INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

City of Xenia, Ohio
And
The Director,
Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of City of Xenia for the year ended December 31, 2016, and have separately issued our unmodified report thereon March 16, 2018. These statements present the landfill as part of Sanitation major enterprise fund and also within the City's business-type activities.

In a letter to the Ohio Environmental Protection Agency dated March 16, 2018 (the Letter), the (chief financial officer (CFO)) of the City of Xenia specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the City of Xenia and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. The City of Xenia's management is responsible for the information presented in the Letter. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c) we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

- 5 Total assured environmental costs
- 6 Total annual revenue

The amounts on line 6 agree to the basic fund financial statements of the City of Xenia, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion respectively, on the letter. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is for the use of City of Xenia Landfill, the City of Xenia, and Ohio Environmental Protection Agency to assist in evaluating that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements for the year ended December 31, 2016, and is not suitable for any other purpose.
