## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

June 8, 2018

Eastern Knox County Joint Fire District  
Knox County  
7 West Walnut St.  
PO Box 526  
Danville, OH 43014

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Eastern Knox County Joint Fire District**, Knox County (the District) and the Auditor of State, on the receipts, disbursements and balances recorded in the District's cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We recalculated the December 31, 2017 and December 31, 2016 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2016 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2015 balances in the prior year documentation from the Agreed-Upon Procedures working papers. We noted that the 2016 beginning balance was \$318 less than the ending balance in 2015 due to voided checks. We also agreed the January 1, 2017 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2016 balances in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances. We noted the 2017 beginning balance was \$835 more than the 2016 ending balance due to a voided check and a double posted payment.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2017 and 2016 fund cash balances reported in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances. The amounts agreed.

### **Cash and Investments (Continued)**

4. We confirmed the December 31, 2017 bank account balances with the District's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2017 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2017 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2017 and December 31, 2016 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio rev. Code Section 135.13 or 135.14. There were no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2017 and one from 2016:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed. We also traced the advances noted on the Statement to the Revenue Ledger. The amounts agreed.
  - b. We inspected the Revenue Ledger to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-06 and 5705.10. We found no exceptions.
  - c. We inspected the Revenue Ledger to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2017 and 2016. The Revenue Ledger included the proper number of tax receipts for each year.
3. We haphazardly selected five receipts from the State Distribution Transaction Lists (DTL) from 2017 and five from 2016. We also haphazardly selected five receipts from the County Auditor's DTLs from 2017 and five from 2016.
  - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger. The amounts agreed.
  - b. We inspected the Revenue Ledger to determine that these receipts were allocated to the proper funds. We found no exceptions.
  - c. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2015.
2. We inquired of management and inspected the Revenue Ledger and Appropriations Ledger for evidence of debt issued during 2017 and 2016 or debt payment activity during 2017 or 2016. There were no new debt issuances or any debt payment activity during 2017 or 2016.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2017 and one payroll check for five employees from 2016 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the Wage Detail Report to determine the account codes to which the check was posted were reasonable based on the employees' duties as documented in the employees personnel file and/or minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2017 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2017. We observed the following:

<b>Withholding (plus, employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2018	January 2, 2018	\$15,906.93	\$15,906.93
State income taxes	January 15, 2018	January 3, 2018	\$2,569.16	\$2,569.16
Local income tax	January 31, 2018	January 3, 2018	\$1,592.12	\$1,590.87
OPERS retirement	January 30, 2018	February 1, 2018	\$13,598.92	\$13,598.92
OP&F retirement	January 31, 2018	January 30, 2018	\$9,905.33	\$9,905.33
School District tax	January 15, 2018	January 3, 2018	\$820.32	\$820.32

As stated above, the District paid OPERS two days past the due date.

### **Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Appropriation Ledger for the year ended December 31, 2017 and ten from the year ended 2016 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date and payee name and amount recorded in the Wage Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 570541(D). We found no exceptions.

### **Compliance – Budgetary**

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the years ended December 31, 2017 and 2016. The amounts on the Certificate agreed to the amount recorded in the accounting system in 2016. The Revenue Status recorded budgeted (i.e. certified) resources of \$1,476,784 for 2017. However, the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances* reflected \$1,520,234. The fiscal officer should periodically compare amounts recorded on the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We inspected the appropriation measures adopted for 2017 and 2016 to determine whether the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2017 and 2016. The approved Appropriations for 2016 were \$1,833,340. However, the Appropriation Status Report reflected \$1,951,940 for 2016. The approved Appropriations for 2017 were \$2,227,415. However, the Appropriation Status Report reflected \$2,237,415 for 2017.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibit appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the years ended December 31, 2017 and 2016. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2017 and 2016 as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.

### Compliance – Budgetary (Continued)

6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Revenue Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2017 and 2016. We also inquired of management regarding whether the District received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the District to establish a new fund.
7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2017 and 2016 Revenue Ledger and Appropriation Status Report for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14-16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Report to determine whether the District elected to establish reserve accounts permitted by Ohio Rev. Section 5705.13. The District did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2017 and 2016 for negative fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

### Other Compliance

1. Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the District's deadline where the initial filing was filed on time but incomplete. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2017 and 2016 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
