will become effective in future fiscal years. The Authority will evaluate the impact each of these pronouncements may have on its financial statements and will implement them as applicable and when material.

**J. Bond Issuance Costs/Unamortized Bond Premium**

Bond issuance costs are expensed during the year in which they are incurred. Bond premiums are deferred and amortized over the term of the bonds using the effective interest method. Bond premiums are presented as an addition to the face amount of the bonds.

**NOTE 3—DEPOSITS AND INVESTMENTS**

Cash received by the Authority is deposited with a financial institution or invested. Deposits and investments having an original maturity of three months or less at the time they are purchased are presented in the financial statements as Cash and Cash Equivalents. Investments with an initial maturity of more than three months are reported as Investments. Cash and investments consisted of the following at December 31:

	<u>2016</u>	<u>2015</u>
US Treasury money market funds	\$ 182,789	\$ 189,950
Certificates of deposit	730,000	965,000
US Government obligations	<u>244,962</u>	<u>-</u>
Total cash and cash equivalents	<u>\$ 1,157,751</u>	<u>\$ 1,154,950</u>

State statutes classify monies held by the Authority into three categories.

**Active deposits** are public deposits necessary to meet current demands on the treasury. Such monies must be maintained either as cash in the Authority treasury, in commercial accounts payable or withdraw-able on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.

**Inactive deposits** are public deposits that the Board of Trustees has identified as not required for use within the current five-year period of designation of depositories. Inactive deposits must either be evidenced by certificates of deposit maturing not later than the end of the current period of designation of depositories, or by savings or deposit accounts including, but not limited to, pass book accounts.

**Interim deposits** are deposits of interim monies that are not needed for immediate use but which will be needed before the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificates of deposit maturing not more than one year from the date of deposit or by savings or deposit accounts including pass book accounts.

State statute permits interim monies to be deposited or invested in the following securities:

1. United States treasury notes, bills, bonds, or any other obligation or security issued by the United States Treasury or any other obligation guaranteed as to principal and interest by the United States

PINNACLE COMMUNITY INFRASTRUCTURE FINANCING AUTHORITY

2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality, including but not limited to, the Federal National Mortgage Association, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, Government National Mortgage Association, and Student Loan Marketing Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities.
3. Written repurchase agreements in the securities listed above provided that the market value of the securities subject to the repurchase agreements must exceed the principal value of the agreement by at least two percent and be marked to market daily, and that the term of the agreement must not exceed thirty days.
4. Bonds and other obligations of the State of Ohio.
5. No-load money market mutual funds consisting exclusively of obligations described in division (1) or (2) of this section and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions.
6. The State Treasurer's investment pool (STAR Ohio).

The Authority may also invest any monies not required to be used for a period of six months or more in the following:

1. Bonds of the State of Ohio,
2. Bonds of any municipal corporation, village, county, township, or other political subdivision of this State, as to which there is no default of principal, interest or coupons; and,
3. Obligations of the Authority.

Investments in stripped principal or interest obligations, reverse repurchase agreements and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage and short selling are also prohibited. An investment must mature within five years from the date of purchase unless matched to a specific obligation or debt of the Authority, and must be purchased with the expectation that it will be held to maturity.

Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the Treasurer, or if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

**Deposits**

**Custodial Credit Risk – Deposits** is the risk that, in the event of a bank failure, the Authority's deposits may not be returned. The Authority had no such deposits at December 31, 2016 and 2015.

**Investments**

As of December 31, 2016, and 2015, all of the Authority funds were invested in certificates of deposit, money market accounts or US government obligations.

**Interest rate risk** is the risk that an interest rate change could adversely affect an investment's fair value. The Authority does not have a policy to limit its exposure to interest rate risk; however, the Authority's investments in money market funds are withdraw-able on demand.

FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

**Credit risk** is the risk that an issuer or counterparty to an investment will be unable to fulfill its obligations. The Trust Indenture specifies that investment providers must have a rating of at least “AA-” by S&P or “Aa3” by Moody’s. Standard & Poor’s has assigned the U.S. Treasury money market funds an AAAM money market rating. The Authority’s investments in U.S. Government obligations were rated AA+ and Aaa by Standard & Poor’s and Moody’s Investor Services, respectively.

**Concentration of credit risk** can also arise by failing to adequately diversify investments. The Authority places no limits on the amount that may be invested in any one issuer.

**Fair Value Measurements**

The Authority’s investments in U.S. Treasury money markets are valued using quoted market prices in active markets (Level 1 inputs). The Authority’s investments in certificates of deposit and U.S. Government obligations are valued using quoted prices in markets that are not considered to be active, dealer quotations or alternative pricing sources for similar assets or liabilities for which all significant inputs are observable, either directly or indirectly (Level 2 inputs).

**NOTE 4—COMMUNITY DEVELOPMENT CHARGES**

Community Development Charges (“Charge”) are payments to be levied on the property in the District pursuant to a Declaration of Covenants and Restrictions (the “Declaration”) filed by the Authority under Sections 349.06(Q) and 349.07 of the Ohio Revised Code. This Declaration, which was filed and recorded with the Franklin County Recorder on August 9, 2004, created covenants running with the land and established the obligation of current and future landowners to pay the Charge. This obligation is subject to certain maximum Charge limits as set out in the Declaration. The Charge will generally be collected in the same manner as real property taxes.

A uniform Charge is to be collected each year based on the acreage of each chargeable parcel. An aggregate maximum sub-area charge is specified in Section 5.2 of the Declaration. This Charge is dependent on the estimated acreage of property in each sub-area in the District. An annual Charge is to be collected from the chargeable property within the Authority each year in an amount equal to the “Annual Revenue Requirement”.

The Annual Revenue Requirement is defined in Section 2.05 of the Declaration as an amount equal to:

- (A) the amount required in any year to pay: (i) debt service and other periodic costs (including deposits to any sinking funds) on the Bonds to be paid from the Charge collected in such year, (ii) administrative expenses to be incurred in the year or incurred in any previous year and not paid by the Authority, (iii) any amount required to replenish any reserve fund established in association with the Bonds, (iv) an amount equal to the estimated delinquencies expected in payment of the Charges, and (v) the costs of remarketing, credit enhancement, bond insurance, and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund related to any indebtedness in lieu of cash), less (B) (i) any credits available pursuant to the Trust Agreement, such as capitalized interest and investment earning on any account balances, and (ii) any other revenues available to apply to the Annual Revenue Requirement.

Community Development Charges are to be imposed proportionately on each parcel of chargeable property in an amount up to the maximum charge for such chargeable parcel to the extent necessary to fund the Annual Revenue Requirement. For the fiscal years ended December 31, 2016 and 2015, the Annual Revenue Requirements were \$1,024,000 and \$1,140,000, respectively. Charges totaling \$1,022,703 were collected for 2016, which includes a portion of prior year delinquent charges and penalties. As of March 7, 2017, Community Development Charges in the amount of \$1,297 remain outstanding for 2016, and the collection process is ongoing.

FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

**NOTE 5—RECEIVABLES**

Receivables at December 31, 2016 and 2015 consisted of interest on investments and Community Development Charges due from property owners. All receivables are considered collectible in full within one year.

**NOTE 6—CAPITAL ASSETS**

During fiscal year 2004, the Authority began constructing both the Residential Portion and the Storm Sewer Portion of the facilities. The Residential Project was constructed by M/I Homes LLC, and the Storm Sewer Project was constructed by Pinnacle Development Company.

All capital assets were completed in 2008, and \$14,155,765 in public improvements, including related financing costs, were donated to and accepted by the City of Grove City, Ohio.

**NOTE 7—LONG-TERM OBLIGATIONS**

The Authority's long-term obligations activity for the years ended December 31, 2016 and 2015 was as follows:

NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

**A. Community Facilities Bonds, Series 2004**

On August 14, 2004, the Authority issued \$14,815,000 in Community Facilities Bonds Series 2004A, for the purpose of providing funds to acquire community facilities. These Bonds constitute two term bonds, Term 2022 Bonds and Term 2036 Bonds. The interest rates on the Term 2022 and Term 2036 Bonds were 6.00% and 6.25%, respectively.

Interest on the Bonds was paid on June 1 and December 1 of each year. Principal payments on the Bonds were due each December 1 from mandatory sinking fund redemption. Interest is calculated based on a year of 360 days. Interest paid on the Bonds totaled \$710,537 for fiscal year 2015.

The Series 2004A Bonds were also subject to mandatory sinking fund redemption, extraordinary mandatory redemption, and optional redemption.

**B. Community Facility Refunding Bonds, Series 2015A**

Pursuant to the Series 2015A Bond Resolution adopted by the Board of Trustees on May 29, 2015, the Series 2004A Bonds were defeased and redeemed on July 22, 2015 with the \$13,660,000 Pinnacle Community Infrastructure Financing Authority Series 2015A Community Facilities Refunding Bonds. The bonds are to be repaid from Community Development Charges, which are payments to be levied on the property in the district pursuant to a Declaration of Covenants and Restrictions filed by the Authority under Sections 349.06(Q) and 349.07 of the Ohio Revised Code. The Series 2015A Bonds were issued and secured under a Master Trust Agreement, dated as of July 15, 2004 between the Authority and The Huntington National Bank, as trustee. The Series 2015A Bonds are special limited obligations of the Authority, payable as to both principal and interest solely from pledged receipts and funds, and are subject to optional redemption by the Authority prior to maturity beginning December 1, 2025, and to mandatory sinking fund redemption and extraordinary mandatory redemption. The aggregate principal amount of the Series 2015A Bonds is \$13,660,000 and the principal amount, interest rate, maturity date and price of each of the Series 2015A Bonds are as follows:

**D. Extraordinary Mandatory Redemption**

The Series 2015 Bonds are also subject to extraordinary mandatory redemption in whole, on any date, or in part, on any interest payment date, at a redemption price equal to 100% of the principal amount of the Series 2015A Bonds to be redeemed, plus interest accrued to the redemption date. Such extraordinary mandatory redemption will be in an amount equal to and from amounts on deposit in the Debt Service Account resulting from:

- i. the prepayment of any Charges;
- ii. amounts received as a result of any condemnation or sale of any portion of the Series 2004A project in anticipation of condemnation;
- iii. amounts received following the damage or destruction of the Series 2004A project and the determination by the Authority that the repair and restoration of the Series 2004A project would not be economical or would be impracticable; and
- iv. amounts transferred from the Reserve Fund as a result of the reduction of the amount constituting the Reserve Fund limitation due to such extraordinary mandatory redemption.

There have been no extraordinary mandatory redemptions made to date.

**E. Optional Redemption**

The Series 2015A Bonds maturing after December 1, 2025 are subject to redemption at the option of the Authority, either in whole or in part, in such order as the Authority shall determine, on any date on or after December 1, 2025, at a redemption price equal to 100% of the principal amount redeemed plus, in each case, accrued interest to the date fixed for redemption.

**NOTE 8—RELATED PARTY TRANSACTIONS**

The petition for creation of the Authority pursuant to Chapter 349 of the Ohio Revised Code was filed with the Franklin County Commissioners by M/I Homes of Central Ohio and the Pinnacle Development Company of Grove City (collectively, the “Developer”). Three of the seven Authority Board members are comprised of individuals appointed by the Developer based on the County Commissioner’s Resolution and Chapter 349 of the Ohio Revised Code.

Land within the District was initially owned by nine separate entities. Pursuant to the Acquisition Agreements, this land has been transferred to Jim Hendrix, Joseph Ciminello and JBJ Venture (collectively, the “Assignors”). On November 5, 2003, the Assignors entered into an Agreement of Sale and Assignment of Purchase Contract (the “Purchase Agreement”) with M/I Homes. Under this Purchase Agreement, M/I Homes agreed to purchase and assume the rights of the Assignors to acquire the district lands pursuant to the Acquisition Agreement. The Purchase Agreement allocated certain development rights and obligations relating to the District lands between M/I Homes and the Assignors. The Assignors subsequently designated Pinnacle Development to carry out their development rights and obligations under the Purchase Agreement. Some of the land in the Authority is to be sold to additional developers by the Developer.

On July 1, 2004, the Authority signed an Administrative Services Agreement with MuniCap, Inc. as the Administrator. MuniCap, Inc. will assist the Authority with administration of the District. The Administrator’s services include calculation of the annual Community Development Charge, delinquency management, rebate calculations, continuing disclosure, and property owner liaison.

PINNACLE COMMUNITY INFRASTRUCTURE FINANACING AUTHORITY  
FRANKLIN COUNTY  
NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2016 AND 2015

The Authority had Infrastructure Acquisition and Construction Agreements, which are dated July 15, 2004, with the Developer to acquire and construct certain community facilities within the District. Under these agreements, the Developer selected contractors and signed contracts for the construction of the Authority's infrastructure. Payments to contractors by the Authority were made directly with contractors or to the Developer who then paid the contractors. The Developer supervised and approved all construction work. Prior to payment of draws, an independent inspector was required to sign off on work completed before the Authority could approve draws to be paid by the trustee. There were no payments to either M/I Homes or Pinnacle Development in 2016 or 2015 as the improvements were previously completed.

On July 15, 2004, the Authority signed a Lease Agreement with the Pinnacle Club Homeowner's Association Inc. to acquire, construct, and install certain improvements and personal property on the tract of land measuring 8.143 acres and situated in Grove City, Franklin County, Ohio. This tract is located in Virginia Military Survey Number 478 and 6840 and being part of the 209.152 acre tract conveyed to M/I Homes of Central Ohio, LLC by deed of record in Instrument Number 00405260121580, (all references refer to the records of the Recorder's Office, Franklin County, Ohio) within the Authority. Under this lease agreement, the Authority covenanted to construct and install an 8,000 square foot multi-purpose facility (Community Center), including two tennis courts, a 25-meter swimming pool, and an outdoor multipurpose court. The building would include an aerobics workout room, a health and fitness room, a children's activity room, locker rooms, and office space. Additional exterior improvements include improved parking, landscaping, and other necessary improvements. The personal property located within the Community Center consists of exercise equipment, sports equipment, office furniture, carpeting and window treatments and computers. The Pinnacle Club Homeowners' Association, Inc. subsequently signed a Base Lease Agreement with the Authority for the operation and maintenance of the Community Center. This property was donated to the Pinnacle Club Homeowners' Association, Inc. in 2008.

On August 1, 2004, the Authority issued \$14,815,000 in Community Facilities Bonds, Series 2004A, for the purpose of providing funds to acquire community facilities. The Bonds were issued pursuant to a Master Trust Agreement by and between the Authority and the Huntington National Bank (the "Trustee"), dated July 15, 2004 and a limited offering memorandum for the Bonds dated August 4, 2004.

**NOTE 9—SUBSEQUENT EVENTS**

Development charges in the amount of \$1,020,000 are to be collected in 2017 in two equal installments in January and June. As of March 7, 2017, the auditor's office for Franklin County reports that the first-half installment of \$520,169 has been collected and remitted to the Trustee.

**NOTE 10—CONTINGENT LIABILITIES**

There are no claims or lawsuits pending against the Authority.

**NOTE 11—EVALUATION OF SUBSEQUENT EVENTS**

The Authority has evaluated subsequent events through June 28, 2017, the date of this report.

**Independent Auditor's Report on Internal Control Over Financial Reporting and  
on Compliance and Other Matters Required by *Government Auditing Standards***

Pinnacle Community Infrastructure Financing Authority  
Franklin County  
C/O MUNICAP  
8965 Guilford Road, Suite 210  
Columbia, Maryland 21046

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Pinnacle Community Infrastructure Financing Authority, Franklin County, Ohio, as of and for the years ended December 31, 2016 and 2015, and the related notes to the financial statements, which collectively comprise the Pinnacle Community Infrastructure Financing Authority's basic financial statements and have issued our report thereon dated June 28, 2017.

***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Pinnacle Community Infrastructure Financing Authority's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Pinnacle Community Infrastructure Financing Authority's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Pinnacle Community Infrastructure Financing Authority's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Board of Trustees  
Pinnacle Community Infrastructure Financing Authority

***Compliance and Other Matters***

As part of reasonably assuring whether the Pinnacle Community Infrastructure Financing Authority's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Pinnacle Community Infrastructure Financing Authority's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Pinnacle Infrastructure Financing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
