INDEPENDENT AUDITOR'S REPORT

Bath Township Summit County 3864 W. Bath Road Akron, Ohio 44210

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of Bath Township, Summit County, (the Township) as of and for the year ended December 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Township prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Township does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2017, or changes in financial position thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type, and related notes of Bath Township, Summit County as of December 31, 2017, for the year then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 31, 2018, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 1 – Reporting Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Bath Township, Summit County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services, park facilities, and solid waste collection.

The Township participates in one jointly governed organization and one joint venture. Notes 11 and 12 to the financial statements provides additional information for these entities. These organizations are:

Jointly Governed Organizations:

The Township is a member of a Joint Economic Development District with the City of Akron and City of Fairlawn.

Joint Ventures:

The Township jointly operates a fire station with Copley Township.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

General Fund

The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

<u>Road and Bridge Fund</u> – This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

<u>Police District Fund</u> – This fund receives special levy tax money for providing police services to Township residents.

 $\underline{\text{Fire District Fund}}$ – This fund receives special levy tax money for providing fire services to Township residents.

<u>Joint Economic Development District I and II (JEDD I and II Funds)</u> – These funds are dedicated to preserving the rural character of Bath Township.

Capital Project Funds

These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Township had the following significant capital project funds:

<u>Permanent Improvement Fund</u> – This fund is used for professional and engineering services for capital projects.

Fire Vehicle Reserve Fund – This fund is used to reserve money for the purchase of fire trucks.

Permanent Funds

These funds account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs (for the benefit of the government or its citizenry). The Township had the following significant permanent fund:

<u>Wilson Trust Fund</u> – This fund receives interest earned on a 100,000 nonexpendable amount from a trust agreement. These earnings are used for the training and equipment costs for safety forces.

Fiduciary Funds

Fiduciary funds include private purpose trust funds and agency funds. The Township has no private purpose trust funds.

Agency Funds are purely custodial in nature and are used to hold resources for individuals, organizations or other governments. The Township disburses these funds as directed by the individual, organization or other government. The Township's agency funds account for insurance proceeds to be held until required repairs to damaged property are made and approved by the Township, to account for road opening deposits and road bonds that are returned when construction is complete, and as a security deposit for those sports organizations using the Township's parks for recreational league activities.

Note 2 - Summary of Significant Accounting Policies (Continued)

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund/department and within each department, the amount of personal services level for all funds, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year-end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year-end are carried over, and need not be re-appropriated.

A summary of 2017 budgetary activity appears in Note 3.

Deposits and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Money market mutual funds are recorded at share values the mutual funds report. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

Capital Assets

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

<u>Nonspendable</u> – The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

<u>Restricted</u> – Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

<u>Committed</u> – Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

<u>Assigned</u> – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

<u>Unassigned</u> Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Total	\$14,520,133	\$11,671,078	\$2,849,055	

Note 4 – Deposits and Investments

The Township maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2017
Demand deposits	\$1,787,530
Certificates of deposit	731,000
Total deposits	2,518,530
STAR Ohio	11,950,849
Total deposits and investments	\$14,469,379

Deposits

Deposits are insured by the Federal Depository Insurance Corporation, collateralized by the financial institution's public entity deposit pool or collateralized through the Ohio Pooled Collateral System (OPCS).

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 4 – Deposits and Investments (Continued)

Investments

Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

Note 5 – Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

Note 6 - Interfund Balances

There were no outstanding advances at December 31, 2017.

Note 7 - Risk Management

Workers' Compensation coverage is provided by the State of Ohio. The Township pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Township has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles;
- Public officials liabilities; and
- Law enforcement liabilities.

Note 8 - Defined Benefit Pension Plans

Ohio Public Employees Retirement System

Some employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a costsharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 8 - Defined Benefit Pension Plans (Continued)

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries and the Township contributed an amount equaling 14%, of participants' gross salaries. OPERS Law Enforcement members contributed 13% of their gross salaries and the Township contributed an amount equaling 18.10% of participants' gross salaries. The Township has paid all contributions required through December 31, 2017.

Ohio Police and Fire Retirement System

The Township's certified full-time Fire Fighters belong to the Police and Fire Pension Fund (OP&F). OP&F is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2017 OP&F participants contributed 12.25% of their wages. The Township contributed to OP&F an amount equal to 24% of full-time fire fighters' wages. The Township has paid all contributions required through December 31, 2017.

Social Security

The Township's 51 part-time employees plus two elected officials contributed to social Security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Township contributed an amount equal to 6.2 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2017.

Note 9 – Postemployment Benefits

Both OPERS and OP&F offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution to fund these benefits, and OP&F contributes 0.5 percent to fund these benefits.

Note 10 – Contingent Liabilities

The Township is not a party in any lawsuits.

Amounts grantor agencies pay to the Township are subject to audit and adjustment by the grantor.

Note 11 - Joint Ventures

The Township jointly operates a fire station with Copley Township. All operating and maintenance costs were paid equally by the two townships. For the year ended December 31, 2017, the Township's expenditures for the fire station were \$268,499.

Notes to the Financial Statements For the Year Ended December 31, 2017

Note 12 - Jointly Governed Organizations

The Township is a member of a Joint Economic Development District (JEDD) with the Cities of Akron and Fairlawn. The City of Akron provides water services to businesses within the JEDD while the JEDD is permitted to collect income taxes on those businesses. At the same time, the JEDD prevents annexation of Township property by either city and maintains the Township's rural character and property tax base.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Bath Township Summit County 3864 W. Bath Road Akron, Ohio 44210

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Bath Township, Summit County, (the Township) as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Township's basic financial statements and have issued our report thereon dated August 31, 2018, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Township's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Bath Township Summit County Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards Page 2

Compliance and Other Matters

As part of reasonably assuring whether the Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
